Crucifying Fear, Guilt & Shame & Coming Out of Babylon

*Please note – This was written for those with a good understanding of the spirit of Jezebel and how she operates. I have expounded here on the roots and hooks into individuals. Ahab allows Jezebel to operate, Elijah confronts and brings restoration, Jehu overthrows worldly systems and brings Godly Order. Prophetic

and Apostolic working together as God ordains for end time ministries.

Jezebel's Web of Lies

2014

Introduction

The Spirit of Jezebel in essence is the feminine side of satan. Satan knows people won't directly come to him if he reveals who he truly is at first, so he uses seductive deception in a feminine form to capture his prey.

God, our Father has a masculine identity therefore satan attempts to pervert the essence of masculinity so the world can no longer identify with Him.

True Godly order displayed in the family with dads that know how to be a true spiritual head will see sons and daughters emulate God's character through them, this is what satan attempts to subvert with the feminist movement, homosexual movement, feminist men, pornography and any seduction he can use to pervert God's original creation and keep us separated from a loving God, i.e...money, success, fame, drugs, alcohol.etc. Satan will always go for the jugular, he doesn't mess around, it's time for the Body of Christ to realize what he sucking the life out of....it is God's men! To heal a family you heal the head, to heal a Church you heal the head, to heal a nation you heal the head. Satan knows to take out society you take out the God fearing family man. This is where healthy children are born.

Our culture that we live in has infiltrated the Church and turned Godly order in relationships upside down, men in general have lost their God given masculine bite to stand firm in sound doctrine which moves and turns on emotional whims of a culture with no absolutes. With Jezebel it is all about feeling, not absolutes and truth.

The Church therefore has slid into a relationship with Jesus Christ that is without His firm commands and laws which He gave us to follow, and hence a moral decline in the Body of Christ(delusions and doctrines of devils leading to apostasy or the 'great falling away' stated in Thessalonians), and the world in general. Because there has been a deliberate attack on masculinity and heads of families via the spirit of Jezebel in general there are not many strong men of God left leading the Body of Christ and declaring the absolutes of the Gospel of Christ Jesus.

Pornography as a Potent Example

Pornography totally emasculates men that already at their core have either a spirit of unworthiness/rejection/abandonment.

Porn is a counterfeit comfort that idolizes the feminine form(idolatry), coupled with masturbation(self idolatry) will totally confuse the addicts soul which God made for communion, relationship and intimacy.

This will produce a full blown non-God fearing compromising Spirit of Ahab ruled over by a spirit of Jezebel.

- The enemy weaves a web of lies throughout childhood, which most often starts with rejection/abandonment wounds coupled with sexual/emotional/physical abuse(fear enters). The addiction and poison of porn has diseased an entire culture, coinciding interestingly with a mass of family breakdown in our modern societies.

Mainly with men, but more so now days women as well, satan is using pornography(soft and hard) to seduce and captivate our children as young as possible. This ensures that our youth learn to hide a part of themselves (shame and unworthiness) and fear to open up. Producing thinking that, 'no one will truly understand me/ my feelings', and deepen the sense of their dreaded shame from this addiction. Porn coupled with masturbation(self idolatry) and a spirit of lust fully traps one in a cycle which includes addictive hormonal highs to make it even more destructive.

Jezebel's Web of Lies

2014

- **Shame** is one of satans main agenda's and will cause one to erect emotional barriers to hide ones true identity. Its fruit is immense guilt turning into anger and then rebellion. It is rooted in unworthiness- the essence of shame. True forgiveness directed towards those that caused feelings of rejection, abandonment and unworthiness, with deliverance, self control and an empathic ear to their story is the only way to lasting freedom.
- A healthy stable child can more easily say no to porn and feel o.k to talk to their parents about it. A healthy child is able to set healthy boundaries.

Guilt says I did wrong, but shame says I am wrong.

Guilt says I am obligated(outward focused), but shame says I am worthless and not able to make am-mends(self focused).

Most young men that struggle with the addictive objectification of women in pornography(idolatry) have shame embedded in at their core, formed from a lie about themselves that Jezebel has orchestrated well in advance to snare them in her web. The more they struggle fighting in this web the more entrenched in it they become, eventually paralyzed (numb to their conscience) and eventually wrapped up by her(completely given over). Eventual spiritual death by losing one's salvation, or even possible eventual physically death can result. Porn leaves a trail of carnage in marriages, families, and even Churches by way of their leaders.

Note: We will see later how fear leads to idolatry. Fear says "My needs wont be met". Unfortunately Porn gives a counterfeit to those who struggle with walls up around their heart's.

The only answer for porn/sex addicts is to recognize they are actually stuck in Jezebels web of deep rooted lies, the more they fight the more they get stuck in it. Praying harder will not help, only by praying smarter one will escape her web. The way to fight and win is to get off of her web(expose the core lies satan embedded in childhood). Then one will have a fighting chance against Jezebel's seductions on equal ground with God's anointing.

Jezebel's Web of Lies

2014

Pornography is a tool of spiritual wickedness formed in high places, it is on the plane of the highest level in spiritual warfare, and the Body of Christ needless to say has lost too many victims to its lure for way to long. It is amongst satans most potent weapons against mankind. Ted Bundy (Americas most notorious serial killer) in an interview before his execution, stated, 'while being in jail he had learned that all violent offenders where heavily addicted to pornography', and it was their pet secret sin. Once this spirit seduces and one gives over to pornography, it allows a doorway for a myriad of demonic forces to access the victim.

- **Shame** - in its essence is a deep sense of unworthiness, rooted in rejection/abandonment, often a generational abandonment/rejection family curse.

Shame will build a heart of stone with inner vows and judgments against primary carers,..“no one cares about me anyway”, “no one understands my hearts needs..or even wants to take the time to”(The lie resounds in their hearts-‘see, I knew its true, I’m not worth it’).(These lies formed in childhood over time, is really bitterness because there was no true forgiveness). It is directed towards those that have abandoned/abused/neglected the child. - whether perceived or real.

- Adam and Eve where the first to experience shame, they hid when they saw that they were naked and sewed fig leaves together to hide themselves. God had a better plan, He made animal coats that covered them(The first sacrifice recorded in the Bible).

Jezebel's Web of Lies

2014

The initial first shock of seeing pornography when one is too immature to emotionally rationalize or comprehend it's nature as a snare, will traumatize and sear into a young person's mind and emotions with long lasting effects. This is the first major struggle in Jezebel's web. Fighting your own feelings and memory will not help, only the empathic healing help and prayer of a trusted one can ease the deep rooted sense of bodily confusion and shame.

I remember the first time I was lured by a boy whom I thought wanted to be my friend, to a store room in our back alley way. I was about 10 years old and was left there on my own with hundreds of magazines of naked posing ladies. At the time this happened I was struggling with a great sense of loneliness (satan knows when to attack). I started to feel weird and quickly got out of there and headed straight home, as I raced in the front door I was startled when seeing my mother. I said a quick 'hi' and fled into my room.

What seemed to happen here was that the shame of seeing a naked woman in sexual composure compelled me to flee from my mum....why?

Well, growing up my mother has been my image of what womanhood is, and now my image of womanhood just got all distorted and confused. Shamed by what I saw and my strange new feelings about it jumped up and caused me to suddenly feel ashamed in her presence, I wanted to hide.

Amazingly this is a major pattern that will follow many into adulthood and then on into marriage. If we see something that is improper and shameful unintentionally it will hit us with a patterned subconscious shame and cause us to emotionally hide that intimate part of our heart and soul from our wives(the ones closest to us), because it feels wrong(a stronghold). This is a learned programmed first encounter scenario that follows many of us into adulthood and subconsciously acts out.

Jezebel's Web of Lies

2014

The other problem I see that could be unsanctified is that we allow ourselves to be turned on by things in this world(sometimes unintentionally) and then sleep with our wives in a lustful way. Intimacy is a sharing of ourselves one with the other, it is the most vulnerable and open we can be...it is also where problems begin for those who have closed off parts of themselves to protect their hearts at an early age. Our wives should be the only ones that can reach that deep part of us, not any other? Don't beat yourself up here, I understand this could open up a can of worms for some...answers are coming.

Our culture says, "It's alright, it's not that bad of a thing". Our whole culture has accepted its own fate without even understanding the implications to future generations. Maybe it is a cultural stronghold, to just turn a blind eye and don't want to know. Maybe it's called delusion, as it says in Revelations, 'I will give them over to delusion, because they are not lovers of the truth'.

The point is the sex industry is just one(probably the worst) of the enemies seductive tools he employs to try and destroy God's men and their families. Eventually the porn/sex addict's continual shame at the core of his person will cause a shut down from the reality of his sin because he feels so entrapped. He/she will begin to seek out greater fixes and compromise his own morality, even further embedding himself further into the web of Jezebel and her potent lies.

The spirit of Jezebel uses the culture to support her wickedness and weaves lies into children's hearts about who they truly are. She then baits those children with her wickedness formed in high places and lets them struggle in her web until they are too weak to fight any more. Jezebel fully knows this causes a rift in their relationship with God and those who love them through fear, shame and guilt, and compounds the web of lies in their life until they are destroyed.

But, God...has a plan, to turn Ahab's into anointed Jehu's

Jezebel's Web of Lies

2014

What other lures does Jezebel seduce with? And why are people drawn to them?

- Why are people lured into witchcraft? ..for control and power, because they felt they never had any in childhood to stop out of control hurt and pain. The Word says rebellion is akin to witchcraft- those drawn are bitter and rebellious and have unresolved hatred towards those that have neglected abandoned or abused them. We now are starting to see the shocking rise of Charismatic witchcraft, Websites for Christian Witches and a culture given to media that is basically initiated into the occult through Harry Potter; pagan games-Warcraft, Skylanders; books-True Blood etc..
- Why are people lured into success and fame? Usually for acceptance and recognition, because they never got any from their own dads. Our Churches in Western culture with the Prosperity Gospel have gone to extremes. ie. 'You Best Life Now', '7 Steps to..', '10 Steps to..'.
- Why are people lured into drugs and alcohol? Usually to escape reality, their trauma's and hurts seem too overwhelming. The root causes are the same really as any other addiction...trauma, abandonment, rejection, feeling like an outcast. The lies go like this, "You are worthless", "You don't belong", "There's something wrong with you", "Your unclean", "No one loves you", "You are evil", "God can never forgive anyone like you"..etc.
- Why are people lured into homosexuality? Our culture succumbs to media pressure and Government laws. The lies start when they reject their own father's masculinity, and then crave for it in another man. And/or because their mothers may of wanted a girl and not a boy, which affects the child as a baby. The boy is more feminine or girl more masculine(he/she doesn't know why). It gets harder for the boys because fathers don't approve of a seemingly feminine son. Most boys like this are targeted by satan also with sexual abuse(by an older male) and pornography to seal their fate. Girls for some reason seem to be more accepted being a bit boyish(sometimes it is encouraged), but it is not so socially acceptable for boys to be a bit girly.

Jezebel's Web of Lies

2014

This is hard for boys, that are in trouble in this area. We can see satan at work early here with men, trying to set them up for his plans to ruin Godly family structure.

- Why are people lured into having an abortion? Our culture for women says career is priority; 'You have rights as a woman', they tell you this through feminist movements and New Age agenda's. There are reports of 1000's of babies being aborted and surviving in America each year. If you choose abortion please know, you have a 1 in 44 chance your baby will survive your abortion. Please tell me what rights these babies have? Do you know what the impact of the trauma of a parent trying to kill their own child has on a grown up adult that has survived it. Massive identity crisis and worthlessness at the core of their heart's, massive guilt and fears.
- Why are people lured into Religious Cults? Usually because of a failure of fatherly leadership in the home. An Ahab type man will always look for direction through another leader and will have no sense of identity and direction for himself. Lacks trust in true Godly male authority, has trouble submitting to and honoring authentic leadership and more easily becomes susceptible to deception and delusion. Cults rule with control, emotional manipulation and are guilt focused instead of empowering their people with Godly love and self sacrifice.
- Why are people lured into sex addiction and Pornography? Usually because their heart's have become like stone and cannot relate or open up entirely to pure intimacy as God intended, their hearts are not able to stay open and find the counterfeit an easy temporary selfish fix. It is a complicated web of lies that keeps them bound. Rejection/abandonment, a sense of worthlessness, shame, guilt and hidden anger can keep them locked into a cycle of destruction. The lies which are embedded in their core say, "See, you are worthless", "You don't belong", "There's something wrong with you", "Your dirty and unclean", "No one loves you", "You are too bad and evil", "God can never forgive anyone like you"..etc.

Jezebel's Web of Lies

2014

The bigger the struggle with the web of root lies they are stuck in, the more they become embedded in it. When they unravel the lies satan has fed them through core hurts and traumas they have experienced, they will have a fighting chance. People may come to God when they are at the end of their rope and are set free by His amazing grace, but most will have to work through the lies to stop Jezebel pulling on the web that was weaved through out their childhood.

Jezebel has a vast network of bait, tools and weapons she uses to keep you in her web of lies. She has a feminist movement that has turned into a new age goddess worshipping cult, she has mass media spreading her agenda of sexual promiscuity, she has a war raging against mans headship/leadership in the home(making women masculine and men feminine) and she loves her homosexual agenda that the Government is pushing as 'Equal rights for all people'. I don't think the Government is totally stupid and don't understand what happens to a society if the family is totally dismembered and trodden down. It would seem they have their hands tied for some reason and are not able to stand for the core of society; the family unit. Maybe the laws being forced on our countries are being pushed by the U.N, by the EU and America...probably by a global soon to come Government as stated in Revelations in the Bible.

She uses Government to create and enforce laws to protect ones free choice for abortions (they also fund it), free-speech restrictions (especially towards Christians), marriage rights for gays(extending even into Gods house)..etc.. All of it is aimed at destroying family, society and Christianity. Sounds ludicrous..hmmm, lets just destroy ourselves.

Jezebel's Web of Lies

2014

We have more broken homes now than in all of our past history, we have more sexual immorality than in all past history, we have more children born out of wedlock than in all history, we have more unborn babies killed than in all of history, not to mention sex trafficking, entertainment focused, self centered, self seeking, boastful and the most violent etc.. part of human history ever...I think God might may have had it up to His ears...As in the days of Noah, so shall it be in the last days.

- Once the seductive side of satan has got the world in his grip it is only a matter of time before he turns fully on his most hated people, Christians and Jews. Persecution(tribulation) may be at the door for the Western Church.

This is the characteristic of Jezebel,..orchestrate her web(trauma's and lies) infiltrate your identity, seduce you later with fleshly desires and deception to get stuck in it, use the demonic to pull and push you around, use you, and then destroy you.

Spirit of Ahab must be dealt with first –

Spirit of Elijah Confronts

Jezebel's aim is to produce Ahab men that will easily compromise and allow her entrance. She works as Spiritual Wickedness in High Places to specially infiltrate the four walls of the Church, to bring God's judgment on it. This will happen to apostate Churches because Gods judgment has been pronounced upon them long ago, but, it will not happen to His true Bride. She will be making herself ready when God's real men raise up like a sleeping giant and tread on the adversary.

Jezebel's Web of Lies

2014

- Ahab's are men that have no real sense of self identity.
- They lack vision and follow the crowd that pays them the most attention.
- They compromise easily as the enemy has bound their will to overcome.
- Innate fear of rejection, overly passive, proud, greedy, envious.
- Ahab type men have at their core major lies from childhood, stemming from abandonment and rejection mainly from their fathers.
- Many Ahab type men have false masks that need discernment to see through, the Spirit of Elijah melts it away with a Godly Fathers heart of love.

The spirit of Elijah confronts Ahab's heart condition to bring about repentance, restoration, reconciliation and healing through forgiveness to prepare the Body to make straight the way of the Lord. To defeat that slippery serpent once and for all in the body of Christ. King Jehu will rule, who is a picture of our Lord saying, "Throw her down".

'Elijah does come and will get everything restored and ready' Matt17:11

'..Behold, I send my messenger ahead of you, who will make ready Your way before you. Matt11:10

'He shall turn the hearts of the fathers to the children and the children to their fathers, lest I come and smite the earth with a curse'. Malachi 4:6

Ahab's core heart lies need to be exposed and then replaced with God's truth.

Jezebel's Web of Lies

2014

Honor thy father and thy mother, as the LORD thy God hath commanded thee; **that thy days may be prolonged, and that it may go well with thee**, in the land which the LORD thy God giveth thee. Deut5:16

Is not the opposite also true,..if you dishonor your father and mother will not all go wrong for you? This was one of the Ten Commandments, From God's finger.

It surely must have been pretty important.

The germ of society is the family, and the family is sustained only as the authority and rule of the heads of the house are upheld and respected. The command, then, to honor parents may be justly regarded as asserting the foundation of all social ordinances and arrangements. Where parents are not honored, a flaw lies at the basis, and the stability of the entire social fabric is endangered. -Pulpit Commentary - Biblehub

Many men who are given to pornography and sexual addictions also seem to have a deep seated hidden hatred/ bitterness towards women, usually a bitter root long ago forgotten, a hurt that has not yet seen forgiveness and healing.

I personally struggled with unresolved bitterness towards my mother when my younger brother was born. I felt abandoned by her and went to find healing/consolation in my dad, he also abandoned me at this time when I needed him the most. This had drastically impacted on my heart. It was partly a perceived abandonment and was not a total reality, but never the less the impact of it had major long lasting consequences. In hind sight it is as though the enemy orchestrated events to ensnare me with her slick lies,..("My needs won't be met"; "I'm not wanted"(Fear), "I'm worthless"; "I'm no good"(Shame); "It's all my fault"; "I should of done better/more", "I shouldn't of."(Guilt)).

We never really think about these lies because they have been there for so long, it is the old man. We are now no longer subject to those lies and fear of them being true, because Jesus showed us the truth of God's love for us in an open show to all on the cross. He died with our guilt, shame and fear and resurrected without them, just as we did when we became born again. However the enemy is always seeking to resurrect these lies with their feelings in our lives. This is where sanctification comes into it.

Jezebel's Web of Lies

2014

Guilt based Personalities

In the first six years of our lives the trunk of our character is formed, this is shaped primarily by those whom cared for us over those years. Be it Parents, Foster parents, Adoptive parents, extended family etc.. If we have received wounds by our primary carers it stands to reason they would have the biggest affect on our character and personality. It also stands to reason that if there are blockages and conflict in relationships(with self, others and God) these areas are where we should be asking God to help us heal and find the freedom to love as He does.

For a lot of people the question is "Why", why did they not love me?, Why did they leave me?, why did they abuse me?. When these questions are being asked in ones heart, we are basically saying, "Is it me?" or, "Is it them?", a child cannot really settle this. There is a conflict of feelings because there is love and dependance for and on the one/s that were supposed to care for us. Children mostly internalize parental conflict and abuse, they feel unfairness and injustice readily, but it is the thinking behind this that determines whether one mainly blames others (externalizes) or blames themselves(internalizes).

If we are a logically based sort of person we can perceive 'others' (primary caregivers that have wounded us) as the problem more easily as a child(the environment is unsafe, others are the problem). If we are more emotionally based as a child we will internalize the hurts and trauma's more and self blame(the environment is unsafe, I must be the problem).

First borns are classic guilt carrier type personalities, they feel a lot more weight and responsibility weighing on their shoulders. They are closer to parents initially before siblings come along and usually have a lot more expected of them, academically, responsibilities wise and in respecting others and self. They are usually disciplined more harshly and through this tend to be more harsher on themselves. They can feel major guilt and have to perform and work for their existence because the environment is seen to be critical and harsh on them.

Jezebel's Web of Lies

2014

Internalizes though perceive themselves to be the problem, they feel unworthy ,shrink back from life, despair of life and they tend to want to hide themselves (usually with a mask).

Shame attacks self and Guilt attacks the environment. Shames response is envy and pride and guilt's response is anger and rebellion. They both can be destructive towards self and others. Shame has to perform to feel accepted and guilt has to perform be accepted. Most people have both negative emotions(one is dominant) which show how Jezebel and Ahab work together and have hooks into people.

Jezebel...bitterness, envy, jealousy, pride(compromise with self ie. 'Get what I want', control, put down others, lift self up, work for self, God works for them, false prophets)... Shame won't trust self or forgive self.

Ahab...unforgiveness, hidden anger, rebellion(compromise with environment ie. 'Do what I want', criticize, please others to get recognition, live to work, work for love, work for God, false Apostles)...Guilt won't trust others or forgive others.

Ahab types will not engage a battle of wills with superiors(or equals) for fear of rejection, feeling put upon, made to feel guilty about their performance..etc. But they will thrive in a leadership position without authoritative oversight that may question/doubt their abilities, skills or agenda.

As guilt drives Ahab and shame drives Jezebel, behind these two lie great fears(the fears of satans lies being true) which are really the motivator and driver behind these two spiritual archetypes. Fear doubts; fear second guesses; fear is not sure whether I am accepted and loved, or good enough. It is fear that motivates guilt and shame to perform for love, because it says, 'I am not good enough' or 'I have not done enough' to be accepted. They both say, 'I don't deserve it'. With God together He will specifically help you pin point the lie/lies the enemy has used to keep you in bondage to the spirit of Jezebel and Ahab.

These lies that have ensnared one as a child will need to be unraveled so he/she is able to stand and receive a double anointing to put Jezebel under his feet.

[Without an Ahab there can be no Jezebel at work.](#)

Jezebel's Web of Lies

2014

Men may play the part of Ahab while a Jezebel spirit can also operate through his hurts. Jezebel is an emotional spirit that attacks one's emotions, especially prophetically gifted men and women. People may exhibit both spiritual traits and operate in a Jezebel and Ahab Spirit. They will need deliverance as well as healing while dealing with the devil's lies learned about themselves in childhood.

Godly Order

Jezebel wants Ahab leaders in the Church (and family) so she can sway it any way she pleases; it's not until she is exposed that the real men of God can rise up and take their positions. We often wonder why there are so many more women active in the Church and in leadership positions, and this is mainly the reason. This has been an all-out war on the men of God to restrain them from becoming Jehu's and Joshua's claiming the Promised Land of God for his true Church.

[It is not until they overcome shame and guilt, stand without fear and intimidation that we will see the miraculous once again surface in the Church.](#)

Godly order in marriage and family has been greatly damaged and in a lot of cases turned upside down. Ahab men that have fallen into sexual sin, mental illness, business failure etc.. may become so down that they give up their leadership responsibilities in their family and force their wives to pick up the slack. In reality women hate this but many times they have no choice. The wife becomes bitter because of the situation and a Jezebel spirit starts to operate in the home turning it upside down, causing strife, despair and isolation in the marriage. With her hidden resentment the children follow suit and a man may never be able to pick himself up again to take his God-given position in the home to lead. So he stays there in his quicksand, in a downward spiral that may destroy the family entirely

Jezebel's Web of Lies

unless God intervenes. If he has sons they will become Ahab's and marry Jezebel type wives and the generations down the line may become worse.

If he has daughters they will become like mum and marry a man with an Ahab spirit that will not lead in the home (Spiritually, financially or protectively, or all).

- If one has been abandoned in childhood they will be abandoned in marriage, whether it be physically or emotionally or both.
- If one has had a critical parent in childhood they will have a critical spouse in marriage.

God pairs us with a spouse that will make us deal with our baggage. This can be a path of rapid sanctification if we recognize it and allow it.

It is spiritual warfare...When we realize we are in a spiritual battle we become aware of the enemies devices and are no longer ignorant. We know we don't fight against flesh and blood but against principalities, powers, rulers of darkness and spiritual wickedness in high places. Jezebel is on the highest level - Wickedness in high places. She weaves her web from above and traps those unsuspecting below.

The truth is we are seated in heavenly places and Jezebel is under our feet, along with her compromising weak willed husband Ahab.

She seeks to cause a situation, orchestrate its outcome, seduces you to fall prey to her lies, then watches as she allows you to become so weak in struggling in her web until she can destroy her victim and those around him or her. The issue here is that she can just watch the victim basically destroy themselves struggling with the lies they believe about themselves with the shame and guilt of their past and/or their own sins.
