Chapter one

The Qeren of thusiastērion and mizbêach

Pursuing a purposeful life without a strong qeren of thusiastērion and mizbêach can limit your progress. The truth is that if you don't have an active thusiastērion and mizbêach speaking for you, you will become the enemy's prey.

Many people are living under the bondage of the enemy because they don't know the qeren of thusiastērion and mizbêach. Thusiastērion is the Greek word for an altar; while mizbêach is the Hebrew word for an altar.

Qeren is the Hebrew word for horn. The horn signifies glory and power. If the horn on your altar is weak, anybody can limit you. It would be best if you had strong altars to do great things. It would help if you had an unbreakable horn of altar to live successfully on earth.

In this chapter, I will share with you the mysteries of thusiastērion and mizbêach, how to set up an unbreakable thusiastērion and mizbêach, the fourteen types of thusiastērion and mizbêach and eleven practical ways to set up qeren of thusiastērion and mizbêach.

Knowing these truths will empower you to walk and live in dominion. You cannot live in the blessings of God without knowing the spiritual laws of thusiastērion and mizbêach (altars).

You will become a laughing stone to the enemy if you don't know the technicalities of thusiastērion and mizbêach. You can check out my message on

youtube ([the mysteries of thusiastērion and mizbêach](#)) for more profound revelations.

What is an altar?

Altars don't appear by themselves. It is made or created by someone. An altar is a place of spiritual, soulish, and physical transaction. It is a place where human beings make a covenant with one another.

An altar is where human beings make covenants with spiritual forces, nature, and animals. An altar is a place where spiritual forces get access to the earthly realm. It is a doorway of invisible forces.

For example, your key gives you access to your room. Without your key, you cannot enter your room. In the same way, altars are keys that open the door to spiritual forces (evil spirits or godly spirits).

Moses, Abraham, Noah, Isaac, Jacob, Joshua, Gideon, Samuel, David, Elijah, prophets of God, and several patriarchs built an altar for the Lord because they knew the power within the qeren of thusiastērion and mizbêach.

The Mysteries of Altars

- Have you asked why some people behave in certain ways?

- Have you observed that some leaders, businesses, and organizations cannot progress despite their efforts?
- Have you observed that robbery, fornication, murder, and grave evils rule in specific locations?
- Have you observed that particular behavior and misfortunes dominate some family lines?
- In some families, nothing good comes their way.
- In some families, the women are barren and unfaithful in marriages.
- In some families, people suffer from insanity and incurable diseases.
- In some families, people cannot cross a certain age.
- In some families, it is always a marriage breakup. They cannot stay in a marriage for a long time.
- In some families, the women cannot give birth.
- In some families, the women cannot marry because no one proposes.
- In some families, the men cannot prosper financially.
- In some families, no one can build a house or buy land.
- In some families, no one enters a university or senior high school.

Strange things happen in many families because an altar sponsors the calamities. Nothing happens without a cause. Altars play a vital role in our lives. This is one reason I want to share the mysteries of altars with you.

A proverb in Ghana says, **“if a blind man tells you he will hit you with a stone, he stands on something.”** If you pull something and it fails to come out, something is hindering or holding it. People cannot prosper in life because they are ignorant of altars.

Fly with me as I dissect altars. Do well to share this book with your loved ones so they can grow in wisdom. The revelation within this book can set you and your loved ones free (see John 8:32). Sharing this book with others can save a life.

God demands an altar

And the LORD said unto Moses, Thus thou shalt say unto the children of Israel, Ye have seen that I have talked with you from heaven.

Ye shall not make with me gods of silver, neither shall ye make unto you gods of gold.

An altar of earth thou shalt make unto me, and shalt sacrifice thereon thy burnt offerings, and thy peace offerings, thy sheep, and thine oxen: in all places where I record my name I will come unto thee, and I will bless thee.

Exodus 20:22-24

God demanded an altar because that was the best way he could communicate with his people. The Israelites had a covenant with God because of Abraham, Isaac, and Jacob (Israel). God knew the altar would open the portal for him to share his mind with Moses and the Israelites.

On the altar, the Israelites could sacrifice unto God. An altar is a place of sacrifice. It is a place of blessings. When an altar is built, it gives the spiritual forces the license to operate on earth. If God commanded Moses to build an altar to enable him to share his blessings and atone for the Israelite's sins, then altars are important.

The New Covenant altar

We have an altar, whereof they have no right to eat which serve the tabernacle.

Hebrews 13:10

Christ Jesus is our altar. He stands as the High Priest on the holy (supernatural) altar. His blood makes intercession for us on that altar. It is time to engage the altar of Christ Jesus because it is the most powerful of all altars. This altar can silence every altar.

The Heavenly realm has altars

And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

And I saw the seven angels which stood before God; and to them were given seven trumpets.

And another angel came and stood at the altar, having a golden censer; and there was given unto him much incense, that he should offer [it] with the prayers of all saints upon the golden altar which was before the throne.

And the smoke of the incense, [which came] with the prayers of the saints, ascended up before God out of the angel's hand.

And the angel took the censer, and filled it with fire of the altar, and cast [it] into the earth: and there were voices, and thunderings, and lightnings, and an earthquake

Revelation 8:1-5

There is an altar in heaven that receives the prayers of Christian believers. It is a golden altar that stands before the throne of God. On this holy altar, the angels of God rekindle the fire of the Holy Spirit.

The fire on this altar destroys evil. This same altar will analyze our works (see 1 Corinthians 3:13-15). The altar before God's throne burns with the saints' prayers in the form of smoke. If God allows altars in heaven, then you should cherish an altar.

The Power of an altar

An altar rekindles the presence of the Holy Spirit if righteous and holy activities are performed on it. On the other hand, evil spirits dominate altars of sinful activities.

For example, consistently committing murder or sinning in a specific place creates an evil altar paving the way for demons and evil spirits to access and dominate the area. It is time to engage in righteous activities to create a holy altar. Below are the fourteen types of altars.

The fourteen types of altars

The Altar of sin

Do you know that the body can become an altar? Let's read from the book of Luke, chapter eleven, verses twenty-four to twenty-six.

When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest; and finding none, he saith, I will return unto my house whence I came out.

And when he cometh, he findeth [it] swept and garnished.

Then goeth he, and taketh [to him] seven other spirits more wicked than himself; and they enter in, and dwell there: and the last [state] of that man is worse than the first.

Luke 11:24-26

Christ Jesus said that when an unclean spirit (evil spirit) gets out of a man, it walks in dry places seeking rest. When the evil spirit finds no resting place, it returns to the host (the man) with seven wicked spirits.

This means that man's body can be a resting place or a channel for evil spirits.

When a man continues to live in willful sin, he becomes an altar for evil spirits.

Demons begin to live in the sinful man because he is the doorway to the evil spirits.

Have you realized that some people are so wicked that you cannot analyze their mindset? It is because they have become altars for evil spirits. Their evil deeds have opened a portal for evil spirits to access them, making them household (altars) of demons.

Willful and consistent sin opens the door for evil spirits to build an altar. Observe harlots, womanizers, arm robbers, murderers, sadistic people, and people engaged in grave evil.

You will realize that they are demon-possessed. Their evil deeds have created a channel for evil spirits to live in them. The more a man sins, the larger and more wicked demons become.

More sin multiplies demons. Unrepentant people have unholy altars operating in their lives. They are channels through which evil spirits access the world. Their bodies are altars for demonic spirits. They are Satan's prisoners.

Satanic altars

Satanic agents such as necromancers, Satanists, magicians, sorcerers, wizards, and witches use this altar to perform rituals. Satanic altars are places demonic agents perform animal and human sacrifices.

It is a place of incantations, bewitchment, and spells. This altar opens the portal for satanic agents to invoke the entity of Satan, demons, and evil spirits into the world to cause calamity.

This altar offers human and animal blood to Satan and demons. It allows satanic agents to communicate with demons, people in different locations, and evil spirits. Destructive covenants are made on this altar. It is through this altar that satanic agents receive power. This altar allows satanic agents to monitor their victims (meditate on Luke 10:19).

Altars of curses

This altar opens the door of poverty, late marriage, or no marriage into people's lives. Wicked people and satanic agents use this altar to issue curses of delay, fear, barrenness, disappointment, disaster, road accidents, plane crashes, and poverty into people's lives.

Marine altars

This altar allows evil spirits to commit sexual intercourse with the spirit and soul of human beings. On this altar, the marine spirits defile human beings. Marine spirits are one of the most wicked and strongest evil spirits.
