## Dedication

*The word of God is alive and powerful, sharper than any two-edged sword, piercing even to the dividing asunder of the soul and the spirit, and of the joints and the marrow, and is a critic of thoughts and intents of the heart. (Heb 4:12) All Scripture is God-breathed, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God might be mature, thoroughly furnished unto all good works. (2Tim 3:16-17) Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. (2Tim. 2:1)*

This compilation of doctrinal principles is dedicated to my pastor of some 40+ years, Col. R. B. Thieme Jr., who, in my humble opinion, is one of, if not the, foremost theologian of the 20<sup>th</sup> century and most likely many others as well. Without his consistent undaunted dogmatic teaching of Bible Doctrine this document would not have been possible and I would most likely NOT have a clue about the Christian Way of Life. In his physical presence, mental acuity, supreme dedication to the word of God and overriding dogmatic veracity in the presentation of the doctrines of the bible he has been a life changing inspiration to myself and literally hundreds of thousands of other believers throughout the world. I, and these others I am sure, look forward to the honor of standing in ranks before the Judgment Seat of Jesus Christ as representatives of the “Berachah Battalion” who have grown up in the Spiritual Life as a result of his phenomenal grace teaching.

I would like to give special thanks to Pastor Robert Lyon who has been a constant stimulus and encouragement to me in putting this and other materials together as a consolidation of bible doctrine to enable others to assimilate or review.

## Preface

Before a believer begins to study anything related to bible doctrine he must name or acknowledge his sins privately to God the Father in order to be forgiven those and all other sins, to be placed again into fellowship with God and under the teaching and guiding ministry of God the Holy Spirit. 1<sup>st</sup> John 1:9 states, “If we confess (name or cite) our (known) sins, He is faithful and justified to forgive us our (known) sins and to cleanse us from all unrighteousness (unknown sins).” This will put the believer into fellowship with God and under the Filling of God the Holy Spirit in a state of Genuine Humility and teachability and ready to learn Bible Doctrine. If you have never personally expressed faith alone in The Lord Jesus, The Christ alone the issue is NOT naming your sins. The issue is nonmeritorious faith alone in Christ alone. “He who believes in the Son has Eternal Life; But he who does not obey the command to believe in the Son shall not see life, but the wrath of God abides on him.” (John 3:36)

If we are totally objective we must admit to having delusions about some things in life at some time. For myself there is ONE thing in this life which I have no delusions about, Bible Doctrine. Were it not for the teaching ministry of Col. R. B. Thieme Jr. and his consistent clear, concise and DOGMATIC presentation of the doctrines of the bible I would know nothing of orthodox fundamental biblical doctrine and the Christian Way of Life. I have no delusion about my knowledge, calling or spiritual gift; and, recognize that I could not do what he and many other pastors have done, and continue to do, in the constant studying and teaching of doctrine to their congregations. Over the years I have learned innumerable principles from these studies by Pastor Thieme. One of the most important things I have learned has been that “One’s rate of learning MUST exceed one’s rate of FORGETTING” in order to advance in the Spiritual Life or to maintain one’s level of spiritual growth. This amplifies the necessity therefore of constant consistent Post Salvation Epistemological Rehabilitation through Perception, Cognition, Inculcation and Metabolization of Bible Doctrine and ultimately the application of it to life. It is my desire that this document be a source of consolidated doctrine to fulfill that very purpose.

This is a compilation from my notes on the principles directly derived from the lessons taught by my pastor, Col. R. B. Thieme Jr., in the period from the 1960s to the end of his ministry, in the studies involving the Book of John and many other lessons as well. Within these lessons he delineated a structure to be developed in the believer’s soul enabling him to weather the storms of life and execute to completion the Protocol Plan of God. In these studies the Colonel delineated 6 structural components for a “BUILDING” within the soul. However, during my studies I have discovered that he used differing doctrinal concepts as these levels at different times. I have decided to try to consolidate all of the teaching regarding what he called the Edification Complex of the Soul and have expanded the structure to include a foundation and 8 levels or floors of the “BUILDING” in the soul. All of these concepts were taught after many years of Pastor Thieme serving in his ministry of Studying and Teaching Orthodox Fundamental Biblical Christian Doctrine according to an Isogical, Exegetical and Categorical method. With this in mind be conscious of the fact that some of the terminology, doctrine and principles presented here will be, at best, obscure and possibly difficult for the new or infant believer. It

took the Colonel many years to come to the point of being able to extract these doctrines and principles from the original languages of scripture so it should reasonably require some years of study by the believer under his type of ministry to be able to understand what is herein contained. To facilitate this understanding on the part of the reader I have linked segments of this document with others to enable the reader to review or recall concepts, principles, technical vocabulary and doctrines while reading. I have also included a Glossary of terms and sections of fundamental doctrinal principles and scriptural passages which I believe will help in this endeavor. Whenever I use references to terms found in the Greek, Hebrew, Latin or Aramaic languages I indicate them with the (gr), (heb), (lat) or (aram) as a precursor to the terms.

As one would expect, I have entered opinions and concepts of my own from what I have learned from my studies of Pastor Thieme's teaching of Bible Doctrine in later lessons, from later years and from life experiences and other current materials regarding ongoing historical and social trends. I have in addition not kept the organizational system of the Edification Complex of the Soul identical to what the Colonel had listed. The effort here on my part has been to expand the principles and consolidate them in order to provide a place where believers might go to acquire or review concise but detailed concepts related to building their Edification Complex of the Soul while living as a Christian. However, nothing contained herein is ever to be construed to have been originated by my personal abilities to extract doctrines from the scripture. Neither is this to be a substitute for consistent daily study under one's right Pastor Teacher in order to develop the momentum needed to reach and hold on to spiritual maturity, the ultimate objective of the Spiritual Life. I have taken the liberty of trying to only add pertinent examples of historical and social trends which I see occurring some time after these lessons elucidated them. If more details and reference passages are desired on the Edification Complex of the Soul or how these principles were derived the original lessons can be ordered from [R. B. Thieme Jr. Bible Ministries](#), P.O. Box 460829, Houston Tx. 77056-8829, or by phoning 713-621-3740.

My objective in presenting this compilation of Bible Doctrine does not include nor am I concerned as to whether it is considered good or bad, liked or disliked as a message but whether God the Holy Spirit can use the doctrinal content in the life of YOU the believer reading it. I have nothing to prove to anyone in life and it is only getting the message through to the YOU, the reader, that is important to me so that there is something for God the Holy Spirit to use. I have, in fact, attempted to organize these principles into discrete segments or categories. However, these principles resist any real attempt at separation into singular units being intricately interlocked into a system of construction to enable explicit understanding of God and prevent distraction from the Christian Way of Life. With this in mind understand that there will be duplication and repetition and one type of soul function cannot be distinctly separated and individually studied without relating its impact on and from, very often, several others. However, as is clearly delineated in the chapter on Soul Functions and what the Colonel might have said on occasion: "REPETITION, REPETITION, REPETITION IS INVALUABLE SO GET USED TO IT AND ENJOY IT.

### **Introduction to the Edification Complex of the Soul**

From Salvation Adjustment to the Justice of God the soul of the believer LACKS something of GRACE and this is the Edification Complex of the Soul. The Bible depicts the process of strengthening of the soul in terms of erecting a structure or constructing a building in the soul. This process is called edification. An edifice is a building, and the Greek verb *oikodomeo*, “to edify,” is a compound from *oikia*, “house,” and *domeo*, “to build”. The believer therefore attains spiritual maturity when he completes the construction of the building or edifice of the Edification Complex in his soul and lives in the penthouse, the completed **State of Happiness**.

### **Filling the Deficiency of the Soul**

In Ephesians Paul wrote “in order that we may be filled up with the fullness of God” this “Fullness of God” is the Edification Complex completed in your soul. (**Eph 3:19**) “That we might be filled with THE ALL THINGS” of the Escrow **Super – Grace** blessings for time and eternity. Therefore, the construction of the Edification Complex of the Soul is filling the Deficiency of the Soul and when it is completed the believer has reached **Maturity Adjustment to the Justice of God** and has developed the capacity for the 6 categories of Escrow Super – Grace blessings set aside for him in Eternity Past by God the Father. The foundation for the Edification Complex of the Soul is the Filling of God the Holy Spirit whose ministry is required for the believer to make any advancement in the Spiritual Life. Maintaining the **Filling of God the Holy Spirit** is based on the Perception, Cognition, Inculcation and **Metabolization of Bible Doctrine** under the ministry of God the Holy Spirit using the **Grace Apparatus for Perception** in order to gain an understanding of the necessity for consistent use of the Rebound Procedure. Therefore, it is the PURPOSE of the Grace Apparatus for Perception to enable the believer to build a completed Edification Complex of the Soul in his soul constructed from MAXIMUM Metabolized Bible Doctrine accumulated into the Right Lobe of his Stream of Consciousness of the Soul. Thus the erection of the Edification Complex in the soul of the believer establishes a **Divine Viewpoint** Frame of Reference, Scale of Values and Norms and Standards as a result of the accumulation of the Metabolized Bible Doctrine which is needed to apply Bible Doctrine to every exigency in life. The Grace Apparatus for Perception is therefore the source of the construction materials used to build the Edification Complex of the Soul. (**Eph 4:12-13**)

### **2 Spirits & the Edification Complex of the Soul**

2 “Spirits” are required for the function of the Grace Apparatus for Perception, Cognition, Inculcation and Metabolization of Bible Doctrine:

- God the Holy Spirit who causes the Grace Apparatus for Perception to function only when he is in control of the soul of the believer. (**1John 2:27**)
- The Human Spirit which is the target for the information gained from the functions under the Grace Apparatus for Perception. (**1Cor 2:12-13, Rom 8:16, Job 32:8**)

Consequently the construction of the Edification Complex of the Soul requires function under

Stage 1 of the [Faith Rest Drill \(5 Stages\)](#), Faith Perception, consistently and persistently for daily Perception, Cognition, Inculcation and Metabolization of Bible Doctrine under all situations and conditions in one's life. ([James 1:3-4](#)) Therefore, the Edification Complex of the Soul CANNOT be constructed in the soul of the unbeliever, first requiring a Human Spirit, which is created new by God the Holy Spirit at Salvation Adjustment to the Justice of God and second requiring the Filling of God the Holy Spirit which is only available to believers. Thus, the reality of the "soulish man" the unbeliever or non-christian being unable to understand spiritual things. ([Jude 19](#))

### **Grace Provisions for Development of the Edification Complex**

The believer is said to be "Grounded" ([Eph 3:17-19](#)) which is a reference to the permanence of the Foundation of the Edification Complex of the Soul provided for him at Salvation Adjustment to the Justice of God, with the result that ON THE FOUNDATION he can then continuously and systematically erect the "Floors" of the building of the Edification Complex of the Soul. At Salvation Adjustment to the Justice of God the believer is instantly the recipient of the ministry of God the Holy Spirit, the Filling of God the Holy Spirit, which is essential in forming the Edification Complex in the soul and he does not EARN nor DESERVE it. However, he can lose this ministry of the Filling of God the Holy Spirit through carnality but can also recover it through the use of the [Rebound Procedure](#). ([1John 1:9](#)) The point is that the execution or fulfillment of the Protocol Plan of God requires the Edification Complex of the Soul be constructed in the Right Lobe of the Stream of Consciousness of the Soul from Metabolized Bible Doctrine. Therefore, there is no experience involved in such construction. The emphasis is on the 'experience' of consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine ONLY. This Church Age dispensation is the stage of the intensification of the Angelic Conflict and it DEMANDS intensification of the Perception, Cognition, Inculcation and Metabolization of Bible Doctrine and ALL experiences in the life are meaningless in the Spiritual Life and at best are simply beneficial Human Good Functions and Productions under the principles of EVIL and at worst distractions or deceptions from Bible Doctrine. The only true requirement for the believer in the Church Age is extreme Positive Volition toward Bible Doctrine and when this is present it will be maintained and extended during all of life's circumstances which results in Triple Compound Divine Good production. The emphasis has been for many decades in Christian circles for the believer to get out and [DO things for God](#), however, in reality, the first thing which should be occurring in the Christian Way of Life is consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. The irony and incredible truth is that ALL of the emotional experiences and human efforts found in Christian circles today, the Rosy Glow functions, and helping better mankind's plight, can be just as easily experienced by the unbeliever WITHOUT the COMPLICATIONS of being involved in the intensified Angelic Conflict.

### **Divine Provisions for the Edification Complex of the Soul**

The divine provisions to enable the believer to individually construct his own Edification Complex in his own soul are Grace provisions and are based on the Grace Apparatus for Perception, Operation Z:

- Communication of Bible Doctrine from a permanent source

- This is the formation and preservation of the Canon of Scripture throughout history by the Grace of God despite having been constantly subject to the most fantastic satanic attacks. This “canon” is a standard or measuring device, the ultimate and final Authority in the Christian Way of Life.
- Authorization of the local church for communication of Bible Doctrine
  - This is NOT the authorization of a joining of pastors to form a “church” organizational structure known as a “Denomination” nor for alternative “Christian” organizations overriding the individual local church without even a single Pastor Teacher involved.
- The Spiritual Gift of Pastor Teacher for men to provide the teaching of Bible Doctrine to a congregation after proper preparation.
  - There is absolutely NO authorization in the scripture for a woman to be teaching Bible Doctrine to adults in any form or group. Neither should the evangelist try to function as a Pastor Teacher. Every individual local church should have ONLY one man with the spiritual gift of Pastor Teacher functioning to study and teach Bible Doctrine to his congregation using the process of Isogogic, Categorical and Exegetical analysis OF THE ORIGINAL LANGUAGES OF SCRIPTURE. Just as there is a right man for ever woman and vice versa, there must be a right pastor for ever believer and congregation. The Spiritual Gift of Pastor Teacher, as the ONLY communicator of Bible Doctrine in the local church, FEEDS Bible Doctrine into the Grace Apparatus for Perception for the individual believer.
- The Royal priesthood of the believer to guarantee privacy for the Reception of communicated Bible Doctrine as a provision of the Grace of God.
  - Every individual believer priest has a right to take in Bible Doctrine in privacy and accept or reject it according to his own volition. This clearly invalidates ANY system of 1 on 1 teaching or counseling or using a systematic evaluation system.

### **The Fulfillment of the Soul**

The Edification Complex of the Soul is the fulfillment of the soul which is saved at Salvation Adjustment to the Justice of God but which lacks something of Grace and is not (gr) PLEROO, a state of fullness or completeness, until the Edification Complex of the Soul is completed. There is a logical order of building and development of the individual floors of the Edification Complex of the Soul, but they are by no means constructed strictly sequentially and the development of one floor may depend on the simultaneous development of one or more of the other floors. Several or even ALL of the floors may in fact be in the process of construction at the same time. However, the order of the initial construction of the Edification Complex of the Soul totally depends on what Bible Doctrine the believer learns first in his Spiritual Life and how that relates to his background and personal character. One believer may begin to orient to the details of life properly or begin with development of a gracious character or a build up a Relaxed Mental Attitude and develop the other areas around that starting point. However, the complete development of perfect inner happiness and contentment, Sharing the Happiness of God, is definitively the penthouse of this soul edifice because its completion is dependent on the development of all the other floors.

There are unbelievers who are extremely gracious people who treat others on the basis of their own character and integrity rather than on the basis of what these others have earned or deserved based on their own practices in life. This person having a background of graciousness, when he begins the intake of Bible Doctrine, he naturally orients first to Grace and uses the Bible Doctrine to build on this level first. Another person comes from a background where he did not have a lot of material means and where he was taught to be frugal so the importance of having the details of life was never an issue to him and it would be very easy for these people to take Bible Doctrine and begin to build this area in the Edification Complex of the Soul first. Therefore, the unbeliever can master the details of life or have a level of orientation to people through graciousness to some degree or can develop a level of happiness from his adherence to the Laws of Divine Establishment and Divine Institution or built a capacity to Love another and thus begin to develop his Edification Complex of the Soul, when he initially engages in the Perception, Cognition, Inculcation and Metabolization of Bible Doctrine, in that specific areas first.

### **The Pseudo Edification Complex of the Soul**

There also can be in the unbeliever the potential for developing a Pseudo Edification Complex in his soul based on his Left Lobe of the Soul being internally structured based on the information obtained from his secular background, upbringing, education, employment histories, all of life's experiences. However while the true Edification Complex of the Soul is constructed from the principles and categories of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul the Pseudo Edification Complex of the Soul is built up from Academic Knowledge, (gr) Gnosis and EMOTION.

### **The Structure of the Human Soul**

- ◆ Frame of Reference = a conceptual structure of the Soul's right lobe in which technical theological terminology, doctrinal principles and categories of scripture are initially deposited and where they are, like pieces of a puzzle, placed into their proper place to form a picture, Divine Viewpoint, for the Spiritual Life of the Church Age.
- ◆ Memory Center = the area for storage of Bible Doctrine for Recall, and the source Bible Doctrine for circulating during Recall and modification of the content of the soul.
- ◆ Vocabulary Storage = is a system of memory integration and the relationship of principles and concepts to individual words.
- ◆ Categorical Storage = is the classification of Bible Doctrine based on the similarities of its subject matter.
- ◆ Conscience = the Norms and Standards and Scale of Values of the Right Lobe of the Soul based on Metabolized Bible Doctrine stored in the Memory Center and Categorical Storage areas and the modified conceptual structure in the Frame of Reference.
- ◆ Momentum Compartment – Spiritual Growth = the sphere of motivation for Spiritual Growth which results in **Progression in the Sophisticated Spiritual Life** for the **Church Age** and systematic Execution of the Protocol Plan of God resulting in Glorification of God.

- ◆ Wisdom Compartment – Application Area = The area from which application of Metabolized Bible Doctrine occurs and is the direct contact of the compartments of the soul with the Forward Line of Troops of the SOUL in order to develop and deploy the [10 Problem Solving Devices](#).

### **Right vs Left Brain – Right vs Left Lobe**

The soul is composed of at least four invisible but real parts:

- Self-consciousness, [Acts 20:10](#)
- Mentality, [Prov 19:2](#)
- Volition, [Acts 3:23](#)
- Emotion, [Luke 12:19](#)

The mentality of the soul is divided into two parts: the left and right lobes. The right lobe is where you do your thinking, analyzing, applying of knowledge, and is the seat of common sense. The left lobe is your place of assimilating information and the area where your talent functions. Brain scientists indicate that two persons inhabit one's head, each residing in the two separate hemispheres of the brain. According to scientists, one is verbal, analytical, and dominant, while the other is artistic, musical, and non-dominant. Scientists name the non-speaking or mute side as the right hemisphere however the Bible names it the left lobe and the verbal hemisphere as the right lobe, opposite to what scientists name the brain hemispheres and most likely based on a viewpoint perspective with scientists looking from within and the bible from without. The two half brains are linked together by millions of nerves forming a thick cable called the corpus callosum which when severed or damaged results in the left side of the brain no longer knowing what the right side is doing. However, the speaking half of the patient is controlled by right lobe so that the person still insists on finding excuses for whatever the left side has done. His thinking part is severed from his non-thinking part and still operates under the illusion that he is one person, and that his lobes are combined. Normally the two halves of the brain are integrated into a single mentality with the speaking half, the Right Lobe being called (gr) Kardias, the "heart" by the Bible. The heart, (gr) Kardias, is part of the essence of the soul; it is the thinking, reasoning part. It is designed to dominate the soul. Therefore, it must be the ultimate target for doctrinal teaching. ([1Kings 3:9-12](#); [Ps 119:11](#), [Ps 19:14](#)) However, to reach this target, Bible Doctrine must first pass through two staging areas: the Human Spirit and the Left Lobe of the Soul.

### **The Essence of the Biblical Heart**

The heart is a metaphor for the right lobe of the soul. Just as the heart circulates blood through the physical body, so the Right Lobe of the Stream of Consciousness of the Soul circulates metabolized doctrine in the spiritual body of the human soul.

### **Frame of Reference**

The Frame of Reference is the conceptual structure in the Right Lobe of the Soul to which doctrines, principles, and categories of Scripture are related. It is the entrance or antechamber of the Right Lobe of the Soul as the first place where accepted or metabolized Bible Doctrine

goes. This occurs because knowledge is built upon knowledge; truth is built on truth, Bible Doctrine is built upon Bible Doctrine, so that one must learn from the simple to the complex. In the Frame of Reference, information enters, is analyzed and compared to former content and then can be processed out to be circulated through the other parts of the soul to modify the content of the soul compartments. The simple principles will be the foundation in the Frame of Reference for building complex principles involved with systematic theology. In essence, spiritual growth results in systematic theology being structured into the compartments of one's soul. The Frame of Reference is the location where the information for the 10 Problem Solving Devices for the Church Age are developed and then categorically stored in the Right Lobe of the Soul and deployed onto the Forward Line of Troops of the soul. Metabolized Bible Doctrine contained in the Frame of Reference is the basis for the construction of the Edification Complex of the Soul based on information arranged and stored in the memory center, vocabulary storage and categorical storage areas. It is also the basis for the execution of the protocol plan of God; therefore, it is the basis for the Glorification of God and for the manufacturing of invisible heroes out of mature believers in this Church Age. The accumulation of Metabolized bible doctrine in the Frame of Reference increases one's Spiritual IQ and provides the basis for learning more advanced doctrines. Metabolized Bible Doctrine in one's Frame of Reference provides his divine viewpoint perspective, and it begins to shape his mental attitude for the conflict between divine and human viewpoint, which is a constant struggle throughout one's Life. It is the Metabolized Bible Doctrine in the Frame of Reference from which the motivation for consistent advancement in the protocol plan of God comes. It creates motivation for learning more doctrine which in turn results in increased momentum and greater motivation to learn more Bible Doctrine which eventually leads to execution of the Protocol Plan of God. Therefore, the Right Lobe of the Stream of Consciousness of the Soul is the source of Concentration and the ability and motivation for concentration starts within the Frame of Reference. ([Prov 4:4](#)) There is no way for the believer to understand all that God has prepared for him apart from his accumulation of Metabolized Bible Doctrine into his Frame of Reference as a result of consistent function under the Grace Apparatus for Perception. ([1Cor 2:9-10](#)) The Frame of Reference also constructs an Instant Reaction Force in the Right Lobe of the Stream of Consciousness of the Soul or a red-alert system, from metabolized doctrine, so that the believer can discern what is true and what is false in the communication of Biblical information. It is the Metabolized doctrine in the Frame of Reference which has been formed into the 10 Problem Solving Devices which when circulated through the compartments of the soul is then deployed onto the Forward Line of Troops of the soul as the Instant Reaction Force to enable the believer to [Resist](#) the attacks of Satan and his Cosmic Dynaspheres.

This alert system of the Frame of Reference's is Essential in the Christian Way of Life because the believer must learn to avoid error, falsehood, con artists in the spiritual realm, false teachers, and phony Christian service which is used to con believers into neglecting Post Salvation Epistemological Rehabilitation. Metabolized Bible doctrine in the Frame of Reference, Memory Center and Categorical Storage areas produces [Recall](#) of Bible Doctrine which is directed from the Wisdom Department of the Soul in application to the various situations and circumstances of life. ([Lam 3:20-25](#)) It is the Frame of Reference which provides the basis for effective communication of Bible Doctrine in witnessing. The Frame of Reference provides capacity for life, happiness, blessing, success, prosperity, and promotion. [Ps 119:6](#) demonstrates that the Frame of Reference works closely with the Vocabulary Storage, Memory Center and Categorical Storage in orienting the believer to God, his Plan and Life in general.

### **[Memory Center](#)**

While the Frame of Reference is the location for the classification of Bible Doctrine, the memory center is the sphere for storage of repeated Bible Doctrine and the subsequent Recall of Bible doctrine from all areas of the stream of consciousness of the soul. A Bible Doctrine has not been inculcated until one cannot forget it! The principle is that the rate of learning must always exceed the rate of forgetting. Therefore, [Retaining](#) doctrine is a matter of balancing out the rate of learning and the rate of forgetting. Consequently, the extreme importance of the inculcation of Bible doctrine from consistent repetition. When the rate of learning is greater than the rate of forgetting, the total quantity of metabolized doctrine increases both in the Frame of Reference and in the Memory Center. When the rate of forgetting is greater than the rate of learning, then the total quantity of Metabolized Bible Doctrine decreases both in the Frame of Reference and Memory Center, and also in circulation throughout the rest of one's stream of consciousness. Therefore circulation of metabolized doctrine throughout the entire stream of consciousness decreases resulting in a decrease in the ability to apply that Bible Doctrine to the exigencies of life. The Memory Center is the circulation link between the Frame of Reference and the other five compartments of the stream of consciousness of the soul. ([Lam 3:20-23](#); [Ps 119:6](#)) Thus when Bible Doctrine is repeated and inculcated the believer develops a personal treasury of Bible doctrine circulating in his Stream of Consciousness of the Soul and this is a treasury which cannot be destroyed.

Therefore, Recall is necessary for the application of doctrine to experience, for worship, for Prayer, for training the Christian reflexes, and is the basis for structuring and the function of the Problem Solving Devices. The memory center, after much repetition, stores and circulates Bible doctrine into the various parts of the right lobe thereby producing Bible Doctrine associations which generate this Recall. The believer will associate things in his Frame of

Reference and then remember them from the function of circulation of Bible Doctrine out of the memory center. Recall is therefore synonymous with the application of Bible doctrine to experience and therefore a part of wisdom (gr) Sophia. Consequently, Recall is the basis for the function of all ten of the Problem Solving Devices. Simple solutions like the [Rebound Procedure](#) require only 1 verse, [1John 1:9](#) so that the situation of Sin, which occurs constantly, can be very short lived and have a very simple solution. However, complex solutions to more complex problems require complex Recall which can only occur after more advanced principles and categories of Bible Doctrine have been learned. As an increasingly more complex solution Recall is the basis for the function under the [Faith Rest Drill \(5 Stages\)](#) where complex [Doctrinal Rationales](#) must be extracted from learned, stored and categorized Bible Doctrines. Recall has nothing to do with whether or not one has a good memory as a human being. It has everything to do with the inculcation of doctrine and consistency in the function under the Filling of God the Holy Spirit and Grace Apparatus for Perception. In order to store and then Recall for application any doctrine the believer must hear it hundreds of times and the more he hears it, the sooner he will apply it.

The believer can only apply what he has already learned. Therefore, Recall is the application of (gr) Epignosis or Metabolized Bible Doctrine stored and circulating in the right lobe of the soul to the situations and circumstances of life, this is Wisdom (gr) Sophia in the Christian Way of Life. ([Lam 3:20-24](#)) It is therefore the Recall from memory which brings about the development of Humility as [Foundational Virtue](#), the underlying basis of function in the spiritual life? ([Lam 3:21](#)) [Ps 119:6](#), reflects the thinking of the young Jews on the long march from Jerusalem to Babylon after the Assyrian defeat of Israel, during which they were terribly treated and constantly abused. They had heard the Bible Doctrine possibly from Ezra who was along with them and were by Grace able to Recall it under the most awful circumstances in order to allow them to endure the abuses of their captivity. ([Ps 119:109](#)) It is a combination of the Frame of Reference, the Memory Center and Categorical Storage which results in the Recall of Bible Doctrine. The context of this passage ([2Cor 10:4-6](#)) is the Angelic Conflict, and the issue is the weaponry provided for the believer by God for his constant spiritual battles. Therefore, the believer is to engage in consistent Bible Doctrine study to arm himself spiritually and all of this weaponry provided for the believer by God is all in one arsenal, the [Divine Dynasphere](#).

Recall is also necessary for the creation of the “Mirror in the Soul” within which one’s true self can be observed and reflected upon and ultimately revised or restructured. Recall is necessary for the function of the spiritual reflexes of the [Sophisticated Spiritual Life](#). These “Spiritual Reflexes” are systems which take accumulated principles which have been

extrapolated from Bible doctrine and use them on an instantaneous response basis. They are first used to reinforce the Promises of God and later, after further spiritual growth, to form [Bible Doctrine Rationales](#) and come to Bible Doctrine Conclusions to resolve any situations or circumstances in one's life. In an instant of time the advancing and mature believer comes up with the right principle, the right answer, the right concept, and makes the right decisions and moves. However, the Memory Center content can be and is destroyed by the build up of Scar Tissue of the Soul from the degradation of the Spiritual Life which occurs as one slides down through the 8 stages of [Reversionism](#).

### **Vocabulary Storage.**

This is the place where thinking develops and where technical words are stored with their clearly defined associations which develop new ideas. The vocabulary of Bible doctrine is of supreme importance because one cannot ever think beyond his vocabulary therefore one's vocabulary must consist of more than profanity and slang. Vocabulary is a system of individual terminology in memory. One word can be brought to mean a great many things so that it can cause the function of Recall of Bible Doctrine principles bringing the correct answers at the proper times thus providing a most advantageous situation. Vocabulary storage is therefore a dictionary in the believer's soul. ([Jer 15:16](#)) Moses established the fact that the absolutes of Bible doctrine are composed of words. The absolutes of Bible doctrine must become spiritual thinking composed of words. ([Deut 8:3](#)) This Vocabulary Storage is therefore the location of all technical theological nomenclature, biblical metaphors, teaching acronyms through which Bible doctrine is classified and ultimately categorized for instant Recall. The believer must learn the technical meanings of such vocabulary as "Rebound, Faith-Rest, Dispensations, Hypostatic Union, Protocol Plan of God, Portfolio of Invisible Assets, Substitutionary Spiritual Death, Common and Efficacious Grace, Election, Predestination, Absolutes vs Relatives or Variables, the Baptism of God the Holy Spirit, and a myriad of other technical theological terms. This brings into clarity the Christian Way of Life and the purpose and function of the individual believer therein. The point is that after making Salvation Adjustment to the Justice of God the believer is a spiritual infant and just like the human infant must learn a vocabulary with which to think, express, apply and thus utilize Bible Doctrine in his life. The main problem in the Christian Way of Life is that the believer cannot think in terms of the GRACE nor the Plan or Purpose of God without proper vocabulary. As with all aspects of learning, technical Vocabulary related to the Spiritual Life and Bible Doctrine is perceived and understood academically in the left lobe of the soul and only transferred to the right lobe when it is accepted.
