

The first time Pierre gazed at Audrey Hayes, it was captivating love at first sight. They were both freshmen at *Purdue University*. The academic year was 1993.

Audrey and Pierre were both studying pre-communications, with the goal of getting into the *Journalism* program. They were each required to finish their pre-communications classes with a minimum 3.0 G.P.A. or higher.

Pierre Schwartz is from *Oak Park, Illinois*, a suburb of Chicago. He chose *Purdue University* over the *University of Illinois, Urbana-Champaign*, and *Northwestern University, Evanston*.

Audrey is from Brownsburg, Indiana. She chose *Purdue University* over *Indiana University, Northwestern University* and the *University of Michigan*. Both of Audrey's parents went to *Indiana University*.

Audrey attended *IU's Journalism Camp*, the summer prior to her senior year at *Park Tudor High School*.

Pierre knew that gaining the interest of Audrey would be an arduous task; however, Pierre also knew that she is well worth his time and focus. He has focused all his energies early in the semester on grasping her undivided attention. Pierre resided in *Tarkington Hall* (an all-male dorm); Audrey lived in *Hillenbrand Hall*, which is co-ed.

Pierre and Audrey were enrolled in the same courses the first semester; Composition I, PSY 120, COM 114 (Speech), College Algebra I, and SOC 100 (Sociology). Pierre took a sincere interest in Audrey during Speech class.

It was at this point that Pierre took time to figure out his game plan. Pierre knew what his heart desired; Pierre scripted in his mind's eye everything to come out of his mouth correctly. Pierre discovered his *muse* by a *zephyr of inspiration*.

When their class convened two days later, Pierre wore his *CK1* cologne, a dark green *Polo* shirt, and his black *Guess* jeans.

Pierre sought out Audrey, and asked her where her next class was located. She responded, "I have a short break. I was pondering heading to the *Union*."

They were both leaving the *Liberal Arts & Education Building (LAEB)*, behind a hoard of fellow Purdue students. Pierre cordially queried, “May I walk with you?” She kindly responded, “That would be great.” They both found the walk very liberating.

Pierre asked, “How about I buy you some lunch?” Audrey responded, “That sounds delightful!” It was about lunch time, and the *Purdue Student Union* serves very tasty pizza, breadsticks, and taco salads.

Audrey says, “Do you have something you wished to speak with me?” Pierre responded, “Yes, actually; I would like to know if you might like to go out some time? Would you be interested?”

Audrey smiled and responded, “Where?” Pierre responded quickly; “I was thinking perhaps to the Purdue/Notre Dame football game?” “I have season tickets, however I can buy an extra ticket for you, and we can sit together,” Pierre continued.

Audrey responded, “That sounds great!” Pierre then closes the deal by saying, “It’s a date; Saturday.”

Pierre bought Audrey's lunch at the Union. Audrey ate light. She shows off her beautiful eyes and lips, as well as her charming smile.

They sauntered around the corner and ordered pizza and breadsticks. Pierre also ordered *Jolts* to drink. Audrey and Pierre discuss topics such as which dorms they resided, what towns they came from, and what kind of church they hoped to attend on campus.

They discussed the sports they participated in during junior high and high school. Pierre learned that Audrey played volleyball throughout middle school and high school. She attended a private school in Indianapolis named, *Park Tudor*.

Audrey was the *Valedictorian* of her graduating class. Pierre also learned that Audrey's mother is a teacher at *Park Tudor*.

Pierre told Audrey that he is from Oak Park, Illinois, birthplace of *Ernest Hemingway*. That in itself captivates her interest. Pierre also tells Audrey that he went to a private high school in Oak Park called, *Fenwick High School*.

Pierre participated in soccer and track. He lettered in both soccer and track during his sophomore, junior and senior years.

They also discuss the fact that they both enjoy exercising at the co-rec. Audrey divulged that she enjoyed playing racquetball at the co-rec, as well as swims, on a regular basis. Pierre divulges that he participated in some light lifting at the co-rec, as well as played racquetball.

Quickly they discover that they have similar religious belief systems; Audrey came from a *Christian Church*, and Pierre came from a *Lutheran* background.

Pierre decided early on that he wished to attend *University Lutheran Church*, on *South Chauncey Avenue*. They had a 7:00 p.m. Sunday service. Audrey wished to attend a 5:00 p.m. service at *Campus House*, which was a *Christian Church* on campus.

Pierre and Audrey also discovered that their fathers are in the same business; *Mass Communications*, i.e. *Print Journalism*. Audrey's dad worked for the *Indianapolis Star (Gannett)*, and Pierre's dad worked for the *Daily Herald*, in Chicago. Pierre's mom worked for the *Daily Herald*, in Chicago, as a *Content Coach*.

Pierre noticed that Audrey takes Dilantin with her lunch. He asked, “My older sister takes *Dilantin* for her seizures; do you have *epilepsy*?”

Audrey responded, “Since birth.” Pierre responded, “My older sister has had seizures since birth as well. Her name is Kelli; she is a junior at *Northwestern University*.” Kelli was also a journalism major.

They found out that they had both applied to *Northwestern’s* prestigious journalism program. Audrey’s parents wanted her to stay in-state, and Pierre wished not to attend the same university as his older sister.

Audrey and Pierre exchange cell phone numbers during their first lunch date. They agreed on a time and a place to meet Saturday before the game, at *Ross-Aide Stadium*.

Audrey had a positive feeling about this new young man in her life. Audrey could sense that Pierre was a good guy, and someone who took a genuine interest in her well-being.

She was just coming out of a tenuous, sordid relationship, with a boy from *Park Tudor*, who did not turn out as she had hoped. She was striving for a new beginning.

After senior prom and graduation, they broke it off, during the summer previous to her starting her freshman year at *Purdue University*, West Lafayette. Fortunately, her x-boyfriend went to *Indiana University*, *Bloomington*.

Audrey's inner most thoughts and speculations were that she had the potential for a bright future with Pierre. She knew that they are just becoming acquainted, but her terms of endearment are delightful in the infancy of their romance.

After first semester's end, Audrey finishes with a perfect 4.0 G.P.A. Pierre finishes with a 3.6 G.P.A. Prior to semester's end, Pierre and Audrey attended several Big Ten Women's Volleyball Games; *Penn State/Purdue University* being one of them.

Over Christmas Break, they kept in constant contact over their cell-phones. Pierre was planning on moving to Hillenbrand Hall the following fall to be closer to Audrey.

During their second semester, Freshman Year, they both took ENGL 102 (English Composition II), Spanish I & II (SPAN 103), COM 102 (Intro to Communication Theory), and COM 204 (Critical Perspectives on Communication).

They spend even more time together during the second semester; they bowled, went on study dates, ate at restaurants like *Subway* and *Fazoli's*, and attended each other's churches.

Audrey and Pierre both have Subaru's that they drove in high-school, on campus. Audrey drove a black *Subaru Outback*, and Pierre drove a gray *Subaru Impreza*. It made it easy for Pierre and Audrey to get from *Point A to Point B*.

Pierre and Audrey got through the harshest of winters they would experience in West Lafayette, simply by keeping each other warm. They spent Audrey's 19th birthday, January 30th, together at *Wabash Yacht Club*. Pierre buys Audrey a special piece of jewelry (a necklace), that she found suited to her tastes and desires.

Pierre again earns a 3.6 G.P.A., during the second semester, whereas Audrey earned a second consecutive 4.0 G.P.A. They both earned Semester Honors.

Pierre returned to Purdue for Maymester, to take Spanish Level III. He invited Audrey to attend the *Pink Floyd* concert on *June 14, 1994*, at the *Hoosier Dome*, in Indianapolis. Audrey decided that would be copacetic.

She drove to the *Union Hotel*, in her Subaru, and checked into her room. She called Pierre on her cell as soon as she checked in. Pierre drove Audrey to *Chili's*, in Lafayette.

The *Pink Floyd* concert was divine; by all accounts, the music is *crystalline*. They sat fifty rows back on the floor. Strobe lights flickered on the stage, for the concert venue. Pierre was very guarded towards Audrey, because he did not want her to experience any seizure issues.

Years later, Pierre would recall the *Pink Floyd* concert as his favorite, over the two *Jimmy Page/Robert Plant* concerts he attended, as well as the *Eric Clapton* concert he attended at *Market Square Arena*.

Audrey and Pierre stopped at *Denny's* in Lafayette, after the concert. Pierre walked Audrey to the *Union Hotel*, across the street. When they got up to her room, Pierre kisses her up and down her neck; then he whispered into her delicate ear; "You are my Obsession."

Pierre held Audrey by her hips, squeezes her delectable, sexy ass; then they proceeded to *French Kiss* good night. It was a long, steady kiss. Pierre receives an "A," in Spanish Level III during Maymester. All of his sensual emotions that summer are directed towards his beloved girlfriend, Audrey. Pierre is thoroughly engrossed with her finite beauty and demeanor.

Audrey spent her first summer at home in Brownsburg, working as an intern for the *Indianapolis Star*, she works as a *Copywriter*. Audrey travels up several times to visit Pierre in her *Subaru*; she stays at the *Union Hotel*.

Upon completion of Pierre's Maymester course, he worked as a Copywriter for the *Daily Herald*, in *Oak Park, Illinois*, under the direction of his father, for ten weeks.

Of course, Audrey and Pierre kept in constant contact, via their cell phones, for the duration of the summer of 1994. They had phone sex on multiple occasions.

In August 1994, Pierre moved into *Hillenbrand Hall* with few surprises. His new roommate was a *Mechanical Engineering* student from Joliet, Illinois. All Pierre wished to do was hold hands with his girlfriend of one year, *Audrey*. Pierre got out his cell phone, and dialed up the *love of his life*.

Audrey and Pierre walked together, hand in hand, looking into each other's eyes, with love and bliss. They made out before they had dinner. During their sophomore years, both Pierre and Audrey worked for the school newspaper; *The Exponent*. They enjoyed working for *The Exponent*, and learned a plethora of valuable resources and skills from the technology and writing methodologies they are afforded by their professors.

Pierre could not keep his hands out of his girlfriend's back pockets; he was *obsessed* with her tantalizing bum. The love birds walked to *Purdue West* on their first night back on campus, to share a *Pizza Hut Pizza*, breadsticks, and a pitcher of *Pepsi*.

No headaches, no interruptions; only Audrey's beautiful smile. Pierre could not cease to stop gazing into Audrey's wide eyes. She clasped her palms together, and placed her elbows on the table, with her chin on her interlaced palms.

As Audrey smiled her biggest smile, and gazed back into Pierre's eyes with her brightest eyes, her heart pulsated with sensual desire, and her spine tingled.

Pierre started off the evening by saying, "So how have you been, *Precious*, since we last spoke on the phone last night?"

Audrey responded, "I have missed you the entire time, Boyfriend!" "So tell me, love of my life, how will it feel to be under the same roof with me for the first time, tonight?" queried Pierre.

Audrey responded, "I will resist your temptations just fine, thank you very much."

She put both of her palms around his jawline, and kissed him on the lips for an extended period of time. Audrey hugged her boyfriend tenderly with love and affection. Audrey placed her hips against Pierre's, and she nudges her breasts and pelvis against his warm body.

“Which classes are you taking this fall, Pierre?” asked Audrey. Pierre responded, “I am taking STAT 113, COM 318 (Principles of Persuasion), ENGL 365 (Literature and Imperialism), BIOL 110 (Fundamentals of Biology I), and Spanish Level IV.”

“Which courses are you taking this upcoming semester, Audrey?” asked Pierre. Audrey responded, “SOC 382 (Intro to Statistics in Sociology), COM 318, BIOL 110, Spanish Level III, and COM 328 (Diversity at Work: A Rhetorical Approach).”

“I may come back for summer school to begin my core courses,” Audrey responded. Pierre responded; “Sounds like a plan.” Audrey earned a 4.0 G.P.A., whereas Pierre earned a 3.2 G.P.A.

During her second semester, sophomore year, Audrey took BIOL 111, SPAN Level IV, COM 312, ENGL 250, AD 339 (Women Artists in the 20th Century), and ENGL 205 (Creative Writing). Audrey earned a 3.66 G.P.A. During Pierre’s same semester at Purdue, he took BIOL 111, COM 312, ENGL 250, ENGL 205 and COM 328. Pierre earned a 3.6 G.P.A.

That same semester, Audrey’s parents and Pierre’s parents met for the first time. They dine at *Bruno’s Pizza*, in West Lafayette.

Jim and *Laura* (Audrey’s parents) hit it off right away with *Jack* and *Alexis* (Pierre’s parents).

Pierre already is privy to many issues surrounding Audrey's family and Audrey already knows many aspects of Pierre's family. However, to interact with them is enchanting to say the least. Jack and Jim drank *Corona* beer together, and Laura and Alexis consumed ports of *chardonnay* together.

By night's end, Jim and Jack exchanged business cards, as well as cell phone numbers; Laura and Alexis do the same with their cell phone numbers.

Audrey and Pierre just sat back and grinned at each other, from ear to ear. Laura and Alexis discussed where they had met their spouses; Laura had met Jim at *Indiana University, Bloomington*. She was an Education major; *Jim* was a *Journalism* major.

Alexis and Jack met at the *University of Illinois, Urbana-Champaign*. Both Alexis and Jack received their degrees in *Journalism*. They resided in Oak Park, Illinois. Everyone is dressed casually for the meeting; blue jeans, and *Polo* shirts.

During Maymester, both Audrey and Pierre go through a transition period. They both jumped in with two feet, right out of the gate. Audrey began by taking COM 212 (Approaches to Study of Interpersonal Communications); Pierre took COM 250 (Mass Communications & Society). They both got “A’s” in their respective courses.

Audrey and Pierre spent Pierre’s birthday together for the first time, May 22nd. During the next eight weeks, Audrey decided to take COM 250 and COM 314 (Advanced Presentational Speaking). Pierre took COM 212 and SOC 450 (Sex Roles in Modern Society). Audrey earned a 4.0 G.P.A.; Pierre earned a 3.5 G.P.A.

First semester, Audrey’s junior year at Purdue, she took; SOC 220 (Social Problems), COM 304 (Quantitative Methods for Communication Research), COM 324 (Intro to Organizational Communication), COM 252 (Writing for Mass Media), and POL 141 (Governments of the World). Audrey earned a 3.8 G.P.A.

During the same semester, Pierre took; SOC 220, COM 304, COM 324, COM 252, and RUSS 281 (Post Soviet Movements). Pierre earned a 3.2 G.P.A. Most importantly for Pierre, he got Audrey’s dad’s business number, and he called *Jim* to arrange for a *formal meeting*.

Pierre and Jim agreed to meet in Lafayette, at *Chili's*, on October 25, 1995. Pierre asked for Jim's approval for Audrey's hand in marriage. They had dinner together for two hours that night. Pierre is quite long and winded with his delivery to Jim. Fortunately, Jim Hayes is quite fond of Pierre, and is quick to voice his approval.

Pierre says to Jim during their dinner, "Mr. Hayes; your daughter is my *pride & joy*. I love her with all of my heart. Audrey completes my spirit, my essence and my *peace of mind*." "I wish to ask you, Sir, for your blessing of her hand in marriage," Pierre continued.

Audrey's father, Jim, granted him this consideration. Mr. Hayes found Pierre to be everything that Audrey's past boyfriends have not; compassionate, wise beyond his years, spiritually insightful, and the makings of quality marriage material.

Audrey and Pierre stayed together in Chicago, during their Christmas break. The couple stayed at the *Doubletree by Hilton*, in *Downtown Chicago*.

Audrey and Pierre dined at *Lou Malnati's Pizzeria* and *Catch 35 Restaurant*. Pierre got down on one knee and proposed to Audrey, in their Chicago hotel room. Audrey allowed Pierre to slide her engagement ring onto her finger; she accepted the ring with tears in her delicate eyes.

Pierre says to her, "I love you more than life itself." Audrey delicately responds; "My love for you will never cease; I am your eternal soulmate." She says this on her knees, with her eyes closed, and tears gently streaming down her cheeks.

Audrey continued, "This is without question the happiest day of my life!" Audrey has saved herself for this very man, on this very day; she knew she will spend the rest of her life with Pierre. She lost her virginity immediately to Pierre.

Audrey and Pierre woke up together for the first time. Pierre whispered into her ear, "I love you so very much, words cannot even describe my passion for you."

Then Pierre runs his fingers through her beautiful, black hair. Audrey was wearing her finest black *Victoria's Secret, Very Sexy, Strappy Corset Teddy*. Audrey kissed Pierre deeply and said back, "I love you too, and I always will." Pierre ran his hands gently up and down her exposed bum, then Pierre held her tight, as he kissed her deeply.

He gently laid her down on their king bed, in their suite. Then they made love for the first time; Audrey straddles Pierre. She ran her hands all along his chest; Pierre ran his fingers through Audrey's long, black hair, and kissed her incessantly. They spent the night writhing in rapture and joy, as their legs intertwine constantly.
