INTRODUCTION

SOURCE ENERGY
GOD
FIELD OF POTENTIAL

INTRODUCTION

SOURCE ENERGY, GOD, FIELD OF POTENTIAL

We are all Source Energy and we can define this in many ways. Some might say God, the Field of Potential, the Morphogenetic Field, and so on. Yet the words are not what is important. What is important is that we realize we are this, Source Energy. We came from it, we are it and we will return to it. Even, if we don't, at times, realize it to its fullest potential and maybe, like myself, you have spent way too many years resisting it, rather than embracing it.

CHAPTER I

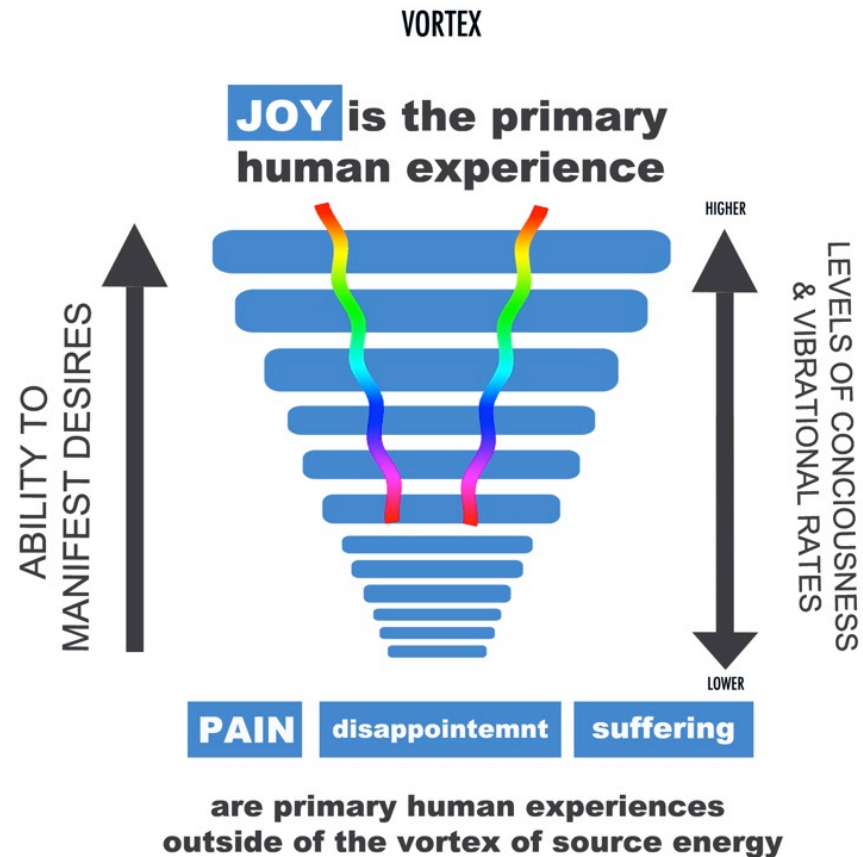

THE FUNNEL

THE FUNNEL

CHAPTER 1

As you view the graphic you can see that the image is much like a funnel. Where ever you are in the funnel doesn't mean you are not a part of the funnel. If you are hanging out in the lower parts of the funnel and experiencing pain, Suffering, frustration, etc. it doesn't mean that you are not Source, it means instead that you are experiencing Source Energy in a way that is painful.

THE FUNNEL

CONTINUED

The pain can be used to bring about more clarity in such a way that you realize that you do not want to experience this pain and instead you would like to experience more ease, love, joy, creativity, freedom, acceptance, forgiveness and so on. By simply deciding to not experience pain and getting clear about the feelings and states of being you would like to experience you begin to move up the funnel. It is a natural process and your consciousness raises as well as the vibrational rate of your manifestation of Source Energy raises.

CHAPTER 2

GETTING CLOSER TO SOURCE ENERGY

GETTING CLOSER TO SOURCE ENERGY

CHAPTER 2

As you raise your consciousness and vibration you get closer and closer to the Source Energy Vortex and eventually you will get swept up in this higher state of vibration, manifestation and consciousness. You begin to realize more and more and at greater depths that **you are Source Energy, always have been, always will be.**

CHAPTER 3

HEIGHTENED SENSES

HEIGHTENED SENSES

CHAPTER 3

At this state of being your senses are heightened and more acute and you begin to understand and experience the dance between the two worlds – the physical experience and the Source Energy experience. When you reach this point you will actually be able to let go of the resistance and begin to enjoy the dance between the two worlds. Yet, sometimes we experience this growth in uncomfortable ways. This is always due to old pattern habits that have kept us stuck. The limiting thoughts and beliefs about self, others and the world around us. **The good news** is that these are just thoughts and beliefs and they have nothing to do with the Truth of who we are – Source Energy.

I AM

SOURCE ENERGY

CHAPTER 4

I AM SOURCE ENERGY

CHAPTER 4

Sometimes when I forget *who I AM* and get caught up in lower vibrational experiences I just stop right where I

AM and say,

“I AM Source Energy, I always have been, I always will be.”

In this act I AM able to remember or to re-member (to become a member of Source again) and release the lower vibrational experience knowing that if I continue the lower level course I will not find joy and happiness and if I shift my attention in the knowing of who I really am all will be well.

CHAPTER 5

VAST, LIMITLESS STREAM OF POTENTIAL

VAST, LIMITLESS STREAM OF POTENTIAL

CHAPTER 5

In the Vortex of Source Energy there is always a vast and limitless stream of potential – it is Source – there is no lack of anything, nothing is needed. Therefore, when you recognize that you are in a lower level thought pattern try the strategies in the next 4 chapters to help you shift your consciousness and thus your vibration.
