My name is **cj**, my husband is Randy. We're children of the most high God—blessed to be chosen by **"I AM. I AM your Father"** to **serve the SON** He gave *for* us—for **God's kingdom** is at hand & the **TIME of our RESCUE** is **now**. Please hear & **consider the rulings** I heard pronounced in the heavenly courtroom: **24-Elders ruled against all humanity** (we the riff-raff) **"To become fuel for the rest"** (Read John 3:18) **Our Defender—Yeshua the Resurrected Son of GOD** declared, **"I believe all negative energy can be transformed if held long enough by the hand in love"** (Read John 3:16-17)

God shown us much in the sky, in scripture & dreams, & through His Living Word. He gave us **one heart** & a **new Spirit**. He gave us a **single mission's journey—to find & lead you to the ONE** who calls **"Come"**. If you cannot **BELIEVE**—by *faith* alone, **Ask GOD** *from the depth of your heart/mind* to show you Truth & He will.

We pray whole-heartedly that you can receive what we deliver & *begin your own journey back to the heart of your Father-in-heaven.*

GOD said, **"Think Relationship, not routine"; "2-sticks become 1" "2-house become 1"; "Esther is in place"; "Cleopatra has been positioned"; "1+1+1 makes 1"; "You must know the Bible"; "I need you to help Me Re-institute the Ancient Path" "Time for choosing..."**

LORD of Hosts, "Tell them I AM calling. Tell them to Seek Me. Tell them to Come Out of her" • "Know that I AM" • "Tell them God loves You. My Word is your energy. Don't be afraid"

MAN in the MIDDLE 1998

Sitting around the lake about a quarter to 8
wondering why we hesitate

To step outta line & speak our mind & let em know just what we think

Do we have TIME to make this work?

Do we have TIME to let em push us around again?

We gotta get on outta here, we gotta tell ourselves beware

There's a man in the middle with his hand on the gate

Overly anxious to punctuate—Our LIVES!

Do we have TIME to make this work?

Do we have TIME to let em push us around again?

Just gotta spend a little time—concentrate, improve your fate

Let em know just how you feel—there's a man in the middle

You better beware

Concentrate, improve your fate, step outta line & speak your mind

Don't hesitate, improve your fate, step outta line & speak your mind

1998 1998

The year is 1998—it's been 50 years since our nation recovered WW2

Clinton's in power. **Baby boom generation—LOVE, man, love**

We've experienced:

Watergate, Sex-gate, Vietnam War Protests & Monica Lewinsky.

Saddam better watch out sitting over there on all those Biological Weapons! No telling what he has in store for the rest of the world, you know. We don't need to worry cause Clinton's got it all figured out

Gonna go over there & bomb those b-_-s-t-_-rds

Gonna blow them & their biological weapons clear outta the earth

Send it up into the atmosphere & let it rain down on all of us—

(Moved by the Spirit of the Lord...I removed some t totally inappropriate) content)

FREEDOM man, freedom

Power of the Red, the white & the blue

Why waste time talking?

Talking never solved anything—not like a good war!

Drive up stock prices while we're at it—gotta think about the economy

Shoot man—there's gonna be a few less mouths to feed,

Few less bodies to employ.

1998—Just sitting here wondering about our fate;

Got news for you Saddam—the States don't back down easy.

We know how to handle a psycho over here—

We elect them to political office & let them lead the way.

One PERFECT Father
One BELOVED Son
One HOLY Spirit

ONE TRUTH

We TESTIFY "One new heart & new Spirit" to TRUTH

Got doubt?
Relax... take a break from knowing
Ask GOD to show you truth, & He will

For as long as I can remember, we hungered for TRUTH

As for me, I used to wonder about people like...

Henry David Thoreau
Mohandas Gandhi
Dr. Martin Luther King, Jr.
John F. Kennedy
Mother Teresa
Jesus Christ

Wondered what set them apart & made them reach higher?

As for Randy, He used to walk around with a copy of Malcolm X in his pocket...questioning ever thing

I remember being a sophomore & walking into my high school art class one day.

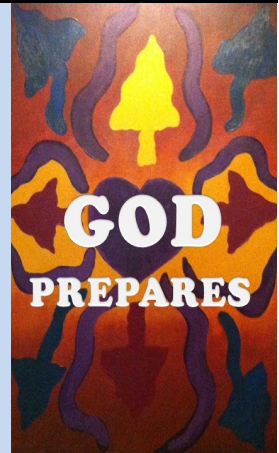

A group of seniors were gathered around our favorite teacher's desk.

Someone looked my way & chided, "What makes you tick?"

From deep within rose my answer, "My heart"

My teacher smiled, "Good answer"

**YHWH's Root
exposed**

In the beginning, we simply breathed...waiting for our seeds to grow

Now & for all eternity...these 2 faithful forgiven Beach Bums Testify for TRUTH

I AM
YHWH

is, was faithful will be

He leads us to TRUTH

The Journey is holy & challenging

His blessing will endure forever

TRUTH is available for whom-so-ever will Seek

"It's time for choosing, and soon-to-be revealing."

Every act we participate in OR turn our backs upon

Every thought we conceive whether carefully analyze OR impatiently dismiss

GOD decided a long time ago, that...

Randy would work hard in the field to provide *and that* I would birth babies in great distress—and be Randy's helpmate. Great plan! Ultimately, God came down to earth—in a way none other can—**by imposing His own Life into His Son**—to explain the value of doing all things, **"in LOVE"**.

Ancient of Days sang His HEART thru me, Jan. 2, 2006,
I gave My Life! My Son for you! I AM your Father"

SOUND the SHOFAR!
YAHSHUA is TREE of LIFE's 1st Fruit

Genesis 1:11 fruit bearing trees w/seed inside the fruit (falls to earth & dies so we His seed can live!
Creation 3rd day! Yeshua (Salvation) The Tree's 1st fruit—lived, died & rose from the grave on 3rd day!

Leviticus 17:11 "life of the body is in the blood" YHWH Life was in His Son—&His Son willingly poured out the Life giving Blood on Cross for us. Together they're one! Therefore, when—by faith we Believe—the Life giving Blood is in us—to be poured out serving & loving others! Hear ye: Tav is last Hebrew letter—it's a Sign of TRUTH! The ancient tav looks like a Cross! Isaiah 7:14 the Lord shall give you a sign: Behold, virgin shall conceive...Isaiah 9:6 unto us a child is born, a son is given

Settling 1998

I'm settling to the darkest chamber of my mind
I'm settling to the darkest basement of my mind
One day,
everything was going just fine
Then suddenly I lost my balance & started to fall
Never saw it coming till I crashed into this wall—down here!
Down here! Down here!
Won't somebody please reach down & give me a hand—
Won't somebody, please, pull me back up into the LIGHT again!

We Are Who We Are 1999

We are who we are for reasons few more than
The **flags** beneath which we're born;
And the **leaders** to whom our parents compromise their individual freedoms;
And the **religions** to which the masses voluntarily succumb
Generation *after* generation
And the **neighbors** who judge our comings & goings—purchases & garbage
And the **companions** who stand by our sides—arms tightly locked
Against all odds one day...and ostracize us the next.

We are who we are for reasons few more than
The **cultural norms** passed down from our ancestors,
Those whom we'll never know, but whose ideals we feel obliged to follow
And rarely question.
And the **collective societal expectations** of our national family
Which goes to war to settle international differences
Because it's the only way seen fit to secure our way of life—
Whether we agree or not
And the **political institutions** which promise better tomorrows thru taxation
today, except during election years—when we're offered snake oil moons,
Like those just in time for the MEDIA flash FAKE KISSES placed upon the sticky
faces of strangers babies as part of convincing campaign rituals.

-So-

Why ? so difficult to see
They are who They are for same
Obvious reasons + We are who We are

May we please EXPECT & RESPECT differences
LOVE GOD & LOVE ONE ANOTHER
Follow the Golden Rule

Seek **I AM** & flee FAST—*from forced* **ONE WORLD RELIGION!**

PREJUDICE March 1999

Ideologies, theologies, possibilities, opportunities,
prejudice & innocence

Who gave you the power? Who gave you the right?

Who put you in charge of my life?

Different theologies. Different possibilities. Different ideologies.

Pounded out by your heart—and it's alright.

How many years has it been? How many years has it been?

How many years has it been since your innocence?

Ideologies, theologies, possibilities, opportunities,

Prejudice & innocence & it's alright!

Keep your civility. Keep your ideology.

Don't be telling me what to believe—N-E Way, N-E way

Open your eyes to your prejudice. Open your mind possibilities.

Open your mind opportunities. How many years since your innocence?

*Sounded good, but January 2, 2006, I *finally* cried to GOD for help & the wrestling match ended!

I asked GOD to show me TRUTH & He did!

"I Gave MY LIFE, MY SON *for* you!!...I Gave you The WATER!!"

MR. POLITICIAN 1999

Hey Mr. Politician—things are really getting out of hand.

Growing up amidst the propaganda,

The propaganda of the day,

I thought only the Commies spread their word that way.

I thought we were the righteous sooth-sayers,

Saving the world from its own destruction,

Well somewhere along the way—I saw the light in Plato's Cave.

Look into the future—Gaze into the past

Take time to think about it before it's too late.

Well, nuclear obliteration—biological holocaust,

Unencumbered leaders, playing games with our lives.

Can't you see the future? It's shaded by the past.

They can't foresee the future—it's clouded by the past.

Power is their sunshine—Testosterone-driven rush,

Unencumbered leaders, driven by their own self-righteousness.

I watched you & the family walk up those sacred steps

In your finely pressed attire.

What ? were you daydreaming about when they said,

"Thou shalt not kill"

A cigar & a smile?

The Rabbi's Daily Thought

A Moment of Life

People talk about "wasting time," or even about "killing time." Neither term is accurate.

Time awaits you to give it life.

A moment flashes into existence, anticipating your breath of life. **After all, for this purpose you came here, to be at this time, in this moment**, so that you will make it a living moment, a moment that has meaning, and a meaning connected to the One who created time itself.

Grant it that life, and this moment will endure forever. Fail to do so, and it has already left, as a moment that never was.

Reminds me of my **BOOMERANG**...words *splashing back* moment

"PLANT Your SEEDS"

Abba FATHER's yellow brick wall quote, "Change the **WORLD** one mind at a time.
Every **WORD** ...every act...every thought...moves us one step closer to the future, we...reap"

Truth is—I’ve always believed in GOD. I was raised by a Mother who Believes in JESUS. And a Dad that’s never been a fan of religion or church, but now knows Yeshua died for his sin. We were in NO WAY a religious family. Only by my Mom’s determination, did we attend church, during my early years. She was a Sunday school teacher for the teens and often helped out at the church by preparing communion and food for the sick & other special occasions. She took my older brother Steve & I to the Methodist church camp a few times, during our early years. But the thing that sticks out in my mind most about her *faithful* impact on my life—happened when I was about 7. One beautiful sun-shiny day, likely *after* Easter service, we ascended the 2-steps outside our front door. I asked “**So is HE** (meaning GOD) **ONE** or **3?**” Mom took a deep, thoughtful breath & replied with a smile, “**Well, Yes!**”

I was purely satisfied, realizing it’s a deep water answer. And her **Memory Bank Deposit** still serves me well. But by the time I reached my teen years (1966—1972) national & world systems were deeply questioned—segregation/integration, war vs peace, politics & religion, famine in Africa—why is it & how do we fix it?

Truly, I believe every human comes to this **Mother Earth** with an **embryonic PLANT YOUR SEEDS code**—hard-wired into our **DNA**. A seed in the soil of our existence waiting on **TIME, WATER, Light**. We're given glimpses along the way. For me, it happened in 3rd grade. Our teacher thought it great to invite a local politician to come visit our classroom. One student was chosen to **WRITE the LETTER**—& that student was me! I was over-joyed! I loved to write & couldn't wait to get started! Literally from that moment, I asked my teacher—everyday—**"Can I write The LETTER, now?"**

Finally, she blew a gasket, "Cindy Smith! You're a **WORRY Wart!**" Wow! Dagger in my little heart. As far as I remember, the letter was never written, I never asked to write anything, again, and no visitor came. But as they say, 'Everything happens for a reason'.

HERE's the **BLESSED PURPOSE**—

GOD already had a plan—one that **He Hand-wired** into my **DNA!**

Many heartfelt **LETTERS** would be written around the world—to religious leaders, politicians, family, friends, strangers, and you—to declare **GOD is REAL**—*more real* than anything we can touch! Therefore, *every* **WORD** the **Ancient One** spoke, *every* **Vision** He shown, *every* **TRUTH** He revealed—would have to be delivered!

Yet not one went forth—**until GOD was ready**—August 22, 2001!

That day, **"I AM"** opened the sky & introduced me to **His Eternal Reality & faithfulness** to reveal all things! **He caused** me to drink **9-11's TERROR, 20-days before actual event!** From the ashes, **GOD** birthed a **LETTER WRITING CAMPAIGN** & stood **2faithful** beach bums on our feet to bear **WITNESS for GOD's Holy TRUTH**.

Amos 3:7

Indeed, the **Lord GOD does nothing** without revealing
His counsel to His servants the prophets.

August 22, 2001 God revealed coming terror & death...in the sky!

After a day of teaching, I went home, got into the pool, & looked up into the sky. I saw 100's of everyday morning faces. Suddenly, the sky opened as if watching a movie! I saw people gathering at the entrance of a tall downtown building—approaching from different directions, waiting for the door to open. I became part of the scene. I knew it was morning time, for each one was still focused on sleepy thoughts of home & family. Together, yet separate, we entered without exchanging words when the door was unlocked. I walked straight to the elevator & rode it many floors up. I got off on a floor with office cubicles. No one was talking. They were quietly setting up, preparing to work.

Suddenly & unexpectedly every one experienced the same horrific shock! Every eye widened in terror, every mouth stretched into a scream! For the 1st time ever, they were truly united. And in that state, they melted into one, tragic, *united* whole!

Witnessing their death caused me to jump from the pool and rush inside to tell my family what I had witnessed! Still choking on their fear, I pleaded our need to help! It was imperative that we do something to warn everyone...and to do it now, because something horrible was about to happen!

My family asked, "WHO were they"? 'I don't know'. "WHERE were they"? 'I don't know'. "WHAT happened to them"? 'I don't know, but they all saw they same thing & melted!!' One daughter said, "Mom! If you don't know anything, HOW are we supposed to help?"

Tears flooded my face. For the first time, I realized, I didn't know enough to help them! I knew something huge was about to happen, but I couldn't do
