On 26th of This Month Progress Wrestling At  
Its Chapter 46 : I Like To Chill Out Here & Shoot  
Some Dinosaurs, Gave Us Our Match Of The Month  
Where In The Main Event Jimmy Havoc Was Facing  
Will Ospreay in A Fans Bring Weapons Match Which Was Later  
During the Match was Turned Into a Loser Leaves Match Too. This  
Match was Freaking Sick, The Entrances Were Wrestlemania Level  
where Jimmy Havoc came Out With a Dinosaur & Ospreay came out  
wearing a white suit and performing staged "assassinations" on  
four men on the stage, including "shooting" two men in the head.  
There Was a Big Variety of Crazy Weapons Which Never Included  
some Kinda sex Toys That People Brought which They displayed In  
the FB Live Video Before the match, Thank God. But Still Many  
Weapons Like a pinata, a mannequin's leg, a used Playstation 2, a  
vinyl copy of "Especially For You" by Kylie Minogue and Jason Do-  
novan, and even a Grandfather Clock. The. they Went for Some  
Barbed Wire Objects Like A Bat & Other Stuff! Havoc tried to use a  
barbed wire baseball bat on Ospreay, but it had no effect, as  
Ospreay was wearing a protective vest  
underneath his suit. Paul Robinson interfered on Ospreay's behalf  
during the match, but Havoc saw him off. Midway through the  
match, with both men heavily bleeding, Ospreay got frustrated and  
grabbed the mic stating that whoever lost the match would have to  
leave PROGRESS, which Havoc agreed to. After kicking out of a 630  
from Ospreay, Havoc hit him with three Acid  
Rainmakers to get the win, forcing Ospreay to have to leave

NAME: KOBRA MOON

NATIONALITY: MEXICAN

ACCOMPLISHMENTS: LUCHA  
UNDERGROUND TRIOS  
CHAMPION (1 TIME)

DESCRIPTION;

SHE'S ONE OF THE GIRLS WHO  
PUT THE LUCHA  
UNDERGROUND'S WOMEN'S  
ARMY ON THE MAP. SHE'S THE  
LEADER OF THE  
BADDEST STABLE IN THE LUCHA  
HISTORY, THE SNAKE TRIBE &  
WON THE TRIOS CHAMPIONSHIP  
WITH THEM LAST SEASON.

1. What are Your Thoughts on the Spectacular Role You had in This Season Of Lucha Underground? We mean You did Really Great Last season too, But this Season You had such a Power packed Role of Leading The Snake Tribe! How was Your Experience through out This Season?

**I love Kobra Moon, there are just too many layers in her character and how powerful she is. I really enjoy playing her on tv because she is so different from Thunder Rosa. I can't wait for you all to see what she and the Snake Tribe has in store for the rest of the season.**

2. You are a World Travelled Pro Wrestler, What Is The moment You remember As the Best Moment in your Beautiful Career?

**There are a couple of ones. I will say when i wrestled in front of 3000 people outdoors in the Monumento a la Revolucion in Mexico City. That moment was really special. I was able to be in my country of origin and I gained respect and new fans after that match. Also in my last tour in Japan when I defended the tag team titles in Kouraken hall. That week one of my dear friends was fighting for her life in the hospital in the states. I dedicated the match to her and to her fighting spirit.**

3. We Know People Might Have asked You Before your thoughts on Man vs Women, Intergender Wrestling! So we Might Ask you Which Gender Is Difficult To work With in comparison?

**I don't think it is difficult. You just have to be able to tell a good story, something that it is believable and that make both look good. I personally enjoy working man, I train with them and I'm usually the only female in the class. That has taught me to be**

**tough and to respect the sport.**

4. We Have Been A Really Big Fan of the Platform LU Gives to their Female Army, You & Ivelisse were the trios Champion, Sexy Star won the Aztec warfare 3 & also was The world champ this Season. So After a great performance this Season can we Expect "The Unstoppable" Kobra Moon to be The World Champion in the next season?

**I wish I could tell you what is in store for Kobra Moon and her Tribe for the rest of the season but unfortunately you are going to have to wait until it comes on TV!**

5. What Do you prefer A Mask or a Face Paint?

**Face Paint!**

I) First Of all Your Gorgeous, At What age did you get into the ring?

**Too old for that**

II) Do You come up with the creativity of your Face paint Yourself?

No, a promoter suggested that i should wear something like that so I can connect more with my hispanic fans. I only used in that promotion but once i went to japan i started to use more and more and now well I use it all the time.

III) Is there any Woman WWE Superstar You like to watch? Not at the moment.

IV) Someday Do you hope To Main event Wrestlemania? If So how Long Do you think it will take you to Achieve This Goal?

**If that happens i will be happy, however I m happy with what I had accomplished so far. I'm traveling the United states and**

**the world. Meeting new people, making great friends inspiring others. Well I can't complain.**

CRIMES IN WRESTLING

# MONTREAL SCREWJOB

he Montreal Screw job was a Case Of Fear, Of Patriotism, Of Reputation, Of Competition, Of Rivalry, Of Hatred, Of Brand Image, Of Betrayal & Most Importantly Of Misunderstandings!

When Bret Hart's Contract Expired with the WWE in 1996, Vince McMahon Offered A 20 Years Deal To Bret Hart Which Also Included The clause That Bret Will Be the Highest Paid WWE Wrestler In this 20 Years & Bret Accepted This Deal Rejecting WCW 3 years Deal. But As Time Passed WCW Became More Powerful & Became the Biggest Wrestling Promotion in the States. The WWE now due To Cut Throat Competition Started Facing Financial Difficulties & started Cutting off The Pay Of their Roster Which Included Bret Hart. At This Time Vince Thought Of Changing The Style Of How WWE Was Going & he Thought to Turn the show Into a More personal storyline Based And To Bring More Hardcore Wrestlers On the Top. D Generation X, Stone cold steve Austin & The Rock were Chose To Be The Top Guys! This Was Later To be Known As The "Attitude Era". Vince Now Didn't Considered Bret as The Man Who can Run the place & Asked Him To Restart Negotiations With The Rival Company WCW & He Did So! On the Other Hand When this All Was Going on, Michaels & Hart Were Having a kayfabe Rivalry In the Ring & Some Real Life Misunderstandings which was due To Shawn Michaels Disrespecting the Canadian Flag & People, which was a Part Of The Kayfabe & Bret Also Disrespected US By Saying Canadians Are Superior of Americans! Both were just Playing their roles But Hart Took that On his Heart & This Misunderstanding Made This Onscreen Rivalry a Real Life Rivalry Where Both Wanted To Be Better Than

the other Guy. Now After Bret Hart Was Finally Into a Deal With The Rival Company There Was A Fear In the Mind Of Vince McMahon That Like WWE's Other Former Champion, Madusa Who Left The company due to signing to WCW & was Stripped Off The Belt, Was Involved In a Insulting Sequence Where she threw The WWF Women's Title into a Trash Can On WCW Nitro Which Was Really a Disrespectful move Towards The WWE, And This could Have been The Same case if Bret Hart the current Champion Left For WCW as the WWF Champion so Vince Tried to get The Title off Him Before he left By Trying to convince Him to loose The Title against one of the guy Who he wanted To be The Top Guy Of the Attitude Era , Shawn Michaels!

But Due To their Off screen Rivalry & Misunderstandings Plus The Patriotism Feel That he'll Not lose The Title In his country Made The Situations More Difficult And A Disqualification Was Planned To happen in the match Which Would Allow Bret To retain the Title as Vince Didn't wanted His Next Top Guy to Lose. But Vince Was Still Fearing That What if Bischoff Announces This Deal With Bret Hart anytime soon. This Led Him To plan the Montreal Screw Job with Shawn Michaels & Pat Patterson In a Hotel room a Night Before The Match took Place & What Happened next Is Something Every one Knows, HBK Put Hart Into a Sharpshooter & the ref Declares Him the Winner via Submission Though Bret Never Tapped Out. An Angry Bret Was feeling Betrayed As He never knew This Will Happen & Wanted To Leave The company on Good Terms But In Anger Spited on Vince McMahon & Waves His Hand in the Air Making a W, a C & Then a W Indicating rival Company WCW!

Bret Hart erased His Differences With WWE after 10 years & Became a WWE Hall Of Famer In 2006. He Also Participated In WWE Home Videos on Montreal screwjob with Shawn Michaels. And Also wrestled Vince McMahon In his Last Match At Wrestlemania 26 the Night Which also Featured The Last Match of His Long Time Rival & Now A Friend , Shawn Michaels.

RIC FLAIR WINS HIS FIRST  
NWA WORLD  
HEAVYWEIGHT TITLE  
AFTER PINNING DUSTY  
RHODES AT A LIVE EVENT  
IN THE VENERABLE OLD  
MEMORIAL HALL IN  
KANSAS CITY, KS

On Sept. 17, 1981, A Thursday night on the west side of the Missouri River in the venerable old Memorial Hall in Kansas City, KS during a LIVE EVENT World Title match against the Then 2 Times NWA World Heavyweight champion Dusty Rhodes, Ric Flair won His First World Title. The Match also featured Legendary former 6-time NWA world champion Lou Thesz who served as special referee in the title match. The Match was 23 minutes & 54 seconds long where Ric Flair won by Pinfall when he reversed a Superplex into a beautiful neckbreaker. Ric's parents were on hand to see him win the championship & he has said it was the first time they ever saw him wrestle. It obviously meant a lot to him to have them there. The NWA World Title also meant a lot to Ric, He has many times written and said that he saw the title for the first time on the waist of Jack Brisco & All the guys who he thought of at that time then may it be Brisco, Harley Race or Terry Funk had held that title & On that day when he was Standing right infront of Dusty Rhodes, he knew that it was finally the time he will be holding the prestigious, "Ten Pounds of Gold"!! When Asked about which was his favourite of the two NWA world title belts that he held , "the domed-globe and the "big gold" Ric Said that the Big Gold belt was the fan's favourite and that it was no doubt the best looking belt ever made, but the belt that meant the most to him personally was the Ten Pounds of Gold. It was his first, and it had been held by the giants in the game at that time. Sentimentally, there was no choice. He Held the Title for 631 days officially until June 10, 1983.

## **BLEED FOR THE GOLD**

From 4th of December 1977 when Ric Flair was given a NWA World-Title shot against Harley Race at MACW, Columbia, south Carolina Ric was Chasing the title and after Ric won the Title by defeating the then champion Dusty Rhodes, Harley started chasing the world title which now ric held & Finally won it in a 2 out of 3 falls match which was 27:50 minutes long & the result of the match was Harley Race with 2 falls & Ric with one. After this Ric Restarted chasing the NWA World Heavyweight Title & Finally in a steel cage match won it back from Harley. This match took place at Starrcade 1983 in Greensboro Coliseum in Greensboro, North Carolina where Gene Kiniski was the special guest referee. You can see the Crowd literally pop After each woooo! By Mr. Flair! The match was amazing & after seeing such matches I really feel NWA Was better then the WWF or WCW. It had real life inspired storylines which we can't see so beautifully crafted in any of the promotion of that time or any of the other time! The crowd was really amazing & Heads-off to the camera cuts, specially that HD Birds eye view camera was so fucking amazing! One of the most amazing fact as per the internet was that Ric Loved to Bleed in his matches to make the Brawl look more realistic & Brutal and both Of these men Bled badly In this match. These bleeding was also presented very well in our opinion as The wrestlers kept targeting opponents head before they Bled which told a story why the blood came out. A real wrestling classic where you don't have a chance to point a question on why this happened....

RIC FLAIR BEATS HARLEY RACE IN A STEEL CAGE MATCH, STARRCADE 1983 IN GREENSBORO COLISEUM IN GREENSBORO, NORTH CAROLINA .

A full-page photograph of Ric Flair, a professional wrestler with long blonde hair, wearing blue trunks and blue knee-high boots. He is in a wrestling ring, holding Kerry Von Erich, a larger wrestler with curly brown hair, by the waist. Kerry is bent over, looking up at Ric with a pained expression. The background is dark, and the ring ropes are visible.

RIC FLAIR DEFENDS HIS  
NWA WORLD TITLE  
AGAINST KERRY VON  
ERICH AT AJPW GRAND  
CHAMPION CARNIVAL II  
1984, CITY GYMNASIUM IN  
YOKOSUKA, KANAGAWA,  
JAPAN

Starting his career in 1979 Kerry Von Erich got his first NWA World tilt shot on 25th January 1982, and after 2 more world title matches against Ric Flair, finally after 2 years on 6th May 1984 Kerry won the NWA World title as a fan Favorite against Ric infront of 18000 people at his father's promotion, WCCW 1st Von Erich Memorial Parade Of Champions , Texas Stadium in Irving, Texas, US. But just 18 days after his victory and after 2 successful title defends against Ric Flair, Kerry faced Ric again at AJPW Grand Champion Carnival II 1984, City Gymnasium in Yokosuka, Kanagawa, Japan for the NWA World title on line in a 2 out of 3 falls match. After the record was 1-1, Ric flair tried to suplex Kerry won Erich who was trying to enter the ring through the apron but Kerry Reversed the suplex & did a quick roll up & Ric rolled him over again for a pinfall. The End was really beautiful to see. Ric won back the NWA World title from Kerry. It is really sad that we just saw a small career of Kerry, he was a really good athlete & might have been one of the Greatest Wrestlers Today if he never committed suicide. The Entire Von Erich Family Including Kerry are WWE Hall of Famers & were inductee of 2009. Kerry also had a short run in WWF Where he was One Time WWF Intercontinental champion.

## END OF THE GREATEST RIVALRY IN SPORTS ENTERTAINMENT.

Ric Flair won his first World Title from none other than Dusty“American Dream” Rhodes in 1981, But that was 5 years ago. Ric Flair in 1986 was at the very top of the Sports Entertainment mountain & was untouchable with his fellow Horsemen, Tully Blanchard, Arn & Ole Anderson. Ric Flair & Dusty Rhodes both were very similar & that's why complimented & made each other look Great whenever they faced off. These were the Main Event Guys of the NWA & whenever they faced off crowd was assured to get a 5 star classic match. Dusty Rhodes won the World Heavyweight Title from Ric Flair at NWA THE GREAT AMERICAN BASH '86. Two weeks later on 8th August 1986 at MACW, Kiel Auditorium, St. Louise Ric Flair won Back His Big Gold version of NWA world Title. This was the last World Title change in this rivalry and this can be treated as the last big bout of this two mega stars. Dusty & Ric had a great Impact on each others careers & Legacies. You cannot tell the Nature Boy's Story without mentioning Rhodes & neither can complete the American Dream's story without mention Flair. These Two Legacies Have Intersected with each other & without mentioning the other one is incomplete.

A photograph of two professional wrestlers in a ring. On the left, a wrestler with blonde hair, seen from the back, wears red trunks. On the right, another wrestler with blonde hair, seen from the side, wears white trunks with a dark stripe. They are standing in front of a chain-link fence. The background is slightly blurred, showing the ropes of the ring and some equipment.
