TEASER

{EXT: SPACE, OLAM-CHUPHSHAH - NIGHT}

Satan and his executives, which are; Abyzou, Eisheth, Azazel, Malphas, Agrat and Beleth stand in space around planet Jupiter in distances. A blue light surrounds them and they form a ring around Jupiter.

SATAN

(to the planet)

I preserved you, hoping that Michael and his angels will come. But they failed me...

(grunts)

I curse you with severe pain forever, in agony shall you endure and in turmoil shall you exist because you have once harboured the enemy of the world you live in.

EXECUTIVES & SATAN

(in unison)

Curse be unto you! Curse be unto you! Curse be unto you!

The blue ring-of-light, which surrounds them moves into planet Jupiter, changes Jupiter's atmosphere into turbulent clouds, and causes thunders.

SATAN

Hahahaha!

(his Executives join him to laugh)

END OF TEASER

THE PENANCE

{INT. SATAN'S PALACE, PLANET OUKHAH - NIGHT}

The Executive Council members are sitting on their thrones on the pulpit at the centre of the palace. While The Universal Council members are all seated on tiered seats in the palace. Satan's staff is providing light for the house while the wall of the palace is slightly glowing.

SATAN

(eyes are glowing while standing)

You still have the gut to ask me to revive your worlds after betraying me in that battle?

ABYZOU

(kneels)

My lord, I...

SATAN

(interrupts)

Shut up!

(eyes become normal and he faces the council)

I'm afraid, your world will not be revived and you must all remain loyal to me as long as you are living in this universe.

KOKABIEL

(stands)

You won't revive our planets.

(nods)

Hmm... that's pretty nice. I'm sorry for what I'm going to say though. First of all, we went to the battlefield with you but it appears as if you didn't see those creatures that attacked us. Mare looking into their eyes you become overwhelmed with a terrible fear. I think that's why we couldn't stay there for a moment, even, your demons were the ones who encouraged us with their skilful race towards Shahar. Seeing their back, we took off after them as well.

(the council members giggle)

SATAN

(grunts)

Hmmm...

KOKABIEL

Secondly, you promised to release Paimon and Eligos when the war is over.

(looks around)

I don't think they're here. So, let's assume it was a mistake, or the words just pop out of your mouth. If you don't mind, you can withdraw that statement with a soothing apology, we'll be glad to accept and move on, yeah, we're listening.

SATAN

(faces Kokabiel)

This war is not over! So, what do you mean? Are you threatening me?

KOKABIEL

You must keep to your promise if you want our loyalty.

AZAZEL

(to Kokabiel)
Speak for yourself!

KOKABIEL

(to the Council)
Paimon was right! He will never revive our worlds. You all can keep following him, I'm done here.

SATAN

Where are you going to go?

KOKABIEL

I'll be right here in this universe.

Satan throws a lightning bolt against Kokabiel.

A shield appears around Kokabiel and swallows the lightning bolt.

Everyone becomes dazed.

SATAN

(stunned)
What?

KOKABIEL

Don't tell me you don't know that we just came here.

AZAZEL

And, what does that supposed to mean?

KOKABIEL

The power of the Most High is still fresh in us.
(looks at the newly fallen kings and leaders)
It's fresh in all of us.
(faces Satan)
But old in you and your demons!
(disappears)

BELETH

Did he just leave this council?

AGIEL

(stands)
Kokabiel is right!
(faces Satan)
You must respect us. Secondly, you have to release Paimon and Eligos.
(to the Council)
If he will not revive our worlds or free Paimon and Eligos, then my loyalty to this council will end as well.

SATAN

(sits)

Hmm...

MALPHAS

(stands)

Then prepare for war!

Malphas' statement causes a great pandemonium in the palace.

SATAN

(stands)

Quiet!

(silence befalls the house)

Paimon, Eligos, that's my business. I will do to them as I desire. They're my property. And, as long as you live in this universe, you belong to me. I will not fight against you, my children.

AGIEL

We are not your children or property! I guess you're afraid of us now.

(to the council)

We can overpower him if we come together against him.

SATAN

(the crown on his head glows and he points a blasting energy against Agiel.

The force blasts Agiel and all the demons that were closer to Agiel)

I am your father as long as you live beneath the walls of this universe! You must do as I say!

(eyes glow)

{HALL, MELTSAR - DAY}

Shafat is moving back and forth. Rosh-Seraph is standing behind Yakach.

SHAFAT

He went very far this time.

YAKACH

Who knows what he's able to do next?

GADOL

He has been bringing the war to us, it's time we take it to him and give him no rest or time to think of any next move against us.

GEBURAH

Gadol, you're right. We have to distract him.

YAKACH

Wait Geburah, for how long are we going to do this?

GADOL

For as long as forever.

{EXT. METALLIC GROUND, PLANET MERCURY - NIGHT}

Kokabiel is standing with Astaroth, Ipos and Bifrous.

KOKABIEL

(squats and knocks the ground)
Cursed.

ASTAROTH

Why did you do that?

KOKABIEL

Well, just trying to examine our curse.

ASTAROTH

No, I mean in the council.

KOKABIEL

I want him to know that he's not the only powerful being here. Secondly, he lost some powers when he faced Michael in the last war. Before I did that, I knew he was going to react, so I had to protect myself. But then I wanted the council to know the kind of being we're dealing with.

IPOS

You've opened their eyes. When you left, Agiel stood on your terms against him.

KOKABIEL

Damn, he shouldn't. He could imprison him.

BIFROUS

He blasted him.

KOKABIEL

Good for him then, he'll heal.

(stands)

See, I don't know, but this is not a good place to stay.

BIFROUS

What?

KOKABIEL

I mean it was but, not anymore.

{UNDERGROUND}

Paimon and Eligos are panting on the ground with their heads bowed to Satan. They are naked with sore bodies. Their bodies begin to heal gradually. Garment appears on their bodies and they stand before Satan.

SATAN

Lessons learnt?

ELIGOS

We will never break any rule from you ever again.

PAIMON

Yes, we won't.

SATAN

Yeah, I believe you. Am I not merciful?
(Paimon and Eligos remain silent)
Of course, I am, even though you will not admit it. I know I am.

{INT. HALL, MELTSAR - DAY}

SHAFAT

You know, father wants us to live in peace, and not in trouble. Besides, we're not the type that looks for trouble, we're the Elders of the living.

GADOL

So, what are you saying?

SHAFAT

I'm saying that we're above any attempt to take the fight to him. Satan is a kid wandering in ignorance. I guess this will be fixed when The Son of The Most High comes.

{EXT. ROCKY GROUND, ROGHELAZ - NIGHT}

Two Centaurs and one Minotaur are under the Shade of light.

MINOTAUR

It is better to live under the laws of the Most High than to live in total darkness under Satan.

1ST CENTAUR

There is more freedom in Shamayim than it is here.

2ND CENTAUR

We're already doomed. I don't think we can face the Elders, they may cast us to Yam-Esh at once.

MINOTAUR

They're merciful. Satan is just trying to use us to get what he wants.

1ST CENTAUR

I can't believe that I accepted to strike the Most High.

MINOTAUR

Me too.

2ND CENTAUR

I'm going back.

MINOTAUR

Me too.

They look behind and see thousands of demons coming in their direction, all under the Shade of light and they all laugh.

{INT. HALL, MELTSAR - DAY}

CHEN

What if he figured out a way to avert or delay The Most High's Son?

SHAFAT

He can't.

GEBURAH

You don't know what he's capable of, Shafat.

SHAFAT

I know.

GEBURAH

How come you didn't warn us earlier before all these things happened?

SHAFAT

Hmm...

GEBURAH

His recent skilful moves have proven his unaware abilities. I don't think we want to allow him to get to the apex of his aspirations. We all know what he wants. Therefore, we must stop him for as long as he's out there walking freely, he can do unimaginable things.

{EXT. TRAINING GROUND, MICHAEL'S TERRITORY}

Michael stands in front of his angels and spins his fist very fast like a wheel.

MICHAEL

(to his angels)

Come on, do this.

Gabriel, Selaphiel, Raguel and Raphael are sitting in front of the angels in training. Michael walks to them.

GABRIEL

(to Michael)

You're done?

MICHAEL

Yeah, for now.

RAGUEL

Gabriel, don't you think Michael should train all of us just in case something strange attempt to happen again?

GABRIEL

Nothing strange will happen. Just the usual things.

SELAPHIEL

I think Raguel is right.

GABRIEL

Hey, come on, I'm the one who lost so many angels here. Not you guys.

MICHAEL

Hey, guys, Gabriel isn't interested in your proposal.

GABRIEL

What? Do you like that idea?

MICHAEL

Of course, why not.

RAPHAEL

I like it too...

MICHAEL

I mean, this is what I do, why I was created. So, why shouldn't I use it to glorify my creator by teaching others?

GABRIEL

It's up to you. But remember, you denied Satan that knowledge.

RAPHAEL

What are you saying, Gabriel?

SELAPHIEL

Gabriel, we're covered with love and the Elders approve it!

MICHAEL

Well, my instinct never led me to show Satan anything.

RAPHAEL

That's a good point.

Their legs begin to blink green.

SELAPHIEL

Michael, is this you?

MICHAEL

*(to Selaphiel)
I thought it's you.*

GABRIEL

Pardon!

SELAPHIEL

Pardon what.

GABRIEL

The gate...

RAGUEL

What?

{SHAHAR}

All the Elders are standing outside the gate. Thousands of demons are kneeling before the Elders. Rosh-Seraph is with the Elders but none can see him except the Elders.

QARA

All low demons, none of their leaders is with them.

ROSH-SERAPH

As I said, they're on their own, this is more like a self-decision.

SHAFAT

They all really decided to go and now coming back the same way.

YAKACH

Strange.

GEBURAH

And confused.

DEMONS

(in unison)

Guardians of the creations of the Most High, please accept my humble plea. I was a fool for believing in Satan. Please pardon me and accept me back into the fold of the angels. This time, whatever thou wills; that will I do without regret. Forgive me for I know not of what I did, I am a sinner and I am here to plead for a second chance. I will never ever leave again, my duty will be to you as the Most High wills.

All the Archangels appear behind the Elders. Michael lifts his right hand and two Holocheists appear near the walls of the gate.

ROSH-SERAPH

All speaking for themselves.

YAKACH

(through the mind to all the Elders)
What if this is one of his tricks?

SHAFAT

Gabriel!

GABRIEL

Yes, my lord?

SHAFAT

Confront Satan; let us see their reactions.

GABRIEL

When?

SHAFAT

Right now. We'll wait.

GABRIEL

(through the mind to Michael)
It's up to you, warrior.
(Michael travels in the speed of light out of Shahaar.)

{EXT. ICY METAL GROUND, PLANET RAZUA - NIGHT}

Abyzou is lying down, gazing up into the dark sky. A wooden torch pinned on the ground is providing light for her.

Suddenly, Michael appears behind Abyzou.

ABYZOU

What are you doing here, Elders' pet?

MICHAEL

(beats Abyzou flawlessly with one hand)

Where is Satan?

ABYZOU

Go to hell.

MICHAEL

(jacks Abyzou, burns her head with fire, and buries her head in the ground with one punch.)

I know you've thrown away your respect, you better go get it back.

Suddenly, a blasting energy hits Michael.

Two feathers come out of the back of Michael and pins into the ground; supporting Michael from falling.

SATAN

(appears in front of Michael and faces the direction of Abyzou as her head is buried in the ground)

Get out of here!

(Abyzou disappears by sinking into the ground)

MICHAEL

(giggles)

She can't even look at me. You've really taught them well.

SATAN

What do you want?

MICHAEL

(stands upright. His feathers disappear)

Wow! You're unimaginably getting stronger every second. Believe me, I wasn't aware of that. Seem like you've figured out a way to take me unaware...

(suddenly, another blasting energy comes out of the ground and carries him into the sky.)

SATAN

You will bow to me someday!

(suddenly, a blasting energy pushes him into the ground and make a hole.)

MICHAEL

(appears at the edge of the hole where Satan is)

Seems like you're not the only one with the unforeseen trick. Happy now? Bye.

(disappears)

SATAN

(bursts out of the ground and roars with a thundering sound)

Arrrrrrh!

{SHAHAR - DAY}

SHAFAT

Clearly, he's not behind this.

YAKACH

He's clearly offline.

(Michael appears within the Archangels where he was.)

ROSH-SERAPH

They will have to pay a great price to gain back their glory.

SHAFAT

(to the demons)

What you're asking for won't be very easy for you to bear. You understand there could be consequences.

DEMONS

(in unison)

I will suffer for what I have done to the Most High. Let, my Lord, do to me as he pleases.

SHAFAT

Give us some time to come to your aid!

(waves his hand in the direction of the demons and all the demons become statically immobilized)

MICHAEL

(whispers to Raguel)

He's not even aware that they're here.

SHAFAT

It's better they stay this way until we figure out how to deal with them.

GABRIEL

(through the mind to Michael)

This is a very hard decision for the Elders.

(Shade of light covers the Elders, they form a circle and their seats appear behind them.)

SHAFAT

Let's sit down.

(all the Elders sit)

YAKACH

They're cursed. Just look at them, they don't look like an angel anymore.

EMUNAH

We need to lift this curse before Shamayim or any other universe can accept them.

ROSH-SERAPH

Eternal curses are not easily lifted.

EMUNAH

Second chance?

GADOL

They made their choice by leaving us.

YAKACH

They think it's that simple.

CHESED

I can feel their pain and great remorse.

A sad countenance comes over the Elders.

Suddenly, lightning bolts accompanied with thunders occur in Shahaar.

ROSH-SERAPH

New prophecy.

(Shade of light goes off around the Elders.)

SHAFAT

(to the Archangels)

Wait here. We'll be back.

All the Elders disappear.

The Archangels walk closer to the demons.

GABRIEL

I can't even recognize any of them.

RAGUEL

Me too.

MICHAEL

It's the curse. They're no more angels, they're demons.

SELAPHIEL

We know!

MICHAEL

But somehow, I think it didn't affect most of the leaders. Abyzou and Satan are still in their nature.

GABRIEL

It's a process, it will get to them. It may take a while of time.

{INT. HALL, MELTSAR}

All the Elders are standing before the Wall of scroll. A write-up is on the Wall of scroll.

AHAVAH'S VOICE

(reads the write-up in the minds of the Elders)

Give them a second chance of a world of their own. The promise I made to Boqer must be fulfilled, I will raise another Lucifer from the offspring of Boqer. My son is coming to completely lift the curse from them and win them back to me. My son is coming soon, prepare the way for him.

The Wall of scroll disappears with the sound of thunders.

The Elders' seats appear under the Elders and they sit on them.

CHEN

What shall we do now that they are under a curse?

(A round screen showing all the universes appears in their midst. All the universes are covered with red lights except five universes because Shahar, Olam-Chuphshah, Olam-Zaku and Yam-Esh are covered with green lights. While Gan-Eden is covered with a yellow light.)

See? Only Shahar, Olam-Chuphshah, Olam-Zaku and Yam-Esh can accept them.

SHAFAT

Yeah. It's very obvious, though they're cursed, Shahar is able to accept them because it's a gateway. Olam-Zaku is able to accept them because it's another gateway. Yam-Esh is able to accept them because that's where they're meant to be due to the level of their sin, they're to be destroyed in Yam-Esh. Olam-Chuphshah will always accept them, besides, that's where they're coming from. Gan-Eden will only accept them only if they follow through Olam-Zaku and any other universe as a gateway, and of course, you know what that means.

ROSH-SERAPH

And that's the only way.

{EXT. ROCKY GROUND, ROGHELAZ - NIGHT}

Alastor and Andromalius are walking very fast towards a mountain.

Suddenly, Zepar and Bathym appear behind Alastor and Andromalius.

ZEPAR

Alastor!

Alastor and Andromalius stop walking. Zepar and Bathym run to them. Shade of light covers all of them.

BATHYM

I don't know how to explain this to the council. Half of my demons are gone.

ZEPAR

Mine too.

ALASTOR

That's what Andromalius just told me now.

ANDROMALIUS

Out of my control.

ZEPAR

The problem is; they went back to Shamayim.
