# Introduction

I wonder sometimes if you were there in my life My Lady but the time took away leaving a tale of past.

## CH - 1

Night occurs for a relief,

To make us asleep with a casperas moon  
light as a way towards another world in sight  
so bright in our eyes.

Here for today the glimmer already came in,  
by crossing the leaks of doors and windows  
without any creaking voice as a result the  
light went off in my room and the people  
around me went into sleep very soon.

But I as an humming bird went to chase the  
light who comes to me in each and every  
single night to present me a peace of recall  
that I like to do up till each sunrise. There  
the trapped silence of my room captures my  
soul and behead me to travel in the gone  
realities, as a pedestrian in the past to catch  
those days that I loosed in one such moon  
light.
