The Spark of Life	55

In the Spring

In the spring morning
I think about my beloved.
She is like renewal of nature
After frost and snow.
In the summer night
The song of nightingale
Brings melody of her sweet voice.
In the autumn time
Among thick clouds
I can see the glimpses of her face.
In the cold blow of winter
Moonlight shows me the way
To the kingdom of love
In the blossom of my sweetheart.

The Golden Sea

Your heart is a flower,
Your love is sunlight
That sheds its blissful presence
In all corners of my soul.
Hug me so tight
Sharing the warmth
Of your life with my heart.
Look in my eyes and swim
In the golden sea of pure love.

Flowers of Romance

Let us go together in the rain!
Let us inhale invigorating
Coolness of the air.
Let us be like cheerful
Flowers of romance
Enjoying life giving water drops.
And awakening power of nature
Will guide us on the rainbow way
To the splendid garden of love.

Purity of Mind

It is impossible to be important
For everybody.

It is impossible to be darling
Of everyone.

The world sees importance
In money and glory.

The heaven enjoys
Only purity of mind.

The Morning Smile

I wake up.
Your smile is meeting
My eyes.
I feel radiant positivity
Of your energy.
The new day will be
Crowning our life
With enchanting
Warmth of sunshine.
