

# FABLEHAVEN – AS TOLD BY MAGGIE

## BY BRAYLIN KELLER

Hi! My name is Maggie Sandora. I'm Kendra and Seth Sorenson's, heirs to the land of Fablehaven, 2nd cousin. This is what Kendra sent me a couple months ago:

DRINK THE MILK.

A little weird, I know. But this is what I got a few days later:

COME TO GRANDPA SORENSON'S. DRINK THE MILK.

This makes only slightly more sense. But, I still did. I went to the Sorensens house. Kendra and Seth were staying there. This is my journal of what happened while I was there...

---

Once I was there, Kendra gave me a key, and she told me to take a peek under the rocking horse. I looked and found 3 chocolate roses and a note. The roses were *really* good! The note said to drink the milk.

I figured Kendra didn't want me to drink the milk from the store. So, I drank the only other milk I could think of- the unclean milk Dale, our groundskeeper, put outside for the bugs in the garden. I put my finger in it, closed my eyes and tasted it. It was delicious! I opened my eyes and was shocked. All around me, instead of bugs, I saw *fairies*! I noticed Kendra and Seth standing sheepishly by the edge of the garden. "What's going on here?" I wanted to know. "Well..." Seth began. "TELL ME NOW." I demanded. "Ok, calm down." Kendra ordered. Then, she told me this:

"When me and Seth first came here, we got the same key thing. We went on a few adventures. Later, I found out I was Fairykind. Seth is a Shadow Charmer. Welcome to Fablehaven, where Grandpa Sorenson is the caretaker, and where magical animals call home."

I have to admit, at first I thought they were kidding. When I finally realized they were serious I passed out. According to Seth, I was asleep "Forever!" According to Kendra, I was only out cold for an hour. I believe Kendra.

---

Fast forward a couple days. I'm sitting in the kitchen, eating my cereal with Tanu, a Potion Master, when suddenly Grandma rushes in. "Help! Kendra and Seth have been kidnapped!" she cries. I'm instantly alert. Later, we climb into a jeep, ready to go. We are armed with-

✚ Grandma

- Crossbow
  - 10 bolts

✚ Grandpa

- Adamant sword
  - Seth's sword

✚ Me

- Vasilis
  - Seth's *other* sword
- Knife

✚ Tanu

- Potions
  - Variety of potions

Anyway, I was super excited as we drove away, I decided to pull out Vasilis to see what power it gave me. I pulled it out of the sheath and immediately the blade was covered in ice.. "Maggie!" Grandma cried. "No!"

I quickly shoved it back in the sheath. I around guiltily. Everyone was staring at me. "What?" I pouted. "What did I do?"

Tanu grinned. "You bonded with Vasilis, that's what you did." "Oh." I mused this over a moment, then "Cool!" I asked Grandma to tell me who kidnapped Seth and Kendra.

"The kids were kidnapped by the Empress. She is the ruler of the Ice kingdom, otherwise known as the North Pole. She also rules the South Pole, but her nephew, the Ice Lord, takes care of it." she said.
