Don't Love Me

Chapter 1 – No Place to Go

My name is Max Weibler, and I'm an orphan, well, I'm certain my parents are still out there, somewhere, I'm 14 years old, and with all my friends going with all these families, I'm starting to lose hope. I'm not really a stylish wearer, I just get whatever I can find, no matter how silly it, and that's easier said than done, Occasionally I do get to go to school, yes, I don't always go, the orphan manager always stirs up some revolting punishment for me to do, it's never right. I feel like my life is just a bad luck streak. The teachers at school are no help either, they have zero manners to anyone else apart from your own, and don't think of getting into trouble either, they will make you stay in dinner time just because you needed a ruler. My life sucks, its horrendous.

I'm always picked for everything, it's like I'm the guinea pig, they always pick me in a competition if they think the opposition is going to beat me, no one has any care in the world, I can't sing, I can't dance, I can't even play football like a normal boy, I'm an outsider. I have to group with the girls every day, and believe me that isn't fun, they always like to try and get me to do something with the "secret" persuasion trick that they know about, basically it goes like this, you ask someone to do something small, and then ask them to do something big. Or your could do the exact opposite. It's one of those things where you just have to do it, Anyways, I'm going off course, I should probably worry about my own life, let alone everyone else's.
