then continued its onward journey.

The unclean pig later spoke to its friends in arrogance, "See how big I am; even the elephant was afraid of me and moved to one side to let me pass". On hearing this, some elephants questioned their friend, the

reason for its action. Was it out of fear? The elephant smiled and replied, "I could have easily crushed the pig under my leg but I was clean and the pig was very dirty. By crushing it, my leg would become dirty and I wanted to avoid it. Hence, I moved aside."
