

School is over, I see small article and small ping respective sit colonel car, just return classroom, right now classroom already empty nobody, only The rest of hui Juan and I, at that time, because no one around, next to the welfare of the iron door also pulled down, the campus a quiet, I can't wait for that... I closed the front and back doors, Turn off the light, hui Juan pulled to the back door of that row, want to further do... . But she said no, and she Say: "A gentleman, I will be your man sooner or later, don't be so impatient... Wait A minute, how to do if someone caught me...?"

"I think, is also rational, but little brother still can't help..." She knew I couldn't help it, so she took my hand and touched it over her tits... I rubbed hers vigorously Milk... She groaned uncontrollably. She said, "Stop rubbing!" She reached under me with her hands, My little brother pulled out, she said: "I first help you hit a shot, let your little brother finished." Soon, I And lost it... The soft. She said, "All right! Now, do you want to be more generous?" She took out her handkerchief and took my semen Wipe... I never knew a girl that fierce had such a soft side. After wiping it off, she put the handkerchief away There you go. Pull my dick back into the cage. He said: "A gentleman, it's time to gather." We both picked it up School bags, holding hands with each other, walking to the classroom in Picture 3...

The members of the skating club early to figure 3 a classroom set, to figure 3 a classroom mouth, we let go of each other Hand, I went in the front door. "I'm sorry I came late because I was busy. I'm really sorry." At this point, look down, only a dozen, how are women ah!

At that time, Hui Juan also came in from the back door, sitting in the first row of the last seat. So I asked everybody, "Boys Where did you go?" Sitting in the next he Yaru spoke: "President, there were a few boys to come, but you don't That's why they left." In the side of Chen Xiangting, Cheng Jiayu, Wang Yuting will be three simultaneous Say: "then how will you compensate us..." "All right! Later." I thought, "If I say this now, Want to please what, swear necessary all want to please, that I how delimit of come, besides in the association, have long really very safe of Girl, saw them you can frighten to death, I just don't spend this undeserved money, besides the money is to be particular about return.

Now I give out this form, everyone fill it out, fill it in and hand it in to me, Then you can go... . Right! Don't fill it out! This one is for the discipline team!" .

I walked to the back, called Huijuan to meet with these four grade two tourism

girls... .

At this point, "He Yaru said:". But I saw that expression, I knew that he was going to rip me off, "president

How are you going to make it up to the four of us..." "I've been thinking about it... well, I'll show you four

Shadow, ok?" All four of them cried out, "That's great! It's on the house!

", I hurriedly say: a little lower voice, wait a moment if a lot of people want me to please, then the movie is out of the question

All four of them, for an instant, pretended nothing had happened, fearing to lose the opportunity of ripping them off. I see

All four of them look so innocent! By the way, may I introduce you to my girlfriend, named

Zhang Huijuan... I lied again, but Huijuan would be angry if I didn't say so...

...). I told Hui Juan said: "our things don't talk about oh!" 'There! . Hui yun is good at

Personal relationships, in a short time, with all four of them as if they had known each other for years

Good friends... .

The other women members wrote and handed in their papers, then hurried out of the room as if in a hurry

Take the second school bus.. After ten minutes, the classroom left me and Hui Juan, and the four lively, outside

To the little girls, the four of them like the dance hall dancing and ice palace skating, because I am a master in this respect

So I became their idol.

"Four big beauty, don't write while chatting, just a few words, quickly write a write, write to play us a

Let's go to the movies. Look, it's getting dark." After a while, they all finished writing,

The six of us left the school.

On the bus, there were five of them in the last row, but there was one seat left, and I wanted to arrange flowers in the fifth

But all five little girls seemed to take a hint and said to me in unison,

A gentleman, sorry, have no seat, please go to sit in front!" I knew the five of them were messing with me, and I

Yeah, I've never been fucked by five girls, so I'm glad... .

I look back from time to time, Hui Juan seems to talk with them very come, as if everything does not talk ah, as if also point

Color oh.. . Hui Juan said at this time is with relish, may be just have Feel... .

In Taichung, six of us went to the theater, I found that today's movies are r-rated..

. I opened my mouth and said, "It's one of those movies again. .

But they said, "It doesn't matter! We four can take care of it!" Hui Juan said:

"A gentleman is very

Oh, that... !"

"Wang Yuting said:" We five big girls, we are afraid of what you will do to us, do not want us to do to you
Kind, good!" "Good! Five women, courageous, I like this kind of girl best, that wait a minute
Which one wants to sit next to me at the movies?" "Cheng Jiayu said: A you wait and sit down
I'll sit next to you in the middle. What can you do to me?" "Huijuan said: be careful,
Don't be careless, his hands will not love to touch oh..." "Chen Xiangting told Cheng Jiayu: 'Come here
Planted piece, return afraid you disorderly touch!" "He Yaru said right! Don't you be touched by us five
Well, still afraid we will lose body!"

"Good...! Unexpectedly, you five are not afraid of me, I went to buy a ticket!"
"Yuting said," Hurry up
To buy! This movie is about to start." "So I went and bought six last row tickets.
. . .

"Ladies! I'm going to buy you six bottles of champagne to keep your courage up." "And Jaru said, No
To give yourself courage..." "I couldn't argue... I had to let them talk..."
"Good
! Ladies, I've got champagne and gum, and we can go inside!" "
Jiayu said: Whoever is afraid of others, just go in! We don't know what will happen..."

"Good! Too good, really female hero, that good, we six people about law three chapters, bet, I don't know
Schoolgirl has this courage! ..." "The five women said," Say it, Mr. A!"

Well...

1. If I have the nerve to touch one of you later, not Including Huijuan, what do you want?
2. What do you want if I do something indecent later?
3. What would you do if I could not stop myself and behaved that way towards you?

"While five women, studying..." They sent Hui Juan to say:...

1. If you have the balls to touch one of us during a movie, we'll let you do it for free
Enough... . . .

"Xiang Ting said," You dare not, if you dare, I will..." "I asked her, and How about..." "Xiang Ting replied," Whatever you want, whatever you want."
They all said, "We are all the same as Xiangting. Let's see what you can do for

us!"

2. If you dare to make indecent movement words: "we also follow do, also follow you do..."

3. You said you couldn't help it... Give the five of us to that... ! "Xiang Ting said, 'No

If the five of us can't help it... What are you going to do to us?

"Xiang Ting's tone is a bit ironic.

"Yuting said: A you don't have this courage!" "Yaru said: A gentleman, if you don't

Have to us how, so, wait to see the movie, that want to invite us to eat night!"

"Ok! If I do something indecent, what are you five going to do?" I'm straight chest

The chamber said, "Jia Yu said: do what you like, do it!"

"Well, that's great! The six of us will hook our fingers together and it's a deal..."

"So we six people went in, at this time, my little brother has a column of the sky.., they

I don't know five yet..."

The six of us went into the cinema... The title of the movie is "18-year-old girl is in bud." I see the title is small

Brother could not help, so a go in, I go to the toilet first, they five will go to find a seat first, to

Toilet, I will appease the little brother down, do not let the little brother has been kept in the direction of 12 points, then use ling water

Then little brother wash a wash, little brother will become 6 o'clock end direction, toilet, walk on the aisle, take a look,

How few people are there this time! "Thought: Great!" "The five of them waved to me," and I walked to the end

One row of seats, the five of them are already seated, leaving only the middle seat for me to sit in

The film has begun..." Our seats were in the last row in the cinema. This is my story

Italian choice of seat), I sat down, then give them five champagne, then drink up... .

The film is starting to work... "Then I looked up stealthily, and saw that the people were gathered in front of me

Half, and those people, are some adults, my heart, secretly laughed... And then steal

I drew a few of them. Sitting on my right hand side are Huijuan, Yaru and Xiangting, and on my left hand side is Jiayu.

Yuting, at this point, I asked the five of them if they had finished their champagne..."

"All five said they had finished drinking, so I took out the gum from my pocket and invited them to eat..." "This
All five of them were embarrassed... (The reason: the hero and heroine are having sex...
And the voice made all five of them feel very happy and embarrassed) so I said:
"Well, ladies, throw in the towel! Throw in the towel and we won't see!" "Jiayu is sitting next to me
Say: who wants to admit defeat, look at, who is afraid of who!" "They seem so sure..."

At this point, my little brother by the unbearable, I will reach into the underwear, touched up...
Hui Juan saw this, coupled with the sound of moaning in the movie, also could not resist, so she put her little hand,
Into my underwear and rubbed it up and down... "But I kept my head down and kept looking at my electricity
"Jiayu and Yuting, who were on my left hand side, saw this first
Longing look, have been looking at The hands of Hui Juan touch my..."

"At this time, the right side of the Ya Ru and Xiang Ting also found, as if to be in bud..." "This
When I think the opportunity is mature, then counterplot, hand stretch to hui Juan's tits there, rub rub up.
"Hui Juan at this time already entered climax... Then forgot flank still have her person, and groan rise...
"Oh good! A gentleman, A little faster... A little harder..." "I thought to myself, 'I don't want the Lord
Strike! Let the four of them express themselves..."

"Hui Juan at this time my little brother pulled out from the underwear, I feel a chill. But little brother also
Is a column of... I groaned on purpose. "Huijuan hurry up, I'm coming out...
..." "Jiayu could not stay in the city at this time, so her little hand took mine, in her big
Big tits, rub them hard..." "I also know: the opportunity is mature, then also malicious force of rub
Rub it. She also agree, let me have been vigorously rubbing..."

"I thought to myself: the other three can hardly stand it!" "When Yuting, Xiangting and Yaru saw this,
Plus see me that tall erect little brother, and the lens of the movie, also have to extend
Come here, I'm not refusing..."

"Right now, hui Juan pulls my hand, turn over her that short ground short skirt, and will her that small triangle
Pants, down to the knees... Take my hand and rub it up and down at the hole."
"Yuting did not hesitate to forget the shyness of a young girl, and took her

half-bell bra,
He took it off and climbed over Jiayu's thigh and squatted in front of my seat.
With her
Round and big double milk, clip my little brother, sometimes vigorously,
sometimes small force, this taste is I never
No, I also couldn't help saying: "Yuting slow down, or
No more to play..." "She quickly stopped this movement, instead of lying down,
my little brother
It's all in there... Quick sips..."

"My other hand is touching Jiayu's tits, the other one is hovering in Huijuan's
hole, I have no hand
! Ya Ru, Xiang Ting only in the side to watch and appreciate the share, they
two love not to commit suicide, each other
Touch up, I saw this shape, I thought: they five all lost! Ha..."

But then, I was so happy that I forgot yuting was sucking my penis. I couldn't
bear the pleasure, so I shot
. Instantly, little brother soft into a... "Yuting screamed, but not enough for
the people in front to hear
To, just call me back from the pleasure, also shocked is looking at the
beautiful rain, Hui Juan. They even
I'm taking turns to see what's wrong with my penis. They didn't know what to do.
"Me
Say: I agency, can't move!"

They seem to be very disappointed, especially Hui Juan... . But I still can't...
Right now, they sort out clothes in succession, Hui Juan put on her small
underwear, Yuting bra,
Jia Yu will button the coat, Ya Ru and Xiang Ting two people from the bag out
of the toilet paper, took off the inside
Pants, will they out of the sexual fluid wipe clean, I see them two of that
place, and not a lot of
Hair, they both seemed to notice me, they were more coquely, turned their hair
in their place, and used theirs
Little hand, turn over the labia minora to me, make like in the movie, very
dirty movement, show me, seems to want to
To seduce my little brother again, but I don't think it's possible... .

Jiayu handed me some toilet paper. . I know her mind, I am about to wipe,
Yuting said to me
Would you like to wipe your penis? I say: "you can wipe, this prepuce wants to
open wipe oh
! Otherwise, will rot oh, that you can wipe clean a little oh!" "Yuting
replied," I will."

At this time, Hui Juan, Ya Ru, Xiang Ting three people are hurriedly watching
the plot of the movie, and discuss, I
Look up, ah! "Lasting drugs and aphrodisiacs." I thought: I'm done, I guessed

right: they three fruit

However want to go to the pharmacy to buy, after a while, they five people agree, the movie will not see, Ya Ru and said: "I

We five people have lost the bet, and we also promised to the body, but xiangting and I did not

Yeah, so what we decided is that you have to go to the hotel with the five of us...

I'll buy the men's necessities (condoms, aphrodisiacs, and endurance pills) and we'll have sex...

Say that finish: "I do not agree also not line!" I thought to myself, "One to five this time!"

When the six of us left the cinema, Xiang Ting went to lvchuan West Street to buy the medicine

Really admire her, a little girl, and wearing XX middle school uniform, to buy that kind of thing, but not

You feel shy. That's... Perhaps she wants to do that and doesn't care! '

The six of us walked to a hotel on Park Road. They waited outside. I'll go in and book a rest room

Between, walked to the counter ask: "young lady, I want to book a room, rest with.." "The waitress

First, ok, room 301..." Suddenly I realized it was her in the morning. Her name is Lin Mengni!

I looked at her for a long time, I just found her, very embarrassed, I hurriedly call hui Juan that group of people come in

.

"Hui Juan see small ni said: small ni, how can you be here!" "Small ni then quickly pull hui Juan

To the side of the registry: Hui Juan how will you come here... You know this is a bad place to be

Stay.. Go away!" Huijuan replied: I came here to do that with Mr. A...

And ask in reply, Xiao Ni, are you doing that kind of deal here!" "Xiao Ni was speechless, just silent

Admit it!" "That small ni we come here today is to come to that ah, quick choose a better room

To do that to the six of us!" "Xiao Ni seemed very surprised, Mr. A can one time to so many

The girl.. I can't believe it. I'll take a room with electric beds for all six of you, and that's three

01 that room has, then you hurry up to enjoy it! Here, here's the key. If you need anything

Yes, ring for me again..." "Hui Juan said: thank you too much, Xiao Ni! Right! We

What you did today, don't talk about it at school..." "I won't," she replied Nonsense, hurry up! Room 301!"

The six of us took an elevator and arrived at the third floor, "Xiang Ting called," 301 is here, quick
One o'clock, she seems impatient..." The six of us entered room 301 one after another, by the way
The door is locked!

But Hui Juan said: "our matter, was small ni know, I am afraid she will talk nonsense!" "At this time!
Mr. A was also alert, hesitated for a moment, then said: I have a good idea, "we let Xiao Ni to guide
We make love, she's here doing that stuff, she's supposed to know better, otherwise, what am I supposed to do
What about one to five? ..." After they five people listened to, feel quite reasonable, on the one hand can teach
The way we make love. On the one hand, it would prevent her from telling.

Say that finish: they call Hui Juan call down, small ni send a bottle of wine up... . "Buckle...
Huijuan, open the door! Here comes the wine. Open the door, please!" By this time, the six of us had taken off our uniforms
Dropped, the body is already naked, it is a nudist camp ah! Look at everybody's... ,
Don't feel shy anymore.. .

"Hui Juan ran to open the door, her four people and I on the bed each other pull, play not yiyue."
"Hui Juan opened the door, hurriedly put small ni to pull in..., after coming in, see a bed
The silk does not hang us, not surprised ah! It can be seen from this that Xiao Ni's experience is much more sophisticated! "
Hui Juan said: Small ni I want to ask you to insert a foot.. I wonder if you would like to... Because I
It's our first time, and we're going to have to deal with the five of us at a time. . Xiao ni
Did not answer, it is only all the time gaze at us on the bed. Hui Juan hurriedly say again, small ni let you
Do the first shot, or let us open our eyes!"

"In nai Hui Juan's request, xiao Ni finally agreed" Hui Juan locked the door, the war will be open
The beginning of... .

She went to the bed and undressed herself. She put on her shirt and I found that she did not wear it
Clothes, all six of us were taken aback! The six of us sat on the bed and watched the whole time
Xiao ni. She took a key from her trouser pocket, and now she was empty, she squatted down

Open the bedside cabinet, take out a lot of tools from that cabinet oh!

All six of us were petrified! Among the tools, there was something that looked like my penis, and Nicky she was
She kept taking her tools, about a dozen of them... But in the meantime, Xiang Ting brought me the pills
To eat! Oh, I eat six at a time! Xiao Ni just finished the tools now! I picked up the phone:
The receiver is clamped on the neck, while saying "counter? I am small ni, I have something now, please call
Ah Chi will take my place, yes, thank you. "She took off her trousers, the only thing she had on. At this point, I
The six were more surprised that she didn't wear underwear... . Oh, that is so slutty!

See in my eyes: "Xiao Ni's arm ministry good good round, is the standard will be born" son type ", with the morning
I see the ground as white, originally, she cried in the morning, may also be false, it is too will act!
She turned over, I shureng, her place, actually a hair also did not ah! I watched it dark this morning
Hair is what: "A gentleman asked: small ni you there is not hair! I see in the morning!"
I this words say: hui Juan and its her four people more doubt! Hui Juan asked: "A gentleman, how do you know
There's hair on Donnie!" "I told them all that had taken place in the morning, They just suddenly realized! At this time, Xiao Ni said to us: she took a knife like shearing
Say: I shaved off... .

Xiang Ting took the knife in Xiao Ni's hand and took a look. Is it really so good? Xiao ni and
Say: "you want to shave? I can shave for you!" "Xiang Ting replied: Good!" "At this point,
Yuting, beautiful rain, Ya Ru, Hui Juan also hurried to say: we also want to shave! "Xiao Ni said: ok!" but
We're gonna take a shower first, and in the bathroom, I'm gonna shave you five!

Seven of us together into the bathroom, began our yuanyang bath, this bath is so big oh! At this point, I feel
My little brother's place, has been hot up... I told all six of them, "I'm burning up here
As if the medicine had taken effect! Xiao Ni said: that's very good, so wait a while we can cool
!

This bathroom is so big! The bathtub, by the way, is as big as three warm ones. Yuting and Xiaoni will be bathtub water to install, xiaoni will add some bath milk at this time, make the whole

A bathtub is bubble bath, looks like it is back to the "Yang Guifei" bath, a lot of beauty in the side
Wait on me.. And everyone is as beautiful as Li Zhi, Maggie Cheung and Joey Wang, and everyone
The "wave" is like a "balloon", very good round, very sharp, very warped, feel how to have pleasure
!

At this point, Xiao Ni called out: "Dear Sister, we can come down to take A bath.

One point, you quick one point go down, I let my small ni serve for your little brother! I'll make you feel good

Dead.." After listening to Xiao Ni's words, my little brother more swagger, I can't wait

Jump into the bathroom... Huijuan, Jiayu, Yaru, Xiangting, Yuting and the five beauties jumped out of the bathtub.

Lying next to me with their own will. Huijuan and Yaru are lying opposite me, Yuting and Jiayu are lying

My right, Xiang Ting is lying on the left side, as for Xiao Ni is sitting on the bathtub with her back to me, is

Get ready for what we're going to use... I look at Nicky's ass, and I'm telling you: it looks so white

Good, good elastic I, I will conveniently touch, she called up: "A you are eating my tofu, I

Wait and let your little brother eat more than his pocket..." "Good! I don't touch.. that you

I can't lose my dick..." "She doesn't take any notice of me! She's so smart Personality!"

I changed my strategy and turned to Jiayu. Jiayu has big tits! I squeezed it, and she

Yeah, I heard her scream, and my little brother... , more out of the water, Yuting see

She grabbed her breast hastily, took my little brother with one hand, and her own with the other,

And then I put my penis in her cleavage, and I rubbed it up and down, and it was like a movie

On the action... .

To be honest, the feeling of my little brother being clamped, is really cool and speechless, it feels like the first

The feeling of the first kiss, I want to eat the lover's mouth... !

"Now Xiao Ni tools are ready, they also sit in the bathtub, see Yuting like this, ok, Yuting

Stop using the clip. Wait a little brother come out we don't play!" "Yuting moved and stopped,

Small ni then say: who want to shave pubic hair, come here me "" Ya ru went up, sit on the bathtub

"" Xiao Ni picked up the shaving knife and said: now you will believe me, later you will believe me
It, good. Yaru sit still! Xiao Ni that skilled technology, two or three times, put a few of Ya Ru
A hair, all shaved off... After shaving, jia Yu followed by Xiang Ting , Yuting, Huijuan, after they finished shaving, we dried each other's bodies.. , xiao ni
Gave us a bottle of perfume to wipe the place... "Hm! I sweet! A gentleman's place wipe of most
Many! The most delicious..." "The seven of us went back to the electric bed in that room..."

Seven people went back to bed, xiao Ni turned on the switch of the electric bed, and the six people in our bed floated up and down,
It's like when you're having sex and you're swinging up and down and in... , Xiao Ni will also prepare tools
All right. He called Yaru, Huijuan, Xiangting, Yuting and Jiayu down and went aside as if they had something to say
And whispered there for a while, but they didn't let me know... But I thought: No
Relationship, anyway, wait a minute or let me cool ah... !

"When all six of them finished speaking, they all jumped into bed, and there was a smile on every face."
"I say...! Hurry up...!" "At this point, six people on the face of a very
The appearance of the whore, it is like a group of whore girls.. Every eye was staring at my little brother
"I felt a little scared, but my little brother stood there like a telephone pole. .

I lie quietly in the bed center, just silently looking at six beauty, have why action, I a word also
No, I'm not saying anything, and I'm dealing with six at a time, so I'm not moving, am I
The body is just swinging up and down with the electric bed, I now only wait for the arrangement of small ni, because small ni is very
Experience of... .

Small ni spoke: "A gentleman, wait for A time to make love, you do according to the way I said oh.." I
And he said, "Ok..." Small ni then showed her that ferocious face said: "Sisters, according to me just
Just do it the way you say..." Never put off till tomorrow what you can. Six people more rush forward, simply like extremely overlord hard
Upper bow... .

Jaru lay next to me, and she took one of my hands and touched her big tits, and I died
With a pinch, she cried out. "It hurts." , seeing this, I then gently in her

Circle your teats.. And she began to groan imperceptibly... . I know she's having a good time

. .

This I feel someone is touching my little brother, I took aim with the eye, is jiayu, small ni they two in
Pull my little brother up and down there, and try to reach down a little bit to touch mine
Testicular.. . Really, that place is touched by the taste of beauty, the most cool.. .

My hand continued to touch Jaru's breast. Yaru seems to have entered the climax, see her expression
I knead faster, and Yaru's breathing became more and more rapid, but not enough to let her love
The fluid came out of the hole, but it almost made her forget she was there.

Hui Juan now behind the ru, climbed to my side. I took my other hand and stroked her baby
Hole, her small hole feels soft, and touch the outside of the hole, there is a prickling feeling, touch
It's like a man's beard has just been shaved. It's rustling, and I use my middle finger every now and then
And your index finger, with a good jab, put your middle finger into her little hole, turn it up and down, spread it left and right,
And give her clitoris a powerful tug. She felt good, too, and slowly got excited.

. .

I feel like my penis is being played with all the time, and the two of them sometimes pull the skin off my glans
Here, sometimes it's pulled up, as if I were masturbating myself, sometimes fast, sometimes slow,
But not for me to shoot at, which might be the feeling she feels when she knows her little brother is going to shoot or not
, oh. That's cool! , Xiao Ni also deeply know, if shot out, we six people do not have to enjoy
So they played with my penis very carefully... .

At this point, I glance at the eye, see Xiang Ting, Yuting two people still look dumbfounded, I see here
Situation: I shouted: what are you two still looking at, come over here. ! So much for that. The two men
Have crossed the Yaru came to my side, I said: "you that a beautiful woman's tits to let me
Suction.." "The two of them are fighting each other, fighting each other..."
"But I only have one
Mouth ah.. But I found hui Juan and Ya Ru have entered the climax of the realm, I will come up with a brainwave

One move, then with playing my little brother xiaoni and Jiayu said: you quickly bring a fake little brother
, help me to hui Juan and Ya Ru two people cool, they can not nai my request, small ni help jia Yu wear
The little brother, and then they also wear good, my hand will be separated from the Ya Ru and Hui Juan, they immediately pick up
Go down, because hui Juan and ya Ru are narrowed eyes, I dare so boldly called small ni and beautiful rain
To touch them both... . Then I was relieved.. .

Xiangting, Jiayu in the side to look at all silly.. They found it so incredible...

Xiao Ni is continuing just now I touch hui Juan's small acupoint action, but Hui Juan seems to have no awareness to have been replaced
He was moaning all the time. Through Xiao Ni's rich sexual experience. Slowly the hand toward hui Juan's upper part
Place to move, until touch hui Juan tits just stop, but the little hand of small ni, hui Juan in the big milk
Son rub to rub, once vigorously, once small force, Hui Juan has also been in the state of climax, and
Have no awareness of the change of xiaoni, at this time, experienced Xiaoni, find out that hui Juan's acupoint has been soaked
The time has come, then pulled up that it wear in the hip of the little brother, will it be inserted into the hole hui Juan
Acupoint, along with the bed up and down floating, one into one out, is so regular, Hui Juan at this time and called
Louder.. How happy she was!

Jia Yu is in hard to rub the teats of Ya Ru, ya ru is also like Hui Juan, in the oblivious
Situation, at this time, "Xiao Ni told Jia Yu: you can tie in the waist of the little brother to insert Ya Ru
The cave..." Jia Yu took a look at Xiang Ting's small hole, and as expected, she was also wet and made the sheets
Wet, (this can be seen: Xiangting's small hole is the flow of how much love liquid! The rain is falling
The little brother on the waist, regardless of personal danger, will ya Ru's small hole to support, the little brother to push in,
Also all of A sudden to insert in the end, Ya Ru is also squinting eyes, think is A gentleman to insert him ah! so
His eyes did not open, but jiayu inserted him, still moaning... ! "
But small ni hurriedly call jia Yu small force a bit, wait a moment will break ya Ru's hymen, ten million
Don't stick your penis in the end! ." Jiayu quickly stepped in and asked Xiao Ni, "Yes
What can't ya Ru's hymen to poke broken.." "Xiao Ni replied: the hymen is to give A Gentleman
The little brother inserted broken use of ah, so A gentleman will have A sense of achievement!" "I see! That I

Small force a little insert, I won't give Xiang Ting open bud!"

I found that Xiang Ting and Yu Ting, squatting beside me, had been watching Xiao Ni and Jia Yu giving hui Juan, Xiangting plug.. ! But did not find that I have been looking at their peach blossom hole, I found: Xiang Ting peach blossom
The hole was narrow and a little longer than Yuting's, and from time to time the white one came out
The liquid, like Yuting's, did not seem to notice that their own holes were soaked
, only is squatting over there, two people are looking at the movement of beautiful rain and small ni all the time, go up... .

I stared at their small hole, a drop of liquid love from their small hole left down
The sheets were all wet and they didn't even know it. At this point, I couldn't hold it any longer.
My hand stretched up, I pulled a hand, Yuting, Xiangting teats have been pulled by me.. I
He got up and took them both by their nipples, saying, "Look, it's our turn
Hands just let go of their nipples. "" They both said at the same time: A, you are dying, pull us both
Nipples, you are not sexual abnormal condition.." "I said, 'Wait a minute, you guys don't talk about me
Is sexual perversion, say that finish, then pull xiang Ting, Yu Ting's little hand say: we go to the carpet to make love,
You two can't get down there..."

The bed at this time of small ni and jia Yu or has been to Hui Juan, Ya Ru plug.. Where they were inserted
In an orgasmic state. I still didn't realize I had taken Yuting and Xiangting to the carpet for sex

"Xiangting," I said, "hurry up and lie down. My little brother can't wait any longer."
Xiangting lay down on the carpet and let me control her. At this point, I picked up my little brother
Brother, aim at Xiangting's small hole, hit a hole in one, reach the bottom pocket, score, Xiangting screams.
I quickly pulled out the club to see what was going on in the hole
Yuting, who was watching, was horrified by this, so I opened xiangting's bottom
Look at the hole... After a blood, from the hole of Xiangting, out of a pile of thick blood, then I
Secretly sneering, Xiang Ting is a virgin, the first gun has been opened by me... "I quickly told Xiang Ting: This
It doesn't matter, it's virgin blood, it won't hurt in a minute... ." "Xiang Ting replied:" It's true
? She got up to see if anything was wrong with the bottom bag. After reading it, she was relieved,

And said: This is my first time, I am a virgin ah!" "I said, 'The first time is great
Not be happy, hurry up wipe virgin blood with handkerchief, good stay do to remember!" "Xiang Ting listened to me
Then she got up and went to the place where she put her uniform. Xiang Ting picked up the skirt from her pocket,
Took out a handkerchief, will be wiped clean virgin blood.. He put the handkerchief back in his pocket and walked towards me
Come..."

"Xiang Ting said again," I have a dull pain in my cave... I don't think I can have sex again
Yuting do it, I don't think I can do it..." "I said, 'No, the first time like this. I think not in a little while. So, after I unbud Yuting, I'll play billiards with you.
So, Xiangting, you should pay attention to it. How I unbud Yutene... Say that finish: call yu

"At this time, I got up to see the bed on the small ni and jiayu are still with the electric bed up and down, false
The little brother in a plug in hui yun and Ya ru small point, ya ru and Hui yun or shen drunk in the climax
In the state of..." "I threw my vision at Yuting, who was lying on the carpet, and said," Let's do it!"
"The idea came to me... to make it quick so my little brother could get through all this
Six of them are blossoming... All of them defeated, and now there are only. Yu Ting, Xiao Ni, Jia Yu, Hui Juan
Jaru has not yet blossomed. I want to go faster, but I can't shoot!" "I will follow
Yuting said: By the way, where did you put your handkerchief... Yuting showed it to me, so I asked Xiang Ting
Yuting took her handkerchief and placed it between her legs as I aimed for the opening. Going for a hole in one... .

"Yuting hurriedly said: Mr. A, be gentle, I'm afraid of pain..." "My little one," I replied
Brother will be a little less, (but my heart is not like this, I only promised Yuting verbally
Just...) . , not very hard, then your acupoint will not hurt... ."

I say that finish, meat stick by a into a out, sometimes fast sometimes slow.. But not to the little brother
Brother shot out... I touched Yuting's tits with one hand and supported her on the carpet with the other
Position, I see Yuting has reached a state of oblivion. His stick is still hers in the hole
In and out. I felt that the time had come, so I made a strong thrust. "Yuting

immediately felt pain
Chu called out: "It hurts so much..." He pushed me away. .

I thought to myself: Great, YUting has been blossomed by me too... . "Yuting sat up quickly
. Look at her pussy, what's wrong..." I said, "Yuting, you are no longer a place
Female, your small hole has been opened by me, and so on will be good.." That's it. From Yuting's
Small hole, out of the blood with a little love fluid, from less to more..
"Yuting picked up the handkerchief and took it from
Wipe the virgin blood from the hole. . "I said: Yuting, the acupoint is not
There is a painful feeling! That's normal. It'll be all right in a minute. Oh, yeah! Yuting, you and Xiangting first
Have a rest on the side. Let's have sex again later! All right?" "All right," they said
! I can't do it now anyway.. So, Mr. A, you should unbud the four beauties in the bed first
! We are also watching!" "I thought, 'That's what I want. Why is it all the same
? I went to bed... .

My hand in jia Yu's anus on a touch, Jia Yu woke up from the pleasure, but lying under to
Jia Yu inserted ya Ru seems not aware of.. .

I call jia Yu can stop, said that I give Ya Ru blossom, at this time, Ya Ru is still in pleasure
State. I quickly put the little brother to pick up, also follow the bed up and down, to a in a out
. . "I told Jiayu: I will open the bud for you later, ok? By the way, you go to get Yaru first
Give me your handkerchief..." "Jiayu took Yaru's handkerchief and I took it , spread out the handkerchief, pad in yaru between the thighs, then instantly erect little brother, will be a little brother
To the bottom..."

Ya ru instantaneous from the climax, called up, eyes have not opened, they will be no matter what I
Pushed away... Ya Ru reaction, at this time, Xiang Ting, Jia Yu, Yuting in the side to see the good thorn
Shock! Yaru said: "Lord A, my acupoint hurts so much! I seem to have split..."
"Xiang
Ting and Yuting laughed and said: not split, if split ah! It was your hymen that was A
Jun's little brother is broken, after a while will heal!" At this point, I called out
Yaru: Hurry up, the blood is coming out of your little hole. Hurry up and wipe it with your handkerchief. Ok

To remember!

Speaking of which, Yaru quickly picked up her handkerchief and wiped her virgin blood clean. . And wipe the ratio
Xiangting and Yuting were clean, so we knew how much Yaru loved her first time!

I said to Ya Ru: "If the acupoint still hurts, it will go away after a while!
Xiang Ting and Yu Ting
I've already opened both of them! They're taking a break now, so you're taking a break. Hold on
, I first to jia Yu, Hui Juan, Ni three people after bud, and then to give your small acupoint cool ah! I say: ya
Ru, good or not?" "Yaru replied:" Ok! I am also very painful in the acupoint!
That
Why don't you bud jia Yu first... The three of us are watching! .."

Meanwhile, Jiayu also lay on the electric bed, waiting for my little brother to open her bud, I also can't wait
