*"Burn, baby, burn! That's a beautiful thing,"* an Enron trader sang about the massive forest fire that shut down a major transmission line into California, cutting power supplies and raising price.

# Introduction

---

*It's only money, it's only dough,  
But you can't get enough of the wonderful stuff  
Which we jingle or so  
It's only money, it's lost your way,  
But there's this thing about it that tells snooks without it  
The girls don't give dates  
I love the artwork, the Treasury sure does smart work,  
The nicest people we know  
Are the people who get their faces on dough.  
It's only money, it's only dough,  
And the people who crave it, who worship and save it,  
All come to know  
You can't take it with you when you go.*

*Performed by Groucho Max and Frank Sinatra  
Lyrics by Jule Styne and Sammy Cahn*

I have always been a big fan of quotes and sayings. They offer the encapsulated wisdom of both the crowd and the smartest people ever on a wide variety of topics. Plus, they

often provide specific, practical advice and do it in a memorable and thoroughly enjoyable way.

This is a collection of the most notorious, infamous, jocose and valuable insights about money, investing and trading that I could find.

I hope you like and have fun with the stories. A beautiful print-ready poster with another hilarious anecdote not included in this audiobook can be download for free from [morbat.com/burn](http://morbat.com/burn).

Enjoy!
