Chapter One

Dania Green knew the type of man Demar Reid was. They used to be college lovers. She was a teacher at Keswick Primary school and he at the nearby high school. They were in a hotel room at the Hill View hotel in that community.

“If Scott finds out that I’m seeing you, I’d be in serious trouble with him.”

Demar knew Scott Dunn. He was a very disagreeable and loud-mouth fellow. He had about four taxis plying the Keswick to Linstead route. He drove one of them. He also had a coaster bus on the Linstead to Cross Roads route.

“I told you to leave that guy and be with me alone.”

“Demar, we were lovers once, remember. When I was coming up here, I told you to come with me. Now you’ve just come after playing around down in St. Elizabeth. I don’t even know the amount of women you went to down there. I came up here, met Scott. He wanted to be along with me. You weren’t around so I just decided to be along with him. I can’t say I’ve regretted it as he gives me money, not as much as I would like, but maybe he will be more generous in the future.”

“You put money over everything. We both know that he has a lot of women.”

“I won’t let any man come to me without protection. That goes for you, and him too.”

“When we met first, we never use to use condoms.”

“I was just silly and inexperienced, but I don’t know what diseases you caught from those girls you were playing around with, so I’m takin precautions.”

They started playing around before they made love again.

The next night she went to sleep with Scott at his house in Norris. After they made love, he said he has something to tell her.

“Can’t it wait until in the morning?”

“Another woman is pregnant for me.”

“What, repeat what you just told me.”

“You heard what I just said.”

“Another woman is pregnant for you. You have three baby mothers already. This is the fourth. I don’t want to be caught up in all this baby mother drama. I’m tired of women telling me to leave you alone or how I’m shortening their children’s allowance. You told me that I was the only woman you were seeing.”

“I’m a very popular guy and sometimes these girls just push themselves on me.”

“And I suppose you can’t resist them. Why didn’t you use a condom?”

“She told me that she was on the family planning.”

“I suppose that’s another mouth you’ll have to feed, added to the three you already have. I think I might leave up here sooner than I planned to.”

“Why are you planning to do that?”

“I want to get away from you and this baby mother drama.”

“So, aren't you going to have children?”

“I'm young, plus I have to be married before I consider that,” she turned on her side and dropped asleep almost immediately.

He also fell asleep shortly thereafter.

Saturday night, Janice Dixon and Carl Notice were at a party at the Keswick High school. Janice was a teacher at the high school. Carl was the public health inspector for the area. Denise King had a baby for him, but she wasn't at the party. Denise was a nursing assistant at the Linstead Hospital. Lisa Price another of Carl's women, was at the party too. She was dancing with Jack Little. She was a teacher at the high school while Jack was a minibus operator. Dania and Scott were also at the party and were dancing together. Demar was there with another teacher from the high school, Naomi Spence.

Later that night Dania went home with Scott. They made love until the late hours of the morning. Just before she dropped off to sleep, he asked.

“Do you and that guy, Demar, have something going on? He was just swooning over you. The whole time we were there, he just kept staring at you.”

“Maybe he was just admiring me. He is just one of my colleagues. I am a beautiful woman and I like when men admire me.”

“I heard that he is very wild. He was at a school in St. Elizabeth, and they had to ship him out as he was along with all the young female teachers.”

Dania started laughing.

“Not Demar, Scott, the girl who was dancing with him had to beg him to come to the party with her.”

They both dropped off to sleep a short time later and after arguing some more. They woke up in the morning to make love again.

Demar was at his house after making love to Naomi. They were resting up in bed when she asked.

“Are you and Dania lovers? I've heard that you're sleeping with her.”

“Those are just rumors. There is nothing going on between us.”

“She was looking at you the whole time we were at the party. What about your woman in Linstead?”

“I don't know how you can say that she was swooning over me, and she was there with her man. As for my woman in Linstead, we are giving the relationship a break. But we haven't broken up. To tell you the truth, I suspect that she has a boyfriend over there.”

“So are you planning to do anything about it?”

“I just told you what I’ve done.”

“By the way all the female teachers at both the primary and high schools are very young. I heard that you have a reputation with women. How many of them are you seeing?”

Demar knew that he and Chris Arnold were the only male teachers at the high school. Chris was a shy type of guy and had only one girlfriend. Linton Whyte and Ted Dawson were at the primary school. From all accounts both men were going steady with their girlfriends who were not teachers.

“Most of the female teachers are married and those that aren’t, are going steady with their boyfriends.”

Fri.7.9.17-Carl and Janice were basking in the afterglow of their lovemaking. It wasn’t the first time they were sleeping together.

“Denise saw me the other day and cut her eyes at me. I don’t know what that girl wants with me.”

“Don’t pay her any mind. She is just a shy, introverted girl.”

“She wasn’t shy and introverted when she was spreading her legs for you.”

“You can’t turn back the hands of time.”

“She says that I want to take you away from her.”

“There is nothing going on between me and her. I give her money for the baby, that’s all.”

“Her bigger sister, Tula is always cursing me whenever we meet. I heard that you are seeing Petal Day from Norris.”

“Petal and I are just social friends.”

“That was the same thing you said about Denise until her belly started shooting up. Then you came with your bag of excuses.”

“It was a mistake with Denise, and it won’t happen again.”

They started playing around again before doing it a second time. After that both of them dropped off to sleep. They didn’t wake up until late that morning.

Chapter Two

The next night, there was a party in Keswick. Fitz Bruce was driving his car with Denise inside. She had asked him to take her there as her boyfriend, Jack Little, had some urgent business doing in Kingston.

"I wish I was your date, Denise. You're looking so beautiful."

"What happened to your girlfriend, Kelly?"

"You must be the only person who don't know that we broke up a couple weeks ago. I thought you were still with Carl?"

"No, he left me for a teacher by the name of Janice. He quarrels with me every time he sees me with Jack. He says that my baby is just one year old, and I shouldn't be looking a man already."

"He's jealous, maybe if you go back to him, he'll leave Janice."

She laughed.

"You're always full of jokes, Fitz. Tula will be there, and she is in the same position you're in. I'll tell her to come and see you."

They reached the party and he parked his car and he and she entered the venue. He couldn't help noticing Scott and Dania who were dancing together. He and Denise started dancing together.

Carl and Janice entered the party and started dancing. He saw Denise dancing with Fitz and went over to her despite Janice hanging on to his shirt sleeves, trying to stop him.

"So, you're sleeping with Fitz, now. You can let him mind Carrie. Look how young she is and you are out here with man. You should be home looking after her."

"Leave me alone, Carl. So, what are you doing out here if it's not the same thing?"

He went over to where he had left Janice. She was not there, instead he found her in a corner, sitting on a stool. She was drinking a malt beverage.

"What's the matter with you? Everywhere we go and see her, you have to create a scene. I think you're still carrying feelings for her. If you want to go back to her, why don't you do so and leave me alone?"

"I'm just trying to make her behave more responsible towards Carrie."

He went and bought food and drinks and they sat and had it. After a while, she resumed dancing with him again. Scott left Dania and went to dance with Juliet Parkes. When they were finished dancing, Dania went over to Juliet.

"Hey girl, Juliet, I want you to leave Scott alone."

"You can't stop me from dancing or sleeping with him. You're a just come lately. You're behaving as if you own him. Look how many baby mothers he has. If I were you, I would just take it easy."

"All of you are just after him for his money."

"Isn't that why you're along with him? I'm not after him for his money as I have my education."

"I too have my education, girl."

After the party, Dania went home with Scott, but they did not make love.

“Are you sleeping with me and Juliet at the same time?”

“She was just saying those things to annoy you. I know her boyfriend. She probably will have to explain to him why she said those things?”

“You could have denied that you were sleeping with her and let her shut up.”

“Yeah, I suppose so, but what good would it have done?”

Soon both of them began making preparations to go to bed.

Carl and Janice were still quarreling over Denise. They were at his house.

“Are you still interested in Denise?”

“Of course not, why would I be going around with you? I just want the best for Carrie.”

“Stop quarrelling with her every time you meet, especially if it’s a party.”

“I feel a way as if she has left her alone in the house.”

“They must have somebody there to look after her, either her mother or sister,” she said as they got ready for bed.

Fitz and Denise were still at the party. She had dragged Tula away from a man with whom she was dancing and brought her over to him. Like Denise, she was a tall copper colored girl. He estimated her height to be about five feet seven inches. Denise would be an inch or so shorter. Denise would be about twenty-three years old. Tula would be about two years older than her, he thought. He bought food and drinks for himself and the two girls and the sat and had it.

“Isn’t Jack coming to the party?” he asked Denise.

They were dancing together while Tula looked on.

“I’ve been trying to get him, but all my calls are going to his voice mail.”

After the song finished playing, they went to sit beside Tula.

“What is Carl’s problem with you, Denise?” he asked.

“I think he wants her back. He can’t bear to see her out with another man. He was ready to take you on Fitz, even though he knows that she is seeing Jack.”

“You’re my new girlfriend, now, Tula,” he told her as they went to dance together.

A bevy of guys came over to Denise, but she refused to dance with any of them. Looking on, Fitz realized the reason she had turned them down. Jack was a very disagreeable and loud, mouth fellow. He was worse than either Scott or Carl. He didn’t understand what a nice girl like her saw in a guy like that. They left the party at around three o’clock that morning and he dropped both girls home.

Demar and Naomi were parked on the Keswick back road. They were drinking light beers and enjoying the cool night air.

“Scott is along with Juliet and several more women. He has about four baby mothers. I don’t know how Dania put up with him. It must be his money, why so many women are after him.”

“How many boyfriends do you have?”

“You’re the only one I know about. I’ve asked you about the female teachers up here before, you don’t like any of them?”

“You’re the only one I like.”

“There is a strong rumor that you and Dania have something going on.”

“Those are just rumors, you don’t see that she has her man, Scott.”

“What happen if anybody saw us on the backroad at this time of the night?”

Several cars were parked on the road, but far from each other.

“Nobody is going to see us, and everybody is minding their own business.”

They went into the backseat of the car to make love. That morning she slept late at his house. Eventually she got up to make breakfast for both of them before leaving for her own house.

Later in the day she was back at his house for an afternoon siesta up in his bedroom. When she was leaving, she saw him hastily trying to hide an object looking like a photograph. She snatched it away from him. It was a naked picture of Dania! Outside it had started drizzling.

“You must be sleeping with her. You can’t deny it.”

“It was from college days. I was along with her when we first met, but then we drifted apart.”

“You’re a liar, you’re still along with her. In the time that she has been teaching up here the amount of men I hear boasting of having sampled her. They are laughing at Scott. All that fool, Fitz wouldn’t mind if she left Scott and came to him. But he doesn’t know the fire he’s playing with. I won’t sleep with you again until I know the truth.”

She threw down the picture in a huff and left. Half an hour later she called him.

“I want both of us to go up to Dania’s hose to thrash out things with her.”

“I won’t be going anywhere with you. I’m not sleeping with her. If you want to believe it or not that’s your business.”

“You’re a dirty liar. I’m sorry I ever went to bed with you,” she said and ended the call.

Chapter Three

After Demar's refused to go with her over to Dania's house to confront her about his love affair with her, Naomi tidied up her house. She and Demar had met since he came to teach school up here. She had been warned that he was along with Dania. They had a steamy love affair while in college. She had been told that she had wanted him to follow her up here when she was coming, two years ago for them to continue the relationship. He had relocated to St. Elizabeth where she knew that he had a number of steamy affairs. That he finally came up here showed that either he wasn't getting enough down there, or she wasn't getting enough up here and had sent for him. She decided to call Dania.

Dania was on her veranda relaxing when her cell phone rang. Naomi was on the line. She wondered what she wanted. She and that girl weren't friends as she was along with her man. Nevertheless, she decided to take the call.

"Dania, are you along with Demar?"

"Of course not, why do you ask?"

"You know that I'm along with him. I saw some nude photos of you in his room."

"What! You must be joking? They must have been doctored. How else could he get nude photos of me? Is that how he gets his kicks?"

"I think you are just pretending. You know how he got them," Naomi told her and ended the call.

Immediately she finished talking to Naomi, Dania called Demar. He was seated in one of the plastic chairs on his veranda. He was drinking a malt beverage.

"Why did you show Naomi naked pictures of me?"

"They were old picture, from college days. I didn't show her, she just found them. I don't know what she was searching for."

"Destroy any picture of me that you have. That girl is a bit too talkative for me. What did you tell her about us?"

"I told her that we were once lovers, but we broke up after first year."

"You shouldn't have told her anything. She's too inquisitive."

"Is it true that Fitz is in love with you?"

"I don't know anything about him. I know who I'm in love with and it's you."

"So why don't you just dump Scott and come to me?"

"Don't you get me when you want me? I want certain things out of him that you can't give me. You will just have to be patient. You just wouldn't understand. But remember I'm also sharing you with Naomi."

"I'd get rid of her this instance if you dumped that guy," he said and ended the call.

Twenty minutes later, Demar called Naomi.

“Naomi, you’re a big liar, you were snooping around and found the pictures.”

“Listen Demar, I heard about you and her from some of your batchmates. You and she were living at the Links hotel. Scott will catch up with both of you soon.”

“As I told you it only happened in first year. She went out with other guys after that. Lloydie is having a party at his house tomorrow night. Do you want to go?”

“Why don’t you take your woman with you?”

“Who are you talking about?”

“You know who I’m talking about. I think if you continue fooling around that girl you and Scott will soon be fighting.”

“You’re just trying to spread rumors about me and her,” he told her and ended the call.

Dania was on her veranda still relaxing when her cell phone rang. Juliet was on the line. She wondered what she wanted. Juliet was in her living room sitting in a sofa and drinking a sorrel beer. Outside the rain was pouring down.

“I know all about you and Demar. I have friends who were batchmates of both of you. You were sleeping with just about any man you could find.”

“Juliet, you’re just bitter because I have Scott and you want him.”

Juliet burst out laughing.

“I just have to snap my fingers for him to come running. I will be coming to Lloydie’s party and you can’t stop me from dancing with him.”

At the party, Carl was there with Janice. He saw Fitz and Denise enter the party and flew into a rage. He and Janice started arguing with each other.

“I still think that you’re carrying feelings for Denise.”

“She shouldn’t be leaving Carrie alone to come and party with Fitz of all persons.”

Tula heard what Carl was saying.

“My mother is taking care of our children. You’re just jealous, Carl. You don’t want Denise to talk to any other man, but you are out with a woman.”

Fitz, Denise and Tula found seats on some benches. He went and bought food for them, and they sat and had it.

“Carl wants to still go to bed with me, but I refused. He even said that after I had my baby, we would get married. He was even proposing that I move in with him. From he met Janice everything changed. He stopped paying me any attention. She was the focus of all his attention.”

Fitz found himself dancing alternatively with the sisters. He hoped Jack would soon arrive to take Denise off his hands so that he could concentrate on Tula.

Juliet had come to the party and was dancing with Scott. Dania was nearby watching them dance and cutting her eyes at her. Juliet danced one more time with him before Dania claimed him.

Demar and Naomi had made up and were now dancing together. Jack came to the party and saw Denise dancing with Fitz. He waited until they finished dancing before he drew her away.

“Why did you come to the party with that guy?”

“What’s wrong if I came here with Fitz and danced with him?”

“He isn’t a good person. I don’t want you to have anything to do with him.”

“You can’t stop me from talking to or dancing with him,” she said and went into a corner to sit on a bench.

Carl watched them argue, at the same time laughing at Fitz. Later, he was surprised to see Tula in his arms. Fitz was lucky because Tula and her last boyfriend broke up six months ago. She knew that Denise only came to the party with Fitz knowing that her real boyfriend, Jack, would soon arrive.

“Where is your baby father, Tula?”

“We broke up around six months ago. I thought you knew.”

“I thought the two of you were still going around together.”

“I should ask you about your woman.”

“I’m in the same position as you. It’s about the same time we’ve broken up too.”

Tula was wearing a short jeans pants, tube top and slippers. Fitz was wearing a jeans pants, a polo shirt and sneakers. Later he went to buy food for both of them and they sat and had it. After a while they resume dancing again. At around one o’clock that morning they left for the Hill View hotel. Tula saw Denise dancing with Jack and knew she would be going home to sleep with him. At the hotel Fitz and Tula had a bath before they made love.

“Fitz, I won’t do it with you without a condom.”

Later she asked him.

“Is it true that you are looking Dania?”

“She’s Scott’s woman. I don’t know why people are going about spreading rumors about me and her? Because Denise came to the party with me, you saw how Jack was behaving when he saw me dancing with her.”

“I don’t like him. I don’t know what’s wrong with her. First it was Carl and now it’s Jack. Anyway, Fitz if I didn’t like you, I wouldn’t have gone to bed with you. And you are a very good lover.” He kissed her and they make love again before dropping off to sleep. In the morning they both had a big breakfast before checking out of the hotel.

Jack had taken Denise home as she said she had to go in to tend to her daughter. Carl passed them and saw her going into her house and laughed. He was going home to sleep with a woman while Jack went home empty handed. He thought Fitz was lucky as he had gone down to the Hill View

to sleep with Tula. She was a real sexy girl, and he knew that several guys had been after her. He and Janice made love up in his bedroom in the early hours of the morning.

“Carl, everywhere you go and see Denise, you have to pick a quarrel with her.”

“I’ve seen her in restaurants, on the streets and in supermarkets. It’s only when I see her at parties and know she’s neglecting Carrie.”

“I think you’re jealous, especially when you see her with either Fitz or Jack.”

He burst out laughing.

“Those two guys are the worst people I know. They used to call Fitz, the back road specialist. He used to live on the Portmore, Jackson and Keswick back roads. Jack is probably worse than him.”

“Do you want her back?”

“Of course not, I have you, what would I be doing with her?”

“It’s very embarrassing, I wish you would stop it.”

“All I do is give her money for the child.”

“I heard her complaining that you want her to go to bed with you before you give her money.”

“She is not telling the truth. Most times it’s her mother or Tula I give the money to give her.”

Scott had taken Dania home and they were quarrelling. They were actually sitting on her veranda drinking sorrel beers.

“If you want to go to Juliet, you can always go, since she was before me. I suppose you are going down to her house.”

“I have a busy day in Kingston tomorrow. I have to look about some papers for the vehicles, so I have to leave from early in the morning.”

So, he left a fuming Dania. After he left, she felt like calling Demar, but she was sure he was there with Naomi. Fitz had gone to sleep with Tula. She would never call him as she didn’t want to encourage him. She wondered if Scott knew that Demar was her man. She wondered if he knew that anytime she wanted Fitz she could get him, despite what Tula might say or do. She was sure that Scott had gone to sleep with Juliet. She would soon fix her business for her.

Scott knocked on Juliet’s door that morning, but there was no answer. Juliet was inside, but she pretended as if she was sleeping. He took out his cell phone and called her, but it kept going to voice mail. Finally, frustrated, he jumped into his car and drove home. Later that morning he called her again.

“I didn’t hear you knocking.”

“I was calling you, but I kept getting your voice mail.”

“My phone needed charging. I didn’t realize it until this morning.”

“You sound angry to me. I think you were vexed because I danced with Dania so many times.”

“So why didn’t you stay with her? I would prefer if you stayed with her and leave me alone.”

“We always had a good thing going on, why spoil it?”

“I think you prefer her to me.”

“I virtually live with her,” he told her and ended the call.

An hour later, Dania called her.

“Juliet, I like how you have to be playing second fiddle to me. He came to you last night after we had a good work out.”

“I don’t know what you’re talking about. He would never dare come to me after he had been to another woman.”

“He prefers me to you because I’m better looking and sexier than you.”

“Dania, stop it you hear. I don’t know which part of you is sexier or better looking than me. He is not going to leave me.”

“Well, he’s not going to leave me either, but I’ll soon give him an ultimatum and we’ll see what happens.”

“He should know about the amount of men you’re keeping with him. I’ve heard that Demar is your man, so too is Fitz.”

“Go on digging up dirt, I hope you dig up some on yourself,” Dania said and ended the call.

Chapter Four

Dania was at her house when a woman called her. She was in her living room sitting in one of the sofas. She was drinking some home-made sorrel wine.

“My name is Pat Lee. I’m one of Scott’s baby mothers.”

“How did you get my number? He has other women. Why are you calling me in particular?”

“Because he lives with you and has to give you money. You’re shortening my child’s maintenance money I’m getting from him. I also heard that you were pregnant.”

“Listen Pat, or whatever your name is, I’m not pregnant. And even if I was what business is it of yours?”

“I’m making it my business. You’re just tricking him. You have a boyfriend by the name of Demar. I’m sure you wouldn’t like Scott to hear about you and him.”

“He was my batchmate in college. Now he’s up here teaching, you can’t prove that I was ever intimate with him.”

“You are one of those girls who used to live at the Links hotel.”

“I’ve never sold my body yet. Not me, I have too much pride to do that, plus I’m afraid of catching any incurable diseases. Pat, you’re just one more of his women. He has about four other baby mothers. I don’t see what’s so special about you. Go about your business and leave me alone,” she told her and ended the call.

Dania was just off the phone to Pat when another woman called her.

“Are you Dania Green?”

“Yes, I’m that person. How may I help you?”

“My name is Janet Lobban. I understand that you live with Scott. Well, I have two children for him. They can’t get any money from him because of you.”

“As a matter of fact, I’ve just come off the phone to another of his baby mothers. So where in the line do you think you fall?”

“I don’t know about any other woman having children for him. All I know is about the two I have for him. I want you to leave him so that his children can get the proper maintenance from him.”

“He lives with me. I’m sure you don’t expect me to volunteer to do his domestic chores or take money out of my pay to feed him?”

“I don’t care about you and his domestic arrangements. All I’m saying is that from you came into his life things have been going downhill for my children. I want him to leave you.”

“Janet, or whatever your name is, you can’t tell me what to do with my life. I will find out from him about you,” she said and ended the call.

Dania called Scott about Janet and Pat later on that day. He was in Linstead sitting inside his bus and talking to the driver when she called. He went outside to answer her.

“Two of your women, Pat and Janet, just called me. I didn’t know that Janet has two children for you. They complain that because of me, you’re shortening their money.”

“Yes, I have two children with her. You shouldn’t listen to them. The money I give them is more than enough. They just want to make trouble.”

“Did you sleep with Juliet, last night?”

“No, I went straight home and went to bed. Everywhere I go, I hear that you and Fitz are lovers.” She burst out laughing and drank some more of her sorrel drink.

“That’s a lie. I don’t even like him. It must be your malicious girlfriend, Juliet, trying to mix me up with him. Your baby mother drama is getting to me now. I didn’t bargain for this. It is really upsetting me now. I don’t know how much longer I can continue.”

“Don’t take any more calls from either of them or from any other woman saying that they are one of my baby mothers.”

“I’ll do that, but don’t listen to anything about Fitz. He’s just a poor dirt farmer,” she told him and ended the call.

Fitz was at his house when Dania called him. He was actually on his veranda drinking some rum and boom.

“Fitz, I thought I told you that I have no interest in you. Why have you been spreading rumors about me and you when you know there is no truth to it? I have never slept with you, yet.”

“I have never told anybody that I slept or was sleeping with you.”

“I told you to stick to your woman and leave me alone. You can’t afford me. You don’t see how broad my hips are and how full my breasts are. You think you can feed me.”

“I want you to leave Scott and come to me.”

“You’re just a poor dirt farmer. By the way who are you sleeping with, Denise or Tula?”

“Tula, but it’s you I want. You’re a sex goddess. I’ve heard about you and Demar, but neither he nor Scott can give it to you like I can.”

“That might be an empty boast. I’m fully satisfied after doing it with the two men I have coming to me. So, you want to try me out, but as I told you before, I’m satisfied with what I’m getting.”

“You’re saying that I’m no good, but how are you coping with Scott and all his baby mother drama.”

“I’m coping, I never really expected it. Don’t you have any baby mothers?”

“I have only one baby mother.”

“I don’t believe you. Your name has been linked to so many women.”

“A lot of these stories are just rumors. I won’t tell you who is spreading them. Can we go out? I know several clubs in town where we could go. He doesn’t have to know.”

“I wouldn’t go anywhere with you. You have a bad reputation with women.”

“So, you’ve bought into the rumor mill too.”

“You used to frequent the Jackson, Keswick and Portmore back roads with women.”

“I used to frequent the Keswick and Jackson backroads, but I’ve never been on the Portmore back road.”

“Fitz, you’re lucky, I have two men I can go out with. What am I doing with a third man?”

“My offer is still open.”

“I’ll bear that in mind,” she said and ended the call.

Chapter Four

So, what was Allison doing in bed with you?" Denise asked Jack.

They were sitting on his veranda and arguing.

"You didn't catch her in bed with me. You just saw her on the veranda, and you just assumed that she was coming from my room."

"Where else could she be coming from? And when I wanted to beat her, you put her in a taxi and sent her home. I'm leaving you."

"Up to now I'm not sure if it's you or Tula who is along with Fitz."

"I've never slept with him yet. Tula is his woman."

"She was only visiting me as a friend."

"She was coming out of the room, half naked."

"Are you planning on going back to Carl? He wants you back."

"I'm not going back to him. I'm only sorry that it was Tula, who got Fitz and not me."

"So, you like him. I must tell Tula."

"She knows how I feel about him."

"Most women I know hate his guts. You know how many of them have gotten pregnant for him and he gave them money to do abortions. It might soon happen to Tula."

"Most of those things are just rumors."

Jack invited her inside his house, but she refused and left for her house. He called Allison on her cell phone and told her to return as he had sent Denise home.

Demar was in his room lying down on his bed when his cell phone rang. Dania was on the line. Outside the rain was pouring down.

"Demar, you don't miss me? You don't long to get some of what I have to give you?"

"Of course, I miss you. You just let Scott have you by his side all the time."

"I might just get a nervous breakdown dealing with him and his baby mother drama. Every day a new woman calls me. Either she is pregnant for him or has a baby for him already."

He burst out laughing.

"Don't laugh, you hear."

"I told you to leave him a long time ago. Are you going to have any children for him?"

"You're the only man I would let get me pregnant."

"So why are you still along with him?"

"I want to get a good bank account out of him. I have to do that before I leave him. Fitz is looking me too."

"Why are you telling me that? I'm your man. You shouldn't even be along with Scott. Why am I sharing you with that guy? I think you like Fitz."
