## Part 1

### Who are you?

Who are you?  
It's seems you're in my dream.  
It's seems you're in my reality.  
Only you and I.  
You're in my eyes,  
You're in my thoughts.  
Whenever somebody walks,  
I felt like you.  
Whenever somebody talks,  
I felt like you.  
As I approached there,  
Nobody was there.  
I'm looking for you everywhere,  
But, you're nowhere.  
I don't know who are you.

\*\*\*\*\*

### The rainy day

It was the rainy day,  
When I saw your lovely face.  
I didn't know about you.  
But I was caught in your love.  
I followed you,  
Even though, I felt shame.  
You looked at me.  
Your charming face entrapped me.  
You already stole my heart,  
I felt I was only for you in this birth.  
Your sweet smile,  
Shot into my heart like the falling raindrops,  
Your elegant dress,  
Arrested me in your heart.  
Every drops of rain,  
Fell in my heart like your loving chain.  
It was like the blessing of rain god,  
I met you on that rainy day.

\*\*\*\*\*

### You're unmatched

How can I praise your elegance?  
O beauty queen!  
I've no words in my vocabulary,  
To express your charming looks.  
I felt sorry for you,  
Because, I couldn't match you,  
With anything in this universe.  
You're so beautiful,  
Like a fairy,  
Like an angel,  
You're so sweet as honey,  
You're so soft as snow fall,  
You're unmatched in this entire world.

\*\*\*\*\*

### O dear, tell me!

You're as bright as the sun,  
You're as pretty as the moon.  
You're as good as the gold.  
You're as sweet as the rose.  
You're as pure as the lotus.  
You're as cute as the child.  
You're as white as the snow.  
You're as soft as the cloud.  
O dear! Tell me,  
How couldn't I fall in your love?

\*\*\*\*\*

### First meeting with you

On the day of my first meet,  
You politely greeted me.  
My heart is really melting.  
I wish to give you everything.  
I'm fumbled,

I'm confused.  
What to say?  
What not to say?  
I've no idea,  
Like the whole garden is a big media.  
These blooming flowers are going to tell our love story,  
These flying butterflies are going to recite our love meeting.  
These singing birds are going to listen us silently.  
These shady trees are going to watch us secretly.  
I'm feeling shame,  
I don't know how could I ask your lovely name.

\*\*\*\*\*

### When I opened my eyes

When I opened my eyes,  
I saw you.  
When I closed my eyes,  
I saw you.  
I felt like your love is chasing me.  
Your shadows of love are dancing around me.  
I saw you here.  
I saw you there.  
I saw you everywhere.  
I heard your voice in the room of my heart.  
Your smiles echoed in the corner of my heart.  
You appeared as the goddess of love.  
I stunned when I saw your eternal looks.  
I saw your face in the mirror.  
I drew your portrait in my heart.  
I talked with myself.  
I forgot myself.  
I saw you in my dream.  
I saw you in my reality.  
Why did you play the game of hide and seek with me?  
Why don't you come to me?

\*\*\*\*\*

### Only you can fill it

I blow slowly towards you,  
To touch you.

But, you didn't feel my hands,  
It's my invisible love.  
I silently played with your long hair,  
But, you didn't care.  
I calmly kissed your lips,  
But, you didn't feel my lips.  
I politely kissed your pink cheeks,  
But, you didn't feel my kiss.  
I tenderly hugged you,  
But, you didn't know.  
I secretly entered in your heart,  
But, you didn't know.  
I blow around you,  
But, you didn't know about me.  
It's the mystery of my love,  
There is no identity of my love.  
Only you can feel it,  
Only you can fill it.  
I'm unknown to you,  
But, you're known to me.  
Yes, it's my true feeling.  
Yes, it's my true love.

\*\*\*\*\*

### Feel my love

How much I love you,  
O dear!  
Don't ask me.  
How much I care for you,  
O dear!  
You don't understand me.  
My love is as deep as ocean,  
As wide, as sky,  
As clear as light,  
As pure as gold.  
How could I express you?  
O my dear!  
Feel my love,  
It's only for you  
Lying deep inside my heart.

\*\*\*\*\*

## My temple of love

You're in my temple of love,  
You're the Goddess of love.  
I'm your worshiper.  
I pray with my true love,  
I light the candles of love.  
I offer you my garland of love.  
I devoted my life for you,  
My world is only with your love.  
I've nothing to give you except my love,  
I can sacrifice my life,  
To please you.  
Believe me,  
My love is pure,  
You're my idol of love.  
I present you my heart,  
Please accept my prayer of love,  
Now, open up your eyes of love,  
And fill my life with your beautiful love.

\*\*\*\*\*

## Love is a secret

Love is a secret,  
It is a sacred.  
Nobody can define it,  
Difficult to understand it.  
Fall in love is not a sin,  
But, a sight of clean heart.  
Love is everywhere,  
Love is here,  
Love is there.  
Love is in you,  
Love is in me.  
No one can search it.  
Just feel it,  
In your heart,  
In your breath.  
Then, it'll touch you,  
It'll love you.

You need to hold it,  
You need to hug it.  
Love gives life,  
Life gives love.

\*\*\*\*\*

### In the season of spring

In the season of spring,  
My heart swing.  
It's the season of love.  
As it knocks around,  
Its sweetness maddens my heart.  
Wherever I glance my eyes,  
I could see you.  
Everything looks green and colourful.  
The mother earth adorns you,  
The blue sky smiles you,  
The colourful clouds applaud you,  
The falling raindrops shower with you,  
The beautiful flower bloom with you,  
The singing birds sing with you,  
The green leaves dance with you,  
The colourful butterflies fly around you,  
The whistling breeze draws my heart towards you,  
And binds my heart along with you.  
It's the season of your love,  
You knock at my heart again and again.

\*\*\*\*\*

### An unknown Song

Sweet and sound  
It's a melodious song  
Sing by heart  
In the remembrance of somebody.  
It plays on and on.....

Non-stop.  
How long it sings  
nobody knows.  
It's a song of love or ecstasy  
I don't know.  
When I listened its touching rhyme,  
I go for it,  
But I couldn't find it anywhere.  
Actually, it is singing inside my heart unknowingly.  
It's a song of love, which sings itself without  
Making any fuss.

\*\*\*\*\*

### The Birds of Love

The birds of love never see any frontier,  
There is nothing like barrier,  
Wherever they wish, they flapped their wings of love.  
They only see love.  
Love is everything for them.  
Love is everywhere for them.  
Love is their guide  
Love is their mentor.  
They fly with their love  
They feel freedom in their love.  
There is no bondage for them  
There is no difference of age for them.  
There is no caste, creed and religion for them.  
Love is only their religion  
Love is only their worship.  
Love is their life  
Love is their soul.  
Their love is never death.  
Their love is ever alive.  
They are only alive in this Earth to sour the summit of love.

\*\*\*\*\*

### Please come close

I'm waiting for you day and night,  
For your last sight.  
Today, I've nothing,

I want to say something.  
It's my last word for you,  
It's my final call for you.  
    Don't deny me,  
Don't run away from me,  
    People says I'm mad,  
    Even though I feel glad.  
I ruined all my life for you,  
Even I failed to please you.  
    I lost my love,  
    Only I've dying hope.  
    I lost all my bet,  
And today I'm near my death bed.  
Soon, my two eyes are going to close,  
Now, please come close.

\*\*\*\*\*

### As the eternal bliss of my life

O my dear!  
In your remembrance  
I forgot my appetite,  
I forgot my slumber.  
    I lost my heart,  
    I lost my mind,  
    I lost my soul,  
    I lost my world.  
Day and night are coincided,  
Every moment I search you  
    Hither and thither,  
    Everywhere I see you,  
    Everywhere I feel you.  
    You're in my dream;  
    You're in my reality.  
Everywhere only the hallucination of your love;  
Everywhere only the fragrance of your love,  
Everywhere only I feel your bonding love,  
Everywhere only I see, your smiling love.  
    I'm going to be a nut,  
    If I ever fail to get you.  
Every moment your angelic image hunts me.  
    O dear!  
    Now everything is in your hands,  
    Whether you give me a potion of love

Or you give me a poison of love,  
Whatever you wish just pour me,  
But with a few drops of love.  
I'm willing to quench  
Whatever you serve me  
As the eternal bliss of my life.

\*\*\*\*\*

### O Angelic beauty!

I know,  
You just came in my life like a beautiful dream,  
Brought me a lot of sweet loving beam,  
You gave me the melodies of sound,  
But you vanished with the first twilight of dawn.  
I lost your view,  
I couldn't stop you.  
But, no matter how long you dwelt in my world,  
Every moment I felt you close to my heart and soul.  
Everything wrote in my life's golden pages,  
As you're with me for many ages  
I felt you as my soul mate,  
Felt as my eternal glad.  
I really woe you more than my life;  
I'm ever eager to dive.  
Today wherever I go,  
Whatever I do,  
I feel your tender touch of love as you're with me,  
As you're ever guide me.  
I know,  
You're just my dream that never fulfil in my life,  
No matter how much I try.  
I know,  
You'll never be mine;  
You're just my illusion of sight.  
I know,  
Our confluence is not in this birth,  
But your godly image will ever imprint in my heart.

\*\*\*\*\*

## It's my hallucination

It's my hallucination  
Or  
It's only my imagination,  
I don't know.  
But, everywhere I could see you,  
Sometime you're in the form of angel.  
You play with your magical charm,  
Sometime you're in the form of fairy,  
You flap your whitest feather in the air.  
Sometime you're in the form of mermaid,  
You swim with your limb in the blue ocean.  
Sometime you're in the form of deity of love,  
You attract my heart and soul.  
It's my hallucination  
Or it's only my imagination,  
I don't know.

\*\*\*\*\*

## In my dream world

In my dream world,  
You and me,  
Have one soul.  
We're living together,  
We're flapping the happiness of feather.  
We're flying everywhere,  
We find everything very near.  
We're in the bonding of diamond chain,  
We're bathing under the falling pearls of rain.  
Everywhere there is blowing wind of love,  
Everywhere there are spreading flowers of hope.  
Everything is glorious,  
We're living in pious.  
We're in wonderland,  
Everything surrounded with the rosy garland.

\*\*\*\*\*

## My life long fame

Love is my life's aim,  
I want only my dear's name.  
I've no shame,  
I only see her charming flame.  
She is my glamorous flame.  
She is not my tame,  
My love is always remaining same.  
Love is not my game,  
But, it's my life long fame.

\*\*\*\*\*

### My true feelings of love

My heart is a big ocean of love,  
Every time my waves of love rise.  
It is very deep,  
It is very vast.  
You can't imagine it.  
You can't see it.  
My world of love is infinite,  
You can't measure with anything.  
But, when you dive into my core of heart,  
You'll get the thrilling of my love.  
When you come within me,  
You'll completely lost in my love.  
You'll fall in the mesmerism of my love.  
Where you'll only see my love.  
When you go deep inside me,  
You'll find yourself in my love.  
If you once try to swim in my ocean of heart,  
You'll know the true feelings of my love.

\*\*\*\*\*

### I do like to see

I don't know whether you're in my luck or not,  
But, I tied you in my love knot.  
Never break it!  
Ever love it!  
You're my life,

I love you more than my life.  
If I ever fail to wear you my garland of love in this birth,  
I'll wait for you till the next birth.  
If you ever go with any other,  
Even I never bother.  
But, please pass me a little smile,  
Even, I do like to live in the exile of love.  
But, never forget my love.  
Because, once you're in my love.  
Even I die in pain,  
But, I do like to see your love till the end.

\*\*\*\*\*

### I'll be yours

I'll be your umbrella,  
When the sun try to burn you.  
I'll be your rain coat,  
When the rain try to wet you.  
I'll be your medicine,  
When you're falling ill.  
I'll be your shade,  
When you're sweating in the hot.  
I'll be your handkerchief,  
When you're shedding tears.  
I'll be your cosy cot,  
When you're tire.  
I'll be your light,  
When you're in dark.  
I'll be your joy,  
When you're sad.  
I'll be your success,  
When you're meeting failure.  
I'll be your guide,  
When you lost.  
I'll be your friend,  
When you're lonely.  
I'll be your life,  
When you're feeling deserted.  
I'll be yours,  
When you feel my love.

\*\*\*\*\*

## Someone is always around you

The fragrance of love is around you,  
But you haven't felt it.  
The wind of love is around you,  
But you haven't felt it.  
The colours of love is around you,  
But you haven't felt it.  
The flowers of love is blooming around you,  
But you haven't felt it.  
Don't think that nobody is around you.  
There is always someone very special is around you.  
But you haven't seen him.  
Don't run away from him,  
If you really want to get him,  
Feel him with your true feeling,  
Embrace him with your true heart.  
He is your true love,  
Who is always around you very close to your heart.

\*\*\*\*\*

## To be yours forever

I built a palace of love,  
For you  
To live together.

I made a house of love,  
For you  
To dwell together.

I moulded a pot of love,  
For you  
To drink together.

I made a boat of love,  
For you  
To sail together.

I planted a garden of love,  
For you  
To play together.

I made a jewel of love,  
For you  
To give you forever.

I built a heaven of love,  
For you  
To live forever.

I turned my heart as love,  
For you  
To love you forever.

I changed my life for you,  
To be yours forever.

My heart is blooming for you,  
These colours of my life are only for you.

Your magical apron.

Which you can't measure.  
If you don't believe me,  
Then you can test me.  
Burn me in the fire of love,  
But, only you'll get my shining attire of love.

\*\*\*\*\*

### A little drop of love

Like a little drop of water,  
Like a little drop of rain,  
Like a little drop of dew,  
O dear!  
Pour me,  
Quench me,  
I'm thirst of your love.  
I'm starving of your love.  
Give me a little drop of smile.  
Give me a little drop of hope.

Again and again,  
I'm sending you my love,  
In the form of rain.  
Drop by drop.....  
My love is falling in your heart.  
On and on.....  
My love is going on.  
By and by.....  
My love is trying to touch your heart.  
Over and over.....  
My love is calling you,  
To make you my heart.

\*\*\*\*\*

## My letter

I try to write something in a piece of paper,  
It is my first letter for you.  
I used my love as my pen,  
I feel real ecstasy.  
Burning my mid-night oil,  
Pushing myself to toil.  
What to write?  
What not to write?  
What is right?  
What is wrong?  
I have no idea.  
I don't know anything.  
Nothing is coming in my mind.  
I couldn't write a single word,  
But wherever I could see,  
I found you.  
I lost in your thought.  
I lost in your dream.  
You appear here.  
You appear there.  
You're appearing around me,  
I felt you're surrounding me.
