## **INTRODUCTION**

*A portrait of this book*

*oLife Under The Sun.*

It had manifested early on in music theory, the supposition of the *tonal* triad.

It was observable (evident, recognizable, bare faced, **public**) that three tones gave life (soul - viability; **anima**) to the spoken (the inducing) tones - more accurately the speaking tones that own and control the life of the other tones (in a scale of music) *the tonal triad*. Without the tonal triad music - it is dead, inert, **Inanimate**

But how to we understand this. His do we cull up worthwhile knowledge from it, that knowledge applicable, helpful, broad? Well we will.

## *1Washing Away the Demerit of Otherness.*

*A terrible Demerit of Soul and mind- otherness, and we the Oppositionists wash it out.*

*It is to be like others, instead of YOU. It runs deep. It courses, it redirects, it leads.*

*The less you are yourself.. The less an individualist. The more as others.. The less you are.*

*And there are other demerits (sins) only Demerit is a better use of the word for us.*

-in this book are techniques in heightening, enhancing, and **appropriating** individualism. In fact our foremost therapeutic technique is the shedding of skin ritual- which is to privately, or with someone you trust, lose **all** inhibition. *These teachings are derived from Wilhelm Reich.*

## *2Flowing -and controlling- The Tide*

*To interpret the tidal flux. To redirect it as though a wheel. To enact, establish, endow- the new way. To lead.*

And to fit in. To blend in. To coincide well with others. To be agreeable. To not stick out, to not radiate strangeness.

We are Religionists – the creators of religion.

And we don't come in as opposition- not outwardly. To coincide with others is always the best route. To deflect and counter, argue and oppose, resist and shatter- these are never necessary- not outwardly- not **observably**.

Its what Paul said, to be all things to all people. We simply add "for."

#### *4 A Better Worship of Satan*

As it has been and still is, the worship (comprised of adulation, idolatry, veneration, homage and exaltation) *these* are incorrect. Currently Mr Evil assumes, dons a black vile decrepit robe gazing into black candle citing things tired and.. Simply moronic.

*The correct, more pleasantly pliable worship* - Its childish- like a son or daughter. Apart from that its exaltation, veneration.

Be friends with your chosen demons, those higher powers.

Songs about Satan may be of the metal kind of music, but doesn't have to be. And set aside some of your work, your output *for Him*.

#### *5 Sensory Development, Augmentation, Elevation*

*We the Worldly Oppositionist develop, augment and heighten our sensuality, senses.*

It is so very important to do so, in adding to the quality of life and concentrated beingness.

It is to lavish, to savor, to slowly eat food. The only reason why one gets fat is because of the high amount of food consumed. No one eats a ton of salad or bowl after bowl of vegetable's. But if they did, they'd get fat. No, one that eats a lot eat what they enjoy and compulsively. To eat slowly, savoring your food, preparing your body for it, making digestion easier, maintains, sponsors low weight.

And lavish, rollick other good things for all the senses.

(6) *And here are other primary aspects of Worldly Opposition:*

To use a basic dictionary to recall, recollect, remember. So for example if you see the word "car" you remember your first car. If you see the word "paper," you may remember a childhood essay. *Doing so damn well perfects your memory.*

.. *Bright-Side thinking: It is to think of every good thing in your life, frequently.*

*Pride as a virtue: Raise, exuberate pride.*

*Oneness- To be as one.*

These give a greater sense to the nature of this book. ***End of First Introduction.***

## ***Introduction 2: Introducing Myself***

*Hellow.* In my life I've studied music composition, Jui-Jitsu, religion, and all occult (hidden) knowledge.

In my life I could have been a Marine, but was kicked out because of being a Satanist.

And so I compiled a work, a literary item called the Christian Satanic Bible (and its final incarnation *The Final Bible of Satanism.*

*I have been homeless for a year, for two altogether, at The Fisherman's WARF and Financial District of San Francisco. Though I've never panhandled/beg, whored myself or taken ANY drug.*

*Have been in jail. Have been in a locked State Psychiatric Hospital for attempted murder.*

I will tell you, firmly, that I was in the presence of Hell, have seen Ya and Satan, and have seen visions.

My existence has been founded, framed, **spawned**, from Individualism. I find myself often saying "well, it used to be popular." What is the matter that it no longer is? And I say, " well, it may be popular again someday.."

I am the kind that takes random books from the library and designs, conceives majic from them. For example I found 5 ancient language letters for a personal enunciation of *Satan*.

Life is a bloodsport and the reward of a palace awaits a very few. *I* strive for a memory palace, a taste palace, a majic palace, and a Master of Expression Palace. The higher the goal, the least the least the most.

### *Introductions Concluded.*

### *Teachings, Principle Matter Needing, Pressing for Emphasis, Priority.*

All Churches would do well to have different jobs, functions, **operations**. We do. But all of us are TRASH AUTHORS. A trash author writes on any

available paper. S/he then has it preserved, perpetuated, concerned. It is writing Church material and placing it in a plastic bottle, a crevice, a book, inside a box, underground.

It doesn't have to be Church material, but it is our practice.

## ***God (Ya) The "Father."***

I CANNOT dismiss, expel, **shed** that Ya, who would Father me, allowed, permitted, sanction *suffering*. In my life God ignored my suffering. Having starved, been confined, homeless without income- and during these times Ya was absent, "nobody home."

I REFUSE to forgive *HIM* the deadbeat father. What good use is He? On what could you rely on Him?

Heaven is no more than eternal worship of Ya, and is the place where cowards go.

*I am of my Father, The Devil, My God.*

Our God is Satan, and we demand it constitute a religion. *This is religion. This is our creed, our faith, our tenet, our dogma, our belief: That Satan is a God superior, better and more worthy than Ya to be praised, exalted, emulated and worshipped.*

We see rotten, decrepit, despicable, repugnant and vile people who are Christians. They are a persecutory people. *Hateful, judgmental, dictating.* They follow an evil murderous angry God. If there is no separation of Church and State then they force their beliefs into Law.

*May Satan forever triumph! Praise The Exalted One!*

## ***What Ya Does Not Want Us To Have***

Though it was a Satanist I was speaking to, he told me, after reasoning, brandishing that *Man (humans)* will scientifically develop, and establish immortality through a chemical process, He firmly stated "No! Because (hu)Man will never trump God!"

We live in a time where science is leading us into a championing preeminent sort of *perfection*. A *eutopia*. A *paradise*. But would Ya allow, **allocate** such a thing? Or would he pull the brakes on it?

Science is making extraordinary, phenomenal strides. AI and robotics are becoming developed enough to do all our work. VR tech is making something like a holodeck possible, realistically enough. Things like driverless cars, extended life, even immortality, is, actually, very feasible.

But the question remains: Will Ya allow it?

## *The Presence of Hell*

Hell is a presence, a place whose elements are strikingly different than *typical, earthly construed* elements. It is not a different or specific, categorical place- but a presence, being, existence, **habitation**.

Here are the characteristics innate of it:

Those in Hell observe, intensely perceive an undertone of evil, **iniquity**. To *listen* to music is to *comprehend*. *Understand, perceive, conceptualize* iniquity. It is easily observable as sourced from diabolical forces.

It is a place where fantasy and reality are intertwined. *Truth is brought forth from fantasy and, as best it can, becomes reality*.

One day in Hell I sat on a bench. A strange band was playing. I was talking "to everyone" when someone shooshed at me. And I was aware that those there were there to hear the suffering of Hell.

In Hell you have visions. My most remarkable one was a visions of clouds: From the morning star fell a bat like black angel. It swirled to the left forming a devil headed snake. It went over the first rays of the sun going somewhere to the west. *Then* a magnificent white angel, a little like a bird, looked up at the morning star/planet. A black cloud resembling a perfect black rainbow appeared, and a murder of crows flooded the park.

*Another Vision.* I beheld Satan, who looks like a wingless dragon standing upright, no more than 2 feet tall pulling up something I. Africa. He said "this is great Adam (my birth name)." And a few weeks later came an Ebola outbreak.

*Again.* One time I saw Ya swish his hand away from me and said "remember fire, pussy!"

*And one more:* I beheld a purplish hazy dimension and heard an organ playing. Peering in I saw Anton LaVey (the famous Satanist.) He looked me in the eye, and lightning flashed before my eyes.

And in Hell you become engulfed in fantasy and sin, indulgence, sometimes fixated, endemic to its world, hence the term, "worm is never quenched."

You also have different personalities, enveloped in them, and these you act out, as though a part of a movie. *Feelings are different, emotions, sometimes you're a child, other times a detective, and accents are garnered, drawn, and sometimes new accents are formed, articulated.*

I don't do drugs. I'm probably one of five percent that never has.

## ***Implementing the Credit Coin System***

The benefit, godsend, betterment of this system, structure is the concept, use of Economic Diversity.

The letters of a name are given numbers. For the name Adam Jeremy Capps- and the whole name is used, There are a certain number of letters available. In this case, for example, three letter A's are present. *The Name* creates a number from a "registered product name." Then, if Bongal's Cherry Cider is purchased, unless my math is wrong- eight of the letters in my name coincided with it. *Meaning for me Bongal's Cherry Cider costs an eight credit coin.*

You may ask, "what about an "Apple I Phone," is that going to cost you a five credit coin? The solution to this is "Apple I Phone Hourly Service," ,or "Apple I Phone Partial."

And in this system a one credit coin is as valuable as an eight credit coin, as though a dollar bill worth as much as a twenty, except that they get you different things.

Also, a master name might be used in relation to all products-

This system is my own concoction, formation. I developed, formed it while under solitary confinement over the course of a month. During that time I also created, formulated my so-called Principality List.. My greatest writing, formation. Leading us there..

### *The Principality List*

- 1 (me) *White, Ring, Goat, Thief*
- 2 *Bird, Hand, Staff, Red*
- 3 *Bear, Brown, Cane, Bee*
- 4 *Green, Rabbit, Seed, Stage*
- 5 *Gold, Sword, Swine, Joker*
- 6 *Red, Whip, Cat, Fairy*
- 7 *Yellow, Rodent, Wind, Duke*
- 8 *Bomb/ Blast/Wand, Fox, Black, Beast*
- 9 *Yellow, Toad, Horse, Dust*
- 10 *Black Panther, Assassin, Scroll, Creature*
- 11 *Blue, Elephant, Stone, Spirit*
- 12 *Purple, Dragon, Mask, Canine.*

**These are found in movies, games, and shows. For example: Number 7 is a rodent. Her/his cartoons characters are Mickey Mouse, Jerry from Tom and Jerry, and the cartoon movie- a very good movie called Nymn.**

There is the Cat under # sixes Red, Whip, Cat, Fairy. There is Top Cat, Sylvester, The lion (all felines) from Wizard of OZ, there's the cat from Alice in Wonderland, and The Pink Panther. And as for the whip, there is the game Castlevania and the movie Indiana Jones. Then there is the fairies from The Legend of Zelda.

And take the Lord of the Ring Movies: Gandolph raises his *staff* against a red *creature* with a *whip* and after his encounter with it, he becomes Gandolph the *white*.

*Whole books can document The Principality list and types of people created around it.*

## *The Cross of Immorality*

It is easier, more **facile**, to be moral, for most. It is much easier to say yes than it is to say *no*. It is easier to give one asking anything- money, cigarettes, or an errand a chore, than it is to refuse. You might have to do good but you don't have to be good. We are Devil Worshippers, though, and as such ate iniquitous.

But consider bearing the cross of immorality, transgressing the dictates of Boss Christ. Must we adhere, **subject** ourselves to *him*? Let us be good to our own kind, when its called for, with provisions of acceptable tolerance. But outside our own kind, our group, and friends, trying to make well with our family, if at all possible (with our family) but save a portion of scorn for the Christian.

*And know:* the Muslim is the Devils created, invented, **procured** thing, **figure**. The Koran is just a masculine, Satanic book, practice.

Worship Devils in an evil faculty, an evil sense.

Take the road less traveled where all outside you is disdained, burned to the roots. Capture people- don't get captured, ensnared, encapsulated, **taken**. *And bear the Cross of refusing, rejecting, God, as distasteful, malevolent, crude, obtuse, vile, wretched, selfish, and disdainful.*

*If Ya is unconditionally loving, He must prove so.*

## *The New Immorality and the New Controversy*

It may seem people are more immoral than ever, but this is not so. They are simply immoral in a new way. Among the list of newly immoral things is: smoking cigarettes, which is more unacceptable than crack and heroine. Prejudice is very immoral. It is such to the extent that certain words will shame and ostracize you.

Bad diet is immoral. Good diet and exercise is repentance, praised by society, even rejoiced. Stop smoking? Society rejoices. If your black you can sit anywhere-in the back, as it is with whites too. Front seats are for the elderly, the newly privileged.

There is old controversy: gayness, black on white sex or coupling, satanism, a former controversy, and sex in general. *Now* controversy is:

A cartoon smoking a cigarette, a rap artist singing about butt fucking, and a restaurant called I Love Satan's- a place littering the ground with plastic cups bearing upside down crosses and goats.

### *What is it About the Color White?*

Certainly the greatest, nonpareil things, elementals, are white. As with food: *Sugar, flour, bread, dough, salt, rice, banana, potatoes, coconut, milk, baking soda, vanilla, apple (meat, as with potatoes, ect), oatmeal, cream, white peach, white corn, and onion, garlic, real butter, mozzarella, parmesan, and many other cheeses.*

Looking further into it there is white gold, pearls, lightning, clouds, snow, chicken, turkey, mayo, eggs, white sands in new mexico, white is the hottest fire and is a mix of all color, the moon is white and most homes, books, ect.

***But too much white is bad.*** Too much of sugar: diabetes. Too much salt: heart attack. Too much lightning, too much snow, too much heat, and so on.

*In regard to racial matters: Being of a color does not impart worthy, earned pride. You did nothing to obtain, acquire it. Or are you Mr. White.*

## ***The Tale of Satan, Queen Shiva, and Prince Agnes***

Early in Earth (Nazia's) time all *human* races were black. And Satan, having tempted Adam and Eve to eat of forbidden fruit, was cast by Ya onto the mountains of India. Being there Satan decided, deliberated to himself to pull down his two angels *Agnes* and *Shiva*, who were to procreate, changing the occupancy of God's creation.

*Agnes* and *Shiva* were instructed to procreate, and to live a simple, rustic, primitive life, and to slowly, but surely, make their way to what we now call Scandinavia. In the early years of this, in India, *Agnes* played, as an adult child would, and *Shiva*, true to her ways, was a mad indulgent dancer.

They spread around their seed, their children, from both each other and many of their encounters. And though they were to live without science, their seed, genes, and DNA would dominate and overtake that of humans.

And once in Scandinavia they procreated, and procreated, and procreated. And they did not leave until humans were given a good start in executing, cultivating, establishing *society- culture and civilization*.

## ***Moral People Should Be Thrown in Jail***

People that are psychotic should be privileged, given more rights, such as the type though respectful enough, are not afraid of the police. Psychotic, as in not afraid to steal.. Food. Those that see nothing *wrong* with sex, or walking around nude.

These people have been harassed and bullied, abused and striped.

What *about* the moral? The moral promote weakness, "gentle sensitivities, would shame someone who burbs. Are overly work-minded, will debase you for not working hard enough.

Usually the rich will slide right out of jail. Life for them is easy, there's no struggle, there is bail, there is lawyers, at worst they have the best commissary

The psychotic people that have no inhibition, that not at all do well operating in a rich man's world and simply do not care, should be given license, **exemption**.

## *The Diabolical Spirits Upon The Earth*

An entity, dirty, a *higher-being* is higher in that of higher intelligence, more "soul" higher/stronger-much stronger emotions. It is so much more that it emanates, not being able to be held, confined. That is why when humans are able to elevate their emotions high enough, magic is worked.

*The presence of a demon brings with it its own outpouring things, like:*

**Leviathan** rests in the deep seas. Depending on where he is, an outpouring of knowledge emanates, emits from him to stroll, trek across the earth. It is deep knowledge, luminosity deep enough to drown its bearer in thought. Presiding most often in the Asian seas, Leviathan has imparted some of the wisest of philosophies. In fact, there was a forgotten, lost in time Asian people that were mad with reality- too deep in the intricacies of thought that they chanted *Neti Neti This Is It!* To anchor their selves.

**Shiva** is *the mad indulgent dancer*. In her presence there is a rapture of sensory pleasure. It is accompanied by destruction, but the two aren't related.

**Agnes** Agnes brings with him childishness and wonder. Agnes is often with Shiva, they are partners, companions.

**Lilith** Lilith brings with her intense, heightened lust. Lilith was the first child of Agnes and Shiva while in the Scandinavian Eden. She was set apart and (you could say scientifically) made into a god- as a demon. If

Lilith is a succubus it is because she *likes* to be. She likes dreamers (she likes dreams and the dreamer, you could say.)

**Azrael** brings about epiphany. He doesn't often come into contact with humans but when he does he is urging the creation of something-prompting the purpose thereof. He is a visionary, a protagonist, an instigator, responsible for change.

**Mammon** Satan has charged, employed Mammon to change, redirect or otherwise guide nations. He has from time to time employed, utilized the aid of humans to these ends, but he usually designs, seduces other in these ends, not appearing, manifesting himself. And Mammon brought about the Babylonian economic system.

**Behemoth** Behemoth is a being whose dreams circumference the earth, and this higher beings thoughts are so involved, so rich and penetrating that they transform the deepest regions of space.

**Beelzebub** is a being that leaves traces of himself in mushrooms. He goes about as a fly. He's monstrously filthy and is attracted to those who are the same. He is/and also in a sense degradation, corroding, rotting. It is not easy to make friends, take comradeship from such a being.. He is very unresponsive. But those that could would have their enemies fitted with cancer and profusion.

### *The Incorporation of "Satanic Media"*

Final Fantasy has received scorn and displeasure from Christian Church groups from it's beginning. It has been called "anti religious and Satanic. *Final Fantasy* is everything Satanic and eloquently so. Satan himself is best described as "eloquently iniquitous." A whole new occult amenity can be created, constructed from *Final Fantasy*. There is where the best Satanic concepts come from.

It uses the summoning, as a demonic dictionary, in the summoning- the summoning use of demons (including demon- dubbing.) And as for the magic system, it can be executed in a psychological manner- to use poison spell to psychologically poison one's mind, or ice spell to (some how, in any way, stun someone) Or the fire spell- to be one passionate.

The entire construct, composition, constitution of Final Fantasy is very applicable to occult use.

*I do not own Final Fantasy and am independent from them.*

Most of the Satanic media came from the 80s and 90s, including movies such as: Warlock, Ghoulies, Omen, The Gate, Hell Raiser, The Smurfs (whereas Gargamel stands within a pentagram and uses witchcraft), And He Man, which had sorcerers, as with music- much, I like a little of a lot of it and a lot of Slayer, Danzig, and Morbid Angel.

*May Your Halloween be so Evil and Lucifer lead you there. Praise the Beast!*

## *Satanic Thinking*

Certainly if one is to be a Satanic thinker one must be an outstanding, independent, individualist thinker. You: Satanist, invert all popular thought as man's pentagram is inverted into the Beast. It includes the trappings, the constraint, the imprisonment, the confinement of political correctness, of trendly "modern thought.

*ESCAPE! FREE YOURSELF!* Ask yourself *why* you must be as them, *what good is it?* Create your own system of thinking, your own norm, your own concerns. Know what in existence you *love, cherish, and need.*

But blend in. Where issues are habitually generated to a pro or a con, the *right* way to think, the *wrong* way to think, simply blend in, be agreeable, and don't let it shame you.

Practice, develop and nurture "optimal-pathic" reasoning. What you *should* know, what *helps you* to know, what properly, peerlessly forms you through knowledge.. And meditate for perspective and of others perspectives.
