TEASER

{INT. LUCIFER'S PALACE, PLANET OUKHAH, OLAM-CHUPHSHAH - DAY}

Lucifer is carrying a bowl of water and a big glowing ball, which represents Olam-Chuphshah in front of him. His name on his right chest is covered with a black triangular symbol. His eyes and the Power of Order crown on his head begins to glow red.

LUCIFER

(pours the water on the glowing ball)

Olam-Chuphshah, I bring attraction into you, let anyone who spies on you gets attracted to you and your beauty forever. In you shall peace be still and hope restored to the one who is inside, and let the people of Shamayim never cease to come here until Shamayim is empty. Shine! Shine!! Shine!!! Let your light attract all alien life to you. Be the brightest in Ab-Olam!

(carries a stick and grass from his table and drop into the glowing ball.)

All the creatures created in Olam-Chuphshah, I summon you, come back to where you were created.

{EXT. TERRITORIES, SHAMAYIM}

All birds and animals (creatures of the angels) including dinosaurs (creatures of the 24 Elders) disappear from all the Territories and angels become dazed.

{INT. LUCIFER'S PALACE, PLANET OUKHAH}

Lucifer watches planets of Olam-Chuphshah through a screen before him and all animals (angel's creatures) including dinosaurs (the 24 Elders' creatures) appear in all planets in Olam-Chuphshah where they were created.

LUCIFER

(lifts his two hands)

Hahaha!

The universe (Olam-Chuphshah) thunders and sparks lightning.

{HALL, MELTSAR}

The Elders are standing in a circle format; Rosh-Seraph holds an oval purple light and stands in their midst.

SHAFAT

We cannot undo the power in the Crown of Order with Satan, but we will duplicate all the creatures of Olam-Chuphshah that has stepped its foot into Shamayim now.

THE 24 ELDERS

(in unison)

All creatures of angels from Olam-Chuphshah, duplicate yourselves and appear back in Shamayim.

(Rosh-Seraph hits the purple light on the ground and a great light sparks in the hall with a great sound of thunder)
So be it!!!

{EXT. TERRITORIES, SHAMAYIM}

All birds and animals (creatures of the angels) including dinosaurs (creatures of the 24 Elders) appear back in all the Territories and all the angels become glad.

{INT. LUCIFER'S PALACE, PLANET OUKHAH}

LUCIFER

(sees the Territories of Shamayim through a faded mirror.)
Hahaha! You can duplicate the creatures but the original is here with me.
Haaaaahahahaha! Elders, I will see to your fall soon!!
Haaaaaaahahahaha, you cannot undo my powers!!!

END OF TEASER

THE OMINOUS

{INT. HALL, MELTSAR - DAY}

Michael is standing before the council of the 24 Elders.

SHAFAT

You've made us proud for your courage to detect and know about what was going to happen and get prepared for it. However, you shouldn't have changed his name, that was not part of the order. Father is not very much happy with what just happened. You can see that we all grieved for it. Go to him and tell him our decision.

MICHAEL

(nods)

Yes, my lord.

{EXT. OLAM-CHUPHSHAH}

Soldiers of the clan of Lucifer surround planets and are guarding it.

AN ANGEL

Someone is approaching from Shahr!

AZAZEL

(appears at the doorway to Olam-Chuphshah)

Weapons!

(all the soldiers set their weapons and are ready for a fight.)

HUDIEL

(comes out of the doorway)

Drop your weapons!

AZAZEL

(amazingly)

Says who?

MICHAEL

(suddenly appears behind Azazel)

Says Hudiel.

AZAZEL

(Shivers and turns)

Oh!

(sees Michael and lowers his face)

MICHAEL

Even to look at my face is a problem for, you guys, nowadays. Where is your honour now?

MALPHAS

Shut up!

MICHAEL

(turns and sees millions of soldiers with fire-arrows aiming at Hudiel and him)

What? They've forgotten us so soon?

HUDIEL

(two soldiers attack him, he uses one foot to slap and beat them with it. The energy from his foot rotates the soldiers rapidly and falls them before him and he stands on them)

Cowards; I said drop your weapons.

Michael points at Malphas and Malphas' body becomes icy. Hudiel grasps another two closest soldiers to him and hits their heads together and they disappear. Then all the hands of the soldiers begin to shiver, so they all drop their weapons: the weapons disappear.

MICHAEL

Fools! You receive me like a stranger, well, I've introduced myself.

(points at Hudiel)

There,

(faces Azazel)

meet Hudiel.

AZAZEL

Lord Michael, what do you want from us?

MICHAEL

I want to see Lucifer.

AZAZEL

Nobody answers such name here and the one you may be referring to doesn't want to see you.

MICHAEL

Hmm! Tell him that I want to see him.

AZAZEL/LUCIFER

(body changes)

Ah!

(turns into Lucifer)

MICHAEL

I suspected that as much, because I couldn't read you.

(sees the word "SATAN" behind the black triangular symbol on the right chest of Lucifer)

Oh damn! It worked?

SATAN

You can't read my angels either. You also have pride too, just look at him

(faces Hudiel)

Fearless,

(faces Michael)

believe me, if you were in my position you would do worse. I think the Elders know what I'm talking about. By the way, you're welcome, my foolish brother.

(waves his hand and the place turns into a palace)

{INT. SATAN'S PALACE, PLANET OUKHAH - DAY}

SATAN

It wasn't you who fought me.

MICHAEL

Hmm... funny. It was me. You're weaker than the last time I saw you.

SATAN

For goodness sake, we are at war, Michael. Why did you fight me back there in Shamayim, you broke a natural rule.

MICHAEL

The Elders gave me orders anyway.

SATAN

Your order expired when you raged at the Elders. The order accompanied your thoughts.

MICHAEL

You deceived us but your trick was unprofessional. You were supposed to be in a defensive formation; instead, you stayed in a war formation. Why was that? You thought you could just wake up and take over what doesn't belong to you that fast? Come on! You thought we were fools?

SATAN

Don't tell me you came all the way here to argue with me.

MICHAEL

I can't believe that you wanted me to bow to you. Still, I miss you; even the Elders and the Most High missed you. The Most High and all of us wept for you when you fell.

SATAN

Spare me that. The naming wasn't you.

MICHAEL

It was me.

SATAN

All right, what brought you here?

MICHAEL

Well, congratulations!

SATAN

For what?

MICHAEL

You're now a member of the Elder's council. That's why I came. It's a pity you lost your eyes together with your honour, you could have read me.

SATAN

I'm not interested. I'm a god here! No one can change a name given by the Most High himself.

MICHAEL

You lost your honour and you brought shame and disgrace upon the One who named you, so the name couldn't accompany you, that's why I named you Satan, so you could at least go somewhere because Shamayim was already rejecting you. You should thank me, however, I didn't know it was going to work because I was only moved by my instinct to do that.

SATAN

Will you be glad to have Satan rule over you like an Elder?

MICHAEL

If it's the will of Father then so be it. I'll love it.

SATAN

Tell them that I am not interested unless I will take the position of Shafat.

MICHAEL

(smiles)

Seriously? Please stop being foolish.

SATAN

Hmm.

MICHAEL

No one can change the position of Shafat, the Most High gave him that position himself.

SATAN

You named and banished me and it worked. Someone can do the same to him.

MICHAEL

Well, maybe you can suggest to him yourself that he should dishonour his glorious position as you did. So that someone could do that.

SATAN

If I tell him he'll do it, right?

MICHAEL

Yes!

(nods)

Maybe.

SATAN

Hmm... Then tell him what you've just said.

MICHAEL

Well, they've heard you.

SATAN

What? You brought in the eyes of my enemies?

SHAFAT

(appears)

I'm sorry. But we need you among us.

MICHAEL

(keeps an apologetic face)

Oh, see...

SATAN

(interrupts)

You fool!

(to Michael)

Get out!!

(disappears)

The environment changes to the doorway of Olam-Chuphshah.

{EXT. DOORWAY, OLAM-CHUPHSHAH}

MICHAEL

(to Hudiel)

Wow! Let's go.

Shafat nods and disappears. The icy body of Malphas changes back to his normal body. Hudiel smiles and disappears with Michael.

{INT. HALL, MELTSAR}

The Elders are sitting around the glowing triangular table. Rosh-Seraph stands closer to the window.

SHAFAT

(relaxes on his chair)

He appears weak but he is actually strong.

YAKACH

Maybe he has not figured out a way to use the power of order very well.

ROSH-SERAPH

The more reason we should act fast. Father didn't create us to live separated.

He now passionately hate you all. We need to do something about this.

YAKACH

It's very obvious that Satan wants to be like the Most High, and that can never happen as long as I exist.

EMUNAH

(faces Yakach)

We!

YAKACH

Sorry, as long as we exist.

ROSH-SERAPH

Good. So, what do we do now?

SHAFAT

He is on a mission to corrupt all the universes under Shamayim. First, we will protect all these places from his reach and try to bring him back to Shamayim, it is not Father's will for us to fight each other unless wickedness is involved.

YASHAR

(to Shafat)

Oh wait, I know you feel for him and that we all do. I understand that, but it seems like you didn't receive the message he sent to us. He rejected the offer to become one of us, giving us a condition that doesn't exist and you still talk of bringing him back. Tell us, how do you plan to achieve that?

SHAFAT

You're right, it will be difficult to restore his state of mind. He still has some kindness in him, at least he cares for the angels loyal to him. We all know he is greatly in need of power and control, I think if we give him that we can gradually win him back to our side.

(The Elders murmur.)

As we plan about that, it is important that we have a replacement, a person that will stand in place of Lucifer during worship. Suggestions, please.

EMUNAH

I think we should use Michael.

QARA

No... it will consume him and he may be no different from Lucifer.

SHALOM

Michael cannot be easily controlled like Lucifer. Lucky for us the crown of order is not two.

(Some of the Elders giggle.)

SIMCHAH

Wait, Shalom, I was just looking at all of you, seem like you've forgotten that Satan broke the law and deserve to face punishment.

SHAFAT

Simchah, let us not complicate things. We shall give him another chance, the truth is; his kind of being overshadowed him that he was not able to control his desires as others did.

SHALOM

This mantle is not given by power. We should concentrate on the next Lucifer for now.

{INT. HUDIEL'S PALACE, MICHAEL'S TERRITORY}

Gabriel is sitting on a couch while Michael sits in the air above window level facing him. Shade of light is covering them.

MICHAEL

The last time I saw the Elders, I think they were up to something.

GABRIEL

Hmm, you read the Elders' minds now?

MICHAEL

It was Shafat; he gave me so many signs.

GABRIEL

How did you know what he meant when you don't interpret signs?

MICHAEL

Haha! Did I say anything? Come on, I only said they were up to something.

GABRIEL

Maybe it's about Satan.

MICHAEL

No! it's about you. If that happens, Satan may never want to see you or hear your name anymore.

GABRIEL

Excuse me, what are you talking about?

MICHAEL

I said I don't know.

GABRIEL

No, you never said that, you said, "Haha! Did I say anything? Come on, I only said they were up to something." I could remember everything.

MICHAEL

Okay hear me now, I don't know!
(hands blink red)

GABRIEL

(hands blink red)
Emergency call, what's wrong?

MICHAEL

It's from the Elders.

GABRIEL

And it's at Mizbeach Halal.
(amazed)
That is strange.

MICHAEL

Come on, we have to go now.

{EXT. MIZBEACH-HALAL}

The 24 Elders are standing on the platform and the platform is rotating slowly. All the angels are sitting on their tiered seats and watching at the Elders. While all the Archangels sit together on a long couch.

SHAFAT

The most shining one is no longer among us today. But this is what we want you to know, we are not happy that it ended the way it did. We are working on bringing a balance to the future of Shamayim, nevertheless, while we do such, we cannot leave that gap empty and starve the Most High; our beloved father of the honour he deserves. The former son of Boqer starved our Father intentionally before our eyes but that will not discourage us from doing what needs to be done. Therefore, the Council of Elders has chosen the second brightest being after Satan in his former glory as Lucifer, to stand in his place until father decides for himself the proper person to take that position. We shall do this before all of you and the Most High.

(The whole crowd claps (applauses).)

May all Archangels step before the Elders.

All the Archangels disappear from their seats, appear in between the 24 Elders, and stand on a straight horizontal line (no one stands behind no one). Then the Elders form a triangular line and surround them.

SHAFAT

Let the nations rise.

All the angels stand and look in the direction of the Elders.

ALL THE ELDERS

(in unison)

Holy Father, we present before you your light of love and satisfaction, may your love continue to reign in us forever for you shall accept the one who will succeed Lucifer your beloved in time like this. May this day be a sign of peace, love and harmony between your creatures and you forever.

CROWD

(in unison)

Amen!

SHAFAT

(walks back and forth in front of the Archs)

The Lord has chosen one of you to honour him today and forever. The Lord has chosen the one who frowns at evil, the one who doesn't give room to deceit, the one who will be the only one standing on the side of the Most High if others fall,

(pauses)

the one who is called Gabriel the Archangel!

(The whole crowd applauds.)

Gabriel, step forward.

(Gabriel steps forward. He holds Gabriel's hands and whispers.)

You've been honoured with dual purpose, you shall be the eyes of the Most High and remain the master of truth. The Lord is your strength.

(The sky thunders and the Elders disappear. The crowd applauds.)

BARACHIEL

(walks to Gabriel)

Congratulations.

GABRIEL

Thank you...

MICHAEL

Hey, bro, I told you. Congrats anyway.

(hugs Gabriel who smiles)

HANIEL

Cool, man, I'd love to see you orchestrate our first meeting

(both laugh)

All the Archs congratulate Gabriel for his new title while the crowd keep cheering and clapping.

{PLANET OUKHAH, OLAM-CHUPHSHAH}

Satan turns into a dragon, the crown of order is on his head unseen, and a staff is in his right hand. All his angels are below him.

SATAN

(shines his light bright)

Bow before me in worship and receive the breath of life into your bodies.

ALL

Thou art worthy, O Satan; the king of kings, lord of lords, ruler of the midst, and the creator of the descended. We worship you for in your light shall we strive and in your power shall we walk. Live forever and ever for thou shall be greater than the Most High in time to come, Amen!

They all start singing.

MUSIC

ABYZOU

The great one true king

ALL

We worship you today

AGRAT

For you shall conquer the claimed mighty in the end

ALL

They shall fall beneath thy feet.

{AB-OLAM}

AHAVAH

I can hear the music, I can feel the impact, but I am not allowed access to my own creation, he cursed me with darkness for trying to retrieve my own stolen crown. No! no one shall share my glory with me, I will not allow it, hmm, I must not wither away from my creation, my glory must come to me! Because I made all things and for my glory; they were made!

(relaxes on his seat and pants)

Well, I'll leave it for the Elders to handle, for this purpose I created them. I promised not to intervene, let me respect my promise.

MUSIC CONTINUE

EISHETH

The greats shall call us masters and sons of the Most High!

ALL

Because we will reign forever.

ABYZOU

Let the name of our Lord be magnified forever.

ALL

For he is great, and great, and great, and forever shall be the Lord of Host; the Most High forever shall he be. Amen!

END OF MUSIC

SATAN

(laughs loudly)

Hahahahaaaaahahahaha!

(a bright light comes out of him and cover all his angels that they begin to vibrate in pleasure; as it happens in Shamayim during worship hour at the presence of Ahavah.)

Receive my glory forever, my children. Hahaha!

{INT. HALL, MELTSAR}

The Elders are watching at Lucifer through a screen on the table between them. Shade of light is covering the hall.

TSALACH

He's out of his mind.

YAKACH

Damn! He's going crazy.

GEBURAH

For how long will he do this?

EMUNAH

His whole life is full of lies.

GADOL

One day his followers will discover his trick and that's the end of his ambition.

SHAFAT

If he continues to stir up the glory of the Most High that's already in them as he is doing already, they may think him to be the genuine Most High in time to come.

ROSH-SERAPH

And that may give them the encouragement that if they go into battle against us, they may win.

YAKACH

And that of course, can never happen.

TSALACH

We don't know yet, Yakach. We never knew this would happen today.

TIQVAH

This is upon us, whatever he becomes; is against us.

AMATS

You're right, he'll aim all his powers toward our direction in order to destroy us.

ROSH-SERAPH

That would not be possible if we respond bravely.

CHEN

What about the Archs and angels?

SHAFAT

We're all in this together.

KOACH

As far as I know, the Archs and angels are not his targets.

SHAFAT

They are. We all became his enemy the day he fell from among us. That's why he turned down our offer.

AMAN

How a once perfect being, turned out to be a curse.

QARA

Well, if he won't accept our offer, I think he should give his angels the choice.

SHAFAT

He's very stubborn, that won't be easy for him to do. Let them discover for themselves the rightful place to be.

ONE THOUSAND YEARS LATER

{EXT. ELIGOS' ROOM, GABRIEL'S TERRITORY}

Paimon, Valac, and Eligos are sitting on illuminating chairs independently. Shade of light covers the room. The room is glassy, glowing and oval in shape.

PAIMON

I see them often. They've lived in peace ever since they left.

VALAC

You mean the ex-children of Boqer?

PAIMON

Yes! Whom did you think I was talking about?

ELIGOS

Even though the Elders never plot against the Most High, they sometimes are quiet or slow to action.

VALAC

I thought I was the only one who observed this.

ELIGOS

That is not a good quality from good leaders. Satan and his men are left free without any punishment; they are living under no law. But they promise to punish us if we break a law.

PAIMON

Hey! It hasn't gotten to that, what are you thinking?

ELIGOS

Yes, I want to join them.

PAIMON

Hey, hey, hey don't tell me you were justifying yourself with those words because you're planning to leave.

VALAC
