THE EXPERIENCE

Marius Botha, the man behind Delicato.
Read all about him in our May issue

Delicato Skincare takes great pride in being loyal and dedicated to the professional skincare industry. It's been noted by customers that we offer the best professional anti aging products for immediate and long lasting visible effects. We defy time.

The product has the ability to smooth the skin, fill wrinkles and lift, it offers dramatic and noticeable results. The product is purifying and your skin feels and looks refreshed after first use. We believe that our scientifically developed skincare range of products have bridged the gap between prescription drugs and cosmetics. We do not perform tests on animals.

Delicato is one of the few, if not the only skincare range, that 95% of clients cannot only feel, but see a difference after using a Delicato skincare range for the first time. We are currently the only product house in South Africa with the latest cosmetics technology. The full product range contains liposomes which insure deeper penetration of the product, healing and cleansing your skin from the inside out.

The products are medically orientated.

We did research on all the best products in South Africa and overseas, identified their reactive ingredients and use it in our manufacturing process to give the best results. All our reactive ingredients are natural plant extracts that, in different combinations, will give you the required results. We have developed products with up to 19 natural plant extracts in combination to give us the required results we aimed for. Thus we can claim that our product is revolutionary.

Teenage range also available

We still keep contact with research being done overseas to stay abreast of new development in science. All our raw materials are imported from Europe but the product itself gets developed and manufactured in South Africa. To suit our environment and climate and can be seen as customized for each individual skin type. Products usually lack in the climate regard, the environment all over the world is of the polluted type. European products tend to over moisturize and under protect South African skin.

An independent individual tested a sample of **Delicato natural** skincare product against a leading European brand and **Delicato** was found to be better in performance and decided to use Delicato as manufacturer for their skincare range.

Delicato is of a multifunctional botanical complex built in relation with the multiple biological phenomenon's at the origin of skin ageing. It combines plant extracts which were selected for their synergistically and complementary activities: maintaining of moisturization, activation of skin micro – circulation, stimulation of elastic fibers and collagen neo – synthesis and protection against free radicals.

We manufacture this revolutionary product for individual customers to be labeled under their own names, which proves difficult/expensive if not impossible for the bigger manufacturers.

Christina Storm is one of the many celebs using Delicato Skincare

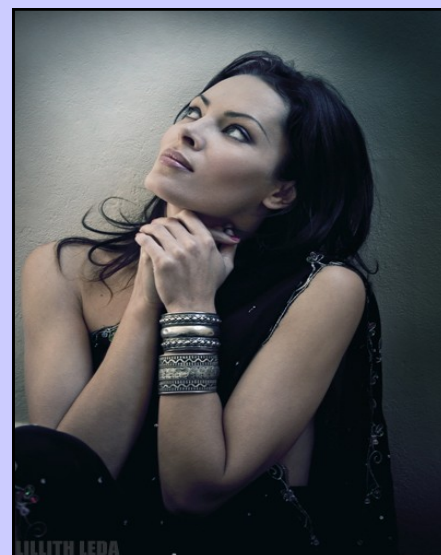

Christina Storm is one of the many celebs using Delicato Skincare products. "*Delicato is the best kept skincare secret*". Christina compared Delicato against her imported product and found that there is a huge difference in performance of the product and that there is a huge advantage to using a natural and professional custom skincare product.

The result of using the product was instant and her skin felt like velvet and was much more hydrated after the first treatment.

Delicato is fast becoming the celebs choice of skincare product!

Rea talks about Delicato products:

"I am so glad I have discovered a professional and natural skincare product manufactured in South Africa. The product is the BEST ever and I will definitely recommend it to anyone. Being produced in South Africa makes it cost effective. There is a very big improvement on my skin and it is the only product that I could see and feel an instant difference after the first application. Delicato skincare range is the only range I use on my skin. They use no preservatives, no colorants, no alcohol, no artificial fragrance, no animal products, only natural and herbal active ingredients!!! better for your skin in the long run!!! "

Rea's mother was an opera singer and her dad is a Master Drama Lecturer at the University of Pretoria. She has been on stage since she was 3 years old, where she played the part of "Little Trouble" in the opera "Madame Butterfly" with SA legend Gé Korsten.

Her first album, "Hou my vas" (Hold Me), was distributed via Gallo Music. "Kwaito Sprokie (Kwaito Fairytale)" made it to number one on East Rand Stereo and the ballad "Ure (hours)" is played regularly on RSG (Radio Sonder Grense). "Ek mis jou vanaand" (I miss you tonight) from her second album "Rowwe Diamant" made it to number one on the SA hit charts on Radio Rippel and East Rand Stereo.

Rea is the only Afrikaans female artist who has been interviewed by international news giant Reuters TV, as she was the first Afrikaans speaking female artist in the history of SA music who sang in Afrikaans while collaborating with kwaito artists. This interview was broadcast throughout Europe.

"The product is the BEST ever and I definitely recommend it to anyone."

Why gents Hair Stylists verses Unisex hair salons?

Unfortunately, so many unisex salons do not take men's hair as seriously as they do women's hair, because the stylist works on commission and hence make more money on women's hair.

A gent's stylist is a place where each guest will find dedicated professional stylists with a passion for men's hair. Here you will find an environment and experience that is totally male friendly.

Why pay for a decent haircut?

"You get what you pay for"...is this statement true? Your hair is on display all the time and doesn't always get the money spent on it that designer jeans or shirt will. Just like clothes, the cheaper the cut, the less long it's shape lasts.

Decent money spent on a haircut will be worth it. Hair should be cut well and professionally. When hair is cut well, you get it cut less often, and therefore pay somewhat more than at other salons.

THE EXPERIENCE

Cecily Immelman -

Ons praat met die pragtige kUSDorp meisie,
die 2012 gesig vir **Dynamico**!

Vertel ons waar kom jy vandaan?

“Ek is die 9de Junie 1987 in Wynberg Wes Kaap gebore. Ek het die eerste 9 jaar van my lewe in die Kaap groot geword en skool gegaan te Parow Noord laerskool. Daarna het ek saam met my gesin Struisbaai toe verhuis. Daar het ek skool gegaan by Zoetendal Akademie. Ek was een van die eerste leerlinge in die skool 1997! Na 2 jaar het my ouers besluit om my en my ouer tweeling broer en suster op tuisonderig te sit. Ek het my matriek voltooi deur ACE Academy. Op skool het ek uitblink in voordrag en sport. Ek het 'n baie sterk persoonlikheid en is altyd aan die gang. Van kleintyd af was ek altyd 'n persoon wat daarvan gehou het om haar eie kop te volg! Ek het nooit baie vriende gehad nie en was meer as gelukkig om op my eie pop te speel en my self besig te hou.”

En jou belangstelling in musiek?

“My belangstelling in musiek is van kindsbeen af! Ek het ook op skool in die koor vir 'n tydperk gesing. Op laerskool al het ek besluit dat ek eendag graag wil sing! Almal het my uitgelag en gese jy kan glad nie sing nie! Dit het my net meer vasberade gemaak om almal verkeerd te bewys! Ek het geen benul gehad hoe om te begin of waar om te begin nie. Toe ek op 16 begin werk het, het ek begin rond skakel om uit te vind hoe om te begin. Hoor toe van 'n maatskappy met die naam van Protrax. Ek het hul geskakel en met my eerste salaris my eerste backtrack, **Lepel le** en **Tingelling** van **Juanita du Plessis**, bestel! 'n Week later toe arriveer die backtracks!! Ek het stilletjies in my kamer begin oefen en toe ek gereed was het ek 'n paar mense genooi wat musiek ken om na my te kom luister by die huis om hul opinie te kry... die antwoord was **JA** jy **KAN** sing en jy **MOET** jou droom na jaag! Musiek is my lewe en ek lewe vir my musiek!!”

Vertel ons meer van jou CD's?

“Ek het begin geld spaar vir my eerste opname. As 16 jarige met haar eerste werk was dit nie maklik nie. 3 Jaar later het ek my eerste CD **KUSDorp Meisie** op 19 jarige ouderdom kontant betaal! Iets waarop ek baie trots is! Hierna het ek op klein funksies begin sing en een of twee kompetisies vir die ondervinding daarvan aangepak. Ek het in 'n landwyd kompetisie Performing Arts Silwer en Goud ontvang en was gekies om Suid Afrika oorsee te gaan teenwoordig. In n ander kompetisie in die Wes Kaap het ek in al 6 kategorie onder die eerste drie plekke geëindig, waaronder 1 Goud, 4 Silwer en 1 Brons medalje was. Ek het toe verder begin spaar deur al my vertoningsgelde en geldjies wat ek gekry het deur kinders op te pas te spaar! Op 21 jarige ouderdom het ek my 2de CD **DOEN DIE DING** opgeneem en kontant daarvoor betaal.”

Wat is jou dryfkrag?

“My Moto in die lewe is.... Werk hard vir wat jy wil hê, wees dankbaar vir jou talente en sukses sal kom! My pa het my geleer sukses word bereik deur harde werk, toewyding en geduld! Kruip voor jy loop en loop voor jy hardloop!! Sulke ware en wyse woorde!!”

“M

Y motto in die lewe is ...werk
hard vir wat jy wil hê, wees
dankbaar vir jou talente en
sukses sal kom!”

K voel geeërd om **Dynamico** se
2012 Face te kan wees”

Is daar ‘n nuwe CD oppad?

“Ek is tans besig met ‘n 3de CD wat ek glo ‘n STUNNIG CD gaan wees met nuwe uitdagings en iets anders as my vorige CD's. Ek glo dat die nuwe CD ‘n hele ander kant van Cecily gaan te voorskyn bring! Ek is baie opgewonde daaroor. Ek is bevoorreg om twee uitstekende skrywers Tony Ridgeway en Warren Elliott te he wat my help met nuwe materiaal. Dit is groot eer dat hul my die geleentheid bied om hul liedjies op te neem. Hoop om die nuwe CD teen die einde van die jaar op die rakke te he!”

Ons hoor jy is ‘n omroeper?

“Ja, ek is baie opgewonde oor die nuwe uitdaging om ‘n omroeper te wees op radio. Ek het nie gedink ek het die stem of persoonlikheid om dit te kon doen nie maar ek het en is mal daaroor! Die kommunikasie met die luisteraars is met een word - fantasmagories. Daar is nie eintlik ‘n woord om dit te beskryf nie. Ek is gedoop as die *Bekkige Rissiepit*, ‘n naam wat ek aanvanklik nie mee gelukkig was nie maar nou praat ek alles aan die brand en geniet dit ongelooflik baie. “

Hoe voel dit om **Dynamico** se gesig van 2012 te wees?

“Dankie aan **Dynamico** wat my die geleentheid bied om deel te wees van hulle. Ek glo en vertrou dat ons gaan nog ‘n lang pad saam loop en baie uitdagings saam beleef. Ek voel geeërd om **Dynamico** se 2012 Face te kan wees. “

*Ons wens Cecily alle voorspoed toe
met haar nuwe CD, asook met haar
Dynamico ambassadeurskap vir
2012!*
