POEMS TO SHARE FOR A GOLDEN YEAR

Poems written and composed
By me, others still alive or gone and reposed
Are meant to inspire and brighten
Life's path on earth towards heaven.

I joined Jessica Powers in her purpose
Poems to write and compose
For God's children to Him come close
And His kingdom not to lose.

May they help the young to aspire
The good life God for them desire
Even the adult and aged still to inspire
A truly blessed life in God acquire.

We might never know to what extent
Our poems' influence went
We could only in faith and darkness believe
Its purpose for people achieved.

We might not see the fruits of our labor
But we press on in God's favor

Writing poems for people's good
Though their fruits we might not taste like food.

Poems to share for a golden year
My simple "thank you " souvenir
To praise and thank God for His love and bounty
Through the years till my 50th birthday.

Also, gratitude and appreciation
To family, relatives and sisters in CM Congregation
Friends, benefactors, sisters and brothers in the ministry
With me, all through my life's journey.
