Disclaimer

This book "Eternal Love" is a collection of penned emotions on love where all the characters are fictional and don't exist in real life. The stories are completely imaginary and are penned with all sorts of awareness within nature.

There shouldn't be any resemblance to the

actual person (living or dead), events or incidents with real life. Still, if there's any resemblance, then it's absolutely coincidental.

The Man She Fell In Love With

The man she fell in love with is that person, who pops into your mind when your ears hear the word 'love'- They might not be your bf/gf. but still, the four-letter word has a lot to speak of. Some moments happen in a blink of an eye that we wouldn't be able to recognize or note those special moments. because those moments- With too much intimacy couldn't get enough time to be saved in the storages of our beautiful brains [overwhelmed + nervous + adrenaline flow = error 404]

Introducing the man who she fell in love with
He is a tall guy, tall because she is short. His eyes could say many untold tales, they would twinkle like a full moon in a midnight starry sky. His smile could do miracles for me. And for sure he is the best guy of hers.
The moments they had together, the feelings they've exchanged, the words they spoke- and everything
Is noted under the pages of their story, the pages which will stay still unless they turn them over for new beginnings. Love is a magic spell and they are entangled. She and he are something that will never fade. For love won't leave the ones who destiny wanted together. When he could see the entire world in her, she found 'home' in him. destiny shall tie their knot and fate gift them the best

~With lots of love

Love

Love can be a boon
Love can be a curse
Love can do miracles
Love can even do worse
Once you agree to love
There is no coming back
Love is nothing to show
off Love is nothing to brag
Love requires selfishness
Love requires guts
Love can make you happiest
Love can make you hurt
Love is like a game
Where not everyone wins
Love can rebuild
Love can reduce to ruins.

Sanika Kazi

Till our souls meet again up in Heaven

Promise me you'll love yourself enough for both of us.
No second glances at anyone else , with or without you.
You smell like addictions and the death of me.
My love for him is stronger than my years of built up anger.
If us was a place it would be me in your arms
When my darkness meets your sunshine.
Want only your sun shines in my darkness.
My sky was full of scars until you came along and it was all stars.
Only your sunshine is allowed to meet my darkness. If
something ever mattered if it ever did.....it was you. I wanna get
buried, buried by you buried in your love. No wait! what if we
really were meant to be?
To be blessed to breathe the same air as You.

To you that I wanna find and only you i wanna get lost in. All good things come to an end but it's not about our love. Not till infinity and beyond or to the moon and back, but till our souls meet again up in heaven.

Know You

I know that I have met you
Far away in my heart
Way before I knew you
Knew you all by my heart
I know your far apart.
