***MOVIE TRIVIA  
QUIZ BOOK***

You can't take an objective view of films, let's take that for a given, so compiling a Film Trivia Quiz Book poses immediate problems of peoples tastes and the level of their knowledge. We've stuck to films we think are generally well known, though some of the answers attempt to promote a wow! response rather than be immediately obvious.

This is a great way to check out your friends' movie knowledge. Email them a question and wait for their answer. Sure , they're going to go to Google to try and find it, but if you set them a time limit, it makes it a bit harder for them. The answers are in [blue](#) after the Questions section. Enjoy.

This ebook is intended to show you the versatility of the pdf ebook format, especially with the ability to contain clickable links which can take you to another part of the book or even to a website or email address.
