

**PREFERENCE:**

**A Message from the Author Reverend Brian Richards even though I usually start my books with the same introductions and a progressive autobiography I thought it necessary to express these opinions. All my previous books have been published using Lulu Publishers, in New York, U.S.A.**

**Previous Books for the Revbrian Bookstore has been listed below: I find it necessary to say that all these books are progressive to each other, and if you are about to read this book without knowing the previous books. Then you may find that it is a sudden impact that there was no lead up to this big subject of Manifestations of the Son's of God. So if you are a beginner or a novice to this particular subject and method of study, you may find it complicated and hard to follow! However if you are a regular student of the Word of God then you will find the study of this word of God the most migrating, exciting, and life changing more than you have ever experienced before today. As this word is a no holds bared Dearing expressions of the word of God that is not usually spoken about in such a bold way. However because Reverend Brian believes that the time is short, that we truly are in the end times teaching is necessary, so that the body of Christ will come out of deception that has been given and taught by the main line denominations.**

**Reverend Brian said he is only allowed to express these opinions because of his independence from denominations, but certainly not independent from the body of Christ, and has endorsements from some of the well known names of the Pentecostal teachers in the body of Christ today's and yesterdays teachers of old. As you see from the introduction that Reverend Brian Richards was originally Ordained a Full Gospel Churches of Australia 1984 after years of being a student of a independent Bible College. That later became known as "Word of Faith Ministries International"**

And is today known as many names of different churches under the same method of teaching,

**THE WORD OF FAITH MINISTRIES.**

**THIS IS WRITTEN FOR SOME ONE THAT WANTED TO QUIT**

Well now! I really do identify the mood of where you are at? I was forced

to do things I never really wanted to do but this never really works much  
 However as far as learning the basics I had to force myself there  
 too! I come from England 1963 migrated to Australia I was under age  
 there too, so I did not really have any choice in the matter.

However that has turned out o.k. I guess who would have known the alternative? I was not really educated at all I have a strong back so I became a bricklayer in Australia. Then in 1998 I was driving my vehicle whilst stationery at the traffic light waiting for change, the rear of my car was slammed into with a vehicle travelling at 130klms per hour estimation by police. This has changed my life for ever and I became a writer because of this. With no education much at all, I have achieved entry to two different universities with Bachelor of Social Sciences, and a degree in Psychology I managed to become a Professional Counselor and a Marriage celebrant. This is what I do today and as well as my latest endeavors an Author of the books "Who is a Disciplined Disciple of the Lord Jesus Christ" this has indeed help to cope with the great depression I was going through at that time, going to many doctors, physiotherapy, hydrotherapy, and psychotherapy, and many other kinds of therapy including counselling all of which I have described in my books. So many times I did give up! However through being disabled I got to go no where, so through an accumulation of notes, my book got established. Now I am grateful for the channels of blogging, and avenues that have opened up to me through this unknown talent never would have known before? I am busy working on book five now, and my body has healed itself through the Grace of God and the meditation of His Word. The most common modern day Miracle of today I have found is the meditation on God's Work can and will, heal the sick, cleanse the lepers, and bring prosperity by Salvation and deliverance in the Saviours name Jesus Christ.

I have been encouraged by friends and Lulu Publishers to write down my experiences to encourage others.

I hope this has encouraged you and you will let me know or you shall read my book and the proceeds help to feed the needy, thank you.

- Reverend Dr. Brian Richards.a.i.p.c.[M.A.C.A.]

**WILL YOU BE A HORSE FOR GOD?**

Well some people would think what an unusual title for a book about God and his word! Hopefully you will read right through the whole of this book and you will understand the title is completely appropriate for what is being written about here. However before we get into our teaching I wanted to set the stage as it were with a story or a vision or dream if you like of the word of God. Sometimes in the past events, God has spoken to us through dreams and visions. Not so much this way now in modern times, because we have learned how to obey the promptings of the Holy spirit from within.

However in this case a fictional story that becomes true in perspective through the word of God. (Allow this to grab your imagination, and let the Spirit of God speak to you)

Let me explain by saying “**ONCE UPON A TIME**” *well this story is talking about an almond tree that you maybe represented here if you are a student. Can you imagine being an almond tree that takes approximately (7) years to bear its first fruits?*

**Once upon a time there was plant siblings set a side to grow the best almonds for the master of the in the best paddock. And they was planted close together so as they grow they would protect each other from the storms that were to come by the first early winter season. However as the next early spring were coming the plants started to grow, and grow they did and flourished more quickly then usual because of the special care and mixture of fertilizers the master of the Orchard was using. The master was growing these almond trees for a special occasion, and for a special person that will later become revealed. So as the progress of season’s came and went there was this particular almond tree right in the middle of the crop that was stretching and pushing up it seamed more than all the others. This almond tree seemed to have a mind of its own, and wanted to please the master, and struggled for the recognition of being better than all others in the field. This almond tree had caught the eye of the master of the Orchard and he stood over the almond tree and said this maybe the one! Only time will tell. The almond tree heard what the master**

had said and decided he wanted to please his master so on his next watering this almond tree stretching and stretching inches over the rest of the other trees.

The almond tree had thought to him-self that maybe I am purposed to be some thing special, to do some thing great. The next season when the master of the orchard came he could not help but notice that this particular almond tree that had been from the center of the crop had stretched itself higher than all the rest. Well said the master “this appears to be just what I am looking for”, so he gave particular attention to this particular almond tree. He had spoken over this tree before, and recalled it to his mind and said “yes this is exactly what I expected from you, and is exactly what I am looking for”. So the master of the Orchard watered and fertilized the almond tree again, and again with special care and left for a later season. And there was aprox 6 years had passed since the original plantation had started, and the master came back only to find his suspicions were correct this particular almond tree had done better than all the rest. In the mind of this almond tree he wanted to please his master and heard the words of the master saying “this is exactly what am looking for”. *So in the mind of the almond tree he said he had decided he will grow taller and bigger than all the others and I will show the master than I am worthy of this special task that was yet to be revealed to all.*

However there was one more season to wait until his final decision was made by the master and this almond tree was yet to be proven that it was worthy of the task so once again the master of the Orchard before leaving for another season, watered and fertilized extra, for this particular almond tree and spoken words like “well done keep up the good work, you looking good”. The almond tree was starting to understand now that he was chosen and was expected to perform and show he was worthy of the task ahead. So as the winds had blown, season after season. The almond tree lost his leaves but not lost his vision and dream of being the tallest and the best that he could be. *In the mind of the almond tree he said I am a chosen one, and I want to please my master by being the biggest and the tallest that I can be, so he*

sucked in all the moisture that he could handle and stretched out as much as he could go and now he was ready to produce the almonds after the seven long years of growth. The almond tree was now ready to produce fruit and bring great pleasure to the master of the orchard; he wanted to hear the master's voice once again saying, **"Yes well done, this is what I am looking for"**.

There was not long to wait now and sure as the spring came this fine morning the master had come and looking around at all the plants and tree of his plantation he finally came to his particular almond tree and said "yes fine, this is exactly what I am looking for" and pruning branches of its main trunk and leaves and dead branches. He said "well done you have grown well, I will come back in three days for you. For I have grown you for a special occasion that is to arise in approximately 3 days from now". So the master left and was to return later. In the meantime, in the mind of the almond tree he said to himself *"see what I done I have pleased the master I have grown taller, with all my stretching, and pulling and tugging, sucking in the water I am taller and bigger than all the rest of the others, so now I am worthy of the special treatment, and special task ahead"*.

The almond tree was starting to produce the almonds by now and thought to himself *(I suppose they will harvest my almonds for some king or some famous country or some thing)*. The 3rd day came and the master returned and said "O praise be to God in the highest this almond tree has brought me great pleasure and Lord, this is my chosen one". *(In the mind of the almond tree, he was saying see, see, I knew I was special, I knew I was a chosen vessel, I knew I would please the master by stretching and growing tallest and bigger than all the rest of the trees in the orchard, I am the best there is, now I get my rewards)*

Just at that time the master repeated himself and said "yes, **yes this is exactly what I am looking for**" and pulled out his harvest sword and cut it off at the root. Then said "well done you are coming home with me now". He took the almond tree and skinned it, took all the outside skin to reveal the beautiful almond wood grains, and

its wet sap, and decided he would dry it out in the noon day sun, so he left the chosen almond tree on the racks in the sun to dry out for a couple of days. Meanwhile in the mind of the almond tree he said to himself. *(What did I do wrong why has my master cut me down? Was I not meant to produce fruit from the tallest tree in the orchard? How can I be chosen now? What is happening now I am dyeing here why don't you put me back in the ground I promise to produce the almond fruit better than all the rest if you give me a chance? But no, I am here drying out in the sun! How am I to grow any more now? How am I exactly what the master is looking for? I am about to die and not produce any more fruit.)* Then when the sun went down after a couple of days when the almond tree was completely dried out the master started to whistle, and sing with joy, and saying this is exactly what I have been growing you for. So the master commenced to polish the branch and vanished it with the finest of polish. He said to himself Aaron is going to love his present, when I give him this staff. The master of the fields that had become a great orchard of almond trees was of course none other than Moses. The almond staff that he had grown himself and polished for the special occasion was to be presented too the ordination of Aaron in the ministry of the Lord God.

*(so now in the mind of the almond tree, he said well now I don't mind because this is the will of the master, I am to please him by holding up Aaron the greatest chosen priest of them all anyone knows this to be true. So I don't mind this job at all, I thought I was meant to produce almond fruit, but this was not meant to be so, I will be content with this new job of being Aaron's rod and staff.)*

This story was an inspired story from the scriptures: (Numbers 17: 8-9) we see in this chapter where the people of Israel were squabbling among themselves as whom was the greatest and who was worthy of the position of leadership and they blamed Moses for taking on too much responsibility upon himself. He only chose Aaron because he was brother to Moses, but no! Moses has said he was chosen of God.

So to prove this to all of Israel Moses gave them all a rod of Almond for a staff *(from his almond orchard presumably)* and told them to put their name or mark on it to signify the ownership of the rods. Then Moses put all the rods together before the Shekinah Glory of the Lord God at the Mercy seat and the Glory of the Lord shone on all the rods and said the one I have chosen his rod shall flourish and blossom and produce fruit even though he is not planted in the ground.

So as you can imagine the Glory of the Lord shone on Aaron's rod and even though it was cut off at the roots and then skinned and hung out to dry in the midday sun.

Then varnished and polished to look good, it never produced anything until the Glory of the Lord did his miracle healing power and caused Aaron's rod to bud and blossom, signifying that he was the one chosen to be the leader among all the other priests. (Numbers 17: 9-10) God said that Aaron's rod will be a testimony, to be kept for a token against them that rebel, this is to take away the murmurings lest they die! *(Hebrews words revealed that God refers to them as Children of rebellions)*

My prayer for you today is that you will know that you are called of God, and you will not despair at the hard road that follows the calling. Some times the road is not only long but it is not smooth either, and sometimes we are pruned of what does not produce fruit in our life. You can choose the easy road that looks good, and it's easy because you have a big church backing you up, and financially you will never struggle. Or you can go by the way of allowing God to prove you, and when He is ready he will exalt you in the sight of all Israel. (The body of Christ) By this reading, you know by now this is not meant for the novice it is meant for them mature Christians that know in their heart that they are truly called of God.

Maybe you have been waiting a long time and been broken down in some way and need to get back to the brass tacks of starting all over again. Know this brethren that there are many called, and few are chosen. If you choose to live the life, of a consecrated, sanctified life for God. Then he chooses you today to allow this word to

**be big within you and he will exalt you in all of Israel. Know this brethren its not really you! It is the word of God that is being exalted in you. So the more of His word you have in you the more you will be exalted in the sight of all Israel. (The body of Christ)**

**JEREMIAH 1:11-12 AND JEREMIAH 17:8 (Numbers 17: 8-9)**

**So now we are ready to start the book “WILL YOU BE A HORSE FOR GOD”**

**This terminology is used a few times during scripture so I thought by using this title it would be a help to us to keep in mind that we being trained to be a vehicle for God. (Proverbs 21:31)**

**Just like we have an automobile or car to carry us around. (It’s only a vehicle) The horse is being trained and prepared for God. A vehicle to bring in the Glory of God. O.k. now first of all if you reading this and never read any of my books then lets pray you can pick this up, first of all we have to remind ourselves we do not fight flesh and blood but principalities and powers, and wicked spirits of the devil is the enemy. To take the cannan land we have to get rid of the old inhabitants. So as we see in (Ephesians 4:11) this is for the equipping of the saints to do the work of the ministry. It is not a new programme we are looking for but a change of diet. From our previous teaching we see Scurvy =a sailor lacks vitamins in his diet.**

**To day can be the same spiritually as it is in the natural a person whom eats junk food all the time lacks vitamins and lacks a healthy diet. I know Christian ministers like this that open every sermon with (John 3:16) but this is not what feeds the spirit for ever! We all need meat and some of us strong meat in order to grow. So this is strong meat, will you be a horse for God a vehicle that will hash in the Glory of God. There is an enemy that was put out of the church in times past that has come back, because of our ignorance over the years. My children perish through lack of knowledge, if we lack spiritual understanding of whom the enemy is then we shall perish in the area of lack of knowledge. We maybe prosperous in Spirit, Soul, and body and going real good. Then all of a sudden some thing goes wrong so it seems, so**

we start to confess the Word of God, we become warriors and beat our *chests as it were*. We tend all the things we know and some times poorly by the grace of God the problem seems to go away, and we say we got the victory. O but wait! Let's have a look at the scriptures now; we know that the Old Testament is types and shadows of the New Testament. The Old Testament is the New Testament concealed, the New Testament is the Old Testament revealed. With that is mind lets have a look at history repeating itself, as we have seen in past days. Our text Scriptures are many for we be careful not to take one scripture out of the context of what is saying. So we read whole chapters of 2 kings chapters 10 and 11 we see Jehu slays Baal worshippers and we see Athaliah usurps the throne.

This is a carbon copy of what is happening today; as long as we look at the flesh we will not see it. However spiritually this exactly where we are in the body of Christ today, these are strong words but mark my words we shall see a great falling away of what we call the Church today. Because most churches is nothing more than a Harlot church and the traditions of men, in denominations that are really abominations, through the manipulations of the word of the Lord. Over the next couple of years we are about to see a change in the world system, some will say it's the end of the world coming. Well are they wrong yes and no! The end of an era maybe but what will happen spiritually is Athaliah and all the followers, will be put to death by being put out of the church. What has happened over the years is that we see that its been women for years that have held things together, the house, the family, children, Jobs, the prayer meetings. All the women praying that men would be men, and take the rightful role as being priest in their homes once again. Over the years because men have not taken the rightful role as priest in their own household then it had to be the women. The authority figure has become the women instead of men, we have suffered the times of the absentee father, and he has not been there when needed. So this has coursed a wrong authority spirit to enter the churches and all the church has been a victim of this jezebel controlling spirit, why because the

man did not do the jobs they were called to do. So over the years that have gone by why have corrected some of this, by learning about the Spiritual life of the Christian. However just like in the natural every day there is a new virus we have to learn about how to over come it? Then in the spiritual it is the same, but we don't fight against flesh and blood but against principalities and powers and rulers of darkness. The main line organisation of churches are mostly controlled by the women, we even have women priests that don't seemed to be answerable to anyone, and become a law unto themselves. (this is the same spirit of Athaliah usurps the throne of God) by spiritual blindness the church has allowed this to happen. I pray that the men of the church will wake up to this and put things right. However the Lord told me a long time ago to come out of the denomination I was involved with and be ye separate. I learned that there are many Pastors have given up their denominations as I thought I was the only one the Lord shown me many more. (2 king's chapter 9-10 and 11) we see the same spiritual blindness the Church had then they still have today. So we have thought over the years that if things don't change here then we go start another Church only fall into the same trap of the traditions of men make the word of God to no affects and loss of power and authority again. History repeated again and again. Some of us how been so ignorant that we started churches, musical groups, and slogans for ministry, using the same names of people that have been condemned to death. I think to myself what are these Christians trying to do they saying wicked is good? The bible warns us about that; do not call holy that which the Lord has condemned to be unholy. I cannot help it I have to give examples here the Son's of Korah is not a good name to use as this was Korah,s rebellion that coursed God to open up the gates of hell to swallow up 14,700 people that was followers of Korah. In numbers 16: - we read the punishment God gave to the okra followers and his sons, the earth opened up and they all fell in the opening that swallowed them up and perished. Now the Lord God has not changed his mind what God called evil do not you call good! Unless you want to suffer the same fait. We still got Baal worshippers

to day they are live and well, and we still have the Babylonian system in full swing. So will you be a horse for God, will you be a people of praise and worship the living God of our Lord and saviour Jesus Christ. The Lord wants his men to be priest again in their own house he wants control of His church, to be a king and a priest unto the Lord, is a true disciplined disciple of the Lord Jesus Christ. A Priest is from the Levites family however not all Levites are called to be priest in the church. However even the priest that do not serve in the church are called to be priests of there own threshold.

(2 Chronicles 23:4-8) the priest shall be porters of the doors: (doors meaning thresholds)

1 John 3: 8-11 make righteousness your weapon of warfare and leave no place for the devil to attack anywhere. To have the anointing of God in our lives not being tarnished with anything other than the word of God. (Luke 4:18) Isa 61: 1) arise and shine, we are the lights of the world. We have restore spiritual warfare (Nehemiah 3:28) Priests are being prepared from the horse gate, the gate of spiritual warfare, and the gate they used for Judgement and sentencing.(*represents gate of spiritual warfare to-day*) The Lord knows when we are spiritual we can judge correctly Psalm 149 Judgment is given to the saints. People that have been prepared (Ephesians 6: 10) Can stand against the wiles, plans, and strategies of the devil. Remembering of course that the weapons of our warfare are not carnal but they are mighty though God of pulling down the strongholds. God puts his words into our mouth so we can things into being. (*John 17: 14 -16 – 22*) this is considered to be the last will and testament of the Lord Jesus Christ he gave us his word, his power and his glory saying I pray not for these alone but for them that shall believe on me through their words. We are born again not of this world, so we should not say what the world say's we should be saying what the Lord God has given us to say. (Joel 2: 1 referring to the kings, priests, prophet or ministry- (23) former rain moderately, is-28) a full manifestation of the former and later rain is yet to come as it

*did before on the day of Pentecost was just a taste of the end times. If we listen to the leaders of churches that have gone before us, they would say this has already happened and this is the day of Pentecostal experiences, being filled of the Holy Spirit. However I would say unto you that if we study hard the word of God, we study to show ourselves approved unto God. A workman that needth not be ashamed. Rightly dividing the word of truth. (2 Timothy 2:15) However if we can rightly divide the word of truth? Then this would mean we also can wrongly, divide the word of truth. *If we were to ask the lord the sign of the times at the end days. He would say just like in the days of Noah flood, and in the days of Sodom and Gomorra. So shall it be in the last days, fire from heavens and a spiritual flood. Not a natural flood, by my spirit shall all flesh experience the full Spirit of the living God. This will be a manifestation of the sons' of God. And we shall overcome all tribulation and death shall be completely abolished. (2 Timothy 1:10) the appearing of our Lord Jesus Christ: death has been abolished! And brought life and immortality to light through this gospel.* So I would say unto you now that we should strongly consider this has being some thing yet to come! And this is an end time prophecy. And in verses (Joel 2: 1-28) we see that God is saying here that there will be a remnant of people that will be stronger than all the others in physical strength and spiritual strength. I believe this remnant of people(28) to be the manifestations of the son's of God that is being spoken about in (Romans 8: 14- 21) *this is talking about all creation groans for the manifestations of the sons of God .(2 timothy 1:10-110 If we were to ask the lord the sign of the times at the end days. He would say just like in the days of Noah flood, and in the days of Sodom and Gomorra. So shall it be in the last days, fire from heavens and a spiritual flood. Not a natural flood, by my spirit shall all flesh experience the full Spirit of the living God. This will be a manifestation of the sons' of God. And we shall overcome all tribulation and death shall be completely abolished. (2 Timothy 1:10) the appearing of our Lord Jesus Christ: death has been abolished! And brought life and immortality to light through this gospel.* What are we suggesting this means? Well I*

believe that Jesus Christ is coming back within the saints, the glory and the appearing of the Lord Jesus Christ is within us now. If the world doesn't see Jesus Christ within the saints now, then they will never see him in the clouds any time soon. The manifestation of the son's of God must happen soon. And a long time before anyone will see Jesus returning in the clouds (2 Timothy 1:10-11) in this light

*If we were to ask the lord the sign of the times at the end days. He would say just like in the days of Noah flood, and in the days of Sodom and Gomorra. So shall it be in the last days, fire from heavens and a spiritual flood. Not a natural flood, by my spirit shall all flesh experience the full Spirit of the living God. This will be a manifestation of the sons' of God. And we shall overcome all tribulation and death shall be completely abolished. (2 Timothy 1:10) the appearing of our Lord Jesus Christ: death has been abolished! And brought life and immortality to light through this gospel. Jesus coming back in the clouds. Lets look at (2 Timothy (Numbers 23: 19- }and (Psalm 82: 1-6) you are a God in the Earth, and (Obadiah 21) says there will become saviours into Zion (church) saviours plural word here, but we know there is only one saviour who is Jesus Christ, thou we are called to be just like him. (1 John 3: 1-2) beloved now are we the sons of God.....and we shall know him as he is? (Romans 13:14) Put on the Lord Jesus Christ! And by putting on the armour of light we are putting the Lord Jesus Christ. Remembering that Christ is not Jesus second name. Christ is meaning the anointing of Jesus (see the chapter that talks about the anointing) we see the anointing and Christ is the same thing. So any man be in Christ he is a new creation. Means= if any man be in the anointing of Christ he is new. So do I mean that we can be born again and have the authority to use the name of Jesus and not be in the anointing? Yes that is exactly what is being said. We have to be in Christ and believe on the name Jesus, that we use the Name of Jesus in the same power as Jesus did, as the Apostles, of old did. Nothing has changed; Jesus Christ is the same yesterday, today, and forever. (Hebrews 10:38) The old saying no*

**pain no gain? Well the only pain and suffering we should be experiencing now is to put down the flesh to allow the Spirit to live.**

- **(Roman 8:17) we suffer the same as Jesus did but without death, because Jesus died for us so we don't have to die. However to die to our flesh, (die to self) to let Christ live. So the Glory shall be revealed in us. For I reckon the suffering in our flesh is not worthy to be compared to the Glory that SHALL BE REVEALED IN US. (Romans 8: 17--- 19) so this how we are to manifest Jesus Christ within us. So we are being prepared now to be Priests in our own house then minister to the church as a whole. We are priests after the order of Melchezidec**
- **In the moment of a twinkling of the eye**
- **A priesthood becoming Kings**
- **12 blemishes that disqualify the priesthood**
- **This is a third realm teaching that requires third realm dealings.**
- **We come into a higher realm of thinking, like Jesus walking in an open heaven. A spiritual man has his feet firmly planted where he knows the Lord has planted him, and has his head and thoughts in heavenly places. Then at any given moment can speak heaven down to earth, this is how we are meant to be. Jesus said as it: thy will be done on earth as it is in heaven.**
- **Speaking as a king in life by the power of Christ Jesus.**
- **Judgement always brings a victory. You have a spiritual discernment ( `Hebrews 6:14) all our senses can discern both good and evil, that's all our senses spiritual and in our body will change when we become spiritual, because of strong meat, and the dealing of our flesh as we become disciplined disciples of the Lord Jesus Christ.**
