There were three centaurs , first one growing out of a dappled stallion named Mito as a foal he would say, 'Me to ,me to ...the second a brown stallion named Noyet who said , ' Not yet , Not yet ' The third centaur was a coal black stallion named Yonder who loved to wander. These three friends were like normal boys who pranced and cantered , were called to heel when boisterous. The centaurs roamed Eurasian jungles , sometimes they went out to bring peace between warring tribes

Centaurus constellation was clearly visible in the night sky , positioned over peak. That night Yonder had crossed the time bridge and brought Lassie back from the future world to live in ancient Sparta

Yonder was the betroth of Princess Nephele hence the crown prince of the centaurs

Time bridge opened when the constellation were positioned correctly enabling time travel.

Lassie had been adopted by Yonder the Centaur . All the centaurs loved her and taught her all the riding skills King Orion in a peace pact between the Sparta and the centaurs gave her hand in marriage to Prince Leonidas Rhodes Princess Cynisca was her new title
