Scattered Messages

Artist

An artist happens when you
strip away
Everything but the soul and
allow it to experience
Things that it shouldn't.

Paths

The more you see in others,
The deeper you see into your
soul.
We are all spirits.
We have the same thoughts
and feelings.

Good medicine

What hurts you?
What gives you pain?
What makes you weak?
If you have found it
incurable,

Scattered Messages

It's not a cure you seek.
It's a path.

Journey

We are always on a journey.
When we accept our path,
We are happy.
You can never leave your
path.
It's always a journey.

Learning

Not all your lessons are so
easy.
Not every lesson can be
written down.
You can't always explain it.
The truth lives silently,
Within you.

Goals

When you lose sight of your

Scattered Messages

goal,
You're not lost,
Just still.
When your vision clears up,
You'll see your goal,
And move again.

They both shine
Some people are sun people,
Vibrantly blazing,
Bright and strong.
Some people are moon
people,
Soft pale,
Quiet and loving.
The earth needs both a sun
and a moon.

Position
Your instincts are stronger for
a reason.
Don't worry whether or not

Scattered Messages

they are judgmental.
Know your place.
Without looking down on
others.

Price

Knowledge comes at a price.
To truly know good,
You must know bad.
To know love,
You must know hate.
Wisdom is not a punishment,
But a series of tests that force
you to learn and grow.

The Pain

The pain will teach you.
If you forget a lesson,
You will relearn it.
Nothing will fix what
happens.
Don't think you are above

Scattered Messages

your own lessons.

Accept them.

Time

Live for the moment.

Don't worry too much about

the future,

Nor dwell in the past.

Make new memories.

Hole

If you cannot trust them,

Can you love them?

If you cannot see their center,

Do they have one?

If you only know half the

truth,

What do you know?

If you don't know what the

truth is,

Are you living a lie?

Scattered Messages

Find Truth

The truth is not always as
colorful as a lie.

With years of truth from
loved ones lips,
A lie from a stranger's vulgar
mouth,
Sets blaze to trust that once
was.

And stands ash,
So brittle that even the wind
shatters it.

Rushing

I want to learn,
What I need to learn,
So that I can be free.
I want to learn to be free of
paths,
And pain.

Destination

Scattered Messages

On life's long road,
Do you know where you're
going?
When your mind and your
heart,
Are going in separate
directions,
You don't more anywhere.

Laws of my life
I need bones to hold me up,
And skin to hold me together.
There are good forces and
bad,
Stay away from both and
their fury.
Stay on the path or veer from
it,
Either way, learns.
Don't ask for forgiveness
until you forgive yourself,
And likewise with love.

Scattered Messages

If you're stressed, upset, or
sad,
Let the earth recycle that
energy,
And thank her.
Don't be conceited,
But have pride.
Be strong enough to say no,
And nice enough to say yes.
Don't hurt people.
Don't be everyone's teacher,
Some things weren't meant to
be taught.
Be loyal and faithful.
Listen to your spirit,
The earth,
And her spirits.
Do what you know/feel is
right.
Don't get upset if some
people don't understand,
Some people won't and that's

Scattered Messages

okay.

Love everything even if you
don't understand it.

Other people are different,
accept it.

Think about other people's
feelings and minds.

Don't reject anyone,
Everyone can teach you
something.

Know your beliefs,
It's okay to change them but
keep what you truly believe.

Love all paths,
They have lessons to teach
too.

Have goals and reach for
them.

Don't use love as a weapon.
Ask for help when you need
it.

Scattered Messages

Wonder

I sit and wait.
I wonder now,
What the future will bring to
me.
What lessons,
What fortune,
What pain.
I sit and wait.
Quietly wondering,
In between the busyness,
Momentarily unoccupied.

Keep Learning

Our elders are still learning,
While they teach us.
As you learn old ideas,
Keep learning.
As you learn new ideas,
Keep learning.
An open mind learns,
And keeps learning.

Scattered Messages

Be Careful

Try to love even if you can't
trust.

But be smart,
And careful with your heart,
And your mind.

Detachment

When my mind is free,
My soul is light,
All answers are revealed.
When I'm alone,
All is right,
And all my wounds can heal.
When I am strong,
My mind can see.

Taboo

Blur the lines.
Blur your limits.
Discard all taboos.

Scattered Messages

Always try to see things
differently.

Try new things.

Explore new ways.

The road to peace is filled
with understanding and
change.

People

There are angry people.

People that don't listen.

People that don't care.

People that don't understand,
and don't want to,

There are hypocritical people.

And stubborn people.

And you can't change them,

But they can change you,

They can teach you.

Necessity

Which is needed most to

Scattered Messages

thrive,
Spiritually and physically,
Change or balance?
To change, balance must be
disturbed.
To balance, change must be
disturbed.

The Human Experience

Sometimes,
You would be surprised,
People feel the same as you.
Others can most often relate.
Sometimes they won't admit
it.
We are more similar than we
want to believe.
We are all one.

Patience

Be patient.
The words will come.

Scattered Messages

The lesson will be learned.
Don't rush yourself to learn it
or say it.

You will need the rest that
comes to you.

You will need it slow
sometimes.

Basically

Some people will only learn
basics,

Enough to get by,
To survive.

But those who look for a
deeper meaning,
Will find it.

Possibilities

Amazing things happen every
day.

The very good and the very
bad,

Scattered Messages

And the most important,
The unbelievable.
Every day,
Believe the unbelievable,
And use your intelligence.
Because every day,
Anything can happen.

Wise

A wise person opens their
mind,
And tries to understand even
if they don't believe
And they continuously add to
their wisdom.

Lucky

Being inspired and being
taught are different.
Inspiration brings new
knowledge.
Teaching brings old

Scattered Messages

knowledge.
Being inspired and being
taught are different.
But I'm thankful to have both.

Alone

On this path,
You generally walk alone,
Because there are few who
understand,
And fewer who understand
enough to walk with you.
It gets lonely.
It gets frustrating.
Don't give up,
If this is who you really are,
Don't turn your back on
yourself.
Even if others turn their backs
on you.
