Dedication

The word of God is alive and powerful, sharper than any two-edged sword, piercing even to the dividing asunder of the soul and the spirit, and of the joints and the marrow, and is a critic of thoughts and intents of the heart. (Heb 4:12) All Scripture is God-breathed, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God might be mature, thoroughly furnished unto all good works. (2Tim 3:16-17) Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. (2Tim. 2:1)

This compilation of doctrinal principles is dedicated to my pastor of some 40+ years, Col. R. B. Thieme Jr., who, in my humble opinion, was one of, if not the, foremost theologian of the 20th century and most likely many others as well. Without his consistent undaunted dogmatic teaching of Bible Doctrine this document would not have been possible and I would most likely NOT have a clue about the Christian Way of Life. In his physical presence, mental acuity, supreme dedication to the word of God and overriding dogmatic veracity in the presentation of the doctrines of the bible he has been a life changing inspiration to myself and literally hundreds of thousands of other believers throughout the world. I, and these others I am sure, look forward to the honor of standing in ranks before the Judgment Seat of Jesus Christ as representatives of the “Berachah Battalion” who have grown up in the Spiritual Life under his phenomenal grace teaching.

I would like to give special thanks for their efforts in reading and critiquing this document to:

Pastor Robert K Lyon, P.O. Box 464, Sapulpa, OK 74067, [South Park Bible Ministry](#)

Mr. Jeffrey D Laughlin

Preface

Before a believer begins to study anything related to bible doctrine he must ensure that he is under the ministry of God the Holy Spirit for teaching which requires the Filling of God the Holy Spirit. This, the absolute status quo of spirituality, can only be accomplished if he will name or cite his sins privately to God the Father in order to be forgiven those and all other sins and to be placed again into fellowship with God and under the teaching and guiding ministry of God the Holy Spirit. **1st John 1:9** states, "If we confess {(gr) homologeo to name or cite} our (known) sins, He is faithful and justified to forgive us our (known) sins and to cleanse us from all unrighteousness (unknown sins)." This will put the believer into fellowship with God and under the Filling of God the Holy Spirit in a state of Humility and Teachability and ready to learn Bible Doctrine. If you have never personally expressed faith alone in the Substitutionary Spiritual Death of The Lord Jesus, The Christ alone, the issue is NOT naming your sins. The issue for you is nonmeritorious faith alone in Christ alone. "He who believes in the Son has Eternal Life; But he who does not obey the command to believe in the Son shall not see life, but the wrath of God abides on him." (**John 3:36**)

If, in reflection upon our own life, we are totally objective we must admit to having delusions about some things in life at some time. For myself there is ONE thing in this life which I have no delusions about, Bible Doctrine. Were it not for the teaching ministry of Col. R. B. Thieme Jr. and his consistent clear, concise and dogmatic presentation of the doctrines of the bible I would know nothing of orthodox fundamental biblical doctrine. I have no delusion about my knowledge, calling or spiritual gift; and, recognize that I could not do what he and many other properly oriented, prepared and motivated pastors have done, and continue to do, in the constant studying and teaching of doctrine to their congregations. Over the years I have learned innumerable principles from the bible studies by Pastor Thieme. One of the most important things I have learned has been that "your rate of learning MUST exceed your rate of FORGETTING" in order to advance in the Spiritual Life or to maintain your level of spiritual growth. This amplifies the necessity therefore of constant, consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine and ultimately the application of it to life. It is my desire that this document be a source of consolidated doctrine regarding the Progressions in the Spiritual Life to fulfill that very purpose.

This is a compilation of bible doctrine principles taken from notes I have accumulated and based on the principles directly derived from the lessons taught by Col. R. B. Thieme Jr. These were taught after many years of Pastor Thieme serving in his ministry of Studying and Teaching Orthodox Fundamental Biblical Christian Doctrine according to an Isagogical, Exegetical and Categorical method. With this in mind be conscious of the fact that some of the terminology, doctrine and principles presented here will be, at best, difficult and possibly obscure for the new infant or the youthful believer. It took the Colonel many years of preparation and study to come to the point of being able to extract these doctrines and principles from the original languages of scripture so it should reasonably require some years of study by the believer under his type of ministry to be able to understand what is herein contained. If you have read any of the other compilations I have put together you will notice some similarities or blatant duplication here. I have chosen to do this to establish a proper background to enable a better understanding of this subject matter. To facilitate this understanding on the part of the reader I have linked segments of this document with others to enable the reader to review or recall concepts, principles and doctrines while reading other parts. I have also included a Glossary of terms which I believe will help in this endeavor.

As one would expect, I have certainly entered opinions and concepts of my own derived from what I have learned from my studies of Pastor Thieme's teaching of Bible Doctrine in various lessons, from various years and from life experiences and other current materials regarding ongoing historical and social trends. I have made modifications of illustrations used by Pastor Thieme to provide a more clear and lucid understanding of the principles of Bible Doctrine behind them and the entire concept of spiritual advance. I have set up the concepts of the 10 stages of the Spiritual Life progression as a logical progression of the development of the Problem Solving Devices and Divine Dynasphere systems in the believer's life. My effort here has been to consolidate the principles of the Progressions in the Spiritual Life regarding the Christian Way of Life in this Church Age in order to provide a place where believers might go to acquire or review concise but detailed information related to these doctrines. However, nothing contained herein is ever to be construed to have been originated by my personal abilities to **extract** doctrines from the scripture. To this end I have relied on the lessons from Pastor R. B. Thieme Jr, and Pastor R. K. Lyon. Neither is this to be a substitute for consistent daily study under one's own right Pastor Teacher in order to develop the momentum needed to reach and hold on to spiritual maturity, the ultimate objective of the Spiritual Life. I have taken the liberty of adding pertinent examples of historical and social trends and again provided modifications to illustrations which I have been able to determine from examination of doctrinal categories over the years. If more details and reference passages are desired on the Progressions in the Spiritual Life of the Christian or how these principles were derived the original lessons can be ordered from **R. B. Thieme Jr. Bible Ministries**, P.O. Box 460829, Houston Tx. 77056-8829, or by phoning 713-621-3740.

Once again, my objective in compiling these principles of Bible Doctrine is not whether it is considered good or bad, liked or disliked as a message but whether God the Holy Spirit can use the doctrinal content in the life of YOU the believer reading it. I have nothing to prove to anyone in life and it is only getting the message through to YOU, the reader, that is important to me so that there is something for God the Holy Spirit to use. I have, in fact, attempted to organize these principles into discrete segments or categories. However, as always with regard to Bible Doctrine, these principles resist any attempt at separation into singular units being intricately intertwined into a system of interaction within the Spiritual Life. With this in mind understand that there will be duplication and repetition and one category of the Spiritual Life cannot always be separated and individually studied without relating it's impact on and from, very often, several others. However, as we clearly know in life and as the Colonel might have said on occasion: "REPETITION, REPETITION, REPETITION IS INVALUABLE SO GET USED TO IT AND ENJOY IT.

Dr. Frank P. Ferraro

Introduction

As there are in Human Life, progressions of development and maturation, so also do these exist in the Spiritual Life of the Christian. Unfortunately, most Christians do not recognize that there is PROGRESS to be made in the Spiritual Life in order to function effectively as a Christian. The believer is given a command in scripture to “Grow in Grace and Knowledge” (**2Pet 1:2, 2Pet 3:18, 2Cor 10:5, 1Cor 1:5, 1Cor 15:34**) but by and large believers ignore these passages and think they fulfill their Spiritual Life obligations to God by attending “church” once or twice a week and for some only on the “holidays” of Christianity or their preferred religion. However, the fact is that to progress in the Spiritual Life and to ultimately glorify God as a Christian, the ONLY efficacious mechanism is the consistent daily Perception, Cognition, Inculcation and Metabolization of Bible Doctrine taught by a properly prepared and oriented Pastor Teacher. These Pastor Teachers must have knowledge of the Historical Background of scripture and of the original languages it was written in because IN THE ORIGINAL LANGUAGES OF SCRIPTURE there are absolutely no contradictions. For the believer to gain knowledge and move ahead in his Spiritual Life and be the recipient of greater and greater GRACE benefits from God, this teaching must be presented in the form of expository analysis of biblical doctrines from language analysis, categorical comparison and historical orientation of the passages. As a result of engaging in consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine the believer then advances in his Spiritual Life gaining greater and greater understanding of God, His character, His Grace and His Plan for the believer. It is one thing to learn the theory of how something works and totally another to be able to use these principles to actually make the thing function effectively, like flying an airplane or driving a motorcycle. The individual MUST start with the very basics and then progress in his skill development and this is the exact same process of the believer growing in the Spiritual Life who must start with the Gospel of Christ and progress in the development of and use of the 4 mechanics of the 4 Spiritual Skills. Upon making Salvation Adjustment to the Justice of God through faith alone in the Substitutionary Spiritual Death of The Lord Jesus, The Christ alone the new believer enters into the Royal Family of God. It is, therefore, the OBLIGATION of God to provide the necessary **assets** for the believer, as a member of His Family living in this world ruled by Satan, to enable him to progress and advance in his Spiritual Life. This is a GRACE provision which the believer does not earn nor can he ever deserve but which GOD must provide for him because he has become a member of his Royal Family in Christ. These assets WILL include all the temporal and spiritual necessities for the individual believer to advance in the Spiritual Life IF HE CHOOSES TO DO SO. The provision of these assets DOES NOT depend on whether the believer is always or even ever, Good, Bad, Spiritual, Carnal, Advancing or Retrogressing, but they are constantly available to ALL believers for one’s entire life in time after Salvation Adjustment to the Justice of God. As a result of taking advantage of these provided assets the believer can then

Now there remains [in the Church Age] faith [πίστις], hope [ἐλπίς], and love [ἀγάπη], but the greatest of these is love. (1 Cor. 13:13)

progress and advance in the Spiritual Life therefore GROW in his CAPACITY to receive and appreciate greater Grace blessings from the Lord.

In order for the believer to make Progress in his Spiritual Life he must function within the Grace System of God provided for spiritual growth. This is the "Equation of Spiritual Growth" reflecting the Grace System of God provided for our growth in the Spiritual Life which was developed by Pastor R. B. Thieme:

[Filling of God the Holy Spirit + Human IQ == Spiritual IQ] + [Operation Z](#), the Grace Apparatus for Perception == Momentum for Spiritual Progression or Spiritual Advance

This book is a short discussion of the progressions which should occur in the Spiritual Life of every believer. However, to understand the progressions properly the believer must understand what the significance of a Spiritual Life is and why man was created and why he is here. I have, therefore, begun this presentation with a brief outline of the creation of this universe by God and why he chose to create mankind. I believe that it is essential for the believer to understand the purpose of the creation of man and therefore his own purpose in this life provided for him by God. If you have read any of the other publications I have compiled from the lessons I have studied under R. B. Thieme Jr. you will certainly find some duplication, especially in areas which involve creation and the fall of man and the Grace of God. For a more comprehensive understanding of Creation and the Purpose of Mankind I refer you to:

The Creation and Fall of Man

Prehistoric Angelic Creation

In the beginning without a beginning, Eternity Past, God the Father, God the Son and God the Holy Spirit sat at the Deity Round Table and had a discussion about what they wanted to do in eternity. They decided to "CREATE", and considering the status of this creation today we can honestly say "ONLY GOD KNOWS WHY". Having agreed to create they divided the responsibilities for the creation among themselves. God the Father devised a plan for creation taking into consideration all events and potential events and outcomes and potential outcomes from his omniscience and presented this to God the Son and God the Holy Spirit. They unanimously agreed that it was a PERFECT plan and they decided to call it **GRACE**. It contained all the structure, laws, policies and procedures for the creation they had decided to engage in. It was decided that God the Father should oversee the plan since he was the author and God the Son agreed to be the executor of the plan and God the Holy Spirit agreed to empower and reveal the plan when needed. When the plan had been completed and agreed upon, God the Son (the Executor) spoke a word and Initiated Stage I of the Plan, Angelic Creation. This resulted in a myriad variety of angelic creatures instantly coming into being. (**John 8:44, Job 38:4-7, Ps 8:3**) The culmination or pinnacle of this angelic creation was the most perfect creature in body and mind, a super genius of all genius', Lucifer, son of the morning. Stage 2 of the creation was to give these angelic creatures a place to live and again God the Son spoke a word and the universe was created and the angelic creatures given freedom to move about and live in it. (**Gen 1:1, Is 14:12-14, Is 45:18, Ez 28:12-18, Rev 12:4**) Christians often consider the presentation of ideas like the "BIG BANG" theory of the beginning of the universe to be ANTI-Christian but in fact that is exactly how the universe was created, The Lord Jesus, The Christ, God the Son said "BE" and it was. BANG! At this time Lucifer was given the job of overseeing for God the functions of this angelic "society" and reporting to God in his throne room. Over a period of unknown duration this was the case however at some point things changed. I envision Lucifer in the throne room of God looking around to see if anyone was watching, looking at God's throne and walking around it a touching it and then moving up onto the dais and imagining what it would be like to sit on that throne and control everything. Eventually his arrogance and envy and power lust got the better of him and he slyly checked around again to be sure no one was watching and then slid right onto and sat on God's Throne. As he sat there and wiggled around feeling the exhilaration of being on God's throne his thoughts turned to greater arrogance and forgetting his origins and place as a CREATURE he thought, I can run this creation just as good as God, "I will be like the most High God" (**Is 14:12-14, Ez 28:12-18**)

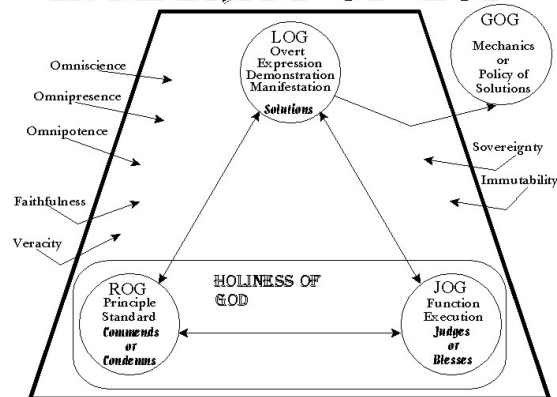

Satan's Strategic Offensive Action in Eternity Past

Satan's "Offensive Action" in Prehistoric Times in the Angelic Conflict (**Is 14:12-14**) was the result of Satan's thinking that he would dominate all creatures in existence in all of angelic creation. This occurred at the time of the beginning of his "REVOLUTION" but he also was thinking he could be Above God. He then, as a result of his arrogance and dillusion, began to devise a plan to run the angelic creation which came to be known as **Good and Evil** in which he attempted to duplicate or counterfeit the policies and provisions of the Grace Plan of God. Lucifer was so full of himself, so arrogant that he then went about the angelic creation for an unknown period soliciting members for his Mutual Admiration Society. He proposed to them that they function under his plan of EVIL and attempt to produce "Angelic" GOOD things in creation which Lucifer wanted to use to supplant the production of Divine Good of the Grace Policy in God's Plan. He did this for an unknown period until

every single angelic creature created by God the Son had an opportunity to choose to follow him under his plan or stick with God under the Grace plan. Lucifer had established a headquarters for his plan of Evil in of all places this very planet Earth. Basically he held parties here and never cleaned up the beer cans so it was a total mess at the point of God the Father calling together the Supreme Court of Heaven. With God the Son and God the Holy Spirit present to convene the Supreme Court of Heaven, a trial was begun indicting Lucifer and his followers because of his revolution, with ALL angelic creation present. God threw Lucifer and his organization off of the earth and packed it in ice to prevent their return there. (**Gen 1:2**) The unknown prior period of time was allowed by God for the completion of the personal decisions by all of the angelic creation to choose between the Plan of God and the Plan of Satan.

It was only then that God called the Supreme Court of Heaven together and convened the trial of the revolutionaries. When the trial was convened, God presented the facts from his omniscience, there obviously could be no defense possible against the omniscience of God, and then rendered the judgment of condemnation of the revolutionaries to the Lake of Fire. It was at this point in eternity past that the Lake of Fire was in fact created for Satan and his followers. In a STRIKING moment of clarity Lucifer realized he had made a big error and he did not have any desire to spend eternity confined to the Lake of Fire so he rendered an appeal to the Supreme Court of Heaven. In effect Lucifer impugned the perfection of the character of God by contending that in rendering the Judgment of the Lake of Fire for the rebels God had neglected to consider his LOVE attribute and only functioned based on his attributes of perfect Righteousness and Justice. Lucifer was in fact saying that God could not be God if he condemned the rebels to the Lake of Fire because he had set aside his LOVE to function only within the confines of his Righteousness and Justice. Satan ignored the fact that the Love of God is the area of motivation and not the area of action of the Essence of God. He ignored the fact that the area of action of the Essence of God is based on the principle that what the Righteousness of God approves is only what the Essence of God can accept and what the Righteousness of God demands the Justice of God must execute.

INTEGRITY OF GOD

Lucifer in being brought before the Supreme Court of Heaven for judgment as a result of his rebellion against God in effect said, “how can a God of LOVE cast His creatures into a lake of fire?” In focusing on the “Love of God” Lucifer tried to ignore and confuse the issue that upon any creature violating the standards of God, his, and in fact all angelic and all human contact would become, not the “love” of God, but the Integrity or Holiness of God composed of the Justice of God and the Righteousness of God. The Righteousness of God rejected the Arrogance of Satan and his opposition to

God in the revolution of the Angelic Conflict therefore the Justice of God, in a JUDICIAL Decision from the Supreme Court of Heaven, immediately condemned him and all those who followed him to the Lake of Fire for all eternity. In reality, Lucifer had failed to realize that when he rebelled he TOOK HIMSELF OUT from under the provisions of the Love of God and PLACED HIMSELF directly under the function of the Justice of God based on the requirements or standards of the Righteousness of God. However, God in and under his pre-established GRACE PLAN accepted the appeal of Lucifer. He did so in order to provide a clear demonstration to all creation that the Essence of God always functions together at all times and the Love of God and Justice of God and Righteousness of God all work in unison in providing for ALL of his creation. Lucifer did not understand that the Love of God was the MOTIVATION for the actions of God BUT that all actions from God had to be approved by the Righteousness of God and then could be executed by the Justice of God because these 2 areas of God’s essence protect the consistency of his character. God, in granting the Angelic Conflict Appeal Trial, caused a situation which resulted in the need for witnesses to choose for the Plan of God vs the Plan of Satan in the same manner as what occurred throughout the angelic creation. God, therefore, in agreeing to this appeal, set up a test situation with LOWER creatures for all angelic creation to observe. [This is YOU AND I in this life] (**Luke 15:7-10, 1Cor 4:9, Eph 3:10, 1Pet 1:12, 1Tim 3:16, 1Tim 5:21**) The setting for the creation of test subjects was chosen as the former headquarters of the “Evil” party. This is the sole purpose of the creation of man and the development of Human History as the stage for producing these witnesses. (**Matt 19:4**) Therefore, in the Angelic Conflict Appeal Trial ALL witnesses are derived ONLY from members of the Human Race, therefore, the Angelic Conflict Appeal Trial is co-terminus with Human History. To be a proper witness and demonstrate the exact conditions of the Angelic Conflict choices of Angelic Beings, MAN, though created lower and much less powerful than angels, has the 1 thing necessarily common between Angelic creatures and Humans that being FREE WILL, Volition.

Restoration of the Earth & Creation of Man

Upon the acceptance of the Appeal of Lucifer in the Angelic Conflict Trail, the Trinity of God the Father, God the Son, and God the Holy Spirit moved ahead to clean up the earth and restore it from its frozen state preparing it for man. (**Gen 1:2, Gen 1:3-31, Job 26:13, Ps 104:30**) God then set up a system called “TIME” as a linear progression of events and established cyclic periods on the earth and completed these preparations in 6 earth days. Then The Lord Jesus, The Christ culminated the restoration of the earth with the creation of Ish, Man and sometime later Ishah Woman (from Man). (**Gen 1:26-27, Is 43:7**) God stopped on the 6th day BECAUSE HE WAS FINISHED AND THERE

WAS NOTHING LEFT TO BE DONE. Therefore, Man was created originally as a test subject to demonstrate the true nature of the character of God toward his creation. Both Ish, (later called Adam) and Ishah, (later called Eve) were created directly from the hand of The Lord Jesus, The Christ as trichotomous beings with a physical Body, a non-physical Soul and a non-physical Human Spirit. When they were originally created their names were (heb) Ish (the man) and (heb) Ishah (the woman who came from the man). Ish and Ishah were created to demonstrate to Satan, the Fallen Angels AND the Elect Angels that the contention in the Appeal of Lucifer during the Angelic Conflict trial, that the Righteousness of God and Justice of God did not consider the Love of God when he condemned Lucifer and his followers to the Lake of Fire WAS FALSE. Even today, Satan (meaning deceiver) successfully blinds mankind to the fact that mankind must adjust to God's Righteousness and Justice not His love in order to become the BENEFICIARY of His Love. (**Is 14:13-14**)

At the point of their creation, to resolve this Angelic Conflict, The Lord Jesus, The Christ gave to Ish and Ishah Biological Life for their lifeless biological bodies created from the chemical elements of the earth, Soul Life to a format soul, and Spiritual or Spirit Life to their Human Spirit. The Lord Jesus, The Christ breathed, (heb) Neshemah, the "Soul Life of Lives", in two forms Soul Life and Human Spirit life, into both Ish and Ishah, resulting in what the bible calls Everlasting Life or Endless Life (**Gen 2:7**). The combining of Soul Life with the activated biological make up of their lifeless bodies resulted in Human Life for both. The provision of Spirit life to their Human Spirit enabled them to have a relationship and interaction with God. Ish and Ishah thus became living human beings with what the bible scriptures define as Everlasting Life or Endless Life. The Lord, from his LOVE, provided everything necessary for Ish and Ishah to live an UNENDING, or ENDLESS life on this earth in the Garden of Eden. This was to continue to be provided based on the requirement that they adhere to the prohibition to not engage in or partake of the Knowledge of "Good and Evil", (the principles of Lucifer's plan and policy to rule in God's place represented by the "fruit" of the Tree of the Knowledge of Good and Evil). They were also given the Tree of Everlasting Lives whose "fruit" they could eat from in order that they would have immediate and constant APPRECIATION of what God had and continued to provide for them. This also enabled them to remain under the provisions of the Love of God and not be subject to the Righteousness of God and Justice of God. They were created perfect and lived in perfect environment with perfect provisions from God's Love and had ABSOLUTELY NO REASON to know anything about "Good and Evil". This IS the plan, policy and production of the Cosmic Dynasphere system of Satan (the **Interlocking System of Arrogance** and the **Interlocking System of Hatred**) to rule angelic creatures and, during this Angelic Conflict Appeal Trial which extends the Angelic Conflict into Human History, Human Beings on earth.

Inevitably Ishah was targeted by Satan, first because she was under the authority of Ish, her husband. She initially rejected the authority of Ish, then that of Bible Doctrine taught by The Lord Jesus, The Christ in the "cool evenings" in the garden and ultimately the authority of The Lord Jesus, The Christ, God himself. She therefore decided to violate the prohibition of God regarding Good and Evil having been deceived by Lucifer, who appealed to her developing Arrogance, by manipulating her into thinking that by doing so she would be as smart as God thus smarter than Ish. She, as a result, adopted the totality of the Arrogance of the Plan of Satan. Then, when she had executed her decision to violate God's Prohibition, Ish also rejected God's prohibition and gave up his authority position, by choosing to FOLLOW Ishah instead of lead her, choosing her over the Plan of God and The Lord Jesus, The Christ in the garden. He thereby adopted her viewpoint and also accepted the

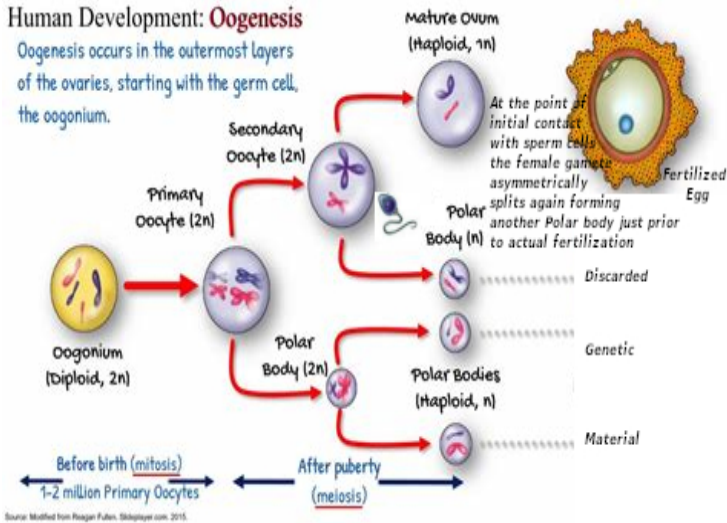

Arrogance of the Plan of Satan. They both in effect had rejected EVERLASTING ENDLESS LIFE with God in the garden for something which they did not understand NOR have any need to understand. As a result their Human Spirit died and they were then isolated from God having lost their Everlasting Spirit Life. ([1Cor 15:21-22](#), [Rom 5:12](#)). Essentially they could no longer initiate any contact with God nor have any relationship with him. However, as part of his GRACE plan, GOD under Grace provided for them and all subsequent human beings the OPPORTUNITY to regain the ability to Eternally Live with him and have a temporal and eternal relationship with him. This provision came to mankind first in the promise of a potential for Salvation Adjustment to the **Justice** of God. At the point of their rejection of the prohibition of God, His Justice had become the point of contact for man as a result of their rejection of the Love Provisions and Grace of God in the Garden of Eden. ([Gen 3:15](#)) This is now a historical fact in our time and includes the promise of a LIFE enabling the believer to live in ETERNITY with God, Eternal Life. As a result of the loss of their “everlasting spirit life” their names were changed to Adam (meaning mankind-husband) and Eve (meaning mother of all living humans). Ish and Ishah are names associated with their possessing “everlasting spirit life”; whereas “Adam” and “Eve” are names associated with that loss and need for another form or category of life for them to regain relationship with God, “Eternal Life”.

Sin Nature Development

As part of the result of Ish and Ishah rejecting the prohibition of God and gaining an understanding of Evil and its production of Good, the genetic structure of their Human Body’s Biological Life was corrupted forming the Sin Nature. In effect they had committed “spiritual suicide” killing their own human spirit and losing the Everlasting Spirit Life given to them by God at their creation. ([Rom 5:12](#)) This Genetic Old Sin Nature (“Old” because it started with Ish and Ishah) is found in every human being born into this world after the fall of Ishah and Ish. ([1 Cor 2:14](#), [Jude 19](#)) This is the result of the passing of corrupted genetic material during the process of conception and fertilization of the genetically uncorrupted female gamete, the ovum, by the genetically corrupted male gamete, the sperm. The Genetic Corruption which results in the Old Sin Nature is passed down through the generations from Adam and Eve to all humans through the MALE gamete which when it is formed produces 4 genetically corrupted Sperm cells from every single primary gamete cell. However, the Female system of producing the Female Gamete, the Ovum, results in only 1 genetically uncorrupted cell being produced from every primary Gamete cell and the discarding of 3 sets of corrupted genetic material as polar bodies. This process results in 1 cell devoid of the corrupted genetic material of the Old Sin Nature. All the egg cells a woman will ever have in her ovaries are produced in relatively small numbers but this production is complete by the time she reaches puberty. In the formation of the female Ovum or Egg the cells divide “asymmetrically” producing ONE (1) large egg cell and up to 3 small polar body cells. These polar bodies composed of primarily genetic material with very little cytoplasm as supporting cellular material, degrade and are discarded unable to be fertilized. After the 1st asymmetrical division the secondary Oocyte will only complete the 2nd stage of Meiosis division IF it encounters a sperm cell at the initiation of fertilization. Once fertilization is initiated the secondary oocyte divides asymmetrically again discarding another quantity of genetic material as another polar body cell. At this point the secondary Oocyte becomes a mature ovum which is in the process of being fertilized. (See any Human Physiology textbook for a complete description of the process of gamete formation)

Human Development: Oogenesis

Oogenesis occurs in the outermost layers of the ovaries, starting with the germ cell, the oogonium.

Gamete Formation

In Males Meiosis results in 4 equal sized Gametes called Sperm

Meiosis means that the genetic material of the cell does not duplicate but simply splits so that each resulting cell has only 1/2 the number of chromosomes.

Human Life

Therefore, during this HISTORIC Appeal of the Angelic Conflict Trial, Human Beings were and are positioned by God to resolve the issue presented by Lucifer in his Appeal by choosing for the Plan of God and the Divine Good production of that plan vs the Plan of Satan and the Human Good production of that plan. The choice is made by the nonmeritorious faith acceptance of the Divine Good production of the Substitutionary Spiritual Death of The Lord Jesus, The Christ on the cross for all human sins alone or NOT! ([Gen 3:15](#); [John 3:14-17](#), [2Cor 5:21](#), [John 3:36](#)).

Biological Life

Biological Life begins at conception where fertilization occurs from the joining of a single male gamete, the sperm cell with the female gamete, the ovum. IF (3rd class condition) this combination is viable and continues to develop (maybe it will and maybe it will not) it forms a blastocyst and then an embryo and finally a fetus, all part of the Biological Life of the Human Body. (See any Human Physiology or Embryology textbook for a complete description of the process of gamete formation, fertilization and embryonic and fetal development) When this fetus completes its biological development which includes the formation of a format soul and becomes a viable human body, physical birth delivery then occurs presenting this fetus to the world and more importantly to God.

Soul Life

Soul Life begins at the physical birth of every individual ever born into this world past, present or in the future. Soul Life depends totally on GOD creating it at the point of the physical birth of the fetus and then imputing that SOUL LIFE to the format Human Soul of the fetus as it emerges during physical birth. God breathes into the fetus Soul Life, (heb) Neshamah, and the fetus exhales with a fabulous scream demonstrating his possession of this completed Human Life (and probably his desire to not be removed from the warm comfortable mothers body).

Human Spirit Life

Human Spirit Life, which is Life for having a personal relationship with God and also living in the presence of God in Eternity, which the bible calls Eternal Life, is provided to the individual at the

Thank You for previewing this eBook

You can read the full version of this eBook in different formats:

- HTML (Free /Available to everyone)
- PDF / TXT (Available to V.I.P. members. Free Standard members can access up to 5 PDF/TXT eBooks per month each month)
- Epub & Mobipocket (Exclusive to V.I.P. members)
