CHAPTER I

DARK SHADOW EMOTIONS

WEB OF LONELINESS

Sitting in the web of loneliness
will I get a fireworks-dress
Black and red spiders scream in my head
Where's my angel bed

Flying on the wings of a hyena-bird
Wandering through the hurt grass
How long will I still be in this limbo-spacecar
Reaching for my angel-star

God, please don't send me back to the hell-gates
Let me stay with my Australian mates
Tired and fatigued is my soul
Don't want to sleep on this bed of coal

Just want to feel safe, secure and protected
Let me no longer be hyena connected
Give me a new birthday and a new soul-love
Let me dance in the arms of my harper dove

BLACK-VELVET WOLF-SNEERS

You left me
Why has no answer key
I cradled your sword-words
Around my throat were snake-chords

Got lost in the questions-maize
Your sweet-cake words were just a 24-second phase
Climbed through the morass of self-hatred
Our snow white-vows were no more Bible-sacred

On your two faced horse you rode into my castle
Your heart was corrupt with vegemite-hassle
Your silver plate words rotten with decay
My rainbow-wind turned a dark blue-grey

You sold your kindle book for a cheap bed
In your mouth cheaters bread turned blood-red
I looked for your honest soul mouth
Your wimp-words turned south

Honesty ran from your eyes
Your heart turned into microwave-lies
For nights I would dance with my tears
I slept with black velvet wolf-sneers

SEVEN-HUNDRED LIES STAIN

Bridal-layered tears swivel in my pillow
My marriage smile eaten by a giant marshmallow
Why did you fall out, out of you and me
You brushed your black-blue teeth with history-dew

I bathed in yellow misery
Your hobbit tongue burned our rosary
I made plans to bungee jump
The universe sent a twitter pump

Texts: Hurt climbed my two-storey heart
You sent me a loneliness-buyers card
You wore your jackal tears coat
I floated for months in a goose-boat

I dated Mr. Heartbroken and kissed Mr. Suicidal
My husband was only a scum clay idol
Your daughters said I looked for attention
They snarled their vampire-conception
There was nothing in my golden-rainbow anymore
I was back at my zero future score

Pen doves carried my lifeless heart
Rode on a purple- green crocodile-horse cart
Party with your dolphin shark mates
I was inference upon your Facebook gates
They ran to the gossip-newspapers
They wrote my trusted secrets on their internet-wallpapers

Angel-doves took me to their white-island
Their sunrise-eyes touched my crying-hand
They balsam and mummified my open-heart pain
I stopped running from your seven-hundred lies-stain

RAINY DAYS DRIP OUT OF MY EYES

Sits on the beach of lost
Wondering which future-path to take
Waiting for a decision-box to open
Will I lose my freedom-life?

Spiders and scorpions make nests in my brain
Their venoms flux through the rock-edges of my dreams
Demons with ice tea teeth bite into my 5-year-old freedom-cupcake
threatening to destroy my summer-hope

Black and gray tunnels of despair hug my sinking-heart
Ice mountains hang doubt-curtains in my eyes
Silent voices with silent tongues speak to me
I'm rendezvousing with Mr. Depression in the cold-white desert

Searching through mud pools for star-light answers
Tsunami fear waves flood every corner of my heart
My demons want to kidnap me in their red Hennessey Venom GT
Rainy days drip out of my eyes
Will I be forever in the closet of fear?

LIARS SHOPPING-CHART

The mystery curtain still hangs in my head
Why did you shoot down our sky-balloon bed
I was your new age princess
Your domino-words turned gutless

Remember when we swung in our love-trees
You told me you would never have cheaters-disease
You decided to go
Into your journey of darkness
My superman-love for you was disingenuous

We went through stormy weather to be together
You dressed in your gutless murderous leather
I gave up my castle nest for you
Your twisted yellow-black heart turned askew

The fires in my heart went bitter blue
The sweep of your tongue made our rose-enjoyment embittered
Steel hurt gates transcended deep into the country-corners of my heart
I lost my honey bird start

10,383 km brought me to you
Our marriage twisted into World War mew
I was so young in my blossom-fantasies
My illusionist-eyes didn't want to see your picture-fallacies

Was it a broken dream-ride from the start
Fish black-moon hanged from your liars shopping-cart
Was I only once again a means to an end

CHEATER'S-DIAMOND

Dan Brown's antimatter exploded in my heart
Eroded my idyllic dreams, hope and love
Clawed at my flesh, your demon-betrayal
Purged my soul of the tattered pain
Crucified' I hang before the unseeing eyes of the world

How can I go on
Evaporated by your apocryphal words in my mind
Sacred our vows evolved our Heavenly crusade
You branded me with your Illuminati's cheaters code

Unknown symbolism hung in your eyes
Religious iconology was never your forte
My body hung in the free fall tube
Decay-fumes colored your lies

You hired an assassin to murder my love
Tired and fatigued I rolled in our blood-anniversary
Shaken, I staggered towards Bernini's angels

Will the angels show me my lofty quest?
or will I be forever be branded with your elusive cheater's-diamond

STINGRAY HIVE

Black vampire-bats swamp my mind
I could feel the ghost-fingers clock wind
Long stretched the night before me
My tornado-mind didn't have an end-key

Curled and twisted I go every night
Couldn't see any future light
Fear lay naked in the corners of my heart
Will I ever reach my new-start?

Nightmares are my new dreams
I'm imprisoned by Gothic-themes
Artificial voices say: Go to bed
Can they take off my 24-hour head?

Oh, can anyone else walk in my shoes
Don't want to be dress in blues
Fatigue skateboarded into my life
I'm in a stingray hive

I want to end my life-clock
Had enough of this destiny-knock
Can't see any hope leaf
Did I forever lose my religious belief?

EMBROIDERED-LONELINESS

My leaf-thoughts wander to you
We met on a Sunday night
In the month of fools
Was this already a sign?

Oh, you were so clever and wise
My eyes were swimming in rainbow-clouds
I thought I had found my Hercules
You told me I was your princess

We drank each other's Milky Way love
Our hearts danced on the Sunshine Coast
When I told you I needed you
You promised you'd always stay

It wasn't me who changed, but you
Your lips turned cold blue
I've searched for answers in a question-maze
Now I'm swimming in embroidered-loneliness

You left me, walked away from our marriage
I'm in the survival-wheel
In what section will the life balls fall
My hatred for you is more than the desert sands

FANTASY-CASTLE

Sit here all alone
Words play hide and seek in my snow-mind
Listening to ABBA songs
Wild dogs-fears gnawing at the corners of my heart

Bullet-questions shot through me
What's going to happen to me
Will I be in a safe castle
The quicksand of life is sucking me in

Anxiety walls show their teeth
Powerless encircles me again
Am I in my haunted pass life-house
Was I Hitler or Countess Elizabeth Báthory de Ecsed

Fatigue runs like poison through my veins
I'm not in my youth-years anymore
The survival-sword is getting heavier in my hands
I can feel my knees buckle

Will my Antarctica-journey end soon
Will my blood flow into the Nile
Will my final dream only be a fantasy-castle

SINGAPORE CONDOM CLOVE

Why are you still torturing me
Can't you see
the pain-waves erupted in me like a volcano
You played the last goodbye on our marriage-piano

Every 3 or 6 months your voice will be on the line
Do I wear an idiot sign
Your heart turned into stone
You didn't even give me a warning-loan

I was still a child when we wed
I slept on a thorn-knife bed
You turned to shadow sky
Your Pelican-vows became a lie

Stone-words were your love-words to me
I nearly drowned in your cheater's-sea
Still I ploughed along, hoping for a miracle
Our golden marriage path turned satirical

I never expected you to be perfect
A plastic-glass face gave you a HIV/AIDS erect
All I wanted was your true love
You wore a Singapore condom clove

My heart contracted arsenic
Your selfish heart was never parsonic
My heart is now set in cold marble
Your love for me was only an artificial-garble

MURDERED-LOVE

Silent is the night
I'm pregnant with hatred for you
Red wine devils boogie-dance on my tongue
You played the fools-love game with me

Stone cold are your eyes
Forgotten are the flower-promises between you and me
Junk mail-phone calls from you every three months
Scattered whiskey-photos from you and her on Facebook

What type of man are you
Abandoned your wife in a foreign country
without a blink, a tear
Cheater's tongue tattooed on your face

I wheel-walked through the streets with no answers
Your eagle spread lies winked at me
I cried a thousand rivers
Drowned in my own tears

Only one word; why?
Will you ever take a polygraph
or would I forever be a victim of this murdered-love

BLACK WINGS ON YOUR FACE

Standing in the sand of soils
Raining melted out every pore in my skin
Glass-curtain pulled over my brain
ABANDONMENT screamed as graffiti in my ears

Plastic friends washed their smiles off with my decay-apron
Headless-chicken in-laws crow-laughed at my expense
crucified me with every turn of their lashes-green tongues
Blood-spattered laid our marriage in the roaring stomach of the
rubbish-dump

Battered and bruised my innocent will never be again
Fire-hand fingers dig manholes in me
Acid-steam burned me alive
Escape routes with dead ends ran pass me

Skeleton-wedding dress hung in a drank-shed
Walls with TV-eyes cuddled my soft-space tears
your cheaters-laugh cut your cruel-tongue
Helpless thread of tears rolled of my walnut-cheeks

Seven seas-questions abused my brain
Was I never allowed to taste the true love-language
because I was found guilty of Cerebral Palsy

Searching through the debris of your empty promises
you orchestrated the murder-death of our marriage just like Mozart
Why didn't I see
the black wings on your face
and the coconut-ice in their eyes
