TESTIMONIALS

“Dee Rule loves being with children, and she has developed a personal connection with each of our boys. I’ve learned a lot from being with her and watching her as we spend time with those babies. She is very discreet person in our home, and we have all benefited from her care and professionalism.”

—Holly Hunter
Actor and Academy Award winner

THE AMAZING DEE!

“What we would have done without you? ... In the short time you were here, you taught us so much about being parents. ... You have an unbelievable wealth of knowledge that needs to be shared with the whole world. This isn’t the end, only the beginning of a great, lifelong friendship. I consider you part of a lifelong friendship. I consider you to be part of the family forever; you will be in our lives whether you like it or not! Good luck with the book. Love you so much!”

—Oliver Hudson
Actor, *Rules of Engagement*

“Dee Rule arrived on the scene and immediately put me at ease. Her guidance and support was absolutely invaluable to me and my husband. In addition ... Dee served as an excellent teacher. She helped us establish a schedule, taught us how to bathe, change, and care for our child, and gave us helpful hints for addressing future challenges ... We will always be grateful to Dee for the love and support she provided during this time of major transition in our family, and we’ll be calling on her again. We recommend her to you wholeheartedly.”

—Kate Bullinger Koops

“Dee Rule’s help in welcoming our triplets into this world has been priceless ... she has been superb, imperturbable, highly skilled ... for our children and a strong and graceful pillar of support to us parents ... she took three babies from little tiny preemies to seventeen-pound behemoths who have in all respects caught up with their full-term peers. All of them were sleeping through the night in the same room by ten weeks ... Dee is a steady, affectionate woman possessed of the utmost discretion and professionalism. Her adaptability to the household suggests to us that she could get along with just about with anyone anywhere with any particular routine one might imagine. She is also an excellent teacher. There are tricks to handle multiples, and what had seemed to us an overwhelming situation and an impossible learning curve, she made far less daunting and far more fun.

“In short, we love Dee and would keep her ’til the kids were off and married. But we know there are other babies and moms out there who need her more than we do now. We recommend her to you with all our heart”

—Diane and David Self
Screenwriter and Producer

“She entered our home when we were completely frazzled and immediately brought order and serenity. Our babies began to sleep longer and eat better through her introduction of a more structured bedtime routine and are now sleeping six hours at a stretch through the night. As a new mother, I really appreciated her ability to be a great source of expertise and help without being pushy or controlling. Equally important, her presence allowed me to get enough rest and recuperate much faster.”

—Sara Allan

“It is with great pride and enthusiasm that we write a letter of gratitude and appreciation in recognition of the outstanding work.”

—Dr. Philip J. Weintraub
Internist and Cardiologist

“Dee is one of the kindest, most wonderful people I have ever met. I trusted Dee Rule with the most precious treasures, my children. I am endlessly grateful for all her help and support.”

—Elizabeth Brady
