Introduction

If you have been looking for a way to put save money or just put some extra money in your pockets, then you have come to the right place.

It's no secret, that apps have made our lives easier. They are the life force of our smartphones and tablets. There's practically an app for everything. You name it and there is an app for it.

This book is a short read. It contains a list 75 free top rated apps that you can easily use to help make your life a little easier.

Using these free apps you can:

- Earn cash back or gift cards to major retailers like Walmart, Kohl's or Target
- Get the best prices on your favorite product or services
- Track your spending habits, so you will stay within your budget
- Save money on basic living expenses like gas, food and clothing

You won't get rich by any means using any of these apps but in this economy every little bit helps. With that being said, let's get started!

Good Luck
