Teachers report

*Donald is a pleasant class member and a hard working student. He is attentive in class. He completes his work without fuss and rarely complains. However Donald struggles to grasp advanced concepts, and as such is only deemed an average academic achiever. Donald does not often speak in class.*

Dear Mr Schiller

My name is Donald, I am 13 years old. I like football and videogames. I do not like reading because it is boring. I also like the Simpsons because Homer is funny. On the weekend I play football and watch movies. I am looking forward to high school because I can make new friends.

Year 12 Report Card

English C 13

Maths D 10

Biology C 11

PE B 14

History C 13

*Donald has been a quiet, unassuming member of the school. He has attended most classes, and generally completes his work on time. Donald does not like to participate in class discussions and generally keeps his thoughts to himself.*

*Donald's school work is of a satisfactory standard but it is unclear whether he has fully applied himself throughout his academic career. Good luck in the future*

One missed call from 8399 1243 voicemail received at 3.45 pm

'Hey Don its Carla... this is really hard to say and I wish you could answer the phone, I know you're probably out but I need to say it. I don't think it's working out. We are just two very different people, and we have drifted apart. I'm at university and you're... busy, it's not like we get to see each other much now a day's anyway... So yeh thanks for some great memories, you are an amazing person and I hope we can always be friends. We can catch up during uni holidays in a few weeks? Just let me know... bye Don, I'm sorry...
