

**101
Bible
Verses
in
Calligraphy**

Terry J. Walters

FOREWARD

Greetings...For the record, I don't see myself as a world class calligrapher; However, it has served as a constructive hobby for quite a while. As such, I realize that, in this case, it's not the medium but rather the message which takes precedence. Hopefully, you will find something beneficial in these verses.

The source for most of the verses came from the covers of Church bulletins which I converted to the Roman Gothic style.

I especially would like to thank Marcie, my full-time wife and part-time computer genius. Her abundant patience and understanding far exceeds that which I possess.

All verses are of the King James version of the Bible, and appear in alpha-numeric order
