Introduction

Over the past years, web hosting has grown bigger than it used to be. With more companies getting into this business and finding the many benefits it can give them, the demand for web hosting has never been higher. These seem to be the trend of today.

38 million people have put up their very first websites online this year 2005 alone. It is estimated that by 2008, the internet sales industry will top then dollar bank. And to think, majority of those sites will be offering different affiliate programs for people to choose and participate into.

This only means one thing. It is easier now to find the right web host for your application. The possibility of quality web hosting companies separating themselves from the rest of the industry is anticipated. If this is done, the unprofessional and incompetent ones will suffer.

Support will be the number one consideration for people when choosing a web host. It will be obvious that traditional advertising will become less and less effective. Most people would rather opt for the web host based on things that they see and hear. Also based on the recommendations by those who have tried them and have proved to be a successful.

This is a great opportunity for web hosting affiliates and resellers alike. There would hundreds of web hosting and programs to choose from that the difficulty in finding the right one for them is not a problem anymore.
