The Poems

1. YOU'RE MY BREATH

You're the answer to all my riddles in life; miraculously healing all my traumatized agonies; with the insatiable magic in your voice,

You're the voice that makes me celestially rest; shrugging all my frazzled vagaries into non-existent wisps of oblivion,

You're a mountain of invincible strength that I needed when I disdainfully collapsed; incessantly inspiring me to add vibrant dimensions to every tomorrow that blissfully unfurls,

You're an incredulous magical wand; that metamorphoses all my staggering impossible's; into the winds of irrefutably blazing triumph,

You're a cloud of innocent angels; that always made me feel I was that euphorically bouncing child once again; even as I treacherously slipped towards the corridors of extinction,

You're a bountiful paradise of newness; triggering me to indefatigably fantasize all brilliant day; and even while embracing the mists of diabolical midnight,

You're an idol of astoundingly philanthropic benevolence; instilling in me the indispensable ingredients of everlasting mankind,

You're a river of perpetual harmony that cascaded past my window; making me wholesomely bask in the stupendous glory of natures mystical endowment,

You're a bow of astronomical courage; relentlessly transpiring me to unflinchingly fight for my ruthlessly incarcerated tribe,

You're a marvelously glistening shore that harbors all impoverished in your compassionate warmth; teaching me to forever salute the immortal religion of humanity,

You're a fountain of divinely peace; bestowing my famished existence; with pearls of royal wisdom and unconquerable unity,

You're a tantalizing seductress dancing in the aisles of untamed desire; compelling me to take an infinite births; as every minute unveiled into delightfully charismatic light,

You're a rainbow of vivaciously versatile diversity; propelling me to intransigently discover and explore; the unfathomably wonderful beauty of this sacrosanct planet,

You're an Omnipotent flame of never-ending hope; enlightening each aspect of my depravely sinister existence; with the stupendous optimism of your heavenly stride,

You're a magnanimous reflection of poignant empathy; wonderfully pacifying the devastated rebel in my veins; with the benign smile on your majestic lips,

You're an enigmatic tunnel of unbelievable enthrallment; that never lets me exhaust in my conquest for success; fomenting me to plunge every instant; into the valley of unsurpassable adventure,

You're an epitome of beautifully revered sharing; nourishing each element of my lecherously debilitated existence; with the passion in your godly soul,

You're a township that keeps proliferating into newness all the time; massacring even the most inconspicuous trace of rust; frustration; dilapidation; from my penurious life,

Over and above all; you're the girl whom I have not just simply loved; but an Omniscient messiah who was my breath; my body; my blood; every time God had granted me life on this earth .

2. FLAMES BETWEEN THEIR HEARTS

The flames on ground; died a miserable death with the slightest draught of insipid wind,

But the flames between their philandering eyes; rose higher than the majestic skies; even in the most tumultuously overwhelming of rain and storm .

The flames on ground; subsided to wisps of absolute nothingness; at even the tiniest insinuation of flood approaching,

But the flames between their passionate chests; transcended well beyond the realms of fascinating eternity; even as the unfathomable battalion of satanic demons; tried to kill them .

The flames on ground; tried their best to elude the insurmountably overpowering tornado; squealing like new born mice as they heard the brazen leaves rustle the slightest,

But the flames between their voluptuous lips; kissed the ultimate crescendos of untamed liberation; even as the entire planet parasitically sucked blood and lecherously manipulated outside .

The flames on ground; soon metamorphosed to frigidly wincing embers; unable to bear the onslaught of leaf and clouds,

But the flames between their eternal feet; interlocked themselves into an entrenchment of unsurpassable belonging; even as cloudbursts of uncouth diabolism pelted from realms of hell .

The flames on ground; shirked disdainfully into their devastated cocoons; as the horde of whistling wolves trampled them indiscriminately,

But the flames between their ardent bellies; transformed all lackadaisical dreariness on this earth into bountiful paradise; even as a mountain of treacherous monsters stabbed them ruthlessly on their necks .

The flames on ground; vacillated in ungainly confusion; even before the fireball of Sun could silently slip behind the dolorously languid horizons,

But the flames between their ravishingly charismatic palms; united for fathomless more births yet to unveil; even as the murderously conventional society tried to exonerate them with their commercial swords .

The flames on ground; incessantly feared of being washed away by the most infedile of froth; although the ocean was a billion kilometers away,

But the flames between their seductively alluring cheeks; tantalized perpetually in the aisles of vibrant desire; even as civilizations collapsed outside; like a pack of soggy cards .

The flames on ground; had absolutely no entity of their own; drifting miserably in the direction that the somber wind took them,
But the flames between their fervently reverberating bodies; evolved into the most wonderfully enigmatic morning of tomorrow; even as sky disastrously blended with every cranny of earth outside .

And The flames on ground; sometimes sunk well beneath their ghastly corpse; even before they could moderately rise to their one inch height,
But the flames between their immortally throbbing heart; proliferated into boundless more streams of royal love; even as the hideously sinister world came to a veritable end; outside .

3. A SINGLE HEARTBEAT OF HERS.

A single smile of hers triggered so much magic; that the entire conglomerate of magicians on this earth; unitedly failed to evoke,

A single thought of hers perpetuated so much benevolence; that the entire juggernaut of sagacious philosophers on this earth; unitedly failed to evoke,

A single wink of hers propelled so much flirtation; that the entire army of tantalizing seductresses on this earth; unitedly failed to evoke,

A single tear of hers engendered so much empathy; that the entire conglomerate of pamperedly wailing children; unitedly failed to evoke,

A single sound of hers fomented so much melody; that the entire arena of eclectically talented musicians on this earth; unitedly failed to evoke,

A single clap of hers produced so much exhilaration; that the entire zoo of boisterous bees rhapsodically buzzing on this earth; unitedly failed to evoke,

A single belief of hers spawned so much harmony; that the entire ocean of baselessly unending religion on this earth; unitedly failed to evoke,

A single stare of hers evolved so much concentration; that the entire string of pompously lecherous meditators on this earth; unitedly failed to evoke,

A single step of hers generated so much enchantment; that the entire whirlpool of fantasizers on this earth; unitedly failed to evoke,

A single swish of hers incinerated so much passion; that the entire battalion of tantalizing dancers on this earth; unitedly failed to evoke,

A single shadow of hers instilled so much enigma; that the entire compendium of fairy tales on this earth; unitedly failed to evoke,

A single nod of hers incited so much assurance; that the entire river of promises lingering on this earth; unitedly failed to evoke,

A single sketch of hers inspired so much artistry; that the entire flurry of manipulatively greedy artists on this earth; unitedly failed to evoke,

A single ingredient of her blood motivated so much life; that the entire jungle of austere antibiotic and balm on this earth; unitedly failed to evoke,

A single cheek of hers stimulated so much enthrallment; that the entire blanket of the mystical valley on this earth; unitedly failed to evoke,

A single palm of hers radiated so much compassion; that the entire process of contemporarily fast healing on this earth; unitedly failed to evoke,

A single soul of hers fulminated so much yearning; that the entire valley of stupendously charismatic gifts on this earth; unitedly failed to evoke,

A single breath of hers spurred so much tenacity; that the entire fortress of doctors; nurses; patriots; on this earth; unitedly failed to evoke,

And a single heartbeat of hers inflamed so much love in my impoverished life; that the entire meadow of countless opulence; wealth; and belonging on this earth; unitedly failed to evoke .

4. ALL I WANTED TO DO

I didn't want to gruesomely blind you; ripping apart your eyeballs like ninepins from their fabulously elastic sockets,
All I wanted to do was share your astonishingly gorgeous sight; immortally become the stupendously grandiloquent jewel of your eyes .

I didn't want to ruthlessly massacre your lips; pulverizing their pungent softness to infinitesimal bits of morbidly stinking ash,
All I wanted to do was share your splendidly rejuvenating smile; immortally become the compassionate wave that enveloped your lips .

I didn't want to assassinate your mind; disintegrating each element of your fantastically fathomless mind; to pathetically thirsty desert sands,
All I wanted to do was share your everlasting ocean of fantasy; immortally become the sacrosanct dream that fulminated tirelessly in your glorious brain .

I didn't want to savagely chop your palms; barbarically decimating your fingers to blend with inconspicuous specks of insipid dust,
All I wanted to do was share your immaculately philanthropic benevolence; immortally become the destiny lines of your sacrosanct palms .

I didn't want to diabolically steal the blanket of happiness perpetually lingering in your soul; reduce you to a worthlessly ghoulish ghost hovering around the corpse,
All I wanted to do was share the exhilarating cheer deluging your senses; immortally become the benign goodness; besieging every contour of your majestic countenance.

I didn't want to slice your tongue; tyrannically pull out each iota of your mouth to coalesce with rotting junkyards outside,
All I wanted to do was share the overwhelmingly insatiable euphoria in your sound; immortally become the ingratiatingly captivating melody of your voice .

I didn't want to treacherously maim you; ruthlessly devastate your heavenly feet to countless fragments of cripplingly orphaned coal,
All I wanted to do was share the humanitarian tenacity in your legs; immortally become the path of sagacious righteousness; on which your soles forever tread .

I didn't want to starve you to unprecedented limits; satanically evicting even the most minuscule iota of food from your robustly titillating stomach,
All I wanted to do was share the blossoming newness sprouting enchantingly in your belly; immortally become the poignantly crimson blood that cascaded merrily through your veins .

I didn't want to pugnaciously pluck your rubicund ears; ferociously bludgeon your daintily dangling lobes to squelch them to disastrously baseless pulp,
All I wanted to do was share the marvelously tinkling reverberations that enslaved your inherently embellished ears; immortally become the harmoniously blissful voice that you always heard; all day and stringent night .

I didn't want to lethally poison your heart; gruesomely bombard your impeccably pristine chest to capricious puffs of smoke; and horrifically shattered stone,
All I wanted to do was share your passionate inferno of romantically seductive desire; immortally become the glorious love; invincibly incarcerated in each of your turbulently royal beats .
