Life is like a Camera.

Just focus on what's important, capture the good times, develop from the negatives, and if things don't turn out take another shot.

EVERY PARENT SHOULD READ THIS:

A TRUE STORY

A stranger approached an 8 year old girl and asked her to come with him. He told her that something had happened and her mum had sent him to pick her up.

The girl asked the stranger for the Password! The man got confused and the girl ran away.

She and her mum had agreed on a password in case she ever had to send someone to pick her up.

Maybe this saved the girl's life.

To make every child safe, please share this.
