## Its not about Earning Money.. Its about Spending Time With Loved Ones!!

Photo Source: [The Daily Mail](#)

Daughter: *"Daddy, may I ask you a question?"*

Dad: *"Yeah sure, what is it?"*

Daughter: *"Daddy, how much do you make an hour?"*

Dad: *"That's none of your business. Why do you ask such a thing?"*

Daughter: *"I just want to know. Please tell me, how much do you make an hour?"*

Dad: *"If you must know, I make ?100 an hour."*

Daughter: *"Oh! (With her head down)."*

Daughter: *"Daddy, may I please borrow ?50?"*

The father was furious.

Dad: *"If the only reason you asked that is so you can borrow some money to buy a silly toy or some other nonsense, then you march yourself straight to your room and go to bed. Think about why you are being so selfish. I work hard everyday for such this silly behavior."*

The little girl quietly went to her room and shut the door.

The man sat down and started to get even angrier about the little girl's questions. How dare she ask such questions only to get some money?

After about an hour or so, the man had calmed down, and started to think:

Maybe there was something she really needed to buy with that ?50 and she really didn't ask for money very often. The man went to the door of the little girl's room and opened the door.

Dad: *"Are you asleep, daughter?"*

Daughter: *"No daddy, I'm awake"*.

Dad: *"I've been thinking, maybe I was too hard on you earlier. It's been a long day and I took out my aggravation on you. Here's the \$50 you asked for."*

The little girl sat straight up, smiling.

Daughter: *"Oh, thank you daddy!"*

Then, reaching under his pillow she pulled out some crumpled up bills. The man saw that the girl already had money, started to get angry again. The little girl slowly counted out her money, and then looked up at her father.

Dad: *"Why do you want more money if you already have some?"*

Daughter: *"Because I didn't have enough, but now I do."*

*"Daddy, I have \$100 now. Can I buy an hour of your time? Please come home early tomorrow. I would like to have dinner with you."*

The father was crushed. He put his arms around his little girl, and he begged for her forgiveness.

It's just a short reminder to all of you working so hard in life. We should not let time slip through our fingers without having spent some time with those who really matter to us, those close to our hearts. Do remember to share that \$100 worth of your time with someone you love? If we die tomorrow, the company that we are working for could easily replace us in a matter of days. But the family and friends we leave behind will feel the loss for the rest of their lives. And come to think of it, we pour ourselves more into work than to our family.

Its not about Earning Money.. Its about Spending Time With Loved Ones!!

**There is a world out side Internet**

A jobless man applied for the position of “office boy” at Facebook.

The HR manager interviewed him then watched him cleaning the floor as a test.

“You are employed.” He said.” Give me your e-mail address and I’ll send you the application to fill in, as well as date when you may start.”

The man replied “But I don’t have a computer, neither an email.”

I’m sorry”, said the HR manager, “If you don’t have an email, that means you do not exist. And who doesn’t exist, cannot have the job.”

The man left with no hope at all. He didn’t know what to do, with only ₹10 in his pocket. He then decided to go to the supermarket and buy a 10Kg tomato crate. He then sold the tomatoes in a door to door round. In less than two hours, he succeeded to double his capital. He repeated the Operation three times, and returned home with ₹160. The man realized that he can survive by this Way, and started to go everyday earlier, and return late Thus, his money doubled or tripled every day.

Shortly, he bought a cart, then a truck, then he had his own fleet of delivery vehicles. With in 3 years, the man became one of the biggest food retailers in India.

He started to plan his family’s future, and decided to have a life insurance.

He called an insurance broker, and chose a protection plan. When the conversation was concluded, the broker asked him his email. The man replied, “I don’t have an email”. The broker answered curiously, “You don’t have an email, and yet have succeeded to build an empire. Can you imagine what you could have been if you had an email?!!”

The man thought for a while and replied, “Yes, I’d be an office boy at Facebook!”

Moral of the story:

1. Internet is not the solution to your life.
2. There is a world out side Internet.
3. If you don’t have internet, and work hard, you can be a millionaire.
4. If you received this message, you are closer to being an office boy, than a millionaire.

## Give her another Chance

80,000 blondes are gathered for a Blondes Are Not Stupid convention. The leader says, “We are all here today to prove to the world that blondes are not stupid. Can I have a volunteer?”

A blonde gingerly works her way through the crowd and steps up to the stage. The leader asks her, “What is 15 plus 15?” After 15 or 20 seconds she says, “18!” Obviously, everyone is a little disappointed. Then, 80,000 blondes start cheering, “Give her another chance! Give her another chance!”

The leader says, “Well, since we’ve gone to the trouble of getting 80,000 of you in one place and we have the world-wide press and global broadcast media here, gee, uh, I guess we can give her another chance.” So he asks, “What is 5 plus 5?” After nearly 30 seconds she eventually says, “90?” The leader is quite perplexed, looks down and just lets out a dejected sigh. Everyone is disheartened. The blonde starts crying and the 80,000 girls begin to yell and wave their hands shouting, “Give her another chance! Give her another chance!”

The leader, unsure whether or not he is doing more harm than good, eventually says, “OK! OK! Just one more chance. What is 2 plus 2?” The girl closes her eyes, and after a whole minute eventually says, “4?”. Throughout the stadium, pandemonium breaks out as all 80,000 girls jump to their feet, wave their arms, stomp their feet and scream ... **Give her another chance! Give her another chance!**
