# Blonde Jokes

Two blondes fell down a hole.  
One said: It's dark in here isn't it?  
The other replied: I don't know; I can't see.

Q: Why can't a blonde dial 911?  
A: She can't find the eleven.

A blonde walks into the police department looking for a job. The officer wants to ask her a few questions....

Officer: What's 2+2?

Blonde: Ummmmm... 4!

Officer: What's the square root of 100?

Blonde: Ummmm... 10!

Officer: Good! Now, who killed Abraham Lincoln?

Blonde: Ummmm... I dunno.

Officer: Well, you can go home and think about it. Come back tomorrow.

The blonde goes home and calls up one of her friends, who asks her if she got the job. The blonde says, excitedly, "Not only did I get the job, I'm already working on a murder case!"

A guy took his blonde girlfriend to her first football game. They had great seats right behind their team's bench. After the game, he asked her how she liked the experience. "Oh, I really liked it," she replied, "especially the tight pants and all the big muscles, but I just couldn't understand why they were killing each other over 25 cents." Dumbfounded, her date asked, "What do you mean?" "Well, they flipped a coin, one team got it, and then for the rest of the game, all they kept screaming was, 'Get the quarterback! Get the quarterback!' I'm like, hello? It's only 25 cents!"

This blonde is going door to door trying to find some paying work. She knocks on one door and a handsome older man opens it up.

– Hey mister, do you have any odd jobs I could do for cash?

He looks her up and down and surmises that she's an idiot whom he can take advantage of.

– I'll give you ten dollars if you paint my porch. There's paint, brushes, ladders and everything you'll need next to the car in the garage.

– Sure, sounds great!

The man closes the door, chuckling at what a great deal he's just brokered. Half an hour later, there's another knock at the door. He opens it up and there's the blonde.

- You're finished already? he asked her incredulously.
- Yeah! It isn't really that big! But I think you should know, that's not a porch. It's a Jaguar!

A blonde goes into a nearby store and asks a clerk if she can buy the TV in the corner. The clerk looks at her and says that he doesn't serve blondes, so she goes back home and dyes her hair black. The next day she returns to the store and asks the same thing, and again, the clerk said he doesn't serve blondes. Frustrated, the blonde goes home and dyes her hair yet again, to a shade of red. Sure that a clerk would sell her the TV this time, she returns and asks a different clerk this time. To her astonishment, this clerk also says that she doesn't serve blondes. The blonde asks the clerk, "How in the world do you know I am a blonde?" The clerk looks at her disgustedly and says, "That's not a TV, it's a microwave!"

A blonde and a redhead have a ranch. They have just lost their bull. The women need to buy another, but only have \$500. The redhead tells the blonde, "I will go to the market and see if I can find one for under that amount. If I can, I will send you a telegram." She goes to the market and finds one for \$499. Having only one dollar left, she goes to the telegraph office and finds out that it costs one dollar per word. She is stumped on how to tell the blonde to bring the truck and trailer. Finally, she tells the telegraph operator to send the word "comfortable." Skeptical, the operator asks, "How will she know to come with the trailer from just that word?" The redhead replies, "She's a blonde so she reads slow: 'Come for ta bull.'"

A blonde goes to the doctor's and find out she is pregnant with twins. She starts crying and the doctor asks her what's wrong. She replies, "I know who the dad is for one of them but I don't know who the dad is for the other one!"

A robber comes into the store & steals a TV. A blonde runs after him and says, "Wait, you forgot the remote!"

A blonde goes on a hot date and ends up making out with the guy in his car. The guy asks if she would like to go in the backseat.

"No!" yells the blonde.

Things get even hotter, and the guy asks again.

"For the last time, no!" says the blonde. Frustrated, the guy asks, "Well, why the hell not?"

The blonde says, "Because I wanna stay up here with you!"

A science teacher tells his class, "Oxygen is a must for breathing and life. It was discovered in 1773." A blonde student responds, "Thank God I was born after 1773! Otherwise I would have died without it."

A police officer stops a blonde for speeding and asks if he could see her license. She replied in a huff, "I wish you guys could get your act together. Just yesterday you take away my license and today you expect me to show it to you!..."

There was a blonde who just got sick and tired of all the blonde jokes. One evening, she went home and memorized all the state capitals. Back in the office the next day, some guy started telling a dumb blonde joke. She interrupted him with a shrill announcement, "I've had it up to here with these blonde jokes. I want you to know that this blonde went home last night and did something probably none of you could do. I memorized all the state capitals." One of the guys, of course, said, "I don't believe you. What is the capital of Nevada?" "N," she answered.

A blonde, out of money, and down on her luck after buying air at a real bargain, needed money desperately. To raise cash, she decided to kidnap a child and hold him for ransom. She went to the local playground, grabbed a kid randomly, took her behind a building, and told her, "I've kidnapped you." She then wrote a big note saying, "I've kidnapped your kid. Tomorrow morning, put \$10,000 in a paper bag and leave it under the apple tree next to the slides, on the south side of the playground. Signed, A blonde." The blonde then pinned the note to the kid's shirt and sent him home to show it to his parents. The next morning, the blonde checked, and sure enough, a paper bag was sitting beneath the apple tree. The blonde looked in the bag and found the \$10,000 with a note that said, "How could you do this to a fellow blonde?"

# Clean Jokes

## 1. Evolution or genesis

A child asked his father, "How were people born?" So his father said, "Adam and Eve made babies, then their babies became adults and made babies, and so on." The child then went to his mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now." The child ran back to his father and said, "You lied to me!" His father replied, "No, your mom was talking about her side of the family."

## 2. Shower jokes

What kind of jokes do you make in the shower?

– Clean jokes!

## 3. Dishwasher

I'd rather spend ten minutes rearranging the dishwasher to accommodate something than spend 30 seconds washing it by hand.

## 4. New job

Reaching the end of a job interview, the Human Resources Officer asks a young engineer fresh out of the Massachusetts Institute of Technology, "And what starting salary are you looking for?" The engineer replies, "In the region of \$125,000 a year, depending on the benefits package." The interviewer inquires, "Well, what would you say to a package of six weeks vacation fully paid, full medical and dental, company matching retirement fund to 40% of salary, and a company car leased every two years, say, a red Corvette?" The engineer sits up straight and says, "Wow! Are you kidding?" The interviewer replies, "Ofcourse, but you started it."

## 5. Teacher's pet?

Teacher: "Kids, what does the chicken give you?"

Instead of "the John" I named my toilet "the Jim".

– That way it sounds better when I say I go to the Jim first thing every morning.

## **9. Who is genius?**

A proud and confident genius makes a bet with an idiot.

The genius says: "Hey idiot, every question I ask you that you don't know the answer, you have to give me \$5. And if you ask me a question and I can't answer yours I will give you \$5,000."

The idiot says: "Okay!"

The genius then asks: "How many continents are there in the world?"

The idiot doesn't know and hands over the \$5.

The idiot says: "Now me ask: what animal stands with two legs but sleeps with three?" The genius tries and searches very hard for the answer but gives up and hands over the \$5000.

The genius says, "Dang it, I lost. By the way, what was the answer to your question?"

– The idiot hands over \$5...

## **10. Counting cats**

Teacher: "If I gave you 2 cats and another 2 cats and another 2, how many would you have?"

Stephen: "Seven."

Teacher: "No, listen carefully... If I gave you two cats, and another two cats and another two, how many would you have?"

Stephen: "Seven."

Teacher: "Let me put it to you differently. If I gave you two apples, and another two apples and another two, how many would you have?"

Stephen: "Six."

Teacher: "Good. Now if I gave you two cats, and another two cats and another two, how many would you have?"

Stephen: "Seven!"

Teacher: "Stephen, where in the heck do you get seven from?!"

Stephen: "Because I've already got a freaking cat!"
