Psalm of Adoration

I Can See Through My Faith

Cleanse My Heart

You

**You knew I needed a boost,
a word of encouragement.**

You knew what I needed.

**The unseeing God's touch from
above, with so much love.**

**YOU reached down
and showed me that you cared.**

And that you are always there.

**YOU showed me that my little happenings
are just important to you
way up there.**

**Then, I was reminded,
that I am your child.**

And then, I smiled.

**I am able to get through another journey
through the valley of despair.**

Because YOU are there.

Throne Room Events

There in YOUR Throne Room,

Jesus came that day.

His blood on the altar HE did lay.

He washed all our sins away.

Precious Savior,

Sweet Redeemer,

Return to us we pray.

For on that day

YOU rose again.

YOU washed our sins away.

There on YOUR throne,

YOU are never alone.

Angels and The Spirit attend YOUR way.

I will soon meet YOU,

and tell YOU as I greet YOU,

Thank YOU for washing my sins away.

You See Me through the Battles

**I have had battle after battle
with this old flesh of mine.**

There have been mountains and valleys.

As the road of life entwines.

I have gone this way and that way.

And nothing satisfied.

Until I met the One that

taught me how to dine.

He taught me about the rich

delicacies that are mine,

up beyond the somewhere

in Heaven divine.

Where I will have a portion

of perfect health with a

measure of no pain inside.

And no tears will cross my cheek,

for there will Glory abide.

Heart at Rest

When you are happy and blessed,

Your heart is at rest.

When you have withstood the test,

Your heart is at rest.

Though tempted and tried,

Jesus died to give your rest.

He is peace inside,

Your heart will be at rest.

When in the fire you are flung,

Your heart will be at rest.

When there is a song to be sung,

You'll know your heart is at rest.

You have given your best.

No Guilt, No Shame

**No guilt, no shame
since Jesus came
into my heart.**

He made them depart.

**Just peace and rest
I'm so happy and blessed.**

**No guilt, no shame
since Jesus came.**

God Sang a Love song for YOU

**God sang a love song for you,
Upon Calvary's hill one day.**

**God sang a love song for you,
Please, do not turn HIM away.**

His love for you is true.

And He's coming back someday.

God sang a love song for you.

God sent His love song for you.

Far

**As Far as the East is from the West
God has forgiven your sins.**

**When you let the SON in
HE will pardon you and give you a new heart within.**

**Why don't you give HIM a chance?
Let HIM fill your heart with love and dance.**

**Praise HIM with your whole heart
and you will have a peace that will not depart.**

Sealed Letter of GOD

I see an envelope sealed with love.

I see a stamp sent from above.

It is the HOLY SPIRIT, the heavenly dove.

Sent from the FATHER with His love,

this envelope is me.

I will live eternally.

Because of the FATHER dear only SON,

my life has just begun.

My redemption has been won.

The teaching and trials are almost done.

I trust in GOD alone.

That He will lead me home.

My envelope will someday open.

I will find my way to Heaven.

Then, my letter will be read.

For His SPIRIT will have led.

Torn

**YOU are torn by the wind of no knowledge
of who you are.**

**You are lost in the sea of humanity.
It seems like you are looking from the outside in.
Where do I begin?**

**You take one look at yourself and see you are clay.
You do not do anything for the night or the day.
You worship the ONE who made you to be.
And you remember GOD, The Deity.**

**How do I get there from here?
How do I know if HE really cares?
How will I know that HE is always there?
Reach out and ask HIM; that is how.**

**You take one look inside yourself and see nothing.
You look around and say do I really matter.
You look around and say does anyone Care.
And then, a small voice says I am really here.
God is the beginning and the end of this quest.
All HE asked of you is to bring Him your best;
the best of your problems and worries and fears.
Bring Him your burdens and your tears.**

May Our Lives

May our lives be living bread to those around us.

May we seek His face every day.

May we walk in the footsteps set before us.

May we let the Holy Spirit lead the way.

This is my prayer when I bid you good day.

This is my song along the way.

May Jesus shine through us always.

May people see Him and in Him they stay.

Each One Has Heartache

Each one has a heartache we must bear.

Each one has a burden we must carry.

Each one has a step we must take.

Each one has a past to bury.

Who can help you with your heartache?

Who can help you carry your burden?

Who can guide you along the way?

Who helps to put your past to rest?

He is called Comforter and Friend.

He will be with you through the end.

**He will remove your heartache and
carry your burden.**

**Jesus is the Shepherd that will guide you
along life's path.**

**He will help you get through the
cobwebs of the past.**

Just Trust HIM today.

Conversation with the Potter

Dear Potter,

I know I have been tough to mold.

You might have to just start over.

I have flaws that may not come out in the kiln of life.

So, if you have to break me to use me do it quickly and gently.

My past is gone and I know I can't keep being the vessel I was.

My present shape is unknown and not showing much promise.

So, I put my vessel back in your hands to mold me into what YOU

need me to be now and in the coming years.

Make me strong where You need me to be strong.

Make me weak where You need me to be weak.

For I know, You are the Master Potter and I am just the clay. And you have already seen my

future and you have seen me as the vessel You are making me to be.

Change my heart, Oh God

Dedication: To my Physical and Spiritual MOM, one in the same.

Another Year Has Passed

**Another year has passed.
Another opportunity is gone.
To show to everyone,
To Whom they really belong.**

**This year is just beginning.
What will you do this time?
Will they see Jesus warning
or another year just to pine?**

**Show Christ through the year.
Don't let this love go undone.
For, you just never know
when a soul will be won.**

Jesus is my Anchor

**When the storms of life set you a drift.
When the gloomy waves of trouble is all you see.
Sail on...**

**For our Lord knows we will be safe in his boat.
He will not only calm the angry storms but,
He promises to be our hope.
He is our anchor through the wild storm.**

**Steadfast and sure is He.
And He will always be in the
midst of our hardest travels.
He keeps holding on with all of His love.
Just rest in the One that comes from above.
Sail on...
Your Anchor holds.**
