In 1983

On the day of changes, a child was born

This child did not see the world in the same spectrum as you or me

Fourteen years had passed before his views and notions would be negated

His eyes and heart torn from his soul in his time of need

His only hope to go on was his little sister

Who had died seven years before

His eyes swelled shut from the world around him

His life then taken from a bloody blade

His mind at peace with his thoughts

His hope had died with the angels

America the Greedy

Hundreds of dollars spent on time

Money wasted for every being

Getting hurt every moment

Losing faith this very second

What is there to do in this life?

Knowing I won't have what I need

Not the house or secure job

Not the right life to live

America the great

Or injustice

That's the way it is

In this great nation

The poor can't succeed

The poor can't live

The poor can't live love

America is misery

Art

Art is love

That can't be broken

Stolen or lost

It's without hate

Without lies

With only love and honesty

From our daily lives

We do what we love

And make the most of it

To painting and carving

From writing and singing

Art is everywhere

Art is our lives

As Time Passes

As time passes I grow weaker.

From the minute I met you,

to the moment I left you,

time was nothing to matter.

But as days, weeks, months pass --

I come weaker as you stronger;

time is but the past.

But now I know what it was --

that makes me miss you so.

I loved you,

but didn't tell you --

so I have to let it go.

Best Friends

Friends that watch your back

Friends that play with your heart

All act the same from the start

Before you know it some disappear

Others stay beside you for life

Those are the friends

The best friends

But a Nightmare

Life without you is not life

but a nightmare

A nightmare that eats

my skin little by little

A nightmare that pricks

my soul until I feel no more

Life is not life, without you

Butterfly Voice

The sound of your voice

Is like a butterfly

It guides along

Swiftly, lovely

The words slide off your lips

Like a butterfly flutters its wings

Voice as lovely as gliding in wind

The sound of your voice makes me smile

But this moment soon fades away

And all I have is nothing

Camel Camel

Camel camel go away.

I love you, but not this way.

Your humps so nice and tender too,

But love is not for me and you.

Confused

What is this feeling I have?

I seem to love you

But other times I seem to loathe you

I can't be without you

Or maybe just without anyone

I think about you all the time

But why do I have this feeling?

I long for your voice

And I would die to hear your laugh

But is this love

Or merely lust?

Darkened Evening Sky

Darkness

Blackened evening sky

Moon shifting across the darkness

Waiting for the sun

Death Trap

Don't fall too deep
Into the death trap
There is nothing to gain
And everything to lose

You get attached
To people you don't know
Only to get hurt
For their stupid show

Your mind gets boggled
With thoughts that aren't there
Your heart gets crushed
Just so they can snicker

The internet is my trap
Just like many others
Do not fall too deep
Into your death trap

Disappearing Love

What happened to our love?

It used to be so bright

Loving, laughing, caring

Then soon caught the night

You were my one and only love

Cared for you too much

Then something happened

And slept with that man

You deceived me

I never felt so desperate

But I try to forgive you now

And try not to think about before

I love you so much

It just hurts to ponder now

Everything I have

Is because of you

Everything I bought

Was because of you

I just love you so much

I'm scared to lose you
