# THE HITLER LETTERS

## INTRODUCTION

The discovery of this cache of correspondence, written by the fascist dictator, Adolf Hitler, has naturally caused a great deal of controversy throughout the world. Their provenance cannot be doubted as they were recently unearthed in Vienna in a tin box clearly marked, 'Copies of my letters. A.H.' That they are genuine is also verified by the fact that many eminent historians have failed to contest their validity.

These are not, of course the letters of the Fuhrer Hitler, but those of the peasant boy Hitler, who came to Vienna, ostensibly to study art, at the age of 18 and stayed there until the age of 24 in 1913 when the prospect of being called up to the Austrian army led him to flee to Munich. Nevertheless, we can see from these documents the development of Hitler's odious theories and also the maturation of the boy as his dreams of being an artist are crushed and he has to find a means to survive and also fulfil what he believes to be his destiny.

It is this which has led us to publish these important historical documents and the thought of profiteering from this prolonged curiosity has never crossed our mind. Not even in the slightest.

Some readers may cavil at the shoddy nature of the translation from the original German of the letters, but lack of finance has been our enemy in this case and we have spent all we could afford in training our expert translators up to a state of semi-literacy in their native Turkish, never mind German and English. Our best advice is to read the text in a cod German accent with a glass of schnapps to hand.

We have chosen to avoid censoring the letters in any way as we are not revisionists, but the documents themselves were in such a degraded state that it would have been impossible to deliver them 'as is'. We have therefore had them retyped and reformatted to make them easier to read. It is unfortunate that the replies from Hitler's correspondents have not been recovered as these would have given a clearer view of the world that formed him. There are also gaps in the correspondence which implies that Hitler did not keep copies of all of his letters. However, incomplete as this picture is, it will truly take you into the mind of the man who was Adolf Hitler, if only occasionally.

Sirs,

The Black Forest gateau you delivered to me yesterday was not very sweet. I have a very sweet tooth and require my gateau to be extra sweet. I informed your sales assistant, Frau Bomler, of this when I visited to order my gateau. Is she incapable of taking orders? If she is an Austrian she is a member of the great Germanic race and should take orders willingly. If she is not Austrian be warned, I am keeping an eye on you and your deviant employment policies.

Yours sincerely,

A. Hitler

# IMPRESS WITH YOUR **MANLY** PARTS

## Advice from Dr. Hugh Jorgen

Your email Inbox will tell you that there is a great demand for male enhancement devices and procedures. Pumps, prosthetics and pills are all offered with the promises that they will satisfy your partner and aid your self-esteem. However these are all a scam as I'm sure any clued up young dude, like what you are, will know. The advice I will give you in this article and for free, will be more than enough to satisfy your ego and your partner's appetite. All that is needed to resolve the problem of having small manly

parts is a powerful magnifying glass which you can buy for only a few dollars. As long as you ensure that your gal uses it when she gazes upon your naked torso you should have no problem. In extreme cases you may wish to fashion a sort of sporran from your magnifying glass to hang in front of your groin, but this is purely a matter of choice.

There is a further bonus in the fact that you can use your magnifying device for crime detection purposes if the occasion arises.

# THE TRUTH BEHIND

It's one of TV's most successful shows, has a devoted fan following, and has even featured an appearance by POTUS, Barrack Obama, but Amock has discovered the dark secret behind the cult science show. The presenters are claimed to be 'special effects wizards' with 'years of experience' but the truth is that they are actors playing the roles of Mythbusters.

The show's two main presenters, Adam Savage and Jamie Hyneman are actually portrayed by George Luddite and Josephine Kilgore. Luddite is best known for his appearance as a slave girl in the unsuccessful remake of Conan the Barbarian and Kilgore was once Miss Nevada. Her performance as Hyneman is, however, likely to boost her credibility as a thespian and there are rumours that she is in line to play King Lear off Broadway.

The programme's second unit has Tory Belleci played by Brit, Alf Harkins, best known for his appearances as the serial bigamist Joe Nutter in soap-opera, Coronation Street. Kari Byron is played by ex pro-wrestler Chuck Muscles in his first venture into acting after failing to beat the world land speed record in a canoe, but it is Imihara who is the most interesting member of the cast. Known on the show for his love of robotics, we can now reveal that he is actually an automaton. He is, in fact, the latest incarnation of Honda's Asimo.

A spokesman for the production refused to comment on our revelations but tellingly, an episode where Imihara sprang a leak and started spraying oil over the studio has been withdrawn from broadcast. It is a very short sequence and wasn't noticed at first, but rumours say it is still available on Youtube.

Our Ref: ksh6jk-/jhhgn

Dear Mr Doe,

I write regarding your recent application for a loan of the sum of \$50,000 to start a business. You will understand that we require securities against any loan we intend to make and I therefore require your assurance that you are prepared to offer the items below.

- 1) Your home and any other landed property you may own or intend to buy.
- 2) Your entire family to be held in bondage even unto the the seventh generation. This may sound quite biblical but we are an old-established firm.
- 3) Your goods and chattels in their entirety. This includes the collection of mint-copy Supermans you are reputed to own and your wife's underwear, though not that of your Uncle Ken.
- 4) The inheritance your Aunt Edna intends leaving you. We realise that she is in perfectly good health and likely to outlive us all but we can fix that. Our Mr Fratelli is very good with brake pipes.
- 5) All patents currently held by you or which you may hold in the future.
- 6) Any and all copyrights you may hold in literary, musical, photographic or artistic compositions, or are likely to hold.
- 7) Any and all winnings through gambling, lotteries you may receive in the future.
- 8) Any cash sums you may find in the street or any other public place.

May I also inform you that our analysts have considered your Business Plan and have concluded that it has no chance of success. To save the administration costs you will inevitably incur when your business fails we will realise the above assets immediately and hope that you appreciate that we are thereby saving you funds you can ill afford to lose as you are, in matter of fact, bankrupt and penniless.

Please be assured of our best wishes for your future.

Yours faithfully,

Reg Greedy,

## **CHEATING**

Dear Pete,  
My husband, Ernie, cheated on me with my friend Bobbi so I slept with Bobbi's husband Jack. Bobbi found out about it and had sex with my brother Ralph so I had it off with her cousin Simon. Meanwhile Ernie had found about me and Jack and slept with my aunt Betty. Bobbi found about Simon and tried it on with my uncle Alf, only to discover he was gay. Whoo Hoo, I thought, one up to me, but the bitch somehow talked him into the sack anyway. As it happened, Alf had sex with a guy called Dave, who isn't related to anybody I know, but this Dave managed to seduce my husband and introduced him to gay love. My question is, do I have to sleep with my husband to get even with him?  
Tracy, Vermont

Dear Tracy,  
As this is obviously a fairy story I hope you all live happily ever after.  
Pete

## **LAXATIVES**

Dear Prof,  
I am being held prisoner in my own home by aliens from the planet Verx. They are demanding six million metric tonnes of laxatives for my release. As you know human laxatives are renowned as the most potent in the galaxy and the Verxians have been suffering from constipation for several centuries. Please arrange for delivery to Verx by space shuttle (warp drive supplied) as soon as possible.  
Maurice, New York

Dear Maurice,  
I forwarded your plea to the General Secretary of the United Nations but unfortunately he has rejected it. His reasoning is that the sudden release of immense amounts of Verxian poo could have terrible effects on the space time continuum in the galaxy. Why not try the Klingons whose laxatives are well thought of among the cognoscenti?  
Pete

## **TORPEDO**

Dear Pete,  
My mom has a little thing shaped like a small silver torpedo in the drawer of her bedside cabinet. Any idea what it could be?  
Sylvie, Toronto

Dear Sylvie,

It is indeed a torpedo and comes from a midget submarine. Your mother, when she was younger, operated with the Canadian Navy's Special Forces and was renowned for her skills in muff diving in the face of the enemy. This is a small memento she has retained, but best not to ask her about it as she would be embarrassed to relate any of her daring exploits amongst the sailors.

Pete

## **UNSANITARY**

Dear Professor Pete,  
Farouk, the sanitary engineer, has offered only 10 silver Rialees for my beautiful daughter Roxanna's hand in marriage. It is an insult, she has long hair and all her own teeth and is worth at least 100. Admittedly she is unsanitary in her habits but this is down to her mother and once she was married she would no longer be under the old shrew's influence. How can I get Farouk to increase his pathetic offer?  
Abdul, Falakand  
PS- She is nearly a virgin

Dear Abdul,  
If the problem indeed lies with Roxanna's filthy habits throwing in a large bar of soap may clinch the deal, though I doubt you'd get 100 for the manky bint.  
Pete

## **TRAMP**

Dear Pete,  
My husband and I had frequently discussed swapping partners and I had often fantasised I was with another man when Reg was making love to me. We finally decided to go through with it and picked Susan and Pete Mould for our first swap partners as we were both attracted to them. We invited them over, one thing led to another and I ended up in the spare bedroom with Pete. To my surprise, while he was having it off with me, I found myself thinking about Terry Richards and not Pete who I'd long fantasised about while with Reg. It's not that I wasn't enjoying Pete's attentions and his rear entry a la mode was actually quite superb, but I found it more exciting to think it was Terry who was giving it to me. Does this mean that I am basically a slut?  
Carla, Wellington

Dear Carla,  
As I have constantly said the sex act occurs in the head and not in the nether regions. The mind will instinctively find that which gives it most pleasure even at the expense of Pete's fine technique. I wouldn't worry about it overmuch but in answer to your question, yes, you are a tramp.  
Pete

**Write to Pete with your problems and  
he'll solve them for you. Sort of.**

Greetings, my friends,

I am Captain Desmond Ndobo, of the Nigerian Fraud Squad, and I write to you regarding the many emails you have been receiving asking you to send your bank details to various Nigerian parties. After many years of in-depth investigation we have concluded that this is not an attempted fraud. It is the work of one Mr. Charles M'kika who derives intense sexual satisfaction by viewing other people's bank details. This is understandable as his wife is very unattractive. I know this because he is my brother-in-law, my wife's sister's husband. This conclusion has been confirmed by clinical psychologists whose medical opinion is that M'kika is as nutty as Gerry Carter of Sudbury in England, who collected fruit bat droppings for similar unsavoury purposes.

We have informed M'kika that his emails are seen as spam by the recipients and a means to defraud people of the large amounts of cash which they are legally entitled to, and he has agreed to desist from the practice. However the medical authorities have informed us that a sudden withdrawal of bank details could cause M'kika irreversible psychological damage and may render him impotent. We are therefore taking over the collection of bank details to allow Mr M'kika to wean himself off his perversion. We regard this as a matter of duty to a fellow Nigerian citizen. If you care about this sad, sick, man, please send your full bank details to me personally at my email address and I will ensure that M'kika adds them to his collection.

Yours sincerely,

Desmond Ndobo (Capt.)

## HOW TO BE A BIMBO

### A Guide for Young Ladies

By Penelope Hotslot (Bimbo of the Year 2009)

Many young ladies aspire to be a bimbo, but have difficulty in establishing precisely what a bimbo is and how this desirable status can be achieved. The truth is that a bimbo is a young lady who is always available for sexual adventure, no matter what other calls are made on her time. For instance, a young girl will allow a quick feel, even if she is sitting a maths exam or playing chess. Her desire for sexual knowledge will outweigh all other needs.

On no account should the young lady accept any reward for her forwardness. This would immediately promote her to the role of strumpet and that professional course is only for the older lady. Though financially rewarding you really should consult your Careers Advisor before following such a route.

Ms Janine Moistly (pictured above) is the hottest bimbo around these days and young girls would be well advised to follow her example. She never misses an opportunity to reveal her underwear and this has led to many young men suffering from heart attacks, a debility that would not normally have occurred till they were much older. This, of course, makes bimbos very popular with the medical profession who are paid to treat these unfortunates.

Many denigrate the modern bimbo, but in my eyes she stands for all that is best in our western culture, especially wanton sexuality, which is such fun.
