And help in any way you can by way of your kind contribution in exchange for one of the many great perks you will find there.

Or if not able to contribute with money doing something just as valuable for us by spreading the word about Sangreal the family dice board game.

Sangreal . . . some do . . . some don't have a beautiful mind!

The following are three testimonials from players recently after filming for the Indiegogo pitch video you can watch to see why Sangreal's time has come with your help!

Three Testimonials:

Sue said, “Well I’m really surprised by how much I’ve learned about you two today, and I think Sangreal’s the kind of game that gets you talking to each other”.

Bonne said, “Yeah”.

Sue said, “And not so much about yourself, although of course Sangreal’s about you, Sangreal is about what you share, but things a little more than ourselves”.

Jenah said, “I learned something about you too”.

Sue said, “Ah cool, yeah I love that about Sangreal, it’s amazing”.

Bonne said, “Sangreal’s a game that you can learn from, Sangreal sort of opens up conversations on topics about people that you may know but also things like Sangreal sort of brings in topics that are not that usually spoken about or wouldn’t usually or come up in a conversation”.

Sue said, “Yeah”.

Bonne said, “Sangreal kind of opens up your world, and Sangreal’s kind of good though because you get to exercise different thought processes”.

Sue said, “Yeah that you wouldn’t normally “.

Bonne said, “Like the cards you bring out, like you really have to think sometimes”.

Jenah said, “Sangreal gives people a chance to say something without prejudice and they can say something honestly they think without people having to go on a huge debate against them or Sangreal’s just hearing peoples ideas which is nice”!

Sue said, “Yeah, perspective”.

Bonne said, “I quite like the fact that Sangreal is not competitive, because most games out there are and these games depends on who you play with, it can ruin the game if your playing with someone who is really competitive or is a really bad, you know a poor loser, but because Sangreal’s a game where everyone is equal at the same time and that includes everyone when it is your turn as well, Sangreal’s quite enjoyable”.

Sue said, “Yeah, Sangreal’s more ethical, it’s the level of co-operation, Sangreal’s cool”!

How To Be Apart Of An Unstoppable Revolution To Save The World That Will Not Be Saved Without You!

By gaining access to your untapped super consciousness sitting in your chair at home, in the car, anywhere.

The SANGREAL METHOD is pure science, not pure bunkum. Albert Einstein, one of the greatest scientists who ever lived did not like Quantum Entanglement. He called it “Spooky-Action-At-A-Distance”.

And here’s where and why! I don’t want you running away from this book, and from your chance to lock onto to—latch onto— the greatest gift ever uncovered by humankind—period end of story.

So why then was Albert Einstein spooked by the idea of everything turning into the same state of mind? By the idea of information held by one entity deep within energy within consciousness itself being upheld by another energy entity exactly the same, simply because the two have met, have interacted, have been brought together by an unknown force, faster than light can travel?

Simply the Sangreal Method gets you to sing a high C sharp musical tone alone inside your mind. Removing the mirrors of glass that are hiding the mother load of new ideas locked away. Until someone actually does this and actually tells their smarts. I am trying hard here to break down this wall gaining me access to the wealth of the unknown held within me all of the time just waiting for this Sangreal Method to be used daily by the hour. Connecting you to energy inside every single thing itself made of energy. You become a walking encyclopedia and the world's greatest connector of yourself to anything you ever even vaguely wished for.

As energy responds in kind, working through you by magical unseen extrasensory means! As for Einstein, it was spooky action at a very small distance. It meant the light he was studying the mysteries of—was studying him! It meant and it means energy is alive. It is trying to assist anyone who uses the Sangreal Method, to break down the barrier of oh I know everything. I have done this a thousand times, and I am the best at it in the world. Stupid is as stupid does attitude that it appearing. Without a shadow of a doubt your brain wants, and get this! Will settle for nothing less than a better attitude if you want to get into its vault of wealth of new ideas to change the world—make a million bucks like you can by just making contact with your subconscious self, in this special Sangreal Method way today or your brain itself will let you perish rather than thrive. A broken Humpty Dumpty nursery rhyme yoke egg spurt, at the bottom of the high “LEDGE” named “KNOW”! Which is a fact we should be grateful for as we need it to be so, not stupid; always on the back foot—back in past time, going repeatedly over and over the same old experiments in how to think ourselves easily into wealth and happiness by way of following through to completion new ideas as this Sangreal Method provides so simply it will knock your socks off. That’s just not easy. So it just goes to show you how massively effective this Sangreal Method is.

It is of course the mythical horn or rather cup, seen as the platter for plenty and for healing. There are all types of healing or rather the proper word for having everything in life you want to be having NOW, rather than constantly questing to break, to remove the magical wall of glass mirrors set up by the brain, your very own brain to keep you out until you are willing or rather. It made it too hard to find the secret of the way to get past the mirrors and peer inside to the treasure house of the new, of the novel. As they talk in invention patent office land by way of writing down a goal list not so far away.

THE CHOICE IS YOURS!
YOU CAN GO ON
IN THE SAME RUT TOMORROW—OR
YOU CAN RISK NOTHING AND GAIN THE
POWER TO BE APART OF SAVING THE WORLD BY
DOING The Sangreal Method—DISCOVERING
WHY YOU ARE GOING TO AND WHY IT CANNOT
BE DONE WITHOUT YOU!

Once again every word of this BOOK has been proven by Marc Stewart—and by the tens of thousands of men and women who have put his explosive access to their super consciousness to work in THEIR lives. NOW THE SANGREAL METHOD IS READY TO GO TO WORK FOR YOU! You gamble nothing! If you are not amazed beyond doubt, the first night and every night thereafter for thirty days –simply trash the book. Putting it down to lack of an open mind, innovation not being for you. You have nothing to lose! A whole world of empowerment to gain! Do so without risk! That is one of the clues I am allowed by your, by my right brain hemisphere to give you. As you must be willing to break down this silly stupid is as stupid does wall of feeling self-conscious. Everything you do alone, even in your thinking these days, in these quantum entanglement times is as if someone of like-mind or individual life of your own should be police state mentality person is watching and waving a very pointed wicked old witches finger at you that just does only one thing for your personality and personal well-being that being a big fat NOTHING. And the poison apple you have already been given its poison is the Voldermort contents hidden away inside your very own left brain hemisphere where you will and are finding such great delight as caused by its spell of energy type that is quantum entangling.

And I mean our human minds are being? Wait too late. We have all become robots inside the Matrix and the past oh I know everything I am so confident not really I am so self-conscious. I know I must think with the herd or be pushed out. I don't want to be the lone highlander on his own property called the Glen of a good old Scotch truth called the Sangreal Method. Which will give you the entire hills outside your or rather just inside the mirrored doors of your right brains hemisphere, for us to think and be alive ditto.

I have no idea how Albert Einstein worked this knowledge into his life in later years but for me leading a very similar life as a scientist having energy as my best friend.

I can only do what I must, what I am obliged to do, knowing what I know yes, but experiencing a relationship with the same energy that is where?

Inside everything including as I have pointed out to you yourself by meaningful advantage as this eBook is not really a book at all. But finally you're keyed in by the Sangreal Method access to the gold mine of reality that has paved this world with inventions, every single thing around you can dream about being yours, that is not apart of the natural world of nature had to come forth from behind these mirrors of glass.

I have given you the chance to open, and get by to the source of creativity that still exists, in a world in need of great new ideas the right brain has been storing up for a rainy day. I assure you. It is now raining the negativity of the left hemisphere oh only things of today and yesterday exist. We do not need a positive gift from the right brain by way of the Sangreal Method for TOMORROW! Oh sure you can read it. But you don't have to. As it isn't the book I am giving to assist you!

I AM GIVING YOU THE SANGREAL METHOD IT IS THE GIFT! To stop you making decisions over and over, getting you down after you have done them. It's the doing you see. TESLA was right, energy must move especially mindfully. And even though you do the Sangreal Method sitting down to yourself for yourself. It makes for self-confidence and don't ask me how. It just magically does so. I do know yes but in reality I do not, yet I do, and what I mean is—the transformation in how you are and feel as a person is way and well beyond that horrible destroying sensation we term self-consciousness. Which as the saying goes if you haven't heard this cliché it. Self-consciousness is a bitch, and even if you do not attain a new novel idea, and make a lot of money you will gain towering self-confidence. I assure you of that. And that is the greatest gift to have. Take it to the grave, as it's a hell of a gift for others you come across to behold in you, all through the magical method of asking a question and obtaining an immediate answer by way of the special way afforded by the use often as you like on paper with a pen of the Sangreal Method! It is a way of simply and easily communicating or rather talking if you like to your better as yet to you hidden from fullest of view higher self. Really it—energy works through us but we have been up until now all of us oblivious to its real and until now hidden to us power. GAIN THE POWER TO BE A PART OF SAVING THE WORLD DISCOVERING WHY YOU ARE

GOING TO AND WHY IT CANNOT BE DONE WITHOUT YOU! Once again, every word of this book has been proven by Marc Stewart—and by the tens of thousands of men and women who have put his explosive access to their super consciousness to work in THEIR lives! Now to convince you I have something worth your money is in actual fact so real that once again. Out of the blue it would seem the change being me writing this. All the wits I have gathered are; get this—they are not even mine they are right brain energy's. Oh don't get be wrong, I wish these words were completely energy's. Now guess what the difference would be? My point is energy is here but it knows its best this coming from me or rather for you from yourself.

The Sangreal Method is for when you really get into that time in your mind in this life when you just really stretch out every fiber of your being to make a new path for yourself that will take you out of the way things have become for you or rather in the moment being the way things are and they must be better or you will not be worth living with yourself or others you may meet at these times of great change out of great struggle. The Sangreal Method answers this call as nothing else can it is prayer in a special way or if you do not like the entreaty method of asking for guidance and assistance of an unknown to you in your eyes higher power as I do myself now the Sangreal Method is an instant answer to every and any question you might ever come across the need and the want to be asking and getting the quick instant IN REPLY ANSWER.
