“To all who read this report, may you be blessed with eternal health, wealth and happiness.” Pete Lauder, the home business assistant.

My dear friend, how would you like the ability to earn a sustainable online income, **with no website, no mailing list and even better, no investment?**

That’s a tough call, it may even sound impossible. I was very surprised to see the results of this program for myself, but, they have proved to be tried and tested, and I will show you the results.

These rare opportunities do exist, but finding them in our world of a million offers being pushed at us each day, is a real dilemma.

That is the reason for my compiling this report, it’s **easy** to see in action, it’s **easy** to read, and it’s **easy** to pass on, more of that later.

Some people would be happy to pull a couple of hundred dollars a month for a small investment of their time, and that is attainable by only using the **Get Paid** part of the report.

What really becomes exciting is the **Viral** aspect of the system, using this correctly can multiply your monthly income as **your information** gets passed to more and more prospects.

I have made the process as easy as possible for anyone to follow, with step by step instruction and tips.

So, let’s get started, right away.

Get Paid Virally

Take a long, hard look at this proof of earnings.

You read that right,

ONE THOUSAND EIGHT HUNDRED FIFTY FIVE AND 84/100 US DOLLARS.

This is **one months** payment for **one persons** efforts, and Amy has only been with CashCrate for 3 months!

I set out on a search of the Internet to see what people thought of this website. I don't want to waste any of your, or my time on something that wasn't proven to satisfy their members over a long period of time.

I was very happy to discover that they are completely legitimate and pay their members extremely well.

I was lucky enough to be shown this check, by Amy Bass, a very plucky stay at home mom, that is aiming to pay off her debts of \$90,000 in two years, entirely from internet earnings.

I immediately spotted the potential, but needed to address the possibility of a viral method of distribution, I quickly negotiated the rights with Amy, purchased the correct software, and this report is the result.

Get Paid Virally

The easy way to create a passive online income, with no website, and no investment.

There are 3 simple steps to perform, so let's run through them now.

Step One

Visit the CashCrate website, from [this link](#), and sign-up for a free account.

Enter your details and click OK.

You are now a fully signed up member of the program, and entitled to your share of the rewards, read some offers and make some money.

The program will then send you a welcome email with your referral ID.

Most English speaking countries are catered for, and the process will only take a minute or so.

Step Two

Take your referral link number from your welcome email, and insert it into your free PDF brander download.

You will then have this book “branded” with your link.

Step Three

Give your branded copy away to as many people as you can, that's it.

A short list of ways to give away your branded version is included at the end of the report, to get you started.

That's the run through, now for the details;

How does it work?

CashCrate is a *get paid to* program. Companies need consumers to sample, and to review products, services, and websites, and they are willing to pay money to have you and me carry out the task.

CashCrate gets paid by these advertisers for our participation and they pass 75% of that money back to us. That is how they are able to stay in business and the earnings **stay sustainable**.

How You Get Paid

There is a minimum pay out of \$10. I cannot even begin to say how easy it is to reach payout. I made over \$12 in the very first few hours after I signed-up. So the \$10 payout can easily be reached in a couple of hours worth of participation, you should strive to build up as much monthly payment as possible, **this is important**, and keeps your status active.

Payments are processed on the 20th of the following month. So all of this months earnings will be sent to you, by check, on the 20th of next month. You may see some pending notices, these can take a week or two to process, don't worry, these are a normal part of the program.

Go Viral, Or, Go It Alone?

You can earn simply by taking part in the \$0.80 daily survey these are always available, and change every 24 hours. Even just doing that and nothing else will get you a **guaranteed \$24 dollars a month**.

You can also make an **extra \$100-\$200** a month, by undertaking the free offers and trials available in the "complete offers" section.

I want to **stress** the fact that you can make great money on CashCrate without ever going *Viral*, therefore, this next step is completely optional, but also **very** lucrative.

The CashCrate Referral Program.

I hate those programs where you get pressured into signing other people up in an attempt to make money and succeed. By complete contrast, CashCrate is a sustainable business, and completely unlike those internet schemes that prey on your wallet.

If you like to share your success and want others to participate along side of you... CashCrate does have an awesome referral system. In fact, it is one of the best I have ever seen!

What this means is that anybody that joins CashCrate from [this link](#) will be able to earn money, **just like you**, but they will also be earning a small amount **for you**.

This is actually a model of advertising, and can be a very successful one. Rather than paying out large sums of money to printed media, internet campaigns, or TV. CashCrate have opted to share out their advertising budget, to their users, for introducing new prospects.

How Referral Earnings Are Shared.

First of all, with CashCrate you are paid for **two levels of referrals**. The first level being, all the people that join directly through you. The second level is the people that sign up, directly under the people that you recruited. So, you get paid for whoever you sign up, **plus** whoever they sign up.

As soon as you join, you start at the bronze level. This makes you 20% of the figure your 1st level referrals earn and 10% of your second level referrals figures.

In addition, you'll also receive a **\$3.00** bonus for each referral who meets the \$10 minimum payout. (Don't worry, your referrals are not deducted any earnings. This is extra money that is additional to any earnings.)

I believe these are really high share values, plus, as you introduce more referrals, your percentages increase in value too, see the chart.

The CashCrate Referral Chart.

The rest of the referral program tiers work like this:

Bronze	– 0-50 Active Referrals - 20% First Level, 10% Second Level
Silver	– 50-150 Active Referrals - 25% First Level, 10% Second Level
Gold	– 150-300 Active Referrals - 25% First Level, 15% Second Level
Platinum	– 300-500 Active Referrals - 30% First Level, 15% Second Level
Elite	– 500+ Active Referrals - 30% First Level, 20% Second Level

Going Viral

When you open your welcome email from CashCrate, you will see your referral link. This is where your viral aspect comes in to play.

To *Get Paid Virally*, you need a method of passing your information to another person, and then pass it on again, easily.

Without having to write an entire ebook yourself, it becomes very difficult to give all the information about the system to your prospects.

Well now you can, with your very **own branded ebook**.

Plus, your new referrals will also have their own version, to pass on their information, **and you still benefit**.

The Rebrander Tool

To make this simple, I have made some slight modifications to this book, by using the small program that builds the report, you can add your referral details to this ebook, by *branding*, then pass it on.

Your new referrals can also do the same, making the whole process *Viral*.

If 10 people take advantage of your offer, and they also refer 10 people, you now have a share of the CashCrate income from 100 people.

But , don't forget that the original 10 people are still offering the free book. And so are you...

Rebrander instructions follow...
