Title: Pathway to Life through the Holy Scriptures

Author: Eva and Alexander Peck

Description:

Pathway to Life presents in a concise and systematic way the basic teachings of the Bible. It strives to offer a balanced, nondenominational understanding of the Scriptures. Where a biblical teaching can be interpreted in more than one way, this is acknowledged by presenting alternate views. Conclusions are supported by scripture references. However, it is also recognized that some biblical teachings are humanly incomprehensible and must of necessity remain a mystery. While the range of topics is comprehensive, the size and scope of the book do not permit an exhaustive study of any one topic.

May this book help to shed light in the hearts and minds of those drawn to the reality of the Christian life and spirituality – a pathway to life.
