THE BOOK OF REVELATION CHAPTER THIRTEEN

The Two Beasts

13¹ Then I saw a beast coming up out of the sea. It had ten horns there was a crown, and on each of its heads there was a name that was insulting to God. 13² The beast looked like a leopard, with feet like a bear's feet and a mouth like a lion's mouth. The dragon gave the beast his own power, his throne, and his vast authority. 13³ One of the beast seemed to have been fatally wounded, but the wound has healed. The whole earth was amazed and followed the beast. 13⁴ Everyone worshipped the best also, saying, "Who is like the beast? Who can fight against it?" 13⁵ The beast was allowed to make proud claims which were insulting to God, and it was permitted to have authority for two months. 13⁶ It began to curse God, his name, the place where he lives, and all those who live in heaven. 13⁷ It was allowed to fight against God's people and to defeat them, and it was given authority over, every tribe, nation, language, and race. 13⁸ All people living on earth will worship it, except those whose names were written before the creation of the world in the book of the living which belongs to the Lamb that was killed. 13⁹ "Listen, then, if you have ears! 13¹⁰ Whoever is meant to be captured will surely be captured; whoever is meant to be killed by the sword will surely be killed by the sword. This calls for endurance and faith on the part of God's people."

SATAN

11 Then I saw another beast, which came up out of the earth. It had two horns like a lamb's horns, and it spoke like a dragon. 12 It used the vast authority of the first beast in its presence. It forced the earth and all who live on it to worship the first beast, whose wound had healed. 13 This second beast performed great miracles; it made fire come down out of heaven to earth in the sight of everyone. 14 And it deceived all the people living on earth by means of the miracles which it was allowed to perform in the presence of the first beast. The beast told them to build an image in honour of the beast that had been wounded by the sword and yet lived. 15 The second beast was allowed to breathe life into the image of the first beast, so that the image could talk and put to death all those who would not worship it. 16 The beast forced all the people, small and great, rich and poor, slave and free to have a mark placed on their right hands or on their foreheads. 17 No one could buy or sell unless he had this mark, that is, the beast's name or the number that stands for the name. 18 This call for wisdom. Who ever is intelligent can figure out the meaning of the number of the beast, because the number stands for a man's name. Its number is 666.

According to my revelations

The two beasts are:

1. Satan the dragon with ten horns and seven heads living in the abyss of the sea gave his power to a second beast to rule the earth.
2. Allah the lamb like beast risen from the earth.
3. MOHAMMAD is the false prophet and son of Allah giving rise to three forms of "Satan Trinity" on earth to end in The Armageddon.

SYNOPSIS

The book "Slaying the Dragon" ignites for the first time, a new powerful knowledge against the serial killer who is winning through his ideological forces belonging to his religions. Cultures develop the grass roots of religions while knowledge changes simple traditional tales into reality to kill myth and build the formula of the truth. But the grass routes of culture are the real challenger in human character.

Before going into the content, I like to share with you the following breakthrough revealed by the Lord just before publishing the book.

God created man in his own image but to be differentiated after Adam's sin. The evil spirit called soul is shown in the sun light as shadow of the individual without the elaborate details. But after death the soul leaves the body to be free from the body interference and gain the real black image of the person acquiring a ghost like look. The ghost goes to visit favorite places by gliding and may haunt living people. A human in his/her physical form and quality represents the state of the spirit i.e. "We are a living spirit". The purpose of the spirit's occupation in the body form is to bear the original act of creation. The spiritual look moves out from the look of Adam into sharing races by the work of soul. It is the law of love that differentiate us in racism. God is not prejudice in opinion or reason. Prejudice comes from the animal spirit by being occupant destroying what has been built. We are the image of God only when we are in absolute form; a race is called to give helpful attention in thoughts. The invisible forces of religions, cultures and deeds considers the wild side of creation. In other words man falls victim to his own soul. The white color of the spirit gets washed-up to be pale, faded or changed into yellow, brown, red or black. The transfer happens under persuasion power of temptation in money, sex and power. The object of the spirit is to put the truth direct into action and can combat the soul in graceful way. Falseness changes the quality of the Being. The untrue soul exploit the spirit and body for profit and personal gain. A false human can even put hooves under falsity. A good creation is not an entitlement, it has to be earned.

We have eyes detailed under leopard eye of the Dragon and the eye of the Lamb of God to include soul and spirit in the faculties of senses. The eye of the spirit sees the glory of the coming of the Lord and holds Heaven. There is no torch of light in the eye of the dragon, therefore can expect nothing but chaos. As a result, the art of being wise is knowing what to look for and meditation helps anxiety. The

night pushes scarlet sins and drinking troubles. An eye for an eye and tooth for the tooth are two leopard eyes deliberately killing or depriving each other individually instead of understanding each side of the problem. You must pluck the eye offends thee before doing the perishing job. Jesus says: "but whosoever shall smite thee on thy right cheek turn to him the other also". If you pray for them, you are doing the Lamb's work. This is a very important step in bringing peace and a significant act in reforming the Old Testament. The human simple eye is thousands time weaker, its weakness prevents us from seeing the course of action. We can't see the invisible nor the dark energy. A dragon eye is a telescope like can see distant objects appearing to do the dragon's dogmas. We are not qualified to do judgement wisely without error weak eye cannot see what is good and essential. There is no man can incarnate the eye of God only Jesus.

The ear has the benefit of gathering universal knowledge in the wisdom of listening, stirring up memories. Fear, rejection, repression expresses hearing. Traditional stories of religions whether invented or true are history of eye and ear to make culture which is "a mind". Faith comes by hearing the Word of God, one of the rich reflection of the truth, "we hear thee and rejoice". Azan reaches out to an unseen audions is a tool to force the truth.

The evidence that establishes barbarism by the soul lies in the psychological state of suicide connected with a deliberate act of killing. The state of mind is complex and in mountain form relating to soul overcoming spirit. The mental torture begins felt like long knives under act of stabbing under a condition that need suicide.

The book provides contributions along the following lines: See how the earth will change its royalty in the year 2016 and why we are walking to the pain of Armageddon, fulfilling the prophecies in the Bible.

The woe that is felt today signifies "all will be lost". The areas of ruins are chosen by God and also by Allah who is the mystic master holding Satan power on the world to force the end in a double fiery game. We are terrorized by nature and man, bridges are swept away like papers by the power of water, destructions by powers of winds, earthquakes, tsunami and terrorism coming in silence.

The year "2011" holds eleven, the number that I put for destruction. The year that will witness chaos and destruction in coordination with the Muslim world which is an attempt to expand and unite the Muslim truth against the Christian truth. There is no mercy killing but chaotic killings, Allah style. Eleven also calls Muslims to wake up from sleep in eruption form to separate the wolf from the man.

Osama's life ending stands on the same awakening situation. All speaks about people strongly enthusiastic to have the wind of change and the truth behind dictators. The year "2013" attributed to the events will happen according to chapter thirteen of the Book of Revelation describing the Anti-Christ, the two beasts and the false prophet Mohammad who will rule again for three and a half years leading to the Second Coming.

Al-Qaeda is a syndicate of a multi-headed beasts, it combines individuals holding 666 numbers to carry out terror in most fugitive way. If one leader get killed, Al-Qaeda remains as one book of terrorism closes, a new book starts. Al-Qaeda has seven heads equal to the dragon in reflections. Each head can carry what Allah knew. There are hundreds of militant Muslims capable of conducting fatal attack towards soft targets operating under either anger or leadership. Al-Qaeda "the fundamental principle of Islam" has killed thousands of innocent men, women and children of Muslims and Christians around the world, under their impetus drive. The Islamic fields already ploughed and the bad seed scattered on the land of Muslim's world. The Afghan war is the longest in history. It is the battle of ideas under brotherhoods rivalry belonging to different religions. The mystic behind Jihad is its fast route to paradise serving as a stock for sex.

An inspiration by a very evil man produces aspiration. Jihad is an ideology of "murder under cold blood", which is the ugliest thing in the world. Osama bin Laden was a symbol of death and destruction. It took 13 years to hunt him down worldwide and took three presidents of united state as well as Britain to know his location. He was a big chapter, big forefront and a big target. Osama received a bullet in the head to cease him from existence in May, 1st 2011. This is the same day (May 1st), Hitler finished his life by also bullet in the head. Thus $\text{May } 1^{\text{st}} \text{ } 2011 - \text{May } 1^{\text{st}} \text{ } 1945 = 66$ which is an integer that shows interrelationship with the false prophet. The two are rotting in Hell forever without the hope of resurrection. It would have been better to capture Osama who was unarmed. Shooting him make him a martyr while a trial would demystify him to reveal his hidden psyche with its secrets in quality power, as he is one of the chosen ones by Allah.

The world has stepped twice into the spirit of Mohammad to press his foot down through the unbowed bloody Osama, the creator of Al-Qaeda to danger the world. Al-Qaeda is an incurable mind disease, having sixes in captivity for an absolute death of our modern world.

All Osama's life was a culture of blood, money and a testosterone seeking a hole, signifying nothing, not even an invention of a new gun powder. Lust knows not what to do next and death alone gives blood

its true habitat.

There is striking parallelism between Mohammad and Osama bin Laden in a mad dog behavior. Osama came down to us as Mohammad having evil blended with him to give impact under his sentimental glorification of violence, cruelty, extremism and irrationalism. The high likeness is inherited in the following: the two were born in Saudi Arabia, both adopted disciples and divided people into a friend and a foe or dar Al-Harb “the abode of war” and Dar Al-Salam “the abode of peace”. The two had no imam title. Mohammad made his migration (Hijra) from Mecca to Medina for protection. Osama migrated to Pakistan to be safer. The two took the same stand on the unbelievers (infidel or zindiq) as they should be killed under a divine institution called jihad by striking off their heads which is the great command of Allah. The two are closely related in persecution, assassination and brought destruction, giving no pardon. Similarities in harem living under one roof. Osama, in the same way has his approval of black slavery and persecution of Jews and Christians not by reason but by bombs. Guns are easier than swords to result in bloodshed. Osama brought back heresy delivered under “you have been told the truth if you refuse the gun or sword will soak you in blood”.

Osama and Mohammad displayed “hagarism” in the support of “Ischmael belongs to Mecca and Isaac belongs to Jerusalem. Osama if he is Mohammad has no memorandum braced by a new obsessed brain. We will never rest until we know who is that tyrant was, was the mahdi, the restorer of repression (arresting zindiqs in masses, beheading them and displaying their heads on a gibbet)?, remains to be seen. The Lord may have allowed this to happen to show the historian events before the Second Coming. Many of the false prophet actions were the make by storytellers and the material fabricated. Therefore, the “worst of men” has to be witness by the world before the final condemnation. There are scholars openly believe that Mohammad did not exist.

Pakistan is the country to watch, as stupid as Satan is “hosting Osama for twenty years whilst killing 30.000 Pakistanis”. Pakistan is the only Muslim country that has 100 nuclear weapons. It has all reasons to prosper treason. A country possessed by death and dirt games and has so many fools born from hatred, misery exposed to lies and generous pockets. The partnership between U.S and Pakistan made Pakistan receives billions of taxpayer dollars before displaying a sneaky anti terrorist act. This is the way the world ends, not by old ways of asteroids but nuclear. We need a magnifying glass looking at every shift to make a significant contribution. Jesus express: “any
