... Your God ...
says to Prophet **Muhammad**
to say to you:
*«'If you love God, follow me ,
[so] God will love you'»*
[31:3]

Can your soul feel? :

The Lord:
"Am I not your god?!"

We:
Yes, we have testified!

The Lord:
"Lest you say in the day of
Resurrection: 'Indeed, we were of this
unaware' "

.....

Whoever is beside the happy, is happy!

Who is the Happiest person in the world?

Who has the original happiness that never finish?

That person has -without any doubt- the greatest **bestowing** from **God**; which is Happiness!!

This person is whom **God** has made his heart -really- happier and happier every moment!!

This person - to keep happy all-time- must be not effected by any problem or disaster anyway.. his difficult circumstances must never shake him, he must be steadfast like a huge mountain against the world all!!

This person should not be hidden from the people around him, they must know him well and love him alot, because he brightens their life by his lovely smile and kindly words!

Aren't my words facts?!.. don't my words deserve to search?!

God has bestowed us happiness differently, but don't you want to know who is the most beloved of **God** whom **God** has bestowed him greatest like that??

Who is the person that is considered as the greatest person in the world, who has the most numbers of followers in the humanity??

Jesus -the great Prophet of **God**- loved **God** deeply to the degree that people -of that time- called him 'The son of **God**' like they used to do with the people adore a specific thing so much!.. then the idolatrous and the austere people believed wrongfully that he is **His** son really!

He -himself- referred to a prophet will come after him, his name is 'Ahmad' (this is -in Arabic - another name of '**Muhammad**')...

Frankly, I love *Jesus* and wait him impatiently to the degree that I saw him in my dreams many times, so I said to the Christians:

You love **God** that we love, you believe in *Jesus* that we believe in his prophecy, but have you

not known yet what *Jesus* wants you?.. Do you not know the trouble you put *Jesus* in before the **Lord** when you take him as a deity beside **The Lord**?!!

In the holy Quraa'n, you can find a conversation between **God** and *Jesus*, in the last verses of *Surah* (Chapter) "The Table" (in which there is the narrative of *Jesus* and his companions when they asked for a table -spread with foods- from the heaven).. this is the translation of verses:

《And when **God** said: "O Jesus, the son of Mary, is he you who said to the people: "Take me and my mother as deities besides **God**?"

He [Jesus] said: "Exalted are **You**!, it was not far for me to say to which I have no right, if I have said it, **You** would have known it, **You** know what is within myself, and I don't know what is within **Yourself**. Indeed, it is **You** who is knower of unseen ◇ I said not to them except what **You** comanded me: 'Worship **God**, my Lord and your Lord'. And I was a witness over them as long as I was among them, but when **You** took me up, **You** were the observer over them, and **You** are -over all things- witness ◇ If

You should punish them, indeed, they are **Your** slaves, but if **You** forgive them, indeed, it is **You** who is the exalted in might, the wise ◇

God said: "This is the day when the truthful will benefit from their truthfulness".....◇ 》

God is the strongest and **He** likes to be.. **God** is the greatest and **He** likes to be.. **God** is the biggest and **He** likes to be.. **God** is the most generous and **He** likes to be.. **God** is the most merciful and **He** likes to be.....

In short, I and you know that **God** is the utmost best in every good things, so if **He** is the best, **He** is one; because the best should be one to be the best!.. However, If you love **God** from the deep of your heart, simply love what **He** loves and hate what **He** hates, think about **Him** the utmost best as **He** likes to be!

Jesus said in another *Surah* :

《And [mention] when Jesus said: " O sons of Israel [Jacob], indeed, I'm the messenger of **God** to you, confirming what came before me of the Torah, and bringing good tindings of a messenger to come after me, whose name is : 'Ahmad' ".. but when he came to them with

clear evidence, they said: "This is obvious magic"»

Prophet **Muhammad** told us that *Jesus* will return to the world before the Hereafter Day, to reappear the truth to the people and tell the world that he adores **God** and worships not but **Him** and invites everybody to do!.. Do you like to meet *Jesus*?.. maybe that will be very close, **God** willing!

Shortly, if you like the religious arguments and want more talking about Prophet *Jesus* because you have more beliefs and ideas, open the Quraa'n and talk yourself with your **God** in that, **He** talks with Christians and jews a lot in Quraa'n, and there is a lot of things **God** wants to tell you!

God says to you:

«O people of scripture, there has come to you our messenger making clear to you much of what you used to conceal of scripture and overlooking much. There has come to you from **God** a light and a clear book ◇» [5:15]

....

So who is Prophet Ahmad (or **Muhammad**) may

God bless him and grant him peace??

In **611** A.C, there was a man in the Arabia peninsula, he was in the deep of the desert, on a desolated mountain, in a drearily cave, alone in the dark..

In spite of all that, he was in a cloud of happiness, his smile was covering his glad face, his heart was joyfully shining; there were beams of **God's** cool light getting into his soul relaxing and happily!.. he was really joyous; able to be happy among all the difficulties, but **why??**

For one cause!

Yes, only **one** cause, but the greatest cause at all, it's that **God** -the owner of the world, souls and bodies- wants him to be happy, wants him to be the most blissful creature **He** created, so certainly he will be, surely he will be, of course he will be!!!

Maybe **God** created him in such difficult circumstances to make his grandness and efficacy shine clearly in the dark.. a simple Arabic man changes the world until now, that honorable man increases the morals and peace

in the souls of his followers, thousands of people accept Islam every year all around the world.. but **why**?

Because Islam is the religion of mercy and peace, **God Almighty** made it like that, the people who listened to an Islamic guidance, to the holy Quraa'n, knew that, not only by their brains, but by their hearts too!

The cool light of **God** arrives their souls and brightens them well, because people feel yearning to their creator and when they listen **His** words, they fell in love with his religion!

Prophet **Muhammad's** people were saying: "**Muhammad** adored his Lord".. **God** made **Muhammad** his most blissful person and **Muhammad** adored his most Gracious **God**!

God -with **His** highness- gave the holy Quraa'n and the greaest message to his beloved Prophet by the closest angel "Gabriel" and then despatched him to the humanity all, **why??**

For one cause!

Yes, we say: 'We love **God**' but we neglecte **His**

true way, but **God** loves us -we **His** sinful creatures- and doesn't neglect us at all!, **He** wants to have mercy upon us despite our wrong willingness!!

So **He** sent us a merciful messenger to guide us to the happiness way, we should follow him by words and deeds and then when we arrived the end of the way, we will be there; closer to the happiest person, very likely in the soul and the body!.. then **God** will have bestow us approximately as much as **He** has bestowed his Prophet via **His** Prophet (when we simulate his high morals)!

Prophet **Muhammad** is our method to **God**, he is our precious golden key to the desired happiness, but -unfortunately- he moved from our world to **God's**, he died but he announced the message, he left but left his honourable way in the humanity.. !

Sunna is the words and deeds which Prophet **Muhammad** had in his life, people saw and heard them and saved them in hearts and then in papers with every trusted certifications until they arrived our time true and right, contain the

guidance of the high patience and very magnificent morals!!

God,

we ask **You** to bliss Prophet **Muhammad** and grant him peace more and more!

Prophet **Muhammad** made his best to support his **Lord's** religion, he took the trouble to move the humanity from ignorance to the light of knowledge, especially the first word that **God** sent down is: 《*Read*》 !.. Don't be deceived by the undutiful Muslims who don't obey their Prophet or they who want to kill and capture, because Prophet **Muhammad** doesn't please them at all, he is innocent of them and of their wrongful way !

God

ordered **His** Prophet:

《*Fight them until there is no [more] subversion, and [until] worship is for **God**, but if they cease,*

*then there is to be no aggression except
against the oppressors»*

Fighting is only for necessary to conjoin the people and stop the wars afterwards, but peace is the main principle which must state in your heart, the Muslims soldiers must fight for peace which **God** wants, not for money or just victory..

When Muslims were like that time ago, **God** was supporting them and granting them success, but now -unfortunately- the love of money and life have mastered their hearts and destroyed their religion..

Leave them and be you, look to yourself and look for **God** anywhere, be sure that **He** created you for **His** mercy and didn't leave you.. Love **Him** and be certain that **He** loves **His** creatures and loves -who loves **Him**- more..

For that, **God** loved Prophet **Muhammad**, because he is the most creature loved **Him** and took the trouble for **His** sake since his childhood.. so he is the best person to be the mercy of **Him**..!

like that **God** says:
«*And **We** have not sent you [O **Muhammad**]
except as a mercy for the worlds*»

Islam is a form of love to **God**, a method to improve our devotion to our beneficent creator! Islam is built on five deeds, who does them can start his relationship with God on their top.. !

What did Prophet **Muhammad** say?

He said:

" Islam is built on five: The testimony of 'No god but Allah and **Muhammad** is the Prophet of Allah', establishing the prayer, giving *Zakat*, fasting *Ramadan* and *Hajj* to the house to who can find a way to it"

- First: It is very important to say the monotheistic testimony:
" I testify that there is no god but **Allah (God)**, and **Muhammad** is the Prophet of **Allah (God)**"
[Notice that the honorable word "**Allah**" in Arabic means "**God**" in English]
- Second: Establishing the five Prayers in their right time of day (Dawn, Noon, Afternoon,

Sunset, Evening)..

Notice: each one should be done in its range from its call-Prayer and before the next begins.. but it is demanded to be done in the first third of it's range if that is possible.

These Prayers are the most trustworthy handhold of our relationship with our **Lord**, these mean that we talk with **Him directly** five times in day (at least), but the important thing is to know what we recite in prayer (like the holy Quraa'n and glorifying) and feel them really by our hearts!

- Third: Giving Zakat (Alms) to the poorer than you in the last of *Ramadan* before the *Fittre Eid* (the Eating feast):
 - *For puplic* : Simple specific sum of money per every person, even he is baby or slave.. (which equals approximately a half kilo of flour)
 - *For rich*: It is simply 2.5% from the capital of your money if it gets a specific limit, that simple system is what can get the world rid of the class of poor gradually with the most less losses to the rich, the money in seems like the water drifting; from the more to the less until

the all be justified!

- [Optional: You can also give money to the poor as a *Sadaqua* in any time of year with the amount of money you want, of course that's very useful for getting the pleasure of **God**, and making love between people!]

This is the magnificent money system of Islam that the experts said that it's the best method to improve the world and justify the people!

- Fourth: Fasting *Ramadan* month (in the *Hijri* calendar); nether food, nor drinks, nor sex, from the Dawn Prayer-call to the Sunset Prayer-call, the aim of fasting this thirty (or twenty-nine) days is to purify our feelings for **God**; far from this life's temporary enjoyments (like eating), and have the enough time to focus on worshiping **God**, with devoting heart and empty stomach!

The second aim is to remember the poor who are often hungry and to try their bad feeling to conceive and encourage ourselves to be more generous!
