This book is about what God wants from us as I have learned from my studies and guidance of the Lord. What we must learn that we are all sinners and in order to give that up we must be willing to read the Bible daily,

Listen to God speak to us to do His will.

JUST A NOTE TO ALL

The Indians have long believed that a child was born with two wolves one good and one evil, and whichever one you feed the most is the one that stands for life. Which one will we feed the most? Or are we slipping and not feeding him or her enough to be good or has evil taken over before our eyes! I only tell you this because we have a human side and a spiritual side which one will we feed for the right live of faith, Love, understanding we need to make life good for us as God wants us to have A good life.

WE ARE BORN THEN WE DIE,

AND

IN BETWEEN WE GARDEN

When we received the Lord Jesus into our life, he is the Seed of life, and like a seed planted in the ground he is the seed of life planted in us, and like a seed we nurture it and cultivate it, and give it time to grow and do all we can to help it grow to produce fruit. This is the same way when we accept Jesus into our life, we nurture it cultivate it, and allow it time to grow. This is done on our part of the way we live, think and of things we do. We do our part and God will make it grow. God has given us everything we need to do it, and he is with us every step of the way! Eph.3:16-21 2Peter 1:3-4 Trust God and let the root of Jesus grow deep in our soul, and like using insecticide to ward off the bugs that invade our garden, we use the armor of God to ward off the evil that invades our life's.

Eph.6:10-18

THE TRUTH OF OUR FAITH

1Tim3:16

Christ (God) was revealed in human form and (made pure, justified) by the Spirit, He was seen by angels and announced to the nations (opened the way for all people) He was believed in throughout the world and was taken to heaven

About My Belief

As a minister of Jesus Christ, and have pledged to work for the SPIRITUAL welfare of all People of all Nations Preaching and sharing the Gospel of the Bible and teaching of Jesus Christ our Brother and God our Father and as I walk through L.I.F.E. {Really means Living In Faith Ever} I have discovered that the modern day general Christianity lacks The true Spiritually needed to set the world to working in the lives of our Brothers and Sisters, the Bible teaches and {show that there was and is a more refreshing, honest, open, spiritual, loving, and exciting way to be a Christian, Over the voices of those called general Christianity, not only prevailed, but has continued ever since to define Christianity, foremost, as a belief system}, that our faith is free, open, and creative. One does not have to be told how to act, or what to believe. We have the ability to think for yourself and read the Bible as it also teaches

1Corinthians 2:14

But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; neither can he know them, because they are spiritually discerned.

Us that we should seek God through Jesus Christ our Brother {Jesus answered, "I am the way the truth and the life. No one comes to the Father except through me." John 14:6} it is very important for the good of our lives {L.I.F.E. Means: Living In Faith Ever}; we seek God in love, and belief.

My website is {<http://paladinnews1.blogspot.com>} The Paladin News {of the Twelve 'the twelve disciples' to keep the Faith and protect the innocent} therefore isn't about accepting mine or anybody else beliefs but its purpose is to share an early and widespread style of Christian faith that can deepen, transform, and affirm the way many are indeed as true Christians today. Until the discovery of the other Gospels, the way to be Christian was simply "to believe." This Orthodox or Fundamentalist's interpretation of Christ made Christianity another religion-- to oppose others. "Believe in Christ or go to hell." "Believe literally in their chosen books as the only way to know God." "Obey the rule of their authoritarian church." In doing so, you would receive the gift of salvation.

This was the message from the teacher's {of the day} to be a "believer," as it appears the way they're teaching Christians today. Throughout Jesus' and the Disciple's time they were ridiculed for denying "reality," {humanism} as being absolute. Now, there is a new story about their {Jesus and the Disciples} strong Spiritual Faith and belief in the real Jesus, the Gospels and writings can now speak for themselves, they raised questions, which have the potential to free Christianity for centuries of simple answers, and for many, unacceptable positions and beliefs, allowing all truth to be a part of the process of faith, to get the kind of spiritual Christian Jesus was teaching us to be and what we need in our L.I.F.E. {Living In Faith Ever}.

"Christ's Way Was A Spiritual Journey"

Yes ours can also be a Spiritual Journey if

We would just follow the teaching of the Bible,

And we too will be in the Spiritual L.I.F.E. {Living In Faith Ever}

And only then we will, begin to,

See the Invisible, Believe the Incredible, and Receive the Impossible

Then and only Then will we be true SPIRITUAL CHRISTIANS

A Different Way To Be a true Spiritual Christian.

The true Christian is an asker, seeker, and finder of the one true God, and is open to the true knowledge, of faith, love, and understanding, and is not fixated on the past but does trust totally in the "Living God." and only then will we begin to See the Invisible, Believe the Incredible, and Receive the Impossible as is God's will.

I Can See

I can see what you're looking to for in your LIFE

The good Lord will and does provide
I believe He will
So come along and take the ride with me

To hear Him speak of the wonderful things they'll have

I Am

I am not a perfect person,
My hair doesn't stay in place,
I spill things a lot,
I seem pretty clumsy,
I sometimes fight,
Some days nothing seems to go right,
But when I think of you Lord,
And take a step back,
I remember how amazing my LIFE is,
I just start to see that maybe,
I would be better off imperfect,
As how else would I learn...

Through My LIFE

I'll go through my LIFE loving you Lord
I give all my LIFE to you Lord
I've been saved by you by you Lord
And I know I'll live again with you Lord
Even then I know it will never end
For I'll go through my LIFE loving you Lord.

Oh, to take my place with you Lord forever
There's nothing I wouldn't give to help you Lord
I'd prove to myself daily what you really mean to me

I'll lay down my life for you Lord
I'll work day and night to show everybody what
you can do for all of them

when you call me home I'll be ready
For I'll go to you Lord when you call me
I'll go through my LIFE with you Lord

God is in all Things

To The Glory of God

RISE AND SHINE for JESUS...
For we are Crucified to the cross...
And saved by His resurrection...
Where He give His LIFE...
Then He was raised from death...
On the third day the angel came...
The huge rock rolled away...
An angel who told them...
Where the LORD lay no more...
For they saw an empty tomb...
He was raised from the dead...
As the prophets had for told...
As JESUS had said...
It was all as was written...
The scriptures were fulfilled...
Jesus was raised from the dead..
As his father told of it...
He met once again the disciples...
With the faithful twelve...
After blessing them all...
He ascended to heaven...
He sits now His throne...
His physiognomy does shine...
He died for us all...
For your sins and mine...

Jesus Loves You

Jesus loves you children
He'll help you through your LIFE
He's always there to make you right

When tears come pouring down your face
And you can't find your way
It's hard to believe He's their
To help you through your LIFE
When you're feeling like
You'll never see mornings light

Come to Jesus
He'll see you through your LIFE

Jesus loves you children
He'll help you through your LIFE
He's always there to make you right

When you think the whole
world has passed you by
You keep on trying
Cause you really know
He's their helping you through

Children when you need a smile
To help the evil go away

Come to Jesus
He'll see you through your LIFE

I'm Calling on Jesus

I need a sign to let me know you are here
All of these lines are being crossed across Heavens
I need to know that things are going to look up
'Cause I feel I am drowning in a dark sea spilled on me
When there is no place safe and no safe place to put my head
When you feel the world shake from the words that are said

I'm calling on Jesus, please
I'm calling on Jesus, please

I won't give up if you don't give up
I need a sign to let me know you are here
'Because the LIFE around just keeps it all from being clear
I would like a reason for the way things are around me
I need a hand to help build up some kind of hope inside of me

When children have to play inside so they don't disappear
While private eyes peer on us while lies cause us not to talk for years
And world leaders are threatening to destroy the world
and losing sight of having dreams of Heaven
In a world that we want is only what we want until it's lost
Until we have nothing left to loss
Except our soul's

I'm calling on Jesus, please

An Ode To LIFE

As I lay my head down and start to fall asleep I see myself being carried off to a place
and time the place of our Lords birth in Bethlehem of Judea

As in the Bible tells the story of His life and how he lived and died in that human seance
and rose on the day He told of

I do not remember being here but I remember the story I was taught so many years
ago

As I walk through the streets of Bethlehem I see each scene and hear every word as I
am learning the story they telling is true

The writer writes of a jealous King and his way of dealing with his people and of Mary
and Joseph who came to Bethlehem to have a child

The story tells of the three wise men who saw a star in the north and heard of a child
who was born to be the King of the Jews and come to see and bring Him gifts

An angel from the Heavens above came to Mary and Joseph in a dream and told them
they had to leave Bethlehem or King Herod would have their son killed

So they left Bethlehem and went to Egypt and there they lived until King Herod no
longer ruled

As I follow along in my dream I see each scene and hear every word as I am puzzled
by the fact I understand each

I don't understand why I'm going through this time but I know I must continue on this
journey

As I am pulling through a time where I reach the place of Jesus' in Nazareth of Galilee
As I watched Him grow and work in His father's shop I could see the thing in Him that
were with me

As I walk along the streets and look around I hear the people talk of a child that speaks
of wondrous love that's all forgiving and of a Father in Heaven that's loving and true

We Are the Fountain

Yes we are the fountain

For those who need Christ

Yes we must let our fountain flow

With the faith, love, understanding, and unity

Yeas were the fountain of Christ

To spread and share His message

With all People of all Nations

To ever flow with God's word

My Children

Say you know me,
