Dedication

The word of God is alive and powerful, sharper than any two-edged sword, piercing even to the dividing asunder of the soul and the spirit, and of the joints and the marrow, and is a critic of thoughts and intents of the heart. (Heb 4:12) All Scripture is God-breathed, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God might be mature, thoroughly furnished unto all good works. (2Tim 3:16-17) Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. (2Tim. 2:1)

This compilation of doctrinal principles is dedicated to my pastor of some 40+ years, Col. R. B. Thieme Jr., who, in my humble opinion, is one of, if not the, foremost theologian of the 20th century and most likely many others as well. Without his consistent undaunted dogmatic teaching of Bible Doctrine this document would not have been possible and I would most likely NOT have a clue about the Christian Way of Life. In his physical presence, mental acuity, supreme dedication to the word of God and overriding dogmatic veracity in the presentation of the doctrines of the bible he has been a life changing inspiration to myself and literally hundreds of thousands of other believers throughout the world. I, and these others I am sure, look forward to the honor of standing in ranks before the Judgment Seat of Jesus Christ as representatives of the “Berachah Battalion” who have grown up in the Spiritual Life as a result of his phenomenal grace teaching.

I would like to give special thanks to Pastor Robert Lyon who has been a constant stimulus and encouragement to me in putting this and other materials together as a consolidation of bible doctrine to enable others to assimilate or review.

Preface

Before a believer begins to study anything related to bible doctrine he must name or acknowledge his sins privately to God the Father in order to be forgiven those and all other sins, to be placed again into fellowship with God and under the teaching and guiding ministry of God the Holy Spirit. **1st John 1:9** states, “If we confess (name or cite) our (known) sins, He is faithful and justified to forgive us our (known) sins and to cleanse us from all unrighteousness (unknown sins).” This will put the believer into fellowship with God and under the Filling of God the Holy Spirit in a state of Genuine Humility and teachability and ready to learn Bible Doctrine. If you have never personally expressed faith alone in The Lord Jesus, The Christ alone the issue is NOT naming your sins. The issue is nonmeritorious faith alone in Christ alone. “He who believes in the Son has Eternal Life; But he who does not obey the command to believe in the Son shall not see life, but the wrath of God abides on him.” (**John 3:18, John 3:36**)

If we are totally objective we must admit to having delusions about some things in life at some time. For myself there is ONE thing in this life which I have no delusions about, Bible Doctrine. Were it not for the teaching ministry of Col. R. B. Thieme Jr. and his consistent clear, concise and DOGMATIC presentation of the doctrines of the bible I would know nothing of orthodox fundamental biblical doctrine and the Christian Way of Life. I have no delusion about my knowledge, calling or spiritual gift; and, recognize that I could not do what he and many other pastors have done, and continue to do, in the constant studying and teaching of doctrine to their congregations. Over the years I have learned innumerable principles from these studies by Pastor Thieme. One of the most important things I have learned has been that “One’s rate of learning MUST exceed one’s rate of FORGETTING” in order to advance in the Spiritual Life or to maintain one’s level of spiritual growth. This amplifies the necessity therefore of constant consistent Post Salvation Epistemological Rehabilitation through Perception, Cognition, Incultation and Metabolization of Bible Doctrine and ultimately the application of it to life. It is my desire that this document be a source of consolidated doctrine to fulfill that very purpose.

This is a compilation from my notes on the principles directly derived from the lessons taught by Col. R. B. Thieme Jr. Many of the lessons from which this compilation is derived, having been taught many years prior to the time of my compiling this document, still, to this day, reflect a condition which exists and is essential in the Spiritual Life and which is generally ignored and unrecognized by the Christian. All of these lessons were taught after many years of Pastor Thieme serving in his ministry of Studying and Teaching Orthodox Fundamental Biblical Christian Doctrine according to an Isagogical, Exegetical and Categorical method. With this in mind be conscious of the fact that some of the terminology, doctrines and principles presented here will be, at best, difficult or obscure for the new or infant believer. It took the Colonel many years to come to the point of being able to extract these doctrines and principles from the original languages of scripture so it should reasonably require some years of study by the believer under his type of ministry to be able to understand what is herein contained. To facilitate this understanding on the part of the reader I have interlinked segments of this document with others to enable the reader to review or recall concepts, principles and doctrines

while reading. I have also included a Glossary of terms, a compilation of expanded translations of biblical passages and sections of fundamental doctrinal principles which I believe will help in this endeavor.

As one would expect, I have entered some opinions and concepts of my own from what I have learned from my studies of Pastor Thieme's teaching of Bible Doctrine in later lessons, from later years and from life experiences and other current materials regarding ongoing historical and social trends. Therefore, one should understand that I have not kept the organizational system of the Entrance and Function "Gates" of the Divine Dynasphere identical to what the Colonel had listed. The effort here on my part has been to consolidate maximum principles of spiritual function and spiritual growth in order to provide a place where believers might go to acquire or review, concise but detailed, concepts related to maintaining life as a Christian in the Power System of God. However, nothing contained herein is ever to be construed to have been originated by my personal abilities to extract doctrines from the scripture. Neither is this to be a substitute for consistent daily study under one's "right" Pastor Teacher in order to develop the momentum needed to reach and hold on to spiritual maturity, the ultimate objective of the Spiritual Life. If more details and reference passages are desired on the Divine Dynasphere or how these principles were derived the original lessons can be ordered from **R. B. Thieme Jr. Bible Ministries**, P.O. Box 460829, Houston Tx. 77056-8829, or by phoning 713-621-3740.

My objective in presenting this compilation of Bible Doctrine does not include, nor am I concerned as to, whether it is considered good or bad, liked or disliked as a message but whether God the Holy Spirit can use the doctrinal content in the life of YOU the believer reading it. I have nothing to prove to anyone in life and it is only getting the message through to the YOU, the reader, that is important to me so that there is something for God the Holy Spirit to use as you progress in your personal spiritual growth. I have, in fact, attempted to organize these principles into discrete segments or categories. However, the Power System of God is an INTERLOCKING SYSTEM of function and cannot be segmented or separated into discrete areas though it does evolve as a progressive system. Please! Keep in mind that the Divine Dynasphere is a progressive system of advancement and development as one functions to complete execution of the Protocol Plan of God in his lifetime and thus glorify God. It should be obvious then that these principles resist any attempt at separation into singular units being intricately interlocked into a system of Power provided by God for the PROGRESSIVE advance of the believer in the Spiritual Life as he fulfills the Protocol Plan of God requirements. Also keep in mind that the principles elucidated by Pastor Thieme in his studies of the Divine Dynasphere were taught at varying times with different background context and they must be related to other parts of the complex with which they readily interact and also with the development and deployment of the **10 Problem Solving Devices** provided by God and building of the **Edification Complex** of the Soul as well. Therefore, their meaning in a particular situation is best understood and their propensity to move the believer toward Spiritual Maturity can be best identified by the believer if this interaction is realized. With this in mind understand that there must be PROGRESSIVE development of the principles and functions in this power system and one area of the Divine Dynasphere CANNOT be separated and

individually studied without relating it's impact on and from, very often, several others. However, as the Colonel might have said on occasion: "REPETITION, REPETITION, REPETITION IS INVALUABLE SO GET USED TO IT AND ENJOY IT.

This document can be read and studied from beginning to end but it does not have to be. It can also be studied and reviewed as individual chapters and segments for an understanding of the various aspects of the Protocol Plan of God for the life of the believer living in the Divine Dynasphere and the available POWER provided by God for his sustenance and progression in the Spiritual Life.

Introduction to the Divine Dynasphere

Pastor R. B. Thieme Jr. coined the term “dynasphere” to refer to Power Systems and it is derived from 2 Greek words:

- (gr) “dunamis” meaning power
 - ▲ From Dunamis we get in the English DYNO meaning power in words such as Dynamometer
 - ▼ A dynamometer or *dyno* for short, is a device for measuring force, torque, or power.
- (gr) “sphia” meaning sphere
 - ▲ a subject or area of knowledge; a range or area of activity
 - ▼ the political sphere, the spiritual sphere

Thus Dynasphere is a power sphere. Due to the relative frailty of man and as a result of his purpose for existing being a resolution of the conflict between GOD and Fallen Angels led by Lucifer, in order for man to live and function in this life on this earth every person depends on some aspect of outside power.

Living Under Power Systems

Therefore, in order to live on this earth and function in a world ruled by Satan the individual person MUST function within some outside POWER SYSTEM. There are 2 available to him. There are only 2 because man was originally created to resolve the conflict between the revolutionary Lucifer with his followers and GOD so that, in the Garden of Eden, when man was created, God set up a test for man with 2 options to choose from. This was basically a test for Adam, and later his wife, to choose to live under God’s Power System or the Power System of Satan. This test involved a prohibition of eating the fruit of the Tree of the Knowledge of **Good** and **Evil**, which was the production and policy of the Plan of Satan. Originally this plan was designed by Satan to control angelic creation apart from God and provide a situation for living comparable to that provided by God. However, when God allowed Satan’s appeal of His judgment and condemnation to the Lake of Fire for his Revolution, Satan revised and updated this plan to control man, again, APART FROM GOD. When Adam chose to leave the Power System of God for the Power System of Satan, he entered all of the subsequent Human Race into a process which God had set up to allow all of mankind to be able to choose between the Power System of God and the Power System of Satan. The fact is that even the humanity of The Lord Jesus the Christ had to make this choice for himself many times in the 33 years of his Human Good. In the Power System of God known as the Divine Dynasphere, the Protocol Plan of God, the individual would be under the Grace Plan of God with Divine Viewpoint thinking and his potential production would be Divine Good. In the Power System of Satan known as the Cosmic Dynaspheres, the individual would be under the Evil Plan of Satan with Human Viewpoint thinking and its requisite production of Human Good. Therefore, man has to choose in his lifetime on this earth whether he will live within the Power System of the Cosmic Dynaspheres or the Power System of the Divine Dynasphere.

If the believer is to advance in his Spiritual Life toward and remain in the status of Maturity Adjustment to the Justice of God he must therefore reside consistently within the POWER

SYSTEM OF GOD. In these studies the Colonel delineated 8 entrance points, really function areas, in HIS system of power for the believer with extremely limited access granted to the unbeliever. These entrance and function “Gates” are accessed and resided in by the believer as he PROGRESSIVELY advances in his Spiritual Life from spiritual infancy to spiritual maturity. In order to provide a better organized compilation of the principles involved in the Divine Dynasphere I have revised some of the structure related to the concepts behind this Power System of God to reflect an ENVELOPING system regarding the functions of the believer in his progressions in his spiritual life. Pastor Thieme discussed several “Envelopes” of function and I have consolidated some and expanded others from doctrinal principles to enhance the structure and understanding of the Power System of God the Divine Dynasphere.

The Power System of God

Contradictions cannot exist for the believer in the Christian Way of Life under the Protocol Plan of God and the believer either lives in the Divine Dynasphere or in the Cosmic Dynaspheres OR spends a lot of time switching back and forth and thereby wasting his time on this earth. The Christian cannot ever account for his actions, identify his personality, find his niche or meet the Super – Grace Blessing Escrow requirements established by God in Eternity Past for HIM personally, in undefinable terms. He must be able to define his actions under the terms of the direct Will of God. The Christian must learn to think according to and must live within the Divine Dynasphere the Protocol Plan of God so that he can think in terms of Perception, Cognition, Incultation, Metabolization and Application of Bible Doctrine. Then he will be able to use under the functions of his priesthood, the [10 Problem Solving Devices](#). Never before in Human History and never after this Church Age has ended will there ever again be the opportunities provided specifically for Church Age believers as Royal Family of God. Every Church Age believer is his own priest and thus designed to function under or based on the content of his own soul. However, this is impossible for him without the accumulation of maximum Metabolized Bible Doctrine, the THINKING of Christ ([1Cor 2:16](#)) into the Right Lobe of the Stream of Consciousness of his Soul. Man is born physically into this life without knowledge of physical life and then at Salvation Adjustment to the Justice of God he is also “born again” without knowledge of the Spiritual Life. As a result of Man entering these 2 aspects of life without knowledge he can only engage in emoting and emotion must always be subordinated to INTELLECT, THEREFORE, man MUST learn. The believer enters into the Christian Way of Life in IGNORANCE and MUST learn the principles of the Plan of God and the Christian Way of Life to effectively function therein. The day to day problems of this life cannot be handled in any way when he tries to do so using someone else’s soul, knowledge and viewpoint. Thus, the incredible importance of moving forward in the Spiritual Life by LEARNING Bible Doctrine Principles to the point of becoming Spiritually Self Sustaining and having maximum use of one’s own Royal Priesthood.

The System of God the Divine Dynasphere calls for Virtue First. This System of God requires consistent residence and function from the believer within the Divine Dynasphere which progresses the believer in the development of Virtue in his life as a result of OBEDIENCE to God’s mandates. This system and its 8 “gates” or areas of function, and because of their continuous interaction with each other, work to move the believer from Salvation Adjustment to

the Justice of God, Spiritual Infancy to Maturity Adjustment to the Justice of God, Spiritual Maturity. This system is composed of Envelopes of function and activity which overlap and integrate into one another to form a complex system for the spiritual growth and life of the believer. This provides him with the ability to Progress to Maturity Adjustment to the Justice of God and beyond. These Envelopes of function begin at one point in the Divine Dynasphere and are completed in their development many times at some other point in the Divine Dynasphere. HOWEVER, their functions do not end with their completion but it is an enhanced maximum level of each envelope's function which is completed and this then continues for the entire Spiritual Life. These Envelopes include:

▲ Blessing Envelope

- Opens at Gate #1 with Salvation Adjustment to the Justice of God and the provision of the Filling of God the Holy Spirit as Entrance into the Divine Dynasphere and includes the provision of the [39 irrevocable assets](#) for the Spiritual Life
- Reaches a high point at Maturity Adjustment to the Justice of God the first victory step in the Spiritual Life
- Culminates at the completion of the Spiritual Life in Advanced Maturity Adjustment to the Justice of God

▲ Spirituality Envelope

- Because it is an absolute it opens at Gate #1 at Salvation Adjustment to the Justice of God with the provision of the Filling of God the Holy Spirit.
- Is thereafter maintained or recovered after the failure of the believer in carnality by the use of [Problem Solving Device #1](#), the Rebound Procedure and is in fact a combination of Problem Solving Devices #1 & #2 to maintain this status throughout the entire Spiritual Life.

▲ Balanced Residency Envelope

- Opens at Gate #1 with Salvation Adjustment to the Justice of God with God the Holy Spirit controlling the believer's soul
- Culminates upon reaching Maturity Adjustment to the Justice of God where a maximum level of [Metabolized Bible Doctrine](#) has been accumulated in the soul under the control of God the Holy Spirit.
- This results in a balanced residence of the Filling of God the Holy Spirit and maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul of the individual believer.

▲ Perception Envelope

- Opens with Gate #2 the Basic Christian Modus Operandi where the [Faith Rest Drill \(5 Stages\)](#) begins to be used as Faith Perception.
- Reaches its highest point with the development of [Motivational Virtue and Functional Virtue](#) in Gate #6 and is used thereafter to maintain the concentration of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.

▲ Progression Envelope

- Opens with Gate #2 the Basic Christian Modus Operandi where [Faith Perception](#) provides for the intake of Basic Bible Doctrine and basic promises

from God from Bible Doctrine.

- Culminates in 2 stages upon reaching Maturity Adjustment to the Justice of God or continuing through to Advanced Maturity Adjustment to the Justice of God and the complete execution of the Protocol Plan of God to the highest level.
- ▲ Momentum Envelope
 - Opens with Gate #2 the Basic Christian Modus Operandi where again [Faith Perception](#) provides [Metabolized Bible Doctrine](#) into the Right Lobe of the Stream of Consciousness of the Soul which motivates the believer to acquire more Bible Doctrine.
 - It is accelerated, upon reaching and as the believer moves through the stages of Spiritual Adulthood and Spiritual Maturity, by passing Providential Preventative Momentum Testing Suffering.
 - Again this culminates upon reaching any of the 3 stages of Maturity Adjustment to the Justice of God and is absolutely completed upon reaching the pinnacle of the Protocol Plan of God at Advanced Maturity Adjustment to the Justice of God.
- ▲ Application Envelope
 - Opens in Gate #2 with the initial use of the Faith Rest Drill (5 Stages), [Stage 2 of Claiming Promises](#) from God which have been metabolized as a result of the use of Faith Perception successfully.
 - It continues through the development and deployment of the [10 Problem Solving Devices](#) onto the Forward Line of Troops of the soul and the development of successive levels of cognition in Spiritual Self Esteem, Spiritual Autonomy and Spiritual Maturity.
 - Reaches a high point at Gate #6 the [Integrity Envelope](#) where Virtue is completely developed and is then used as Motivational Virtue and Functional Virtue the 2nd battery of Problem Solving Devices which continues thereafter through the entire Spiritual Life.
- ▲ Capacity Envelope
 - Opens at Gate #2 with the intake and metabolizing of Bible Doctrine which develops capacity for Life, Happiness, Contentment and Stability.
