Poetry is not only dream and vision;
it is the skeleton architecture of our
lives. It lays the foundations for a
future of change, a bridge across our
fears of what has never been before.

– AUDRE LORDE

I

2015

Maybe I'm Not So Perfect

Maybe I'm not so perfect,
It seems I'm not smarter.
You've made my world it,
It may be sometimes harder.

All I've wondered it is you,
You're my lover until the end.
Just I hope that loving is too,
Because she's my great friend.

Just don't wish for the hatred,
Loving you might be a chapter.
Think about us for the positive,
Maybe I think before and after.

Maybe I'm not so perfect at all,
Just can't stop wondering of her.
She's everything, I'm at her call,
I may not be perfect, not dumber.

Mysterious Love

Tonight it's just you and me,
I'm just here because of you.
Our love is like cute puppies,
I love how you're loving too.

Our love is like working hard,
It needs time for us to picture.
You're loved this so from the heart,
Love is like a large architecture.

It can be messy, it can be sloppy,
Our love is keeping us from apart.
I know this, our love is all choppy,
You just need to know from the heart.

Just need for me to respect wishes,
I'm always stopping how it is real.
I respect us and how it's all feelings,
Love is a mystery, to me it's unreal.

It's Faith That Will Set Us Free

It's faith that will set us free,
It's a truth that says it's love.
Just don't think it so harshly,
Just I say you're so beautiful.

Never should have overreacted,
Never have I had a reaction.
Loving this world I'm alive at,
Loving how you needed action.

Just don't ever rethink on bad,
Just don't ever react all worst.
You need to think and be glad,
You need to think doesn't hurt.

Once you controlled what needs,
Once I've defeated overreacting.
Don't rethink about your pleads,
Don't think of its underreacting.
