Introduction

Tactical exercises special Mate in 1 move

Chess is an excellent opportunity to develop memory, concentration, creativity and a sense of responsibility. They teach us to make the right choices at the right time. Winning a game of chess is always a great moment in the life of a player, whether he is a beginner, an enlightened amateur or an international grandmaster. But to win, you have to know how to win! Tactical exercises to checkmate in 1 move are among the most popular for beginners and club players to learn winning tactical patterns. Practice seriously with these progressive exercises, based on real games. Practice again and again to become a good chess player and win as many games as you can! The more time you spend practicing, the stronger you will become.

Robert James “Bobby” Fischer

«You can only become good at chess if you love the game. Chess requires total concentration and a love of the game.» - Robert James Fischer
