Vacation Certificate Questions & Answers

(Q) Are your Vacation Certificates just “Timeshare Vacations” by another name?

(A) ABSOLUTELY NOT. No customer will ever be required to listen to any sales pitch, take a tour, or in any other way be required to consider buying anything to take advantage of the Free Accommodations offered on my Vacation Certificates.

(Q) How can the Hotels at the resort locations listed on the Vacation Certificates afford to give away Free Hotel Rooms? Aren't they losing money?

(A) There is one main reason the travel agencies and Resort Hotels participate in this Free Hotel Room Certificate program. They are willing to give the rooms away Free to get people to come and see what they have to offer. They are expecting to make money in the future when people decide to come for a return visit.

Once people have a great experience at a vacation spot, they usually return many times. And many people will tell their friends, neighbors, relatives and co-workers about it... that's valuable word of mouth advertising! It's the same as a company sending you a free sample of their new product in the mail. They want you to try it for free, hoping you'll like it, buy it in the future and recommend it to other people.

(Q) What are the Hotels like?

(A) I am affiliated with a national company that is the actual provider of my programs offered. The Hotels used for the Vacation Certificate Program are all three and four-star hotels such as Doubletree, Holiday Inn, Ramada, Marriott and other well-known franchises. In Las Vegas they are Major Casino Hotels.

The fulfillment company uses many hotels at each destination so your customer will, in most cases, get their vacation on the dates they requested. You don't have to worry about sending someone on a less than superior vacation.

On the average, if someone uses one of my Vacation Certificates, they will receive accommodations that normally sell for \$75.00 to \$200.00 per night. The money they save on their accommodations will go a long way to pay for their transportation and meals.

Q: Are there any hidden charges to get what is offered on the Vacation Certificate Coupon?

A: No. People send in the Vacation Certificate with a \$24.95 processing fee. They will receive their Hotel Reservation Form in a few weeks. When they send in their Hotel Reservation Form with the requested dates of their vacation, they send in

the room tax (average \$7.00 to \$12.00 per night depending upon the destination). That's it.

Q: What if a customer wants to take their children on vacation with them... or... go with another couple... or book their accommodations immediately... Can they do that?

A: Yes, Yes and Yes. When a customer receives their reservation form in the mail they will have all of these options to choose from on the form. They can take advantage of any or all of them by paying a small surcharge.

This not only persuades consumers to redeem their Vacation Certificate quicker, but the Bonus Program increases the percentage of consumers who actually redeem their Vacation Certificate. This will earn you more money.

Consumers redeeming their Vacation Certificate within 15 days will receive the following FREE BONUSES (along with their Hotel Reservation Form):

(2) \$1,000.00 in Supermarket Coupons Certificate

This is a \$1,000.00 Certificate good for the \$1,000.00 Supermarket Magic program valid at any supermarket. Imagine saving \$1,000.00 on the groceries of your choice.

Have you ever been in line at your supermarket and a customer in front of you had a coupon for every item in their shopping cart? That customer was using this program. Why is it that less than 1% of American families know about this offer, yet 90% of all households use grocery coupons? Everyone thinks that local newspapers are the only source of grocery coupons. The truth is, local papers contain less than 10% of the coupons available from the manufacturers on brand name grocery products.

When consumers redeem their certificate for a small registration fee, they will receive 100, \$10.00 vouchers (\$1,000.00 total) to redeem for coupons at their local supermarkets.

Vacation Certificate Marketing Information

This FREE \$99.00 Distributorship Program is not about you having to sell anything personally. It's about an easy way for you to earn thousands of dollars by simply giving away FREE Vacation Certificates and earning \$10.00 for each Certificate redeemed!

Each Vacation Certificate you give away will have your Distributor Number printed on the Certificate. Your Distributor Number will be assigned to you when you place your first order for Vacation Certificates. No one else will have your Distributor Number.

When a Certificate is redeemed, your Distributor Number tells our accounting department who was responsible for distributing that Certificate and most importantly, who gets paid.

We pay you \$10.00 for every Vacation Certificate redeemed that you distributed.

If you distribute 1,000 Vacation Certificates and only 20% are redeemed, you'll be paid \$2,000.00 ($\$10.00 \times 200 = \$2,000.00$).

If 30% of the Certificates are redeemed, you'll make \$3,000.00 ($\$10.00 \times 300 = \$3,000.00$)

There is no limit on the number of Certificates you can distribute. This means there is no limit to the amount of money you can earn. The more Vacation Certificates you distribute the more money you'll make.

On the 15th and the last day of each month our accounting department adds up all the Vacation Certificates redeemed with your Distributor Number on them, pays you \$10.00 for each redemption and issues you a commission check. Your check is sent out the following business day.

So how do you give the Vacation Certificates away? With the manager's permission, you could stand outside your local Wal-Mart, Lowe's, K-Mart, Grocery Store, etc. and give a Vacation Certificate to every person coming out of the store (a free gift for visiting the business).

You could leave several Vacation Certificates on counter tops of convenience stores, in laundry mats, in hospital and doctor waiting rooms, and in many other places.

You could also give away Vacation Certificates at sporting events, malls and any place that people gather together.

However, you can earn more money more quickly by letting businesses give the Vacation Certificates away for you!! And the businesses will actually PAY YOU for the privilege for doing so! What a creative moneymaking idea!!

So how is this possible?

Businesses are constantly looking for special promotions to get new customers and increase their sales. My Vacation Certificate is the hottest, undisputed top premium in the entire U.S.!

When businesses are looking for a hot new promotion, THIS IS IT! And they can usually take the cost of the Vacation Certificates and write it off their taxes as an advertising expense. Just tell them to check with their tax professional to make sure.

Here are a few businesses you should target with Vacation Certificate suggestions:

Car and Truck Dealers: Free Certificate with a test drive.

Any type of Contractor - Swimming Pool, Painter, Interior Decorator, Carpentry, Roofer, General Contractor, Carpet, Appliance, Landscaping, Siding, Electrical, etc: Free Certificate with Free estimate.

Pizza Shops, Yogurt Shops, Sub Shops, Fast Food, Donut Shops, Video Stores, Convenience Stores, Movie Theaters, Dry Cleaners, etc.: Free Certificate with 5 visits (or 10 visits). In this case, the merchant gives away wallet size cards with 5 or 10 squares and punches one at every visit (with a sale). When the card has been completely punched out, the consumer redeems the card and gets their Free Certificate. This brings the promotion cost down to 10¢ to 60¢ per visit.

Malls, Flea Markets, Amusement Parks, etc.: Free Certificate to the first 100 or so people Saturday morning (or something similar).

Casinos, Greyhound and Horse Racetracks, Seminars, Conventions, Concerts, Trade Shows, Sporting Events, Auctions, etc.: Free Certificate to the first 100 or so people on a specific day or to the first 100 people who purchase tickets.

Quick Oil Change And Lube Shops: Free Certificate with oil change.

There are many other businesses that could benefit by using my Vacation Certificates. The ideas above are suggestions only. You may have ideas and suggestions of your own.

The minimum order for businesses is only 50 Vacation Certificates at \$1.00 each or \$50.00. You will earn 50% commission on every initial business order for Vacation Certificates, and 60% on re-orders. Some businesses may order 100, 200, 500, 1,000 or more Certificates at one time!

All business orders receive DOUBLE the Certificates absolutely FREE on their first order! If they order 100 Vacation Certificates, they get 200. If they order 500 Certificates, they get 1000, etc. They also get FREE First Class Shipping! This is done to get a higher volume of orders thus earning you more money!

The Vacation Certificate will be printed with the name of your customer in the "Compliments Of" space and shipped within three business days. A re-order form with YOUR Distributor Number on it is included with all Vacation Certificate orders.

Please note that since the Vacation Certificates are personalized for your customers, all sales of Certificates are final... there can be no returns and no refunds. Many customers will reorder from you for years and years!
